Each Family's Final "Estate"

Of the many beauty spots around Columbus, Sunset Cemetery is outstanding as a retreat of beauty and of uplift rather than a place of gloom and despair. The Entrance, Loggion and Fountain Cascade are the outstanding features of this beautiful cemetery. Whether you are wisely planning a burial plot to take care of your family's needs through the years—or are suddenly faced with a problem of putting a loved one to rest, Sunset offers every advantage.

He retired from pastoral work this past year and returned to the city of his boyhood days. He is now active in evangelistic work and will be in several revival series this year.

Those remembering the days of Rev. Felt will remember him as a man of action. That spirit still runs his ministry. He will speak in the afternoon homecoming

MISS BLAKELY IS SPEAKER

Miss Mary Blakely will be guest speaker at the next meeting of the Rosary Altar Society of St. Mary Magdalene's Church, on Oct. 16, in the school hall, 8:15 p. m.

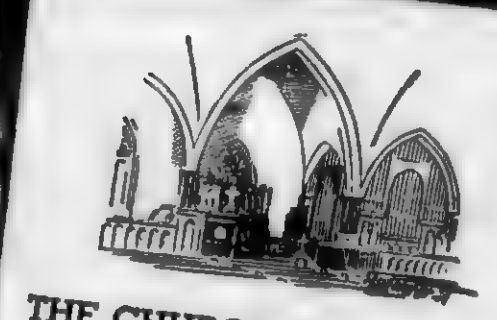

There aren't many "days" that are celebrated all over the world. And there are fewer still that are celebrated in the same way by people of many lands.

But World-Wide Communion Sunday is such a "day."

It was established to remind Christians everywhere of the UNITY of the Faith. Denominations and doctrinal differences appear on the surface to separate people... to divide the world into religious camps. But, in reality, they do not divide. They enable families of Christians to worship and preach the way they prefer—just as living in our own homes enables us to organize our family life according to our own tastes.

While Christians belong to many families, yet we all belong to ONE FAMILY... and worship ONE FATHER. A real "family reunion" once a year reminds us of our common ties.

On Sunday, October 6, Christians all over the world will gather at the Table of their Lord, each to receive the Sacrament according to his own faith. Attend the Church of your choice.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday.

Blue Star Mothers Unit Has 62 Members

The idea of forming the Blue Star Mothers Organization of America, was formed on the day Pearl Harbor was bombed, Dec. 7, 1941.

A meeting was called at Flint, Mich., in January of 1942. The Columbus and Franklin County Chapter No. 6 was organized on May 16, 1943, at the Seneca Hotel. The Columbus chapter was immediately divided into four units for better working purposes. They are the North, East, South and West Units. Next a director was elected for each unit. Mrs. Blanche Rings, formerly of 70 S. Burgess-av, was chosen as first director of the group, and a meeting was called at her home in June (1943) for the purpose of electing officers.

The first officers of the West unit were: chairman, Mrs. Sarah Etta Davis, 45 S. Wheatland-av; co-chairman, Mrs. Pearl Scoles, 1481 Sullivan-av; secretary, Mrs. H. H. Herron, 228 N. Harris-av; and treasurer, Mrs. Beatrice Tracy, Belvidere-av at Broad-st.

The West unit began with a membership of 17, it now has 62 active members. The Columbus chapter, which was made up of four units in the beginning now has 12 working units in the city.

The object of this organization is to encourage patriotism, and education, to erase social differences and to be of service to those who were in the service. Meetings are held on the third Thursday of each month.

The first project undertaken by the unit, was to help write Ration Books No. 3. The West group was given recognition for having contributed more hours work than any other.

Served Free Breakfast
The unit took turns in serving free breakfasts on Sunday morning to servicemen and women at the USO center, in giving birthday parties for, and gifts to, each boy who had a birthday during the month.

A few of the many donations of the group, are as follows: Christmas boxes to Ashford General Hospital in Virginia; and to the Chillicothe Fletcher General and Ft. Hayes Hospitals in Ohio and also the Lockbourne Air Base and the Naval Base at Port Columbus. The members of the group remembered their own service people both at home and overseas on holidays with cards and letters. They also donated to the Red Cross, War Bond, Community Fund, P. M. and Civil Home Drive, and the Liberty of Lockbourne Air Base. Helped furnish two homes for about 60 boys going to Ohio State under the G. I. Bill of Rights; collected over 75 cans for the boys at Fletcher General Hospital; and sent each month a yearly subscription to a newspaper; and donated two new radios and many other items to the Chillicothe Hospital.

To become a member of this organization, you must be either the mother, step-mother, foster-mother or Gold Star mother of a son or daughter, now serving in or honorably discharged from the armed services of World War II of this nation or of the United Nations.

The West group will be host to over 500 men at Chillicothe Veterans' Hospital in September. Games, singing and a treat for all the boys will be furnished. The group will also be host to Chapter No. 6 at the October meeting at 53 E. Gay-st.

List of Officers
This year the officers of the West Unit are chairman, Mrs. H. H. Herron, 26 N. Harris-av; co-chairman, Mrs. W. W. Ogden, 207 S. Burgess-av; secretary, Mrs. Ida Murphy, 233 N. Burgess-av; recording secretary, Mrs. Clyde Dennison, 34 N. Warren-av; treasurer, Mrs. Mary Stout, 69 S. Warren-av; chaplain, Mrs. Sarah Etta Davis, 45 S. Wheatland-av; public relations, Mrs. E. C. Williams, 235 S. Warren-av; color bearers, Mrs. Nellie Mann, 650 S. Harrison-av, and Mrs. Earle Johnson, 790 S. Parkman-av; musician, Mrs. Edith Brown, 667 Chillicothe-av; reader, Mrs. Melba Blesch, 172 Broad-blvd.; a habilitation, Mrs. Ethel Burton, 481 Townsend-av; radio, Mrs. C. A. Thornton, 42 C. Lane ways and means, Mr. Olive Johnson, 799 S. Franklin-av; membership, Mrs. Shirley Van Golt, 467 Belvidere-av.

The aims and purposes of the West unit are expressed by the chairman as follows:

"This organization of mothers should appeal to all mothers of service men and women. We who have our own sons and daughters home are deeply thankful, but we must also be mindful of those who cannot return, those who must spend many months or perhaps the rest of their lives in hospitals, in wheel chairs, in blindness, without hearing. For these the war will never be over. Our government takes care of the big jobs for the care and welfare of these boys or girls but we as mothers can bring comfort, pleasure and that little touch of home that they are longing for so much."

"Our organization is vitally interested in the veterans educational and housing programs and in all legislation that will be beneficial to the service men and the country."

"We are back of all worthwhile projects for our community, state or nation."

Had Memorial Service
West Unit has had charge of the Memorial Service at the Hilltop Honor Roll sponsored by the Hilltop Community Council for the last two years.

This unit has four Gold Star Mothers. They are, Mrs. John E. Davis, Mrs. Martha Nairn, Mrs. Ethel Thus Worthen and Mrs. Mary Rose.

The following women are members of the West unit:
Hallie S. Alberry, Anna Barlow, T. W. Barnhart, Ethel Becker, Edith Bell, Melba Blesch, Fanny Boulaiz, Edith Brannan, Lois Brown, Ethel Burton, Sarah Etta Davis, H. M. Starling Jr. High News Notes

Who Writes Starling News?
This semester the news for The Hilltop Record will be written by the six 9B English classes.

For the past four weeks the news has been written by the ninth-period 9B English class that meets in R. 19. The boys and girls who have helped in the writing are: Donald Blakely, Mona Aisel, Bill Daugherty, Jeanie Brantner, Paul Evans, Bill Beard, Laura Bulcher, David Wilson, Betty Chenos, Rodney Staley, Dorothy Storis, Dick Patton, Imogene Conway, William Nixon, Geraldine Craig, Curtis Kraft, Mary Flanagan, Isabelle Fenner, Bill Fiflick, Doris Harper, Beverly Keller, Vera Kelly, Hazel Linnaberry, Tessie Martin, Kathleen Smith, Florence Walls, Patty Ward and Lois Wedemeyer.

With this issue we say farewell, and next issue's news will be prepared by a different Starling 9B English class.

Two Starling Poets Honored
Starling Junior High School is proud of its representation in the "Anthology of Ohio Verse" published by the State of Ohio Department of Education. Of the several Starling poems submitted two were accepted, namely, "By Still Waters" by Miss Louise Lincoln, Starling's Latin teacher and "A Little Snow Flake" by Patricia Hawley, a ninth-grade Starling pupil.

Two Starling poems published in the Anthology of Ohio Verse:
A LITTLE SNOW FLAKE
I watched a little snow flake,
Come dancing from the sky,
It played a little joke on me,
By tugging in my eye.

By Patricia Hawley

By Still Waters
One of the perfect things I know
Is twilight falling
Among the trees along a stream
And a woodthrush calling.

The shadows there are ages old,
Where twilight's falling,
And peace was there when the world was young.

Louise Lincoln

New Commercial Teacher
One of the new teachers at Starling Junior High School is Mrs. Jeanie Phillips who teaches typing, business arithmetic and general business. Before she came to Starling she was a teacher at Clay-Genoa High School where she taught shorthand, typing and bookkeeping. She received her training in Bowling Green State University, where her father, E. C. Powell, was an instructor of industrial arts, mechanical drawing and mechanical engineering for 37 years.

Mrs. Phillips was married on June 18, 1946. She and Mr. John Phillips live at 398 E. Lane-av. Mr. Phillips is enrolled in law school at Ohio State University. He was in the navy for three years.

Mrs. Phillips likes almost any kind of sports. She served as a lifeguard at the municipal pool in Bowling Green and was swimming instructor at the Lumberlost Music Camp in Indiana. In fact the only sport she doesn't particularly care for is tennis; she says she always seems to have big holes in her racquet.

Electric Teacher Added To Faculty
Starling's newest teacher is John Brula, who lives at 3349 W. Broad-st. He is married and has one little girl. He has spent five years as a flyer in the Naval Air Corps in the South Pacific. He had his cadet training in Corpus Christi, Texas. He has been out since Jan. 27, 1946.

Mr. Brula received his training as an electric teacher from Ohio State University. He has taught at Painesville, Iowa.

His favorite hobbies are flying and football in which he spends his extra time.

At Starling he is teaching electricity.

Planck Is Named By Kiwanis

New President To Take Office Jan. 1

Edgar Planck, 2944 Crescent, is the new president of the Hilltop Kiwanis Club as a result of an election of officers held at last week's luncheon meeting.

He will succeed H. G. Deems, 127 N. Ross-av., when the new officers take over on Jan. 1. Other officers named were: Dr. R. J. Miller, first vice president; Jack Sensenbrenner, second vice president; Curt Wilcox, treasurer, and Jim Miles, Charles Kent, Clarence Story, E. O. Melvin, Charles Reichelderfer, Dr. C. O. Cramer and Franklin Sparks as directors.

E. P. Welch, chief of the Columbus Fire Department, is scheduled to address today's meeting of the local club in observance of National Fire Prevention Week.

Edgar Planck

to address today's meeting of the local club in observance of National Fire Prevention Week.

Ebriety To Speak

Don Ebriety, treasurer of the State of Ohio, will be the speaker at the Oct. 17 meeting of the Hilltop group.

A committee headed by Jerry Watson was named to take charge of the Halloween window decorating contest. Others on the committee are Joe McClint, Joe Agee, C. H. Campbell, Curt Wilcox and Charles Reichelderfer.

At last week's meeting C. Carlton Hartley, publisher of the Hilltop Record, gave a very brief talk on the observance of National Newspaper Week. Jim Scott, a visitor from the Northwest Kiwanis Club, presented the local club with an inscribed milk can, originated by the Hilltop Club to serve as an interclub athletic trophy. It was returned to the Hilltop by virtue of 24 to 19 softball victory scored by the home team.

Traffic Light Request Is Turned Down

The City Traffic Commission in session Monday afternoon turned down the request for a traffic light at Westgate and Broad-st.

A petition and request from the Hilltop Community Council was discussed at the meeting but no action was taken by the group. The opinion expressed by a member of the commission was to the effect that one traffic light alone would do little to control the problem of speeding motorists. It was pointed out that a whole series of lights, properly timed, would be necessary to slow down east bound traffic.

It was the second request for lights on the Hilltop that was turned down in recent weeks. A petition for a light at Burgess and Broad-st was turned down several weeks ago.

Residents of the Westgate section report considerable difficulty in getting across Broad-st during a good portion of the day and evening as cars come into the city from U. S. Route 40 at speeds considerably in excess of those permitted on city streets.

HCC To Meet Here Tonight

The Hilltop Community Council will meet at the Teen Canteen, 2587 W. Broad-st, this evening to make plans for the fall and winter program.

An effort has been made to have representatives of most Hilltop organizations present to share in the planning program.

Among the things to be discussed tonight will be the community-wide Halloween party to be held at West High School Oct. 31. Last year more than 4,000 persons attended the get-together and police reported that there were no calls of vandalism or pranks during the evening.

A representative of the Council of Social Agencies of Columbus will address the meeting.

Blue Star Mothers Will Have Sale

The Glenwood Blue Star Mothers will hold a rummage sale on Saturday, Oct. 19. Members of the organization have stated that any contributions will be gladly accepted.

Any person having material they wish to give for the sale can contact committee members by calling RA. 2494 or RA. 3541.

The sale will be used to continue work in the veterans' hospitals and other projects regularly carried out by Blue Star Mothers.

One To Be West Homecoming Queen

It isn't every day of the week that The Hilltop Record counts is graced by such a bevy of beauties as shown in the above picture so it isn't any wonder that all work came to a halt while Photographer H. Ernest Schubert focused his camera.

The girls, all students at West High School, were candidates for the honor of "homecoming queen." Shown in the above picture (left to right) the girls are: Beverly Thurell, 476 Wrexham-av., Ditty Berfield, 481 Belvidere-av., Janet Moran, 450 S. Earles Return To Hilltop After Eight Years In Orient

Rev. Robert and Elizabeth Earle, their three children, Katherine Jane, Nancy and Charles Robert, arrived in Columbus Tuesday evening from New York.

Mrs. Earle is the daughter of Rev. and Mrs. Charles Stalker of 1938 Floral-av. She was born in Columbus and has spent most of her life on the Hilltop.

In 1938 the Earles went to India as missionaries under the Missionary Board of Ohio Yearly Meeting of Friends, Highland Avenue Friends being the meeting of their American membership. They went to India with the expectation of remaining there for a six-year term, but the war and difficulties in transportation kept them in the Orient two extra years.

A reception is being held from Thursday evening in the Glenwood Shelter House auditorium. All their friends are invited.

Refunds For St Cleaning Not Likely

Property owners on Broad-st between Wheeland-av. and Hague-av are not likely to get a refund on excessive street cleaning charges paid for services rendered by the city in 1945.

Although City Council seems agreeable to work out a refund on or near the new 1946 rates, City Attorney Richard Gordon told The Hilltop Record this week.

Hilltop Women In Business—No. 2 Mrs. Shell Has Birthday File With More Than 500 Names Of Friends

Editor's Note: This is the second of a series of Hilltop Record features on women in business on the Hilltop and West Side.

Mrs. C. F. Shell, 241 S. Richardson-av., proprietress of the What-Not Shoppe located at 2490 W. Broad-st, has a birthday file in which she has over 500 names of her friends. She started her file in 1923. Mrs. Shell enjoys receiving cards as well as sending them, and has an album of the cards that her friends send her. She started the file when her birthday books became too full to hold any more names.

The What-Not business is intriguing to Mrs. Shell. She has been in this line of work for seven years and is in her fourth year in her present location.

A resident of the Hilltop for 29 years, she has two sons, Jack and Bob Down.

Speaking of birthdays, Mrs. Shell celebrated her's this year on Friday the 13th and as she is the oldest of 13 children, several people were interested to know whether anything "unusual" occurred on that date. (Nothing did.)

Mrs. Shell was very active in club organizations here of the Hilltop until several years ago when her health made it impossible for her to keep up her work. So after recovering somewhat she started her shop, which she doesn't consider work because she enjoys it so.

She makes floral pieces in her home, which until a close inspection is made, cannot be discerned as artificial. She has so many requests for these pieces that they are made only on order.

The Druggist — A Citizen

The American druggist serves in the unique capacity of a professional man, a retailer, and a citizen. The corner drug store is not only the meeting place for those who are in search of the everyday necessities of life but, in many instances, has the well-deserved reputation of being the crossroads of the community.

I say crossroads in the sense that here in the drug store and the retail pharmacy, people of all walks of life shop for innumerable articles and services, and discuss and talk about every conceivable topic.

This places a great responsibility, and one that goes further than professional responsibility, on pharmacy and the pharmacist.

Waterfowl Season Oct. 26 To Dec. 9

In accordance with an official request made by the Ohio Conservation Commission in June, a Department of the Interior ruling has placed Ohio in the intermediate migratory waterfowl hunting zone. The waterfowl hunting season for Ohio will be from October 26 to December 9, from one-half hour before sunrise to one-half hour before sunset.

A 38 per cent decrease in ducks coupled with a 50 per cent increase in the number of hunters during the past two years brought reductions in the hunting season.

from 80 to 45 days, in the daily bag limit from 10 to seven and possession limit from 20 to 14, together with a shortening of shooting hours. Included in such duck limits, not more than one wood duck is permitted in either the daily bag limit or the possession limit.

The daily bag and possession limits for geese have been reduced to two of any kind in any combination, including brant, plus two snow geese or two blue geese, singly or in the aggregate. Canada geese (including Hutchins, cackling and white-fronted and Ross' geese) have decreased to such an extent that a closed season was prescribed as a conservation measure in several states, including Ohio.

Other limits and possessions include rails and gallinules (except sora and coot), specifying 15 in the aggregate of all kinds, for both the daily limit or possession. Twenty-five coot may be bagged in one day or be possessed by any one person. For sora, the same limits apply as for coot. Four woodcock may be bagged by any one person in one day and eight may be had in possession. The post-season period for possession of migratory game bird remains the same as last year—90 days. The regulations do not authorize the taking of waterfowl by means of bait or with the aid of live duck or goose decoys.

Night is Day's dark shadow
Lying quiescent on the meadow—
Sheened by pale moonlight
And hushed by strange winds
In the sedge-grass.
Night, no longer the shadow,
Stirs, brushing slim fingers
Across the horizon—
Slim, experimental, voluptuous
fingers.

BRIDE IN CHURCH CEREMONY

(Courtesy of the Citizen)

Mrs. Robert Joseph O'Neil (Marjorie Jean Carter) was married Sept. 21 in the Immaculate Conception Church.

New Cottons Will Go To College In New Array Of Styles and Patterns

New York City—Cotton will be a September-through-June fabric on college campuses all over the nation, stylists and designers assert here.

Those summer cottons will still be smart wearing apparel in the first month of school, but all sorts of "winter" cottons are being prepped for the months to follow.

Cotton is definitely in the curriculum and will be seen from classroom to prom all year long. Rich pile fabrics, fine colors and slick-chick styles are being shown in cotton in college style shops everywhere. Warm but light weight chambray, twills, gabardines and poplins are high on the list for sportswear.

Corduroy Popular: Date dresses and suits in bright red and green corduroy, as well as pedal pushers, slacks, jumpers and sports jackets, will be seen crossing the quadrangles. Latest colors, too, are deep wine and royal blue in this washable, durable material.

More formal are the suits and dresses of broad-shouldered velveteen, featuring peplums, slim skirts and tiny waists. This luxurious fabric, already popular for wedding gowns, will provide glamorous velveteen evening dresses for college dances.

There's another cotton pile fabric winning success among the college crowd—plush, with a very wide waist. In addition to the standard colors it comes now in cedar brown, grey, lime and beige. Short coats of velveteen and plush are smart this season, flaring wide at the back and with big sleeves and high collars. They'll be worn on the campus with everything from slacks to evening dresses and hence are extremely practical.

And Those Raincoats: There'll be no need for drab looks when rain falls. The campuses will be alive with color in wet weather with gay cotton raincoats. Something new this year is a two-piece rain garment—three-quarter coat and a wrap-around rain skirt. Cotton raincoats which may be washed without destroying their water-repellent quality are also in the shops.

Three and four-piece cotton dormitory ensembles are sure to intrigue the co-ed this fall, with long jackets and slippers to match the pajamas. Quilted and corduroy robes make pretty and practical wear for lounging and study time.

Delayed Fire Alarms Costly

By Captain John E. Jordan, Chief
Bureau of Fire Prevention

Delayed fire alarms are costly. National records disclose that most major fires are out of control before the fire department is notified. It is interesting to note the rapidity with which fire spreads.

An experiment made by the Gamewell Fire Alarm Co. showed that a small fire will grow to three times its original size within two minutes after it is started. In four minutes it has spread to 11 times its original size, and in eight minutes the small fire has multiplied in size fifty times.

It is important that "turning in the alarm" be made a necessary part of any plant fire protection system, even where the plant maintains a plant fire brigade at least two employees should be given the responsibility of reporting the fire to the fire department.

The fire department's telephone number—MA. 3132—should be posted in a prominent place at the telephone switchboard and near each telephone in the factory.

If called in time, the fire-fighters can extinguish most fires with a minimum of loss, but a delay of just a few minutes in reporting the fire may mean a loss

in which she was riding, and driven by her son, Jack Moore, was in collision with a car driven by Clement Wolfe, 18, 2552 W. Broad-st.

The accident occurred in the 100 block of N. Eureka-av. Mrs. Moore was taken to Mt. Carmel Hospital.

We don't suppose you have ever thought about it, but we've never told you about our extensive experience and training as a Registered Pharmacist, but we just never felt it necessary.

Refunds For

that he knew of no way legally to make a refund on an assessment already paid.

The much-disputed charges levied against property owners for street cleaning services furnished by the city were for actions where a hand patrolman is employed to keep the street clean in addition to the regular flushing and brushing provided by city equipment. The Hilltop section is one of six similar business areas in the city where loud complaints were registered over charges approximately 500 percent higher than for similar services in 1944.

The cleaning rate for 1944 was recently set at 13 1/2 cents per front foot, an increase of approximately 36 percent over the 1944 charges. The city collected 51 cents per foot for the year 1945.

While Gordon said that he had not made a specific study of this situation, he had told members of the service director's office several months ago that he knew of no way to make the refunds.

Now he has been asked by that office to assist in drawing up an ordinance making possible the refunds.

Council Promised Support
Despite Gordon's earlier observation Council President Joseph Jones and the Hilltop's representative in Council, Henry Koontz, both promised Hilltoppers they would see that an equitable settlement would be made on the 1945 charges. No one has ever explained how the ordinance setting the increased rates for 1945 got by Council more than a year ago without some one checking the figures.

Koontz has promised to introduce the ordinance making the adjustment on the overcharges and a couple of months ago Mr. Jones assured the Hilltop Record that he could get sufficient votes in Council to pass it. Koontz has been asking that the ordinance be drawn up for the past three weeks so hat he might bring it before Council.

Attorney Gordon has promised a more complete statement on the legality of such an ordinance as soon as his office has had time to explore the matter further.

Cowboy Eleven Points For Linden McKinley After 6-0 Defeat By North High

West Shows Improved Style of Play In Losing Close Game To Polar Bears

It's now or never for the West. High eleven.

If the Pemberton coached Cowboys are to be a factor in the 1946 grid championship in Columbus, they must knock off the highly-touted Linden-McKinley scheduled to invade Magly Field at 3:00 tomorrow afternoon. Fans should note the change from 3:15 to 3 o'clock in the starting time. It goes without saying that it's a big assignment. McKinley is one

They're Out To Defeat Linden Tomorrow

In the bottom photo the entire squad, including coaches and managers is shown. They are:

First row (left to right) Don Anderson, Carl Hosler, Ralph Watts, Jack Thrush, Don Horro, Curt Westerman, Bruno Masdea and Jerry Chinn.

Second row, Bob Baas and Eugene Zimmerman, managers, Bill Buckingham, Starling Hutt, Bob Schlegel, John Cleveland, Jim Slager, Paul Hegenberger, Dolph Smith, Ed Sparks, Bill Foster, manager, and Dick Hush, manager.

Third row, Coach Mack Pemberton, Bob Horsch, Ted Biggers, Walter Hicks, Chuck Weeks, Sonny Sahr, Al Andrews, Joe Hostetter, Carl Naumoff, Assistant Coach Fred Heischman, and Reserve Coach Dick Colburn.

Fourth row, Robroy Jones, Danny Miles, Louis Cappretta, Ed. Van Allen, Wilbur Ehlers, Fred Harper, Dick Hershberger, Don Speakman, Fred Warden, Don Orr, Chuck Watts, Kenny Evans, Bob Wolfe Skip Stout and Bob Ford.

Fifth row, Dick Holycross, manager, Guy Celli, Dick Kirk, Bob Pusecker, Dick Lannigan, Norris Boothe Roger Moury and Bruce Langton, manager.

of the three undefeated teams in the league.

Last week North's Polar Bears took a hard-fought and well-played game from the Cowboys by a score of 6-0. The old penalty bug-atoo rose up to plague West just at times when it hurt the most. Most of the spectators went home feeling that North was pretty lucky to score the lone tally of the game.

On first downs West had a very slight edge, accounting for 12 to the visitors' 11. During the first half it was mostly West on the offensive, the Cowboys piling up

opening kickoff to the 28. Hutt, Singer and Masdea in a series of five plays carried the ball to the North 18. The Polar Bear defense stiffened, however, and West lost the ball on the 18.

On the very next play, Chinn recovered a North fumble on the North 35. Masdea sprinted around his own left end to the 14 and Chinn again made it first down on the 3. Again the North forward wall held and West was unable to advance the ball on three tries. It was at this point that the Cowboys drew a 15 yard penalty and the second threat was smashed.

Good defensive play characterized the game of both teams. Hosler was again very much in evidence at his tackle position. He was taken from the game in the last quarter following an injury but returned to the game a few plays later to finish the contest.

Curt Westerman watched the game from the bench without being in uniform. He received a kidney injury in the Aquinas game which kept him on the bench. There is a possibility of him being in shape by Friday, however.

In other City High League games played Friday Linden McKinley defeated Central 24 to 7 while East romped over South by the tune of 34 to 0.

The starting lineups were as follows:

North	Pos.	West
Jones	L.E.	Buckingham
Dyer	R.E.	Borror
Palmer	L.G.	Cleveland
Backus	C.	Watts
Davis	R.G.	Smith
Tellow	R.T.	Hosler
King	R.B.	Anderson
Widdow	R.H.	Slager
Woodruff	R.H.	Chinn
Clark	L.H.	Masdea
Fraley	F.B.	Hutt

Scoring: North touchdown—Clark. Substitutions: North—Wallace Long, Teach; West—Biggers, Sahr, Anderson, Naumoff, Cleveland, Hegenberger, Thrush, Schlegel, Hostetter. Officials: Referee—Jim Scott (OSU); Umpire—Lowell Wrigley (OSU); Head Linesman—M. L. Trabue (Deliance).

Hilltop A.C. Downs Col. Merchants

The Hilltop A. C. football team defeated Columbus Merchants in the National Middleweight League by a score of 13 to 6 Sunday afternoon. However, the Columbus Merchants have protested the game on the contention that a 190-pound player was used by the winners.

In other games played Johnson Sea Food blanked Casey's Grill, 13 to 0, while St. Clair Big Four downed Eanco Concessions, 6 to 0. In the American Middleweight League, 740 A. C., defending champion, edged Crown Grill, 7 to 6; A. A. Merchants nosed out Model Dairy, 6 to 0, and Wyandot A. C., laced Linden Night Club, 25 to 6.

to see these former West High students. MR. WASHBURN, especially, seemed glad to see them as he went around shaking hands with all of them.

Also seen at the game was DALE ROSE, former baseball-football coach—still anxious as ever about the team.

Another member of the senior class, HAROLD KLIEN, recently left for the armed services.

Well—I guess that's about all except let's all get in there tomorrow and yell for our team as they meet the Linden-McKinley eleven.

Many Local Fans See Cap Game

Scores of Hilltoppers attended the Capital-Marietta University football game at Capital Saturday afternoon to see Dale Rose's team in action. It was the first Columbus appearance of the Rose coached college eleven. Marietta won the game 12-0.

Several members of the Hilltop Kiwanis Club and their wives saw the contest. This is Rose's first year in collegiate coaching circles, having left his position as head football coach at West High School last spring to take over the coaching reins at the Lutheran school.

Prospects Bright For Wildlife Work

Conservation Commissioner H. A. Rider, following a state-wide inspection tour of Division of Conservation properties stated that never in the history of the Division were prospects brighter for the future of the state's wildlife and public recreation program. "With all physical properties such as fish and game farms, state park buildings, and all machinery and equipment of the Division in first

class condition and with the addition of the recently purchased surplus war equipment, this state," Rider said, "cannot hold but lead the nation in the conservation and restoration of wildlife and natural resources."

"In my opinion," Commissioner Rider added, "the conservation, and wherever possible the restoration, of all natural resources, including the soil, water, forests and minerals upon which wild-life conservation depends, should become the immediate concern of not only the state but the entire nation."

Starling Jr. High News Notes

Orchestra

This year Starling is very proud of its new instrumental teacher, Robert Rockey. He has been with us this semester, and our orchestra is getting along fine. Mr. Rockey is giving the children who are interested in playing instruments class lessons during the week, and on Tuesday and Thursday we have regular orchestra. We hope in time to have a large band as well as our orchestra.

The orchestra includes: Mildred Barnett, Gail Grubb, Ann Knospe, Ronald Davis, Mickey Morbitt, Leroy Morgan, Grover Powell, Floyd Ramsey, Jerry Sharp, Gary Stoll, Robert Walter, Jerry Wellnitz, Jack Wilder, Kenny Wright and Theresa Baker.

Intramural Basketball Games
During the month of October, Starling will be having intramural basketball games between the home rooms to give Mr. Pace, the new coach, an idea of who the best players are. Starling expects to have a good team this coming season.

Starling To Present "America Unlimited"
"America Unlimited," by Lydia M. Ickler, has been chosen by the dramatics committee, for American Education Week. It will be sponsored by the P. T. A. and is to be presented the night of Tuesday, Nov. 19.

There are 13 characters in the play which the dramatics classes are now casting.

Sales Tax Stamps
Starling Junior High School pupils have collected more than \$3,628.74 worth of sales tax stamps in September. The stamps are given to Mrs. Dunlap, who keeps a very accurate record of them. Starling will receive \$108.86 for these stamps when they are turned in.

Miss Miller's home room contributed the most stamps, \$1200 worth, for which they will be credited \$36 of the \$108.86.

Starling pupils brought in enough stamps last year to buy a moving picture machine. All of the gym equipment is bought with the money received from the stamps. Starling is very proud of its record.

P. T. A. Dance
There will be a dance at Starling Junior High School Friday evening, Oct. 11, at 7:30 p. m. Admission will be 35c per person; all Starling pupils and their friends are welcome. An orchestra will furnish the music. Please come.

Playground Season Ends, Winter Program Takes Shape

With the first days of autumn just past, the 1946 summer playground season has drawn to a close. The City Recreation Department is quite proud of its summer record—not that there isn't ample room for improvement.

The attendance records, for example, show that in 1944 the playground attendance was 321,481 for the summer. In 1945 the figures stood at 365,481. In 1946 the attendance had climbed to 513,201 or an increase of more than 40 percent. The reason? It could be many things—better planning, better organization, more varied program, more available materials or better supervision. The last two are probably the key-notes.

Following are the final tabulations of the attendance on the grounds of the West Side and Hilltop: Hilltop Park, 7,055; Westgate Park, 25,559; Glenwood, 17,321; Sunshine, 18,217; Sullivan Gardens, 16,389; McKinley, 5,234.

On Oct. 7 the Recreation Department opened its fall and winter season with the opening of the indoor recreation centers. The following are the West Side centers, listed with their supervisory personnel: Glenwood, Jerry Jeroux, supervisor; Florence Miller, assistant; Sunshine, John Slovic, supervisor; Dorothy Lightner, assistant; Sullivan Gardens, Tom Portante, supervisor; Edythe McCarter, assistant. The West Market supervisor is undecided as yet.

The hours at the centers are from 2 p. m. until 10 p. m., five days a week. On Saturday they are from 9 a. m. until 12 noon.

Pre-season basketball will be given chief emphasis for the first few weeks. It is hoped that the classes in general gymnastics, including conditioning exercises for women, will be held in all of the centers.

2 Appear On Jamboree Show
Two young Hilltop musicians were featured on the Tiptop Kiddies' Jamboree last Saturday morning over WHKC. They were Kenneth Chamberlain, 19, 1235 Sullivan-av., and Barbara Hanne, eight, 78 N. Terrace-av. Kenneth sang "Don't Be a Baby, Baby." Barbara appeared as a piano soloist. The program is broadcast each Saturday from the K. of C. Ballroom at Sixth and State-sts. and is open to the public without charge.

The program features Jimmy Weiner and master of ceremonies, Bob Carlin.

Auditions are held every Thursday night, and six cash prizes are awarded to the amateurs chosen to appear on the program. For auditions, call Bob Carlin, AD. 1101. Second prize last week went to Donna McKnight, 10, and Connie Sonner, 12, tap dancing team of the Hilltop.

centers. Whether these classes may be held or not depends upon the number of people who register for them.

Pre-season basketball is open to all junior and intermediate boys and girls. If a sufficient number registers there will be a league. Anyone interested in playing these sports should contact the supervisor of the nearest recreation center as soon as possible.

5 Are Injured In 2-Car Crash

Five persons were injured early Sunday when a car driven by Donald Alkire, 19, 187 Demorest-rd., was in collision with the auto driven by Francis Taylor, 77, 164 S. Richardson-av. The accident occurred in the 1500 block of W. Broad-st.

According to police, Alkire was arrested and charged with operating a motor vehicle while intoxicated.

John Walker, 19, 2310 Sullivan-av., a passenger in the Alkire car, was admitted to St. Francis Hospital for treatment of head injuries. Jean Weherle, 16, 1800 Central-av., Briggsdale, also a passenger in his auto, was treated for bruises. Alkire was uninjured. Taylor was treated for face abrasions and bruises and two passengers, Joseph Murphy, 62, 233 N. Burgess-av., and his wife, Mr. Ida Murphy, suffered cuts, bruises and abrasions.

Robert W. Wallace Enlists In Navy

Robert W. Wallace, son of Mrs. Max E. Newhouse, of 109 S. Eureka-av., was enlisted in the U. S. Navy last week at the Navy Recruiting Station in downtown Columbus.

He left for the Naval Training Center at Bainbridge, Maryland, for his "Boot Training."

Robert attended West High School and prior to his enlistment was employed by the Sinclair Filling Station at Eldon and Broad-st.

He enlisted as an apprentice seaman designated as a hospital apprentice. Upon completion of basic training he is scheduled to attend a pharmacist mate school where he will study to become a specialist in some branch of the Navy's Medical Corps.

Volunteer Firemen Operate Prairie Township Fire Protection Group In Rome

Girl Scout Troop Is Active Group

Editor's Note: The following article was written for The Hilltop Record by Mrs. E. C. Sheets, 235 Pasadena-av. Her column "News of Rome" appears each week in the Record.

The Prairie Township Volunteer Fire Department was founded in 1942 to provide better fire protection for those residing in Prairie Township. Grover Kaderly was the first active chief. Joe Lamb was appointed chief, but was in the service at the time and did not take over the department until Jan. 1, 1946.

There are 19 members belonging to this organization and they come from all walks of life. So far this year this unit has been on 31 runs. They get calls through emergency phones. The number is FR. 8-5368. When the call comes in, three of the firemen's wives, Mrs. Grover Kaderly, Mrs. E. D. Smith and Mrs. Lawrence Kernes, immediately call the rest of the men.

The pay in this department is

not so good. Each man receives one dollar per run. The men do it because they like to and it is also an added good service to the community. Since the department has been organized it has brought the insurance rates from the 10th class down to ninth class, within three miles of the point where the engine is housed. Last November a bond issue for \$20,000 was voted to build a new engine house. So far the trustees have not been able to get priority to build. When it is built, they expect to purchase additional emergency equipment.

On Nov. 21, the boys are having a dance and will give away tickets, at Galloway Hall, to raise funds for some equipment they need at the present time. Tickets are available from any of the firemen. At this time E. D. Smith is on the sick list. He is missed very much, as he attends the meetings regularly. The following are members of this up and coming unit:

Joe Lamb, chief, Grover Kaderly, Elmo Spring, Elmo Carter, E. D. Smith, Roscoe Kernes, Carl Dellinger, E. D. Smith, Carlton

Lavelly, Edward Lavelly, C. W. Busick, Don Dellinger, John R. Richards, Jack Elliott, D. H. Elliott, Eugene Higgins, Laurence Kornt, Harold Hyland, Geo. Jurecek.

Girl Scouts
Troop 10 represents Rome in the field of Girl Scout work. This active organization is under the direction of Mrs. C. H. Brown, leader, and her assistant Miss Helen Agnus, who is also music director for Rome, Altoa and Galloway schools.

The troop was established in 1944 with 30 registered members. At present there are 28 members. The girls have carried out a program of activities, receiving several blue ribbons at the Ohio State Fair for work in the field of arts and craft and for pie baking. Clarice Schaefer took first place in the pie baking for girls 12 to 18 years old, while Doris Brown was first place winner for girls 10 to 13 years of age. Several second place ribbons were also taken.

Trips were made to the Ohio State University, Moore & Ross Dairy, A. I. U. Tower, City Hall, City Post Office, Ohio State Museum, Columbus Art Gallery, and several churches.

Camping in the spring and fall included over-night trips to Camp Senjockety. Several girls were a camp during regular camping season for 10 days.

Winner of the first house contest conducted by Franklin County Girl Scouts was Nancy Growlen. Also folded seals for Columbus Tuberculosis Society. A mother and daughter banquet was held May 12 and the girls were on the P. T. A. program Apr. 25. They had two scrap paper sales. They also made stuffed toys last year for the school carnival. This year the troop is making scarves. Two girls were county 4-H winners. They planted trees at camp last year, made curtains, cleaned and painted in the Scout house which they share with the Cubs and Boy Scouts.

4-H Club Work
Rome also has an active 4-H Club which was organized in 1928 under Miss Lena Ceyer with the name of Merry Romans. They have always been an active organization, being able to have a representative of one or more of their camp during the summer months. They have also been successful in having good leaders who have made it possible for the 4-H Club of Rome to be in the top when it comes to needle work and machine sewing. At present Mrs. George Terry, Maple-dr., is the leader.

Other Groups
Rome also has an active Ladies' Sunday School Class which meets regularly each month for an evening of constructive thinking, games and refreshments. This class looks after certain children of the Methodist Home. The Junior League is a strictly social group. Twelve girls, only an hour, they meet once each month.

The Monitors, an organized 'unday Class of married folks of the Columbia Heights Church, meet once each month.

Troop No. 131 Is Active In Rome

Among the youth organizations of Prairie Township is Rome Troop No. 131 Boy Scouts of America. Organized in December, 1930, with Dr. T. E. Nichols as scoutmaster, later succeeded by Dr. Raymond Birdwhistle, who in turn was succeeded by Clara E. Tones, a charter member of the troop and now principal of Hilliard Grade School, the troop is now headed by Richard W. Glass, Jr., as scoutmaster, with Rev. Elwood Rose and T. E. Nichols, Jr., as assistant scoutmasters. The scout committee consists of Harry Eberhard, chairman, Irvin A. Thompson, Floyd Armstrong, Norman Martin, George Terry and Dr. H. L. Mitchell.

During the almost 16 years of its existence nearly two hundred boys have been members of Troop No. 131, engaging actively in community affairs, such as ushering at Ohio State football games and the Ohio State Fair, taking part in the Boy Scout Circus, coming to Camp Lazarus and Camp Time, helping in various capacities during the war years and at the proper age taking their places in the military service.

This fall the troop has been successfully making and selling cider as a means of financing their winter activities, and plans are now being formulated for the parents' night party to be held in the near future.

By Mrs. E. C. Sheets

Mrs. Robert Brackett and daughter, Tommy, of Lima, have returned home after spending a week with her mother, Mrs. Brooks, Maple-dr.

Mr. and Mrs. Wilbur Gisham of Lennox-av. announce the birth of a daughter. They have named her Linda Jean. Mrs. Grimm is living temporarily with her mother in Lockbourne, but hopes to be back in Rome soon.

Mr. and Mrs. Louis Smith were recent visitors at the home of Rev. and Mrs. Patterson, Maple-dr.

The Junior Mission Band of the St. Paul's Lutheran Church meets regularly the first Thursday of the month. All children between the ages of four and 14 are invited to attend and become acquainted with missionary work.

Mrs. Phil Hoag (Leslie Lewis), a recent bride, and Jean Wata entertained 18 guests at the Lewis home last Thursday with a personal shower for Betty Lee Kidwell, who is being married Saturday in the Columbia Heights Methodist Church.

Rev. Verburg, wife, and sister-in-law called Sunday afternoon at the Patterson home, Maple-dr. Rev. Verburg is pastor of Kohn Memorial Church.

Elvin Breckenridge, T-5, of Velloir Camp, located 18 miles from Washington, D. C., was home recently for the week-end. He was nine months overseas and experts to be discharged in November.

The ladies of the Lutheran Church entertained the ladies of the Columbia Heights Church Thursday afternoon. A modern spelling bee was enjoyed by 10 ladies of each church, and then the Lutheran ladies put on a skit which was true to the average committee meeting of ladies.

"Making Plans to Entertain Our Husband" was the name of the skit and it was enjoyed by all, as were the delightful refreshments.

Don't forget the Rome School Carnival, Oct. 19. Home-made chicken, noodle supper begins at 5:30. Bring your toys for children. Remember the size of your pillow cases and get them here. Also other art work. Square dance in the school portable.

Sunday night the Warners of Pasadena entertained with a football party and supper. Those who enjoyed the evening were Mr. and Mrs. Wilbur Ferguson and children of Grandview, Mr. and Mrs. Jim Snyder and children, Marilyn, and Jim. Mr. Snyder is still stationed in Korea. Mr. and Mrs. A. Thompson and son, Robert, are visiting here from California.

Mr. and Mrs. M. A. Howell of Pasadena-av. went to Johnston to visit among their relatives, whom they have not seen for many years.

Mr. T. M. Patterson is in Mt. Carmel Hospital. We hope, this time, for only a short stay.

We would like to note that Mrs. Kidwell of Beacon Light Golf Course, Lennox-dr., is home from the hospital after several months and is recovering her health.

Mr. and Mrs. Robert Miller of Pasadena-av. entertained their card club (the club without a name) Saturday night. This club

Virginia Clements

Mr. and Mrs. Ralph Clements and daughter, Virginia (Ginny) are proud of their new store, The Knotty Pine, now located one door east of the former grocery location, 5283 W. Broad-st. The Clements family will celebrate the fifth anniversary of the store on Nov. 15.

Mr. Clements, who was formerly a building contractor for 15 years, is well known on the West Side, as he built a number of houses in the Westgate addition, also Bexley and Upper Arlington, during that time. He worked for several months on the interior of the new store and is justly proud of the modern, attractive appearance which it presents.

Virginia assists her father in the store, both in buying and managing. After being graduated from Hilliard High School in 1943, she attended Ohio State University, majoring in retail merchandising. The new store is evidence that she profited from the time spent at school. Her dad says she is the real "boss" of the store.

Mrs. Clements also assists at the store as time allows and can be found serving behind the counters most any evening.

The family has lived in New Rome 15 years. They had their home at 342 S. Huron-av. previously to moving to their present address.

Mr. Clements states that the new phone number is now FR. 8-5392.

is made up of about 18 young married couples and meets about once a month.

Mr. and Mrs. Sheets, Sr. and Mr. and Mrs. R. G. Barncott of Oakland-av. were in Lima Sunday visiting with Mrs. Sheets' sister, Mrs. Greenland, and the Adgate family on Shawnee-dr. They also stopped on their way back to Columbus, with a busy visit in Roundhead, with the Walter Shaw family.

Embarrassed members of the agriculture committee are E. O. Melvin, 107 E. Warren-av. (chairman), Charlie Kent, 323 S. Terrace-av. Cunningham, and E. Witherspoon, owner of the Better Home Center, 2775 W. Broad-st. (The even more embarrassed would be Record photographer preferred to remain anonymous.)

So come on, boys and girls: join the contest. It will take only a few minutes to write a one-page letter and you may win "Miss Kiwanis."

Romance Started in White House Ends in Marriage of Norton-rd Couple

Monday, Sept. 23, was the date of the wedding of Miss Ida Louise Walkup, daughter of the late Dr. Henry Clay Walkup and Mrs. Walkup of Saratoga, Ark., to Mr. Richard W. Glass, Jr., of Columbus, climaxing a war romance which began at the White House in Washington early in 1941.

Miss Walkup, then employed in Washington, and Corporal Glass, a student in the Army Engineer School at Fort Belvoir, just outside of Washington, were among the sightseers visiting the White House. At that period civilians, unless accompanied by military personnel, were restricted from the sightseers of the White House normally on every tourist's itinerary, but a kindly guard intervened for a disappointed girl and commissioned a willing corporal as an escort. The acquaintance thus born ripened into friendship and the enjoyment of many happy week-ends in Washington until he was recalled to his unit and shipped to Iceland. A

year later he was returned to Fort Belvoir where he earned his commission as a lieutenant in the Corps of Engineers, and subsequently was stationed at Fort Breckenridge, Ky., until shipping to Europe with his outfit in time to take part in the Battle of the Bulge.

The wedding was solemnized by Rev. Eddy L. Ford, in the parsonage of the Strawberry Methodist Church in Baltimore, Md., after which Mr. and Mrs. Glass motored east, attending a reception given for them by Mrs. Inna Beck at Bridgeport, Conn., and spending a couple of days at the home of the bride's sister, Mrs. Robert E. Richardson of Peterboro, N. H.

Mr. Glass is connected with Fisher Body Co. Columbus plant as a draftsman, and the couple live at home at 189 Norton-rd., just south of New Rome.

"A Free Press—Voice Of Freedom"

It was old Ben Franklin who said, "It is unreasonable what some assert, that printers ought not print anything but what they approve; since if all of that business should make such a resolution, and abide by it, an end would thereby be put to free writing, and the world afterwards would have nothing to read but what happened to be the opinion of the printers."

Like much else that was stated or written by this great and wise American, the above thought comes to be accepted as a truism today. But the very fact that the thought, which has been woven into the fabric that is Americanism as we know it, required saying is in itself significant. In brief, it reveals that there was a time when the ability to express opinions widespread was largely limited to those who controlled the media of communications.

Indeed, such is still the case in the larger sector of the world than that in which a free press is taken for granted and from the very fact arises much of the difficulty in establishing the understanding that must precede lasting peace. If old Ben Franklin were alive today, he would be gratified in the degree to which his declaration has been accepted by the American people, but, as a true citizen of the world, he would perceive the continuing need for reiteration of what may seem to many a self-evident fact.

It is something of a tribute to the memory of Benjamin Franklin by the industry that he did so much to further, ideologically and technically, that the slogan for National Newspaper Week, October 1-8, should be, "A Free Press—Voice of Freedom, Guardian of Liberty." THE PRICE

I saw a candle weep its waxen
And melt its life away. As one
who hears
A secret voice, a thought became
my own:
The purpose of our fleeting life
is shown
In that same candle; thus the hu-
man heart
Foregoes its own desire to be a
part
Of flaming beauty. Our own spir-
it's glow
Is fed by griefs we weeping mor-
tals know.
For just above the candle's tears
a flame
Of radiant and matchless grace
became
The focus of the room. Its warmth
And cheer
Were manna to all hearts and
drew them near.
Drop by drop, the candle wasted;
night
Through sacrifice became imbued
with light.

book, ROUNDED HOURS.

THE BACKWARD LOOK
She stands among them like a pa-
tron saint,
Stricken and white and taciturn
—Lot's wife.
Her flight from Sodom but a woman's
feint,
Even as their contemptuousness
of life.
The flames have eaten of the
flesh that sinned,
Nothing is left there to compel
disgust;
And yet their thoughts go crying
down the wind.
Their foreheads marked with
minatory dust.

What if these firm foundations
were to rock;
A door to open and swing shut
again;
Would we find freedom on the
road they took?
Poo— shadows fingering endlessly
the lock
Ths' clicked behind them in the
fired brain.
Whence only Heaven was a back-
ward look.

his book, MILL TALK.

So small it seemed — the little
home
We built that summer time,
With only space for you to paint,

At rooms so wide, so high.

OCTOBER

And the purple aster nods her

When the lush rose graces are

And the maples slowly turn to

When the spider spins the web of

On the gateway where blue morn-

When each garden boasts of roy-

It's October, you can tell by all
these signs.

Will Record Fund Contributions

Pictured is a very much reduced model of the 35-foot Red Feather score board which will be erected at Broad and High-sts. this week-end to record the progress of the Community Chest campaign.

This giant Red Feather, reaching high above the heads of people concerned with earthly affairs, will symbolize the aspirations of residents of this city and county for a better life for all.

Holding the sign is the campaign chairman, Ben F. Hadley, Columbus insurance man, long prominent in civic affairs. A meeting for workers and the general public will be held at 8 p. m. Tuesday, Oct. 15, at the Southern Hotel. Dr. Russell J. Humbert, pastor of Trinity Methodist Church, Youngstown, will speak and music will be furnished by the Columbus Boy Choir. Solicitation will start Wednesday morning, Oct. 16. First reports will be made at the Southern Hotel Friday, Oct. 18. The Victory Dinner is scheduled for Wednesday, Oct. 30. The goal, set at a public meeting, is \$1,088,000.

Girl Scout Troops Are Active In Community Projects

Editor's Note: This is the second in a series of articles on Girl Scout activities on the Hilltop and West Side. The personnel and program of activities of other troops will follow next week. The material was compiled by Mrs. Walter O. Lee, 581 Clark-av., chairman of the Far West Neighborhood Leaders' Association.

Troop 29
Leader, Mrs. William E. James, 728 Chestnut-st.; assistant leader, Mrs. W. J. Brockington, 417 S. Burgess-av.
Meeting place: Burgess Avenue United Brethren Church.
Troop members: Marjorie Alor, Louise Blitzer, Gloria Brockington, Patty Cozad, Carolyn Graham, Clara James, Shirley Melick, Shirley Truitt, Jo Anne Bergman, Anne Boutelle, Virginia Cockerell, Eileen Davis, Theda Hiles, Lois Jennings, Shirley Snow, Ann Wilson.

Troop activities: The girls had secret sisters at St. Vincent's Orphanage. Tray favors were made at Christmas time for the Bureau of Juvenile Research. When the girls were working on book-binding badge, they visited the Beck and Orr Book-binding Co. They took a six weeks course on pottery and basketry at West High school. This troop has not met this year due to lack of a leader. Mrs. James' health prevents her from continuing and so far no one has been found willing to accept the responsibility.

Girl Scout officials point out that several more leaders are needed in the program on the Hilltop. Any lady interested in working with girls is asked to get in touch with Mrs. Lee or any Scout worker.

Troop 102
Leader: Mrs. Walter O. Lee, 581 Clark-av.; assistant, Mrs. Emily Courtney, 674 Binn-bldg.

Fire Prevention Week Is Observed

By Captain John E. Jordan, Chief Bureau of Fire Prevention

This is Fire Prevention Week and fire prevention in the home is probably more important this year than ever before. With 1000 home fires every day—one every 90 seconds—we are carelessly destroying a large part of our available housing.

In repairing and replacing the homes struck by fire, we are placing an additional drain on the already low stocks of building materials. In some cases, it has been impossible for home owners to secure the much needed materials to place their homes in a livable condition.

Every town and city in the country is faced with a severe housing shortage. But while we on the one hand are trying to create more homes, we are—through carelessness—allowing fire to strike 1000 homes every day. It is estimated that fire will hit 375,000 homes in 1946.

There is an increase in the number of different conditions that cause fires, but there is a definite increase in the human carelessness which is the chief cause of most home tragedies. In spite of every care we take, some fires will still occur, but by adhering to fire prevention practices, we can definitely check the rapidly growing fire loss and the destruction of our homes.

Safety Sneakers Are Available

The Traffic Safety Committee of Franklin County has organized a speakers' bureau which plans during the coming months, to appear before every organization in the county, according to its chairman, Dr. H. R. Cottlerman, of Capital University.

Forty-five civic and business leaders make up the "nucleus" of the speakers' group. Dr. Cottlerman said that the bureau would gradually be enlarged so that all requests for speakers can be filled promptly.

Organizations desiring to arrange speaking dates and showings of the motion picture, "Wanton Murder," should phone the committee's speakers' bureau at MA. 1321, Dr. Cottlerman said.

Members of the initial speakers group include: D. K. Finley, 733 S. Hague-av., chairman of the education division of the Traffic Safety Committee; Ben F. Knepper, 2683 W. Broad-st.; Clyde Moore, 235 Binn-bldg., and Arthur Robinson, 477 Hilltop-av.

Handicapped Are Good Workers

Congress has designated this week, Oct. 19-24, "National Employ-the-Physically Handicapped Week." Its purpose is to point out the relatively high efficiency of physically handicapped workers, with particular emphasis to the worthiness of our disabled war veterans.

There will be more than 2,500,000 disabled veterans of World War II, by the time demobilization is complete. At least 2,252,000 of them will be employable. At the Columbus United States Employment Service, 795 disabled veterans are listed for employment.

The experience of thousands of employers during the war proved beyond question that physically handicapped workers, when properly placed on jobs, are fully as efficient, productive and valuable as able bodied workers—and in many respects make even more desirable employees.

Employers are urged to realize the wisdom in the campaign slogan — HIRE THE HANDICAPPED. IT'S GOOD BUSINESS.

Troop 103
Leader: Mrs. Nelson Jensen, 664 S. Wayne-av.; assistant leader, Mrs. M. Griffiths, 609 S. Hague-av.; Mrs. Howard Curl, 745 S. Richardson-av.
Troop committee: Mrs. Reed, 388 S. Terrace-av.; Mrs. Cockfield, 489 S. Harris-av.; Mrs. Deitch, 2516 Eakin-dr.

Troop members: Jodelle Barker, Ann Cockfield, Eleanor Cozad, Marilyn Davis, Shirley Deitch, Carolyn Dobbs, Karen Griffiths, Marilyn Harris, Myrna Johnson, Peggy Anne Jensen, Wilma Kenworthy, Francis O'Bryan, Janet Reed, Barbara Williams, Nancy Moss, Jonda McPherson, Irene Curl, Shirley Smith, Glenna Walton, Suzanne Richards.

12 o'clock is striking for all Americans!

A lady well qualified has spoken with authority; she has said

"It has been a long fight to put the control of our economic system in the hands of Government, where it can be administered in the interest of the people as a whole."

WHEN the interests of the people are at stake in any question the issue is public and not political. Putting control of our economic system in the hands of Government is something the public should have a lot to say about; and it shouldn't happen unless the people, knowing what they are doing, agree to it. The beginning of wisdom is calling things by their right names. Our "economic system" is all our business activities. When the people of this country realize just what it will mean to them when Government takes over all business activities, they will fight it tooth and nail. They will see their liberty and their freedom going down the drain, if the take-over is achieved. Every citizen must understand—and tell others—what this means. That's why, as a citizen, I am giving the "take-over" plan the pitiless publicity it deserves.

Like you, I am 100% for any proposal that is for the interest of the people. Like you, I am 100% opposed to the proposal for Government control of our business system because that control will take away all the liberties that are the constitutional right of every citizen.

Senator Byrd of Virginia sized up the situation exactly when he said:

"The people must realize... this dictatorship is not a thing born of war. It was conceived ten years ago, when the New Dealers came into office and stealthily tipped toward the abandonment of government by the people... Under these war powers they have the authority to do what they have always dreamed of—to take complete control of the fortunes and the conduct of every citizen."

This "long fight" for Government control was engineered behind the iron curtain in Washington. It was not a "long fight" in the open. The people were unaware of what was happening to their liberties. They were lulled into a false sense of security that all was well, and that superior minds would take care of everything.

The present plan to take over all business, the system by which all our wealth has been created, involves you and every citizen of this republic. Everything you own in the way of property and all savings you have made by your own efforts will be taken from you.

"Having once captured the Government and shelved the Supreme Court, we would nationalize as many large industries as we could chew. We could do it peacefully, if possible, and otherwise if necessary."

The take-over will include all the grocery stores, markets, manufacturing plants, publishing businesses, life insurance companies, real estate, stocks, bonds, and mortgages. All business is now earmarked for complete control by Government. This will set up an entirely new type of management—political management rather than know-how management.

The Government "take-over" means that people knowing nothing whatever about production will be in charge of production and people knowing nothing whatever about distribution will be in charge of distribution. Everything you own as an individual will be taken away from you and made Government property.

"All owners of stocks, bonds, mortgages, lands, buildings or equipment shall be required to surrender them in return for Common-wealth Bonds."

The quoted statements are declarations of intent by high Government officials. You did not elect them. They were "appointed." And all of them solemnly swore to defend the Constitution and your liberties! How they abided by their oath and how they plan to sell you down the river is revealed above in their own words.

The size of the prize—our business system—has not been appraised by many Americans. It is not to be evaluated in terms of what it is—plants, tools, machinery, equipment, and buildings. Its true value lies in what it has done and what it can do under the direction of men having the know-how to produce. America, economically, is today the sum total of what our business system has done. Here is an appraisal from outside America:

"The U. S. has 6% of the world's area and 7% of its people. It has 60% of the telephones, 80% of the motor cars, 35% of the world's railroads. It produces 70% of the world's oil, 60% of wheat and cotton, 50% of copper and pig iron, 40% of coal and lead. It has eleven billion dollars in gold. It has two-thirds of the world's banking resources. The purchasing power of its people is greater than that of all the people of Europe or all the people of Asia. Responsible leadership which cannot translate such a bulging economy into an assured prosperity is destitute of capacity. But pompous statesmen looking over the estate solemnly declare that the methods by which it was created are all wrong, ought to be abandoned, must be discarded, and that the time has come to substitute political management for individual initiative and supervision. There's only one way to characterize that proposal and that is as just damn foolishness."

It was the editor of the London SPHERE who made this appraisal. It should have been made long ago by the leadership of industry and labor in these United States!

LET'S REVIEW a few of the things our business system has done for the people. Then let's review what Government has done TO the people.

GASOLINE. The petroleum industry has reduced the price of good gasoline consistently since 1930. The actual price of gasoline today is 14c a gallon. What makes the price over 20c? Federal and State taxes levied directly upon you, the buyer! Did "Government" bring gasoline down to 14c a gallon? No! Business did it. Did Business slap taxes on gasoline to make the retail price over 20c a gallon? No! Government did it.

ELECTRIC CURRENT. Consistently, throughout the country, the rates for domestic and industrial power and light have been reduced. Hundreds of small communities now enjoy rates as low as those of metropolitan districts. Did the Government do this? No! Business did it.

RAILROADS. During the first World War the Government took over the railroads. They were operated at a loss of \$1,600,000,000 by the politicians! The people were taxed to pay the loss!—that was "Government control." During World War II the railroads were taken over by the Government. The railroads did a far bigger job of moving men and material than in the first World War. They paid the Government \$4,600,000,000 in taxes! Business management, not Government management did that!

RADIOS. In 1920, radios were a luxury. When radios went into mass production, millions of people had far better radios for \$25 than hand tailored production gave for \$250. Did Government do this? No! It was done by American Business.

AUTOMOBILES. In 1903, automobiles were luxuries. By 1933, 80% of the world's cars were owned by Americans; the best cars in the world at the lowest cost! Can we thank Government for this? No! As the price of automobiles went down, Government raised the taxes! Today a thousand-dollar car carries \$173.63 in taxes. Business makes a better car at a lower price; the Government taxes it.

OTHER PRODUCTS. Between 1926 and 1941, vacuum cleaner prices dropped 19%; electric refrigerators 54%; electric irons 51%. Automobile tire mileage increased from 10,000 miles to 25,000 miles as the price of tires dropped 25% or more. Five thousand refrigerators were made in 1921. Almost 2,000,000 were made in 1933. The price dropped from over \$500 to less than \$100 per unit. In 1900 the telephone was a luxury. Now, 80% of the world's telephones are in America. Our telephone cost is the world's lowest for the world's finest service. Did the New Deal do this? No! American Business did it! But American Business did even more than this.

From 1932 to 1946, our National income was \$536,500,000,000! This is the common wealth created by our business systems—the profit and loss competitive system. In that system, there are plenty of losses taken—but never collected by "law" from the taxpayers.

Now what has the Government done — the Government that proposes to take over our Business System and run it?

INCOME TAXES. Between 1933 and 1940, the Government collected from you and other individuals \$6,360,000,000

During the same period of years, it collected in

corporation income taxes	\$6,704,000,000
in liquor taxes	3,582,000,000
in tobacco taxes	4,086,000,000
That is a total of over	\$20,000,000,000

These figures and facts are all prewar—no figures given deal with the justifiable costs of war—and victory. What did the "Government," which plans to take over all American Business, do with this twenty billions of dollars—enough money to run the country for ten years? Did they run the country for ten years on that money? No! They "borrowed" \$30,000,000,000 more, created hundreds of new Government agencies, established scores of so-called "Government Corporations," set up subsidy programs and hired millions of people to insure the vote and keep bureaucracy in power.

Government paid subsidies of over four billion dollars to control the supply of food! You may well ask: Who got the subsidy money and why? Subsidies were paid to keep down the prices of meats, dairy products, and other foods—but you paid for them—perhaps more than you would have paid if prices had been established by the law of supply and demand! What did an OPA Chief say about this? He said: "We are in the business of interfering with the law of supply and demand; there's no question about that." There you have a shining example of Government management!

Did business advocate this deficit financing? This destiny by debt? No! Government did it! Was it in your interest? Is it to your interest to have your income tax raised and the money wasted? To live under insolvent bureaucratic government? To your interest that a large group of politicians and ideologists, without any knowledge of how to run a business profitably, take over the system that has made this country great?

When and If Government Is the Center of Control of Business Activities of Medicine, Law, Schools, Science, Church, and ALL the Private Activities of Men and Women—That Means the End of Your Liberty and Freedom!

The lady has said this take-over is "in the interests of the people as a whole." I am opposed to that statement because it just isn't so. It means:

Have you had any measure of success? Are you a better plumber, printer, taxicab driver? Are you a better salesperson, a better manufacturer? Have you any ambitions or ideals, any plans for yourself and your family and your children? Tramp on them right now! You are not going anywhere but down when the "long fight" to put control of business in the hands of Government finally ends with business in the hands of Government. Then you will have the "collectivist state." It will collect—you will give up!

IT IS TWELVE O'CLOCK NOW IN AMERICA!
It is now a race between education and catastrophe!

American Business must state its case and state it now. No man's judgment is better than his information. The American people want information. Already they show evidence of being aware that those they once trusted implicitly have tried to fool them unmercifully. The American people can do anything, if you will only tell them why. But they must be told.

The best brains of America should plan a forthright nationwide effort at straight-from-the-shoulder education. The businessmen of our country should stand up and be heard from. The labor leaders of our country should stand up and be counted. Their opinion should be expressed openly.

Liberty, in the land that gave it birth, cries for defenders; We have disregarded the wisdom of Lincoln and Wilson. Lincoln said: "Eternal vigilance is the price of Liberty." Wilson said: "The history of liberty is the history of limitation upon the powers of Government."

Everybody has a stake in this vital question: Can politicians and bureaucrats, 75% of whom never created a pay check and most of whom never earned as much as they are now paid with your income tax money, run the transportation system of our country? Can they make automobiles? Can they run the electrical industry? Can they run the food industry? Remember how they tried to make an economy of scarcity—by killing little pigs and ploughing under every third furrow? They really believe that plenty can be accomplished by waste. They attempted to do it by spending fifty billions of your dollars in the "days of experimentation." Now they are power mad and want to spend everything in America—including every thing you have.

IT IS TWELVE O'CLOCK IN AMERICA!

The "long fight" to take over all Business is a wide-open family question. It boils down to this: "If you want your freedom, fight the 'take-over.' But remember! Once we 'socialize' this nation at an election, we cannot 'de-socialize' it at the next.

There won't be any next election.

Many heads of American Business are hesitant about spending out of profits for any kind of publicity other than advertising products or services. They are afraid the people who have money in the business would be opposed to advertising dealing with public questions. That is why you should write to the presidents of insurance companies in which you have policies, and to the heads of every business in which your moneys are invested, and tell them to do something about this great public question.

Labor, too, should fight the "take-over" tooth and nail. When once it is accomplished, labor will have nothing more to say, and will do precisely what it is told to do.

All the businessmen of America should, actually, get together with but one purpose in mind—to practice the "eternal vigilance" needed to protect the liberties of the people and the freedom of enterprise that give every man and woman in America a chance to go as high as their own ceiling. It is to be hoped and prayed that such a movement to exercise vigilance will spring into being. It will have but one client—the people of the nation. It will have but one product to sell—the Constitution of our country and its Bill of Rights.

Industrial management has too long overstressed the value of silence while others have been affecting public opinion.

Whatever is right can be achieved through the irresistible power of awakened and informed opinion. We should not consider whether a thing can be done, but whether it ought to be done. If it ought to be done, we should exert the forces of publicity. Then public opinion will compel it to be done. You can be sure there is still a majority in America who want liberty, and freedom preserved!

This message is paid for by interested Hilltop individuals and is in no way connected or identified with any group, organization or company. Telling this story to the American people is a job that should be done by our business system itself. What is said here is said in the hope that our business system will recognize its responsibility and proceed at once to tell the people of the U.S.A., in a broad scale advertising program, just what this take-over means to the people. "Error of opinion may be tolerated when reason is left free to combat it."

Refund Law May Be Passed By Council

An ordinance, making possible refunds on excessive street cleaning charges paid by property owners in certain business sections for 1945, may be passed by City Council tonight, Henry Kootz, 435 Millington-av. council member, said this week.

An ordinance prepared by the city attorney's office was in the hands of the city fathers Monday night but action was delayed pending a closer scrutiny of funds on hand to see if the refunds could be made immediately.

City Attorney Richard Gordon told The Hilltop Record that while his office had drawn the ordinance as requested by the service director's office, it did not carry the usual approval as to legality from a functional point of view.

He explained that the ordinance directs the service director's office to prepare new bills for the 1945 services according to the 12 1/2% rate and directs that a list of all property owners involved be compiled together with the amount of refund that might be made on each taxpayer. However, the bill does not outline a method by which the refund can be made.

Mr. Gordon, "Up to now I have not found any way to legally pay the refund. We merely drew the ordinance with the provisions requested."

It is understood from Kootz that the rate to be charged under the new law is to be 12 1/2% per front foot. This is the same rate as in the recently passed 1946 ordinance.

Broad Street property owners are affected by the refund. Refunds paid for 1945 services were far in excess of rates for similar services charged in 1944. This area, along with several others in business sections of the city, have the added services of a hand patrolman to keep streets clean.

Plans were discussed for having an annual get-together each year at this time with wives of members being invited. A committee consisting of Scully, Melvin and Seiler was named to discuss the matter further.

Dr. Henry K. Hicks Opens Office Here

Dr. Henry K. Hicks opened his office for the practice of dentistry, this week, at 290 1/2 W. Broad-st. over the Store. He is a brother of Dr. Warren W. Hicks, physician at 2895 W. Broad-st.

The new Hilltop dentist is a graduate of the Ohio State University College of Dentistry and was discharged from the U. S. Army in July of this year after serving in hospitals since 1943. At various times he was stationed at hospitals in Louisiana, Illinois and Arkansas. He was one of five brothers serving during World War II. Dr. Warren Hicks having served in the European Theater of Operations.

The new Dr. Hicks is married to Doris (Aumiller) Hicks, formerly of Baton Rouge, La. They have a 14-month-old daughter, Susan. The Hicks reside at 32 Eldon-av.

The new office for the new office will be 8:30 to 11:30 and 1 to 5 p. m. every day and from 7 to 9 p. m. each day except Wednesday and Saturday. The telephone number, assigned too late for listing in the present directory, is RA. 9209.

HURT IN CRASH
Mrs. Emory J. Fox, 845 S. Wayne-av. and Mrs. Fred A. Sloane, 46, 191 Dana-av., were cut and bruised when the car driven by their husbands were in collision at Glenwood-av and Mound-st Friday, police reported.

They were treated at Mt. Carmel Hospital.

Missionary Family Is Home After Eight Years In India

Photographed the day following their arrival on the Hilltop are members of the Earle family. They are, left to right, Mrs. Earle (seated), Catherine Jane, Nancy Ann, and Rev. Robert Earle, holding Charles Robert.

Speed is one of the most noticeable characteristics of the American way of life to a missionary who has been in India for the past eight years.

That was the observation of Rev. Robert Earle, who just returned to the Hilltop with his family last week after heading a Christian school in Nowgong, Bundelkhand, India.

Rev. Earle, his wife, Elizabeth, and their three children, Catherine Jane, 11 1/2, Nancy Ann, 9 1/2, and Charles Robert, 2, are at present visiting with Mrs. Earle's parents, Rev. and Mrs. Charles Stalker, 1938 Floral-av.

The ordinary passenger train in India travels at the rate of 15 miles per hour," Rev. Earle said. "Compare that to the speed of automobiles and trains in this country and you can understand how hard it would be to become accustomed to American speed."

Another thing that seemed strange to the missionary family was the lack of merchandise and the scarcity of food that they have encountered ever since they arrived in San Francisco on Sept. 18.

The Earles went to India in 1938 under the Missionary Board of the Ohio Yearly Meeting of Friends, Highland Ave., and Friends being the meeting of their American membership. A large delegation of Hilltop Friends met the Earles at Union Station when they arrived.

Hilltop Women In Business—No. 3

Women Want Up-to-date Hair Styles Mary Lou Kimball Finds On Hilltop

Editor's Note: This is another in a series of features on women in business on the Hilltop and West Side.

Women of today are more conscious of keeping their hair well groomed than ever before.

That is the opinion of Mary Lou Kimball, operator of beauty salons on the Hilltop for more than 12 years. She and her sister, Charibel Kimball, operate the Mary Lou Beauty Salon, 10 S. Hague-av.

Most women demand the latest changes in hair styling and are not hard to please when you take the time to show them how a particular style is more becoming to their personality, Miss Kimball observes.

Mary Lou took up beauty culture as a result of a natural desire to work with women's hair. Since starting her business at the present location 12 years ago she has kept abreast of the trends in styles and has won half a dozen prizes for original hair stylings in state-wide competition.

To keep in step with what's new in the business, she and members of her staff attend conventions every three to six months in Ohio and as far west as Chicago. Mary Lou, herself, has averaged almost one post graduate course in training per year in Chicago or New York.

Ninety percent or more of the women today have their hair cared for in a beauty parlor," she believes. Most of them are in for some attention every week.

Permanent is in vogue.

Modern hair styles demand a permanent as a basis for a good hair-do, since few women have enough curl in their hair to go without a permanent, she points out. The average permanent is good for from three to six months.

Shorter hair trends are particularly smart today, with the upsweeps being favored more by older ladies as well as the younger ones. Mary Lou observed in looking back over changes that have come into the art of hair grooming in the past 13 years.

Many high school girls take care of their hair without the benefit of a beauty parlor but as they go to work or become house-

Mary Lou Kimball

wives they no longer have the time to care for their hair.

Working with Mary Lou and her sister at the present time are Madge Bishop, who has been with her 10 years, and Alberta Bauman, who just joined the staff a few days ago.

Miss Kimball has been a member of the Hilltop Business Men's Association ever since she has been in business on the Hilltop. She has been attending meetings of the group since the days when a woman was almost a novelty at the Hilltop Pastime League at the Hilltop Recreation Alleys every Tuesday. Her team has led the league thus far this fall but now holds that advantage by only a single game. She averages about 127 per game and admits that her sister (and partner) is the better kegler. Charibel carries an average of about 140, which is considered good in any ladies' league.

Miss Kimball lives at 154 N. Chase-av and has been a resident of the Hilltop since opening her shop here 12 years ago.

Democrats To Rally Tonight

Donald J. Hoskins, a former prosecuting attorney of Franklin County, will be the speaker at a big rally of Democrats to be held at the Glenwood Shelter House tonight (Thursday) starting at 8 o'clock. George Tarbutton, 2917 Crescent-dr., will serve as chairman of the meeting.

Democrats from the ninth, 10th and 11th Wards will be present to hear the address and meet county Democratic candidates. State candidates are expected to have representatives at the meeting.

Also active in promoting the rally is Otis Buchanan, local attorney, with offices at 2334 W. Broad-st. Tarbutton is a Columbus attorney and is president of the "Warriors" Club.

Kiwanians To Attend State Meet

The district convention of Ohio Kiwanis Clubs claimed the attention of several Hilltoppers this week as the sessions got under way at the Neil House on Tuesday. The meetings will close on Friday.

Representing the Hilltop Kiwanis Club are delegates to the convention are President H. G. Thomas, Nobles, Allen, Edgar, Blank, president-elect, E. O. Melvin, Jack Merriman, Don Smith, George Tarbutton, Dr. R. J. Miller and Jack Sensenbrenner.

Today's luncheon meeting is to be addressed by Don Ebricht, state treasurer. Next week's report will be heard from delegates to the state convention.

At last week's meeting the principal speaker was E. E. Welch, chief of the Columbus Fire Department. He outlined several reasons why he still prefers Westgate Park as a site for the proposed firehouse for the Hilltop. City Council has asked that an appraisal be made on a site at Ross and Sullivan.

Chief Welch gave several reasons why he considers the park a desirable site. He contends that it would be getting the horse out of heavy traffic; it would be nearer the center of anticipated growth south and west; he saw it would save \$10,000 on the cost of another location; the points out that a fire house there would be far less unsightly than the water tower already in the park; he contends that it would not be a hazard to children playing in the park but rather would provide a first aid service for any playground accidents that might occur. He points out that there has never been an instance of a fire truck hitting a child in the history of the city of Columbus.

Plan Hallowe'en Dance at Canteen

The Teen Canteen will hold a Hallowe'en Masked Ball on Tuesday, Oct. 22. A new and favorite band will furnish the music between the hours of 8:30 till 11:30 p. m.

A prize will be given for the most unique costume of the evening.

Cider and doughnuts will be served for refreshments.

Contrary to all reports the Canteen is not being torn down. The Legion Room, a new ping-pong room, was opened for the first time last week. American Legion Post No. 98 completely furnished the room. Other new rooms will be opened soon.

New officers elected under the new constitution and by-laws are Dick Palmer, president, Jack Folsell, vice-president, and Ann Herbert, secretary - treasurer. They will hold office until the regular December meeting. The board of directors will be announced next week.

On November 22, the Senior Scouts on the Hilltop, in cooperation with the Teen Canteen, will sponsor a formal dance. Details will appear later.

The character is to be headed "McTavish Says." Drawings may be of any size and should be in ink on white paper. Mail entries to The Hilltop Record, 2466 W. Broad-st., before midnight, Oct. 19.

Youth Center Not Disturbed

A steam shovel started to work last week on the Broad-st. corner of the old Weber property, Burgess-av and Broad-st., to prepare the location for a modern service station for the Secony Vacuum Oil Co.

The work will not affect in any way the continued operation of the Hilltop Teen Canteen in the old mansion, oil company officials said this week.

Present plans call for the excavation, installation of tanks, piping of pumps and pouring of the concrete driveways, but the erection of a building is not planned at this time. C. W. Gilchrist, assistant district manager of the company, said.

Shortages and unavailability of materials make completion of the project inadvisable at this time, he explained.

Four pumps will be installed. There is a possibility that some temporary building may be put up a little later and operation started but this could in no way affect the use of the youth center.

Rice To Head Honor Group

Donna Rice Kitty Cline

Donna Rice, 17, 57 S. Richardson-av. was named president of the Otto H. Magly Chapter of the National Honor Society at West High School last week. Kitty Cline, 17, 33 Powhatan-av. was elected secretary. The induction address will be given in the auditorium of the school Oct. 26, with Miles (Cap) Hoover, member of the Columbus School Board, as the speaker.

It is his spare time Rice is a route manager for The Hilltop Record. Last summer he was the winner of a \$200 first prize in a subscription contest.

Others from West High School elected to the National Honor Society are Wilma Bonland, 50 S. Burgess-av; Cloetta Clark, 137 N. Ross-av; Betty Earnest and Mary Jane Earnest, 649 S. Hague-av; Jeanne Grady, 619 Salisbury-dr; Jean Henderson, 661 S. Harrison-av; Carol Keeler, 441 S. Harrison-av; Elanias Maife, 297, Columbus-av; Mary Stemper, 406 S. Powell-av; and William Thompson, 380 Midland-av.

Football Banquet Will Be Nov. 13 (?)

Now it's to be on November 13th.

That's the latest date set for the Hilltop Business Men's Association's banquet in honor of the 1946 West High School football team and coaches.

The somewhat elusive date has been set and reset four different times but school and HBMA officials were confident this week that this time it would stick.

The matter of a date for the appreciation dinner has been somewhat complicated by a school holiday, the uncertain food situation and finally by conflicting dates with a possible speaker for the occasion.

Seiler's Continue Anniversary Sale

Records crowds attending the opening of Seiler's 38th anniversary sale have caused the management to continue the selling event through the month of October.

Seiler's, 2404-12 W. Broad-st., now operates as a complete department store. The sale features merchandise in all departments.

Reichelderfer Will Head Committee

Wets High School will again be the scene of Hallowe'en revelry this year and under present plans as outlined by the executive committee of the Hilltop Community Council, the sponsoring organization, it will be more entertaining than last year's party, said to have been attended by 4,000 persons. The party will be held Wednesday, Oct. 30, instead of Hallowe'en night, because of the Central-West football game on that night.

Charles Reichelderfer, 564 S. Eureka-av. has been named general chairman in charge of the community party. Many Hilltop organizations have already volunteered to assist with the project and others are being added every day. Assisting Reichelderfer will be Mrs. Edward Thompson, Mrs. Ray Cline, Philip Stout, Russell Fletcher and Melvin Griggs.

The Hilltop Kiwanis Club will again undertake the decorating of windows in business houses. School children will take part in the decorating and prizes will be awarded at the party for the best work done.

The school building will be a beehive of activity throughout the evening, with dancing, pillowbug contests, prizes for best masqueraders, movies and a fish pond. The auditorium and the gymnasium will be the centers of activity.

Donuts, coffee, ice cream, pop corn, milk coca-cola and other soft drinks will be on sale at a low cost.

The Hilltop Business Men's Association, the Hilltop Kiwanis Club, all of the local parent-teacher groups, the American Legion and its auxiliary, the Glenwood Blue Star Mothers, West Side Blue Star Mothers, Boy Scouts, Triangle Club and senior citizens groups have all volunteered their help in making the party another big success.

Char Jones Is Named Queen

Char Jones, 2170 Wicklow-dr., was selected to reign as homecoming queen at the Cincinnati Hughes-West game on Nov. 3. The election, one of the closest in the history of the school, was decided on Monday of this week. A recount of votes was made after the final results came out so close.

She is the daughter of Mr. and Mrs. William E. Jones. Mr. Jones is a prominent Hilltop realtor.

Members of the queen's court will be Beverly Thurell, 476 Wrexham-av., Kitty Cline, 33 Powhatan-av., Ditty Barfield, 491 Belvidere-av. and Phyllis Ward, 2705 W. Broad-st.

Ray McVay, 4105 Alkire-dr., has been re-elected to serve as president of the Columbus Retail Coal Merchants Association. The election was held at a dinner meeting at the Southwestern Hotel last week.

McVay is the owner of the Bauch Coal Co., 217 W. Main-st. The association is made up of 50 member dealers in the greater Columbus area.

He represents the laymen's movement for a Christian world.

Specific gravity and our business

A body immersed in liquid loses weight equal to the weight of the displaced liquid. This is Archimedes' principle, one of the most useful physical laws in the practice of pharmacy. For centuries this law has stood guard over the purity of hundreds of compounds used in everyday prescription practice. In like manner, the successful conduct of a business is subject to the skill of a proprietor in applying the changeless laws of economics and of human relationships. Fair prices, fair dealing, quality, and service are fundamental to winning and holding customers good will.

Courtesy Clinic Is Attended By 300

Employees of member firms of the Hilltop Business Men's Association were treated to a good turkey dinner and a lot of laughs at the first meeting of the Hilltop Courtesy Clinic last Thursday night.

The dinner was served by the ladies of the Glenwood Church. The person responsible for the laughs was Glen Massman, executive secretary of the Dayton Foremen's Club, speaking on the subject, "What I Expect of the People With Whom I Deal." More than 300 attended.

As the first of a series of three speakers to address Hilltop sales personnel, Mr. Massman outlined five characteristics he expects to find in the person who attempts to serve him in a sales capacity. These traits of character include:

1. A good sense of humor.
 2. Enthusiasm in the work which you are doing.
 3. Ambition.
 4. Right viewpoint.
 5. Right mental attitude.
- The speaker emphasized the value of a friendly smile. Pointing out that only 26 muscles are required to smile as against 62 required to produce a frown, he contended that even a lazy person should smile because it requires less effort.

"A smile will always bring dividends," Massman asserted. Concerning ambition, he said: "The world does not owe you a living, contrary to widespread belief, but it has a good one for you if you are willing to give it what it takes to earn it."

Miss Sharo To Speak
Miss Evelyn Sharp, advertising and merchandising consultant heard over Station WBNS, Ramon Cramm, promotional manager of the Columbus Dispatch, and Dr. H. H. Maynard, of the Department of Commerce, Ohio State University, will be heard on the next two clinic meetings of Hilltop salespeople to be held on Nov. 4 and Dec. 2.

The program is sponsored by the HBMA to promote better customer relations in all local stores. Certificates of award will be given to all persons who attend all sessions of the courtesy clinic.

A cash prize of \$25 will go to the most courteous salesperson as determined by a vote of customers. Details of the voting

Senior Scouts Enjoy Outing

Tar Hollow in the Hocking County hills, was the scene last week-end of an outing attended by the members of Air Scout Squadron No. 3 and Sea Scout Ship No. 2. Several fathers and committee members also attended. Tar Hollow is a forest reserve about 55 miles southeast of Columbus in Hocking County, consisting of 16,000 acres. Near the lodge and cabins in which the Scouts were quartered is Pine Lake, where swimming, fishing and boating may be enjoyed.

The scenery at this time of the year is indescribably beautiful. All the colors may be seen in the foliage of the trees and shrubs which cover the sides of the high hills. This is one of the many interesting and enjoyable parts of the program offered to boys 15 years and older who are members of the senior scouts.

Air Scout Squadron No. 3 and Sea Scout Ship No. 2 are being sponsored by the Hilltop Kiwanis. Charles Reichelderfer is chairman of the scout committee. D. L. Shady is leader of the Air Scouts and Vern Sanford is skipper of the Sea Scouts.

The Air Scouts and Sea Scouts meet every Monday evening at 7:30 at Schmeltzer's Hall, 3194 W. Broad-st. Membership is open to all boys 15 years and older, previous scouting experience being unnecessary. A cordial invitation is extended to interested boys to attend these meetings and become members of the Air or Sea Scouts.

Small Supply Of
Meat Is Expected
In Local Stores

There will be some meat in lo-

cal stores this week but it is not

expected to satisfy the demand

of meat-hungry Hilltoppers.

A quick check of meat coun-

ters in the neighborhood, fol-

lowing President Truman's

Monday night announcement

declaring an end to price con-

trol on meat, revealed that

most grocers are expecting

small deliveries of beef. There

will be inadequate to meet the

anticipated demand at this

time, it is believed. Price is not

expected for several days and

then in small amounts for the

first few deliveries.

"How Come?"

Ohio played an enviable part in helping to win World War II as revealed by statistics released by the Ohio War History Commission, an organization set up early in 1942 for the purpose of collecting and preserving the records of Ohio participation in the nation's war effort.

The Buckeye state suffered approximately 20,000 casualties. Of that number 16,828 were killed or reported missing in the Army. More than 730,000 Ohioans served in the armed forces during the conflict. Of that number approximately 500,000 served in the Army while the Navy took more than 200,000.

Thirteen different fighting units were made up largely of natives of the Buckeye state. The state produced 16 Congressional Medal of Honor winners.

On the home front Ohio was awarded a total of \$18,000,000,000 in war contracts. Of this amount more than five and three-quarter billion was for the aircraft industry. At the war's peak, 1,268,685 persons were employed in the major industries as compared with "E" awards. Seventeen industries received the Maritime Four hundred seventeen industries won Army-Navy to 754,886 persons in 1940.

"M" award. The farmers of the state increased their production 30 percent in answers to appeals for more food. More than two and one-half million victory gardens produced crops worth over \$150,000,000.

One hundred eleven Red Cross chapters were operated in the state with 39,934,508 hours of service being given free. Ohioans contributed \$27,690,314 to the support of the Red Cross and purchased \$9,805,975,000 worth of bonds for an average of \$1420 per person.

As members of this great state we can all take justifiable pride in the job that has been done but today Ohio, like every other war state, finds itself in the somewhat ridiculous position of having untold scarcities in the midst of plenty.

A substantial contributor to the livestock markets of the world, Ohioans are hungry for meat. In need of every conceivable household appliance, only small trickles of production are available to the retail stores of the state.

The quite logical question on the lips of thousands of Ohioans today is: "How come?"

We make no pretense at having an answer to that or hundreds of specific questions on why things are in such a mess today but we are of the sincere belief the public is entitled to something more than confused and conflicting statements from officials in high places. When a business finds itself floundering on the rocks as a result of confusion and mismanagement, the board of directors usually makes some changes at the top of the organization. America's "board of directors," the great voting public, may find that good business on Nov. 8.

Let's find out what every candidate stands for before we place an "X" before his name at the next election.

Let's get back in production.

Education, despite all pronouncements, consists in teaching individuals to think.

YOU CAN DO SOMETHING ABOUT THIS:

Equality In Taxes? ? ?
Higher Taxes? ? ?
Were You Hit Too? ? ?

The present Auditor RE-APPRAISED your properties, INCREASED TAX values, then announced that the NEW TAXES were "EQUITABLE."

Are these actual cases "equitable"?—

- A \$3180 home was INCREASED by \$2,700.00 but A \$4300 home was INCREASED by \$ 730.00 and A \$4330 home was INCREASED by \$1,690.00.
- A \$6530 home was INCREASED by \$2,340.00 but A \$6320 home (in the Auditor's name) was REDUCED by \$1,290.00.
- A farm was INCREASED \$13.00 an acre, but another farm right beside it was INCREASED \$57.00 an acre.
- A city tract was TAXED at \$200 an acre, but another tract right beside it was TAXED at \$1,000 an acre.

Letters To The Editor

Editor The Hilltop Record

In a previous article I have raised this question for Democrats: Is it not more important to put the public welfare at this critical time ahead of party regularity? We Democrats must now decide whether we will support our well-tried American principles or support a form of government headed towards socialism and communism. If these influences, both inside and outside of the government, are not stopped, they will in the long run undermine our system of personal liberty and substitute one of regimentation, government regulation and dictatorship, such as they have in Russia. Communist and socialist employees of government have for years been working to bring about this result.

This may seem like an extreme statement, but when we realize the sources from which the present government is drawing its support of votes, and the inducements offered to make life easier with less work, should we not stop and think of that which has already happened and is calculated to seriously impair our personal and individual liberty, and our American principles generally, can we not decide what course we shall take in the forthcoming elections?

For instance, think of the packing of the supreme court by President Roosevelt in order that it might render judgments in accordance with his own particular ideas instead of interpreting impartially the laws made by the people. This appeals to me as one of the most destructive, dishonest and dictatorial procedures and abuse of power that we have ever had from government.

Take the case of setting class against class as was done by the Roosevelt administration when it is the clear duty under our Constitution to treat all classes on the basis of equal justice for all.

Further, consider our enormous national debt, the fundamental cause of our inflation brought about by a flood of depreciated currency and the profligate expenditures of Mr. Roosevelt, then and now, by his party adherents, including the present Truman administration. By this inflation and depreciation of the currency they have incurred a debt of at least 100 billion dollars more than was necessary, and which we taxpayers and our children and grandchildren will be compelled to pay by generations of heavy taxes.

Take the case of this vast corruption in high places, now being brought to light as the result of dishonest and wasteful administration, enough to bring shame on the entire country.

Again, while the war was ended a year ago, there is much evidence to show by actual facts and figures that vast and unnecessary payrolls are continuing in maintaining government personnel for the sake of retaining votes.

We may not know definitely what the Republican party may do if it should come into power, and I hold no brief for it except that we do know it is against socialism, communism and dictatorship. For these reasons it is far more important and necessary for real Democrats to vote for Republican candidates for the United States Senate and House of Representatives than to maintain party regularity. I urge other Democrats to do likewise as the safest course to take.

Modern Poetry

By Esther Westley

AUTUMN

Must you and I be somber,
Now that we are growing old?
The grandest tree the poorest weed.

Wear autumn red or gold.
They flaunt the beauty May foretold.

For every living thing:
So why should we be sad, my dear?

We, too, have had our spring.
Amy Alwater.

in TED MALONE'S "SCRAPBOOK"

BY WAYS

A path that crosses my path
Where wood and meadows meet.
Is full of secret wonder:
That stranger that I greet.

By chance is going north,
When I have chosen west.
But I can call "God speed you,
And give you bread and rest."

I swing my hat and shout
To the sky-faring sun
Because there are so many paths
For men to walk upon.

The road that leads to town
Is a safe, prudent thing.
Not wayward like the little paths
That keep on wandering.

Sara King Carleton
in PRAIRIE SCHOONER
CARAVAN.

CHILD AND BIRD

This is the burial of the long-dead bird.

In the early morning, in the early sun,
Here by the roses in the mould
interred.

The neck unhooked, the hinges of the wings undone:

Held for a moment in these warming hands
Curious and gentle for this little death,
But unafraid, as one who understands
Even the ending of this small and

singing breath.
Josephine Young Case,
in her book,
FREEDOM'S FARM.

PROGRESS

Eternity is long, and moments few
To leave our touch upon the tablet, Time:

To make one song, one lasting sketch, or rhyme,
To go three spaces, and step back but two.

Elizabeth S. Osgood,
in WINGS.

THE AGE OF PEACE
I think the age of steel will pass
As did the age of stone;

That man, who leans upon machines,
Some day will walk alone,
Unaided, unafraid, erect.

Among his fellow men:
His tyranny transformed to love,
His guns to books; and then
He will have learned that wings of steel

Which speed his body round
The earth, at almost lightning pace,
Leave mind and spirit bound.

W. High Speaker Describes Life In Foreign Land

The featured speaker at the Tuesday morning assembly at West High School was Dr. William H. Crisholm, a medical missionary who worked in a scientific line for several years in Korea.

Dr. Crisholm used illustrations in his talk to point out how the Bible is the basis for life itself. He is the field secretary of the Independent Board of Presbyterian Foreign Missions.

The girls in Korea are not sent to school as the boys are, because they are not considered as important, nor do either the girls or the boys have anything to say about whom they are to marry. According to the speaker, "Some obliging person chooses whom you are to marry—saving the girls the suspense of finding someone, while the boys are saved both the suspense and the expense."

The Korean missionary revealed several interesting facts about Oriental life. When entering a building in that country everyone must remove his shoes, and when a public meeting is held the speaker never need fear the impatience of the audience for as long as the speaker will talk the audience will listen.

Ralph Watts and Principal Irvin H. Young presided over the assembly which was opened and concluded by the songs of the choir. The choir director is Miss Lucille Gant.

Models Organize New Club Here

The first meeting of a non-
profit organization for models
was held Oct. 2, at the Richey
Studio. The meeting was con-
ducted by Mrs. Jean Sheeter, a
trained professional model from
California. Mrs. Sheeter spoke
to the girls about the plans and
purpose of this new organization
which is yet unnamed, but which
will function as a club of profes-
sional, semi-professional and oth-
ers who aspire to the modeling
profession. Mrs. Sheeter's train-
ing and experience place her in
an excellent position to coach
and advise the club members up-
on proper modeling technique,
make-up, and other matters of in-
terest to models.
Wednesday, Oct. 16, at 8 p. m.,
the second meeting was called
for the purpose of organization
and the naming of those who will
have charge of all future meet-
ings. As this is to be a co-opera-
tional organization conducted en-
tirely by the club members them-
selves, all finances of the club
will be used entirely for club
maintenance and publicity for its
members.
Photos, a complete description
of each club member, the particu-
lar type of modeling to which
she is best adapted will be cir-
culated at club expense to all
persons, firms and organizations
who might conceivably employ
models for camera or exhibition.
This club will be in constant
contact with the Camera Club Coun-
cil and the affiliated member
clubs, the Columbus Art School,
University Art Department, Co-
lumbus Advertising agencies, de-
partment stores.
This club will be not only for
professional, but any other girls
interested in becoming models. If
any girl is interested, she may
call Mrs. Sheeter at the Richey
Studio, RA. 1913, between 8 a. m.
and 4 p. m. It is also suggested
that any artists, photographers or
organized groups, having knowl-
edge of experienced models or
beginners in the profession, sup-
ply this club with their names
and addresses or personally sug-
gest to the models that it might
be to their interest to investigate
the benefits of this organization.

Keeping in Touch

That mail-box on the city corner . . . that post office at the country crossroads . . . what would we do without them?

Life is too complex for us to live by ourselves. Man's interests and his welfare reach far beyond the boundaries of his community. Communication with people and corporations hundreds of miles away is a part of modern living that we take for granted. We have to "keep in touch."

But long before life became so complex, men discovered their need for another kind of communication—prayer. The courage and faith and hope which steel men for the challenge of each day come from God. The deep spiritual needs of the soul can be supplied only by keeping in touch with God.

We think our mail-boxes are indispensable! Even so, one church means more to a community than all its postal facilities. For not so long ago men lived very happily without a postal system. But men have never lived happily without God!

Hilltopper Seeks Office of Co. Auditor

A familiar name to Franklin County voters will appear in the Democratic column for the office of County Auditor in the Nov. 8 election. That name is Thatcher.

Newton A. Thatcher, 2968 Crescent-dr., will be seeking the office after having served one full term and two years of the unexpired term of his father, A. J. Thatcher.

The profession of auditing public accounts is something of a tradition in the Thatcher family, the elder Thatcher (now deceased) having held the office four times. The present candidate lost the office in 1943 by a scant 8,000 votes, finishing 25,000 votes ahead of the Democratic candidate for governor and the rest of the state ticket.

Thatcher has employed one of the first original ideas in the art of campaigning seen in the county in recent years. He has attempted, through the use of advertising space, and direct mail, to educate the public on what constitutes the duties of a county auditor. Needless to say, few people understand what the office includes.

An example of the lack of information on this subject, a prominent non-partisan organization in Franklin County is attempting to tell the voters the purpose and duties of each elective office, stating merely that the county auditor serves as secretary to the county commissioners.

Thatcher contends that unless the voters know something about the office they cannot possibly know whether a man is qualified to fill the office capably. He contends that this particular office requires special training and experience if the interests of the property owners is to be best served.

To prove his capability he cites the following background of training and experience:

1. Graduate Ohio State University College of Commerce and Journalism (now known as the College of Commerce and Business Administration).

2. Three years in the bureau of inspection and supervision of public offices (a department of the State Auditor's office).

3. Served as a deputy county auditor (all departments) from 1923 to 1936.

4. Was auditor of Franklin County for six years.

5. Served as statistician in the bureau of inspection and supervision of public offices for three years.

In addition to the above qualifications, Mr. Thatcher takes credit for designing and installing the accounting systems now in use in most departments of the office. This system has been copied and used as a pattern by several other county auditors. Hamilton County, as an example, spent \$15,000 with a research bureau to bring that county up to date in accounting methods. The research bureau copied the method in use in Franklin County.

Sold First Delinquent Property

He was the first auditor in the state to set up machinery for selling delinquent real estate under the revised laws passed in 1935.

The candidate maintains that thousands of inequalities were created in the real estate appraisals completed under the present county auditor. He believes that re-adjustments should be made in these cases where increased appraisals cannot be justified.

Thatcher was born on November 11 in Columbus. At that time it was known as "Irish Broadway" because of the preponderance of Irish residents in that area. The family moved to Highland-av in 1904 and he has been a Hilltopper ever since. He attended Highland Avenue School, West High School and later Ohio State University.

He has always been a popular vote getter. In 1936 he was the only Democrat elected.

Various Organizations Cooperate To Entertain Both Young and Old

Hallowe'en activities will reach a climax on the Hilltop next Wednesday as thousands of persons are expected to jam West High School for the second annual community party planned by the Hilltop Community Council.

It is the HCC's formula for giving the community a big party in which young and old alike can join, with entertainment, starting at 7 o'clock, free to all corners. Last year more than 4,000 attended the community celebration, which succeeded in keeping young people off the streets to such an extent that no complaints were received by police that evening from the Hilltop. Sponsors of the plan are hopeful that this year's program will prove equally effective in minimizing damage by Hallowe'en pranksters.

Included in the evening's entertainment will be the presentation of prizes for the best costumes, awarded by the Hilltop Business Men's Association; the awarding of prizes for the best decorated windows in the auditorium, also a fish pond sponsored by three of the local P. T. A. groups.

The Hilltop Kiwanis group is now submitting applications to all of the schools for the painting of store windows. Those who enter will be assigned a window in the business district next Monday and Tuesday afternoons.

Those who come to the party dressed in appropriate costumes will be eligible for prizes. Ice cream, popcorn and other concessions will be on hand in the cafeteria, with a fortune teller's booth hidden away in some secluded corner.

Sponsored by the Hilltop Community Council, the second annual Hallowe'en party has resulted from the cooperation of most of the Hilltop fraternal, civic and school groups.

Charlie Kent heads the window decorating committee with H. G. Deems scheduled to make the final revenue at Toledo. He was a leader in civic affairs there before coming to Columbus. From October, 1941, to March, 1942, he served as director of civilian defense for the Fifth Region, which included Ohio, Indiana, Kentucky and West Virginia. During 1946 he served as chairman of the National War Fund drive in Ohio.

Reports from the delegates to the state Kiwanis convention will be heard at today's meeting. No speaker is scheduled.

Charles Kent is chairman of the Hallowe'en window painting project undertaken by Kiwanians in connection with the community Hallowe'en party being sponsored by the Hilltop Community Council.

The first meeting of the recently chartered post will be held at the Retail Grocers' Association, 827 1/2 W. Broad-st, Monday, Oct. 28, at 8:15 p. m.

The board of directors for the new season is composed of Gene Jacques, Dan Denny, Bob Creeger, Joe Hostetter, Howard Traube, Ruth Platt, Roger Geist, Jerry Jewell and Janie Prior.

The ballroom, the canteen, the front room and the front hall have been improved by the refurnishing of the floors. They were sanded, shellacked, and polished while the canteen was closed on Sunday, Monday and Tuesday. Members of the club did the work.

The land is unsuitable for building development because of the marshy nature of the ground but can be filled in with waste dirt and converted into a park that could be an asset to that neighborhood.

You Deal With All Types, Ages And Classes In Library, Miss Phalar Says

Editor's Note: This is another in a series of features on women in business on the Hilltop and West Side.

Miss Mildred Phalar, librarian of the Hilltop Branch Library, located at 21 N. Hague-av, has been in library work 17 years, 11 of which were spent at the Hilltop.

Miss Phalar, who resides at 125 N. Powell-av, has lived on the Hilltop most of her life. She says that she has always been interested in library work and reading, but states that the reason she enjoys her work here so much is that she has an ideal community with which to work.

In the winter the big event for the library is book week, which is in November. The library has special displays and classes for the schools. During book week classes come from Highland and St. Aloysius Schools. West Broad Street School has a regular schedule worked out for the children. Miss Busick Is Bride In Lovely Double-ring Wedding Ceremony

Seven-branch candelabra lighted the palm and fern-bedecked altar of the Broad Street Church of Christ Sunday, Oct. 13, when Miss Barbara Busick became the bride of Mr. Harold (Hobie) Harper in a double-ring ceremony officiated by Dr. Floyd A. Faust.

Immediately preceding the 4:30 o'clock ceremony was a half hour presentation of vocal and organ selections. A bridesmaid, Miss Betty Young, sang "My Hero," "Through the Years," and "Because." Upon completion of the marriage service, she sang "The Lord's Prayer." Mr. Foster McElfresh was at the organ.

In a circular-trained bow-bustle gown of white nylon tulle, fashioned with long sleeves, shirred from the elbow and ending in points over the wrists, the lovely bride approached the altar on the arm of her father, Mr. Edward C. Hilker, who presented her in marriage. Her fingertip veil of illusion was held in place by a white halo tiara, while in her arms she carried a bouquet of white gladiolus interspersed with stephanotis.

Attending her as matron of honor, gowning in a pink old-fashioned dress of batiste, was an aunt of the bride, Miss Edwin Kitzmiller. In identical gowns of blue and pink batiste were the bridesmaids Miss Margie Warren and Miss Betty Young. Each attendant wore matching halo bouquets of net tied beneath the chin by net streamers. In their hands they carried colonial bouquets.

Mr. Ralph Harper, brother of the groom, served as best man. Both are the sons of Mr. and Mrs. C. N. Harper 2089 W. Broad-st.

Ushers were Mr. Don Matthews and Mr. Raymond Rhoads. A reception for 75 guests was held at the home of the bride's parents, Mr. and Mrs. E. C. Hilker, 2089 W. Broad-st, immediately following.

Upon their return from a wedding trip to Chicago, the couple will make their home in Mechanicsburg, where Mr. Harper is manager of the Sterling Store.

News of Rome
By Mrs. E. C. Sheets

A military air lent much charm to the beauty of the wedding Oct. 12, at 4:30 in the afternoon, of Betty Lee Kidwell, daughter of Mr. and Mrs. Ernest Kidwell, of Beacon Light Golf Course, Gallop, and Lt. Col. John Morgan Regan, son of the late Mr. and Mrs. Timothy Regan, Boise, Idaho.

The altar of Columbia Heights Methodist Church was banked solid with green and white, palms, ferns, baby mums and white gladioli, while the light from four seven-branch candelabra added much to the solemnity of the occasion. Rev. Elwood Rose, pastor of the church, performed the ceremony.

The bride was given in marriage by her father. She wore white brocade satin, molded bodice, with deep square neckline edged with pleated fluting in regal Elizabethan style, Edwardian sleeves edged with pleated fluting. The skirt was pleated and edged with fluting to form a fan effect train. Her tulle veil was imported and held in place by a tulle of beautiful beads and seed pearls. The groom's sister in California sent the bride an heirloom of their family, a beautiful old Irish point kerchief, which was carried by the groom's great-grandmother, grandmother and mother.

The matron of honor, the bride's sister, Georgia Kidwell, wore sparkling burgundy velvet, made with long sleeves, square neckline, long fluid lines with bustle back and slight train, with crushed velvet forward hat to match. The bridesmaids were Miss Jean Kidwell, Mrs. Phil Hoag, Miss Vernus Fisher and Miss Jean Woda. They wore identical velvet gowns in sherry, electric blue and twilight blue, made with molded bodice, square neckline edged with crushed velvet.

News of Rome
By Mrs. E. C. Sheets

A military air lent much charm to the beauty of the wedding Oct. 12, at 4:30 in the afternoon, of Betty Lee Kidwell, daughter of Mr. and Mrs. Ernest Kidwell, of Beacon Light Golf Course, Gallop, and Lt. Col. John Morgan Regan, son of the late Mr. and Mrs. Timothy Regan, Boise, Idaho.

The altar of Columbia Heights Methodist Church was banked solid with green and white, palms, ferns, baby mums and white gladioli, while the light from four seven-branch candelabra added much to the solemnity of the occasion. Rev. Elwood Rose, pastor of the church, performed the ceremony.

The bride was given in marriage by her father. She wore white brocade satin, molded bodice, with deep square neckline edged with pleated fluting in regal Elizabethan style, Edwardian sleeves edged with pleated fluting. The skirt was pleated and edged with fluting to form a fan effect train. Her tulle veil was imported and held in place by a tulle of beautiful beads and seed pearls. The groom's sister in California sent the bride an heirloom of their family, a beautiful old Irish point kerchief, which was carried by the groom's great-grandmother, grandmother and mother.

The matron of honor, the bride's sister, Georgia Kidwell, wore sparkling burgundy velvet, made with long sleeves, square neckline, long fluid lines with bustle back and slight train, with crushed velvet forward hat to match. The bridesmaids were Miss Jean Kidwell, Mrs. Phil Hoag, Miss Vernus Fisher and Miss Jean Woda. They wore identical velvet gowns in sherry, electric blue and twilight blue, made with molded bodice, square neckline edged with crushed velvet.

vet rucking, long torso style, full gathered skirt and full length sleeves. They also wore tiny three-quarter hats of crushed velvet to match their gowns. All of the bride's attendants carried large floral bouquets of pink roses, tied with matching satin ribbons. Music was furnished by a string trio and vocal selections were by Mr. Ray Buechner.

The best man was Wing Commander S. E. Hernden, London, England, of the Royal Air Force. Ushers were Major Bozeman, Major Eanes, Captain Heffernan and Lieutenant Eisman.

The bride's mother wore jet dress with turquoise bodice trim, black hat with turquoise feathers and a beautiful orchid.

At the reception which was held at the bride's home, Virginia Clements and Mildred Johnson, with Mrs. Edward Merritt, Elizabeth French and Mrs. James Ryan, were hostesses to 150 guests.

The bride is a graduate of Hilliard High School and attended Capitol University. Her going away suit was an original linoda gabardine with a Lily Dache original hat.

The groom is a graduate of Santa Clara University. He is now stationed with the Smyrna Army Air Base, Smyrna, Tenn., where he is director of training. Following their wedding trip to Sun Valley and Los Angeles, they will reside in Nashville, Tenn., after Nov. 12.

The out of town guests were Miss Winnie Garrison, Mr. and Mrs. Cele Brown and Miss Mary Kidwell, from Dayton; Mr. and Mrs. Benton Kidwell and Mr. and Mrs. Paul Junk, from South Charleston, and Mr. and Mrs. Guy Kidwell, from Springfield.

The regular meeting of the Rome P. T. A. was held last Thursday at the portable. The convention report given by Mrs. Pennel was very interesting. Music for the evening was furnished by the audience, with Mrs. William stationed with the piano. The speaker for the evening was Miss Gene Cunningham. Her topic was "Infantile Paralysis." The program for this meeting was in charge of Mrs. W. Harrison, health chairman. The membership drive is over and there are 230 members.

The Rome School Carnival, held Saturday on the grounds, proved a big success. An old fashioned chicken supper was served as well as sort of a surprise, hamburgers and wieners, which were delicious. An auction sale on needle work and other gifts presented to the school by the business men of Rome completed the evening, with square dancing in the portable.

It was a happy occasion at the Albert Caris home when they welcomed their son, of Los Angeles, and his wife whom they met for the first time, last week. She became ill soon after her arrival and spent a few days in the hospital. She is alright now and able to enjoy the company of the visiting household, which includes Rev. Robert Oeters and wife (who is a daughter of Mr. and Mrs. Albert Caris), and four children, Bridgeport, Conn.; also their son, S. A. Caris, and wife and daughter, Sharon, of Toledo, and Mr. and Mrs. Everson Palmer (another daughter), with their two daughters, from Osborn.

New Wrinkle On Cleaning Ducks

It's a lot of fun to knock a big, fat, high-flying mallard down and bag him away in your game bag. But when it comes to getting him ready for the oven, that cleaning job is a bull in another pasture.

"The most irksome chore about duck hunting," says Henry P. Davis, Remington Arms Company, is cleaning the game after the day's shoot is over. Tops in my book of tedious tasks is the plucking of the fine downy feathers from a wild duck without breaking the skin. But here's the trick: wrinkle which will save much effort and which really works.

"Pluck the duck clean of all the larger feathers, leaving only the small downy ones. Then simply 'erase' them with a block of art gums, using the art gum just as you would to erase an error on a piece of drawing paper. Simple, isn't it? But it does the trick!"

Home Life Is Responsibility Of The Entire Community, Judge Rose Says

Speaking before a committee he has chosen to inaugurate a three-point community program of education for home life, marriage counseling, and reconciliation, Judge Clayton W. Rose recently made a strong appeal for the necessity of our entire community to consider stable home life a public responsibility.

"The American home" is the foundation stone of our entire social, economic, political and even religious structure," he said, "and its preservation and stabilization is vital to our American way of life."

Judge Rose then went on to make the following plea: "It is time that we recognize that the maintenance of a stable home life is a public responsibility. We know that tuberculosis, typhoid fever, and venereal disease are matters of public interest, and we spend money for their eradication and control because their effects spread to all of us and through the entire community.

Can't we realize today that the scars on children's lives, and the debasing influence of a broken home, also spread to every other home and affect the entire group?"

Judge Rose then added, "We complain of hardships resulting from industrial strife and recognize the dangers from crime and delinquency but often fail to realize how closely these are tied up with broken homes and decayed marital and parental relations. It is high time we arose to this crying need in our community. Solid, secure and happy homes can and will solve many of the other problems."

Indian Summer In Ohio

If we were poetically inclined, this season of the year would certainly stir us to attempt to describe the glories of autumn in rhyme. But since the prose form of writing is still generally used in weekly news writing, we will in our own crude way make an effort to call attention to the parade of autumn colors evidenced in every woodlot and fencerow in this beautiful state of Ohio.

Anyone who has driven out of the city during the past two weeks could not help but admire the wonderful handiwork of Mother Nature now outdoing herself in painting the hillsides and valleys with a riot of fall colors. It isn't necessary to drive into the hilly sections of the state to get a glimpse of this grand spectacle of Nature. The shade trees in almost every village and hamlet have their own art exhibit.

Indian Summer has always appealed to our fancy, and this year is certainly up to par. We believe that the person who hasn't taken the time to get out to view the beauties of the state at this time of year is missing something in life that is really worth while. A drive in almost any direction from Columbus will reveal a panorama of beauty that defies description. It's a scene that will all too soon give way to bleak landscapes awaiting the approach of winter.

Before it's too late, get out and see "Beautiful Ohio," now in all her autumn glory.

"The people demand that all items be decontrolled as soon as they fulfill the requirements of the OPA law whenever supply exceeds or is in approximate balance with demand."—Sen. Alexander Wiley, Wisconsin.

We think luncheons should be light — especially for working people who don't want to feel "lgy" the rest of the day. That's why our luncheon menu offers such a sprightly variety of easily digested foods.

Dear Sir,
It is with considerable pride that I wish to comment very favorably on your editorial, "This Year of Decision," which was contained in the 26 September edition of the Record. It was a very complete and unbiased article from start to finish. I fully enjoyed reading it very much.

The Record is considered by me and agreed to by many fellow GI's to be the most constructive and representative Community newspaper to meet our eyes. I find the Record keeps one abreast of all the changing factors at home and the columns of the Record contain many personal items to interest one away from home very much, just as it does those at home.

Having been a resident of the Hilltop for only five years I do not know the entire history of the Record, but I realize that during those five years it has done a great job in a truly great community. To those who are responsible for this I would like to say, Merry Christmas, and the best of luck in future editions.

Very truly yours,

How many folks would like to protest against sending the proposed naval exhibit to the inauguration of the president of Chile. I would like for those who represent the United States at Chile to visit Argentina's Peace Garden and learn the difference, and also the likeness, of warship and worship.

The Garden of Peace in La Plata, Argentina, was dedicated in November, 1935, and unites 44 nations and all races of the world in a living monument. Flowers from all climates are grown and all are consecrated as national symbols. The plants are grown by continents and each plant bears a metal identification tag bearing the name of the country it represents. The garden was planned by Dr. A. V. Chaves, and in assembling helped cooperation of ambassadors, diplomats, botanical students, researchers and universities throughout the world.

Smiles

A disreputable looking bum approached a man on the avenue, asked him for half a dollar for something to eat. "Tell you what I'll do," said the man. "I'll buy you a drink."

"No, thanks," persisted the down-and-outer. "Just give me fifty cents for something to eat."

"Here, have a cigar," offered the other.

"All I want is something to eat," pleaded the panhandler, "no cigar."

"Look," offered the guy with the money. "I know some nice girls. I'll phone them and make a date and you can have some fun."

Modern Poetry

By Esther Weakley

SAY THIS OF TIME.
Say this of time—it cannot be displayed.
Like leopards tamed until their jungle eyes
Lose fire; yet time, with changing light, has made
Itself eternal—hours are born of skies.

And time is not an element like stone,
Where centuries of sound are never heard:
A twisted shell can keep the haunting moan
Of sea, and years will pass with singing bird.
Walter Blackstock, in his book, A CREED FOR DARKNESS.

AFTER-COMER
The stalk is withered and the leaf is cast;
Brown stubble under heel rings hard as flint,
While dusk's impartial silver lays a glint
Of ice on waters quieted at last.
Now in the cavernous night the least sound makes
A twofold loneliness of earth and sky,
As homeless winds return again to sigh
Among the sumac and the rusty brakes.

If we could share the bronze and marble pause
These hills resume, the sculptured sleep whereto
The harvest-heavy land at length withdraws.
We might securely dream the winter through,
Letting that After-Comer pass unseen,
Whose shrouded fields are not for us to glean.
Leslie Nelson Jennings, in his book, MILL TALK AND OTHER POEMS.

"Please, mister," begged the hobo, "all I want is something to eat—just half a dollar's worth."

"Okay, I will give you the money if you will come home with me."

"Why should I come home with you?" asked the moocher.

"Because," was the retort, "I want to show my wife what happens to men who do not drink, smoke or go out with women!"

The Record Recognizes That Church News Is Vital to a metropolitan community

Hilltop and West Side support more than 50 churches and thousands of these local people attend the church of their choice each Sunday.

When so many members of a community have such pronounced common interests it is only natural that their HOME NEWS paper, The Hilltop Record, should publish two pages or more of church news each week. These pages cover the religious news events of the community.

We invite all the churches and other organizations of the community to take advantage of the space in The Hilltop Record to reach their many members.

One of their problems is "Why Should We Develop Correct Manners at Home?" They take turns meeting in the gym. The 8B's and 9A's meet Tuesday, Oct. 10. We think that this year, but Starling could not get in school and be better citizens in our community.

Paul Lappe Joins Army Air Forces

Paul Lappe, a graduate of this year's class at West High and son of Mr. and Mrs. Stanley Lappe, 181 S. Roys-av, has enlisted in the Army Air Forces for three years.

He is taking his basic training at San Antonio.

He has a brother, Richard, who was a flight officer (glider pilot) in the European theater during the war and who has reenlisted as a master sergeant in the Air Force and is now stationed at Borenguen Field, Puerto Rico.

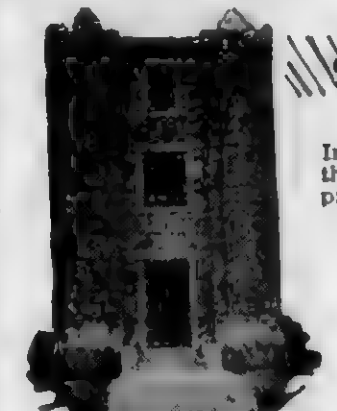

Plans are as ephemeral as bubbles — years may go astray and you may be called upon to shoulder a burden of sorrow and responsibility. That's why you should now pick the funeral director to serve you. Why not stop in today — learn that the cost of a service depends upon you, and your choice of furnishings.

 Come—Bring A Friend

THEIR FUTURE?

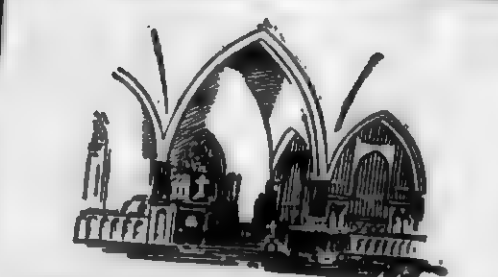

There they are—two little girls and a boy—just like your children or your neighbors. Not a worry do they have! Happy faces and winsome smiles bespeak something of the joy that bubbles in their hearts. They live in the present without a thought of what may lie ahead.

But with their parents—with you, with me—it is different! Since our children are too young to plan for themselves, we must plan for them—and for their generation. What will their future be? Shall they grow up only to fight in World War III, or shall theirs be the good fortune never to know another war?

All depends upon whether we learn—as individuals and as a world—to build on foundations that abide. It depends upon whether we put God uppermost in our lives, and make righteousness and truth the goal of every day living.

But these achievements do not come by accident. Nor can they be developed overnight. They are the products of patient effort. Of trust in God. Of active participation in the work of the Church.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

The Hilltop, Columbus 4, Ohio, Thursday, October 31, 1946

Miss Sharp to Speak Here Monday Night

Second In Series Of Clinics Planned

The second meeting of the Hilltop Courtesy Clinic will be held at the West Broad Street School Monday night, starting at 8 o'clock. Scheduled to address the group of Hilltop Business Men's Association members and employees is Fern Sharp, director of women's activities for Radio Station WBNS.

Miss Sharp will use as her subject, "What Makes Women Buy." An added feature will be the showing of the Ohio Bell Telephone Co. sound movie, demonstrating the proper use of the telephone in business.

The Ohio Bell Telephone Co. will have a booth installed at the school building where persons can speak into a recording device and then hear their own voices back again. This will give them concrete evidence of how their "telephone voice" registers with their customers.

Ballots to select the most courteous person in the HBMA business establishment will get under way on Nov. 7 and continue through Nov. 16. Ballots will be printed in the Nov. 7 and Nov. 16 issues of The Hilltop Record and will be available at all member places of business. (An advertisement in next week's Record will list all member firms and their addresses.)

Ballots can be mailed to the Hilltop Record, 246 E. Broad-st., or deposited in ballot boxes at the following business places: Hilltop Record, Seiler's, Superior Drug, Campbell Pharmacy, Herbert's Market, Jerry Watson's Market, Haunts Food Market, Hilltop Office of the Ohio National Bank, Goodwin's Pharmacy, C. & S. Dime Store (2578 Sullivant-av.), Hardy's Market, Gerhart's Hardware, Penfield Market and Caprette's Market.

This person receiving the most votes for the most courteous salesperson will receive a \$25 cash prize. The winner will be announced at the Dec. 2 meeting of the association.

All together the Courtesy Clinic is made up of three monthly meetings with recognized speakers from various lines of merchandising problems of all members. Executive secretary of the Dayton Foremen's Club, opened the series meetings on Oct. 10 when he addressed approximately 300 employees and members at the Glenwood Church. The final meeting of the series will be held Dec. 2.

The program was drawn up by a committee of the HBMA to enlist the cooperation of all member firms in emphasizing courteousness in all business transactions. The speakers are attempting to get sales people "on their toes" and alert to all sales possibilities.

Certificates of award will be given to all employees who attend all sessions of the clinic. Attendance is checked at each meeting.

Cash awards of \$25, \$10 and \$5 will also be given for the best letter written by sales people on the practical use of ideas gained as a result of attending the clinic.

Hilltop Women In Business—No. 5

Harriet Huff Enjoys Outdoor Sports; Has Traveled In 41 States, 2 Countries

Editor's Note: This is another in a series of features on women in business on the Hilltop and West Side.

If there's anything Harriet Huff would rather do than sit at a hair style for one of her customers it's to go horseback riding or hunting, for this local beauty shop operator is a devoted outdoor sports woman.

Mrs. Huff started her apprenticeship in a beauty parlor at the age of 11 in the days when there were no regular schools for beauticians. She has been practicing for 29 years continuously and believes that she has the longest period of uninterrupted service of any operator in Columbus. She opened her shop on the Hilltop in 1927 on Midland-av., just around the corner from her present location, 2154 Sullivant-av.

For several years she taught hair styling in addition to operating her own shop. She enjoys working on transformations and wigs and is one of the few persons in this area who have had experience along that line.

Traveled In 41 States

Mrs. Huff served as president of the state unit of National Hairdressers and in that capacity has traveled in 41 of the 48 states, not to mention Canada and Mexico. On these tours she did hair stylings on the stage before convention groups and other large gatherings.

It was while on trips to the Southwest that she first became interested in the hobby of col-

Fund Workers Expect Goals To Be Met

The Community Chest drive is going "over the top" on the Hilltop and West Side.

That was assured as reports kept coming in to the heads of the drive up until the close of the drive on Wednesday. A victory dinner was to celebrate the successful conclusion of the 1946 Chest drive last night.

Mrs. Charles W. Davis, colonel over the Valley section, was designated as the leading colonel in the women's division after her workers had reported 127% of their goal by Tuesday of this week. That figure was expected to be increased when all reports are compiled.

On the Hilltop Mrs. Ray Cave was credited with 75.7% of her goal by Monday of this week and was confident that final reports would put her over the 100% mark.

Mrs. Myra estimated that \$1800 had been turned in by her workers by the first of the week while Hilltop workers had reported more than \$1800 in cash and pledges with more to come.

When last reported Mrs. E. R. Tilley led the Hilltop majors with 116.5%. Mrs. Floyd Martin was second with 122.5%. Others reported as follows: Mrs. H. A. Moffat, 84; Mrs. Elmer Myers, 66.2; Mrs. Howard Balzer, 62.4; Mrs. Don Neal, 61.3 and Mrs. J. H. Kirkpatrick, 49.8.

The following names were added to the list of officers and workers published in last week's Hilltop Record:

Mrs. William Hand, 683 Wiltshire-av., and Mrs. Jack Merriman, 2520 Sutton-av., captains.

Mrs. Herbert M. Williams, 133 Guernsey-av., Mrs. A. B. Green, 28 N. Westmore-av., Mrs. G. M. Case, 87 N. Westmore-av., Mrs. Herbert Hickman, 2536 Sutton-Burgess-av., Mrs. J. E. Linville, 33 Eldon-av.

Mrs. Leonard Wisdom, 254 N. av., Mrs. Otto Mattox, 260 N. Harris-av., Mrs. R. M. Cody, 115 N. Ogden-av., Mrs. E. A. Heyder, 228 N. Terrace-av., Mrs. C. C. Kimes, 200 N. Terrace-av., Mrs. Philip Lacey, 684 Wiltshire-av., Mrs. Raymond Adams, 690 Wiltshire-av., Mrs. Carl Driscoll, 581

Fire Protection — A Must

An Editorial
(Also read "A Sacred Duty" on Page 4B)

Perhaps the most important issue on the Nov. 5th ballot for Franklin Township voters is the 1-mill levy for fire protection.

During the past 10 months residents of the township have had the services of the Columbus Fire Department as a result of a contract entered into by the township trustees, Bryan McCullough, Otto Peoples and Roy Hendershott. Since the start, township officials have paid out approximately \$350 for calls already made by the department. It would be difficult to estimate the value of property saved as a result of these calls.

Since the small reserve of funds from which these bills are paid is practically exhausted, it is imperative that the 1-mill levy be passed to make possible a continuation of fire protection. Passage of the levy will continue that service, subject of course to the approval of the Columbus Fire Department.

To persons living in areas where fire plugs are installed, the protection means a reduction in fire rates of approximately 50 percent. Passage of the levy will provide fire protection for the first time for Valleyview residents since trustees could not include incorporated villages where general funds were used to pay the bills.

We believe that Franklin Township voters appreciate the need for fire protection sufficiently to carry this levy by an overwhelming majority.

Plan "Senior Riot"

In this atomic age it is not surprising that the West High 12B's would choose such a title as the "Senior Riot" for their party to be staged on Nov. 25.

Shown in the above Record photo are the girls who are responsible for planning the affair. Reading from left to right they are: (standing) Frances Gurley, 216 W. Warren-av., publicity; Margaret Mitchell, 2479 S. High-st., refreshments; Dixie Barfield, 491 Selvidere-av., decorations; seated at the desk are Kathryn Bauder, 278 W. Warren-av., social (left), and Bettina Beard, 3050 Steels-av., tickets.

Other committee members include the following: Decorations, Ronald Barker, Mae Egan, Johnnie Carpenter, Barbara Coffman, Margaret Frost, Don Ochs, Dick Palmer, Char Rolston, Jack Timmer.

Refreshments: Tom Beckett, Johnny Colombo, Jack Crego, Pat Moore, Rowena Self, Kathryn Warren.

Publicity: John Bill, Ann Farness, Bob Glasgow, Jack Hann, John Webb.

Social: Kenny Beymer, Don Casto, Jannie Lombard, Margaret Jackson, Sam Richmond, Betty Van Atta.

Tickets: Bruce Beavers, Dick Cosgray, Patty Cozad, Jackie Gross, Jack Jany, Dick Layman, Johnnie Schrum, Marilyn Slyh.

Henry Geshwilt was chairman of the entertainment committee. E. Walter Dillow, 710 S. Richardson-av., president of the club, announces that on Nov. 19 the third anniversary dinner will be held in the clubrooms. At that time a prize will be awarded the winner of the membership drive.

Hardware Owner Is Buried Monday

Funeral services were held Monday afternoon for William N. Gearhart, 86, operator of Gearhart's Hardware Store, 2387 Sullivant-av., for the past 17 years. He passed away at his home, 3134 Wicklow-av., after a two-year illness.

Mr. Gearhart is survived by his wife, Mrs. Kathryn Fossnaugh Gearhart; three brothers, Harry and Ralph of Columbus, and Howard Gearhart of California; three sisters, Miss Lila Gearhart, Mrs. Mary Thompson and Mrs. Walter McAbay, all of Columbus.

He was a member of the Hilltop Business Men's Association and the West Second Avenue Presbyterian Church. Burial was in Green Lawn Cemetery.

Mrs. Gearhart announced that she would continue to operate the store with her nephew, Jack Boyer, 299 S. Brinker-av., as manager. He has been in charge of the firm since his return from the service several months ago.

James Lenhoff Back With Furniture Firm

James Lenhoff is back with the Westgate Furniture Co., 3323 W. Broad-st., in a sales capacity, he announced this week. He returned to his home at 113 Midland-av., three weeks ago after suffering injuries in an accident.

3 Hilltoppers Seek Office In Next Tuesday's Election

Thatcher, Nailor, Trabue, Appear On Ballot; 1-Mill Levy Is Twp. Issue

Three Hilltop candidates will be seeking county and state offices on the ballot to be voted next Tuesday. Of this number two are Democrats and one is a Republican.

Seeking re-election to his seat in the state legislature is Joseph Nailor, a Republican. A resident of the Hilltop for many years, he is a practicing attorney with offices at 44 E. Broad-st.

Newton A. Thatcher, a Democrat, is a candidate for the office of county auditor. A resident of 2986 Crescent-dr., he has previously served one full term and one unexpired term in that office.

George G. Trabue, 2771 McKinley-av., is a Democratic candidate for the one seat on the board of county commissioners.

Franklin Township will vote on a 1-mill tax levy to continue fire protection during the next five years. At present the township officials have a contract with the Columbus Fire Department but reserve funds from which the cost has been borne are practically exhausted and continuance of the protection is said to depend on passage of the levy. A rally for persons interested in getting the protection for Valleyview will be held at the shelter house in Valleyview Monday night.

Voting places will be open from 8:30 a. m. to 5:30 p. m. at the regular polling places. One change in location has been made in the Eleventh Ward since the primary election last spring.

On the national scene voters will choose between the incumbent Democrat, James W. Huffman and former Republican governor, John W. Bricker, for the full Senate term. An unexpired term is being sought by Henry P. Webber, Democrat, and Kingsley A. Taft, Republican.

Voters Seek Re-election

John H. Vorse, Republican, is seeking re-election to his seat in the lower house with Arthur P. Lamneck, Jr., as his Democratic opponent. For congressman-at-large it is William M. Boyd, Democrat, opposing the incumbent Republican George H. Bender.

Gov. Frank J. Lausche, Democrat, will be opposed by Republican Thomas Herbert in his campaign for re-election. The race for lieutenant governor features George D. Nye, Democrat, opposing the incumbent Paul M. Herbert, Republican. Charles Sweeney, Democrat, opposes Republican Edward J. Hummel, incumbent, for the office of secretary of state. Democrat James T. Welsh opposes incumbent Don H. Ebright in the race for treasurer of the state and Democrat Anthony S. Hogan opposes incumbent Republican Hugh S. Jenkins as attorney-general.

In the race for state senator Robert J. Beatty and Franklin H. Holmes, Democrats, oppose incumbent Republican E. E. Addison and Roscoe Walcutt.

Six seats are to be filled in the general assembly. Democratic candidates are William E. Coorider, James J. Dixon, Warren S. Earhart, Nathan A. McCoy, Jr., and Frank Shearer. Republicans are Paul R. Barnes, Golda May Edmondson, George B. Marshall, Jr., Henry A. Metcalf, Joseph C. Nailor and Robert R. Shaw.

Trabue's opponent for county commissioner is incumbent Republican Harry T. Vigor. Vigor has had a part in the planning of the county-wide sewer system and the public building construction program. Plans are now in process of formation for enlargement of the County Home Hospital and the Tuberculosis Hospital.

Fred C. Dunn, is the Republican incumbent in the office of county auditor. He is seeking his second term. Before serving in that office he was associated with the old Dunn-Taft Company.

The winning house, previously located at Ridge and W. Richardson-av., has been moved to 253 N. Burgess-av. for voters in Precinct C. No changes have been made in the Tenth Ward.

In the Ninth Ward Precinct E will use a voting house at 34 N. Hartford-av. and Precinct O will vote in the Gladden Community House, 633 W. Town-st.

POINTS FOR OTTERBEIN

Dale Rose, 102 Haldy-av., head football coach at Capital University this fall, will be using all the plays in his book this Saturday afternoon in an effort to stop the highly touted Otterbein eleven. Game time is set at 2 p. m. on the Capital gridiron.

Honor Pupils Lauded Tues. At West High

Rev. Stephen Sliarto, pastor of the Hungarian Evangelical Reformed Church in Columbus, was the speaker at the honor assembly held at West High School Tuesday morning. He substituted for Miles (Cap) Hoover, former Hilltopper and member of the Columbus Board of Education, who was unable to fill the engagement.

The assembly honored the students who were elected to National Honor Society for the fall semester. The speaker pointed out the importance of keeping up

the "good work" and emphasized the fact that the honor students deserve the respect of the entire student body.

Rev. Sliarto further stated that the work of the honor students should serve as an incentive to all students to raise their scholastic standings.

With only two more games remaining on the West High schedule, football players and coaches are looking forward to the football banquet to be held at the school cafeteria on Nov. 13. This annual event is sponsored by the Hilltop Business Men's Association as a tribute to the work of the players and coaches alike.

A limited number of tickets are available to the dinner that will feature an outstanding entertainment and other entertainment.

The West High School 70-piece band, under the direction of Charles Bennett will accompany the football team to Central High School tonight. Before the start of the game the band will play the familiar "USA" and "Hello." At the half time they will form the "H" facing both stands alternately. Then they will go into a large "CHS" followed by "WH" They will then repeat the Jack O' Lantern formation used at South last week and the "Little Brown Jug" use of the home field earlier in the season. A large revolving "C" and the block "W" will complete their portion of the entertainment.

Miss Patty Curl Entertains Guests

Patty Curl, 88 N. Ogden-av, was hostess at a wiener roast held Oct. 26, at the country home of Mr. and Mrs. Fred C. Gabler, 1500 Wilson-rd.

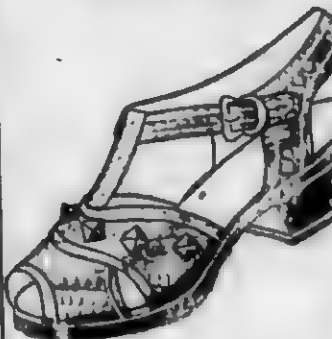

Those in attendance were: Joan Freshcorn, Ruth Ogle, Mary Howell, Barbara Stewart, Betty Walker, Martha Holliday, Alice Reed, Kay Barton, Lois Neff, Phyllis Johnson, Tommy Kappel, Carol Tanner, Mary Season, Sally Jenkins, Phil Young, Tom Wright, Leroy Hood, Jerry Sohlender, Fred Ell, Bub Wolske, Ronald Cohagen, Don Walager, Art Stewart, Don Anaboker, Sam Cooper and Dick Will.

The group met at 4:00 and rode their bicycles to the Gabler home. The party was originally planned for Patty's birthday May 11, on which day it rained, and for three consecutive Saturdays there was rain. With disappointments because of bad weather and meat shortage, the party was particularly enjoyed when finally realized.

SOMETHING NEW UNDER THE SUN

In response to the demand for a more comprehensive form of children's insurance, the Sun Life of Canada announces the new Junior Adjustable Assurance, a policy which:

1. Permits regular small payments which will be greatly to the child's advantage when he reaches 21.
2. Starts assurance coverage at the early ages when the premium is at minimum rates. Premium never increases.
3. Covers expenses incurred through death in childhood.
4. Is flexible, permits a wide choice of valuable options and a considerable increase in face value (actually to five times the original amount) at age 21, without medical examination.
5. Ensures protection should the child later become uninsurable.

Let me show you what this plan can do for your son.

Cowboy Chatter

By Jean Connell

"Kilroy was here!" and the students of West High saw him. Yes, at long last the students of West have seen the much famed Kilroy. And that's not all. Quite a Banana accompanied him, together with her double. However, despite current belief, Kilroy doesn't lead the happy-go-lucky life we are led to think he does. Far from it—for his wife, Kilroy, was also introduced to the students of West. In case you do not understand how we achieved such an honor, it all happened the sixth period in a dramatic skit presented by the 10th grade dramatics class.

Tuesday, Oct. 29 an assembly was held in honor of the 12 students who are eligible for membership in the Magly Chapter of the National Honor Society. The speaker for the occasion was Miles Hoover, a former West High graduate in the class of 1919. Mr. Hoover is now a member of the Columbus Board of Education.

The kids at West are really proud of Dick Slager and the fine showing he is making on the Ohio State eleven.

A big community Halloween party was held last night at West High School. It was a huge success and a lot of fun was had by all. We wish to thank the Hilltop Community Council, the Hilltop Kiwanis Club, and the Hilltop Business Men's Association for one swell time. It was the type of community get-together we would like to have more of.

By the way, this party is really behind the gayly painted windows you have seen on the Hilltop. Prizes were given for the best window.

And now we close, but we'll see all you Cowboys at Central tonight cheering the West High team to victory.

Second row (left to right): E. L. Harlow, Lee Harlow, D. K. Finley, Marion Schannon, T. E. Schannon, L. Earle, H. Remington, H. C. Moon, Betty Moon and J. E. Galloway.

Miss Ann Turner is director of the play, with Mr. Gildersleeve serving as chairman of the program as well as president of the players' group. Music is in charge of Mr. and Mrs. Remington, while Mr. and Mrs. Moon are handling stage details and Mr. and Mrs. Harlow take charge of tickets and programs. Mr. Galloway is publicity chairman.

Chester Hill To Leave For Africa Soon On Two-Year Assignment

As soon as a series of shots can be completed and transportation arranged, Chester Hill, 175 N. Oakley-av., will be on his way to Liberia, Africa.

He is going to a rubber plantation as an accountant for the Firestone Rubber Company on a two-year contract.

It will not be his first trip across the Atlantic Ocean as he just returned from Europe early this year after serving as a finance officer with the U. S. Army. This time, however, he will be flying across. Present plans call for his departure from New York by Pan American Airways via Ireland and England.

Young Hill, the son of Mr. and Mrs. Chester Hill, sr., grew up on the Hilltop, graduating from West High School with the class of '38. He received his degree from the College of Commerce and Administration at Ohio State University in June '42 and 18 days later joined the armed forces.

While at OSU he played violin in the university orchestra. He was commissioned as a second lieutenant after graduating from Officers Training School at Duke University and had been promoted to a captain before leaving the service in March of this year.

Served Overseas

Hill spent nine months in England prior to the invasion of Normandy with the 58th Disbursing Section. He landed on the continent on June 18, 1944, and went through France, Belgium and Germany. He wears combat ribbons for the Normandy, Northern France, Ardennes, Rhineland and Central Europe campaigns.

The mobile unit with which he traveled carried better than a \$1,000,000 in currency at all times.

"We never felt like it was so much money," he said. "Being invasion money, it didn't seem to carry the value we would attach to a \$1,000,000 back home."

Approximately that amount of money was required to pay the troops each month, he pointed out. Most of the money was quickly returned to the finance office. Some of the men would buy money orders so the post office would return the currency.

Chester Hill

Others would bring their money in to be sent back home in other ways, so the same money was turned over several times before it had to be replaced.

While in Europe Hill met many fellows he knew in school and no less than three Hilltop men. Quite by accident he met Ed Weaver an old friend, in Heppenheim, Germany. In Aachen, Germany, he ran into Franklin Kiver and Lowell Eckard, two other fellows he knew on the Hilltop.

The past several days he has been busy rounding up summer weight clothes and the many items that he will need over in Africa. Last Friday he was in

Akron working out details of his assignment with the Firestone Company.

Since returning to civilian life he has been with the Haskins and Sells accounting firm in Chicago.

St. Aloysius Circles Announce Meetings

Circle No. 1 will meet at the home of Mrs. Helen Mack, 132 N. Burgess-av., Tuesday evening, Nov. 19.

Hunters and trappers in Franklin and Delaware Counties can be of great assistance in the study of wildlife populations during the coming hunting season.

During the past year, numerous rabbits, raccoons, opossums and skunks in this area have been ear-tagged in an effort to determine game and fur animal populations in this territory. The number of tags returned is expected to be in the same ratio to the total returned as the total fur catch is to the total fur population still on the hoof.

All persons finding any of the numbered metal ear tags marked "Notify OSU" are requested to help in this wildlife conservation study by returning the tags to the Wildlife Research Unit, Ohio State University. The date, location and the name of the finder should be enclosed.

Coach Mack Pemberton has spent most of the practice periods this week sharpening up his boys for their last City League battle as West High prepares to invade the Central High School gridiron tonight. Scheduled for Thursday (tonight) instead of the usual Friday, the game will be played under the lights, starting at 8 o'clock.

Fresh from 9-0 victory over the lowly South Bulldogs last week, the Cowboys will need a win over the Pirates to keep them above the .500 mark. To date West has victories over Aquinas and South, defeats at the hands of North and Linden, and a tie with East.

Except for a fourth quarter rally put on by South, it was pretty much of a Cowboy game all evening. The Bulldogs never picked

Dear Friend:

Election Day is next Tuesday, November 6, 1946. Fred C. Dunn, a candidate to succeed himself as County Auditor.

We have, during Mr. Dunn's first term, made every effort to operate the office in a fair, honest and business-like manner. One of the accomplishments was giving Columbus a tax rate of \$16.80 on each \$1,000 of tax value, the lowest tax rate in the history of Columbus.

We will consider it a personal favor if you will help us with your vote and influence for the re-election of Fred C. Dunn, County Auditor.

News of Rome

By Mrs. E. C. Sheets

The community of Rome extends sincere sympathy to Ralph Clements (The Knotty Pine) in the death of both parents within a few days. Mr. Clements returned from the funeral service Friday, Oct. 25, of his mother to find that his father had taken a turn for the worse and he died within a few hours. They had been residents of Rome, living on the corner of Lawrence and Gregg-avs until about a year ago, when they had to break up their little home to live together in the rest home of Dallas Baughman of Gahanna.

Three sons survive. Lewis of Gahana, Clarence of Columbus and Ralph, Hilltop Station (Rome). Also a brother, Thomas, of South Solon, where they were laid to rest in the South Solon Cemetery by the Sprague Funeral Home.

The Monitors, about 15 couples of the Young Married Class of Columbia Heights Sunday School, held their regular meeting at the home of Harold Rings, which was also in keeping with the times and was a very successful Halloween party. Ernest Schroeder won the prize for the funniest and Helen Bateman won the prize for the prettiest costume. After delightful refreshments, they adjourned only to be back next Saturday night, when the men really entertain their wives at a "De-fest" supper. These men were the losing side in a Sunday School contest and are talking of their big surprise.

After twenty-two months in service, eighteen of them in Japan, Stanley Griggs is discharged and able to spend his Sundays at the home of Cleo Thoma, Maple-dr.

For New Members**

Attorney General Tom C. Camp Fire's Membership March will be conducted from Sept. 15 through Nov. 30.

Less than one-fourth of the fifteen million girls in America between the ages of 7 and 18 belong to any youth-serving agency. Camp Fire Girls, Inc., which provides health and character-building programs for more than 360,000 members, is conducting its annual Membership March from Sept. 15 through Nov. 30 so that more girls may enjoy the advantages that a youth agency offers.

YOUR WAY

THE telephone cable of the future has arrived in Ohio. It is the new coaxial cable, being installed between Buffalo and Cleveland as a leg in a nationwide coaxial network.

This amazing new cable is vastly different from the usual telephone cable that is packed with fine wires in a lead sheath. It contains eight hollow tubes, three-eighths of an inch in diameter. Through the center of these tubes runs a copper wire about the thickness of a pencil lead.

These tiny tubes hold the secret of future progress in communications. Through each of them can travel 480 simultaneous telephone conversations, or a single television broadcast.

Ohio is on the main east-mid-western route of a nationwide coaxial network. The section from Philadelphia to Chicago through Cleveland and Toledo will be completed late in 1947, and will put the Buckeye State directly in the path for more telephone service and new pleasures like television.

A Sacred Duty

Next Tuesday is a day that should be considered almost sacred to every American citizen of voting age. It is on that day that we are privileged to exercise one of our fundamental rights—the right to participate in a free election.

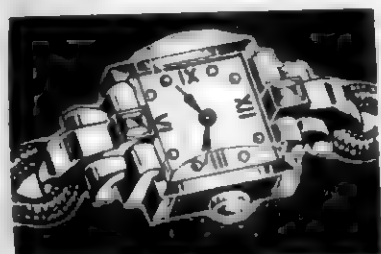

On that day the ditch digger is on an equal basis with the tycoon of industry because his vote counts just as much as the vote of the wealthiest man in the country. That is the democratic way—it is the American way. May it ever be thus.

All elections are important and this one is especially so for at no time in recent years has the need for intelligent leadership been more vital to the continued welfare and prosperity of our country. Upon the shoulders of those elected next Tuesday will rest the responsibility for shaping the program of our country when clear thinking and experienced leaders are so vital to the welfare of all of us.

The voting places will be open from 6:30 a. m. to 6:30 p. m. so there is little excuse for any of us to fail to cast our vote if we are properly registered. If we have not made ourselves eligible by proper registration we have already shirked our first responsibility. Inclement weather should not stand in our way and keep us from the polls. It's a small sacrifice to make to brave the elements to exercise such an important privilege.

Your vote represents you at the seat of your county government—at the state Capitol Building—in the halls of Congress. If you don't use it, don't complain about the way your government is being run. Just admit to yourself that you are too lazy or too indifferent to accept your responsibility as a citizen.

It's your vote. No one else can use it if you go to the polls. Someone else will speak for you if you stay away.

Modern Poetry

By Esther Weakley

FUSION
Hatred may merge what love could never bind,
And link us to the foe we loathe to face.
Behold two stags, with horns close intertwined,
Joined by their fury . . . in a death-embrace.
Stanton A. Coblenz, in his book, **THE MOUNTAIN OF THE SLEEPING MAIDEN**

THREE DONT'S
1—Don't sit in the sun,
2—Don't whistle toward yourself
3—Don't spit against the wind.
Clyde W. Wilkinson, in **BACKWOODS HUMOR**

EAST WIND
Sing hoarse with the grackles, or sweet
Among green melons, and follow
The reckonings of noon's blue
Calculus of light and shadow.

Beneath the sun—that feaster—glide,
Humming the bees onto honey;
Over calves, up-tilting beetles
From the clover, pert and funny.

Then rock all the cocky gables of
Towns to sleep at mid-morn—
later.
Along haughty rivers disport
So that slow bass swim greater.
Down athwart the hills, tunnel
through trees.
And over again for a strumming.
Announcing to rippling acres
Thunder's grave westward drumming.
David Cornet DeJong, in **MID-COUNTRY**

ONE-WAY TICKET
There are no busses running back;
No tidy subway station
Where cars depart on charted
track
To scheduled destination—
Nor any transportation.

There is no airline where a plane
As sudden as a vision
Transcends the sky—no stream-
lined train
Performing with precision.
In comfort or collision.
There isn't any route I know
From Now to Twenty Years Ago.
Frances Boal Mehlke, in her book, **A SINNER CONTEMPLATES**

PETITION
Strength for the hill, however steep—
But being woman, more than this:
Enough of buoyancy to keep
My lips responsive to a kiss.
Dry eyes on duty—yet, the hot
Salt drops at times to help
erase
The strain, that he returned may
not
Miss victory upon my face:
Elmore Chesterman, in **THE POETRY CHAP-BOOK**

DON'T ROCK HIM
She said "Don't rock him,
For maybe when I've got a lot
to do
He'll cry again."
How could she know the present
is really all that mattered
And the years to come without
him
Would be honey-combed and tattered
By loneliness and grief to have
him back again
In her arms, and rock him to a
current refrain.
M. M. in **CONTEMPORARY VERSE**

FOG
Groping fingers in the night
Misty tentacles of fright,
Limpid, languid, low lengths,
Strange with silent, subtle
strengths.
Mystic menace of the mists,
Tentacles with tempest tries,
Gossamer grayness in the gloom
Frosty disciples twined in doom.
Twisting tendrils twined in space,
Shifting shadows to embrace . . .
In from nowhere over the sea,
Stray shrouds of eternity.

SHARPENED ARROWS

From "The Wayside Pulpit" By Rev. John G. Schaibly

A man is never as good as his religion, but often much better than his theology.

Trouble is the easiest thing to find, so don't look for it.

Do not chase a lie for it will soon run itself to death.

The girl at the stationery store was attempting to "plus the sale."

Girl—"Here is a very nice letter-opener, sir."

The man took the letter-opener in his hand, looked it over carefully, and the sales girl was just about ready to give herself a mental pat on the back when the customer said, "Uh-huh. Very nice. But I don't need one 'I'm married'."

Co. Health Board Urged To Expand Local Services

Establishment of pre-natal and infant care clinics, a broader health program and hiring of three more public nurses were some of the recommendations offered the Franklin County Board of Health last week by a committee representing 1,250 rural families, affiliated with the Franklin County Farm Bureau.

Members of the Board of Health who were present to hear the recommendations were Theodore Stevenson, Canal Winchester; F. G. Barrett, secretary, Reynoldsburg; and William H. Sandusky, Gahanna. Also present was Health Commissioner H. L. Mitchell, 5278 W. Broad-st.

Recommendations of the committee were presented by Mrs. Arthur L. Smith, chairman, 1600 Alum Creek-dr, who said they were based upon a three year study of rural health problems and facilities in the county.

Five steps were urged by the committee to improve rural health in Franklin County:

1. Establish pre-natal and child care clinics.
2. Provide at least two public nurses for each quarter of the county.
3. Provide pre-school examination with free vaccination and diphtheria immunization. Offer free patch test for tuberculosis, with X-ray follow up of active cases.
4. Hire sanitary engineer to inspect compliance with health bureau regulations.

Offer better health education in grade schools and for adults. Members of the committee present with the chairman were Mrs. Lewis W. Eakin, Lock-Westerville; Mrs. Jacob H. Foster, Hilliard; Mrs. Harry E. Hughes, Grove City; F. D. Miller, Groveport; Mr. and Mrs. J. G. Gentry, Horst, Galloway; Mrs. Leg Schott, Westerville; Mrs. Clarence Held, Westerville.

YOU CAN DO SOMETHING ABOUT THEM

Had Enough Of This "Equality"?

The present Auditor RE-APPRAISED your properties. INCREASED TAX values, then announced that the NEW TAXES were "EQUITABLE."

Are these actual cases "equitable"?

- A \$3180 home was INCREASED by \$2,700.00 but
- A \$4300 home was INCREASED by \$ 730.00 and
- A \$4330 home was INCREASED by \$1,690.00.
- A \$6530 home was INCREASED by \$2,340.00 but
- A \$6320 home (in the Auditor's name) was REDUCED by \$1,290 AND

Down-town property (in the Auditor's Family name) was reduced by \$38,500.00.

A farm was INCREASED \$13.00 an acre, but another farm right beside it was INCREASED \$57.00 an acre.

A city tract was TAXED at \$200 an acre, but another tract right beside it was TAXED at \$1,000 an acre.

WERE YOU "EQUALIZED" TOO?

Isn't it time, now, to get PROVEN, REASONABLE TAX TREATMENT?

Come—Bring A Friend

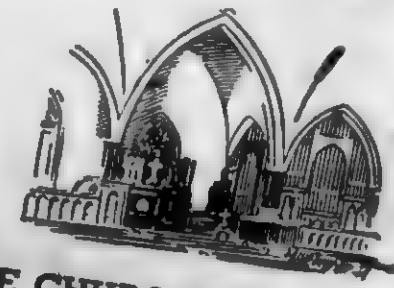

"Bear Ye One Another's Burdens..."

There are great lessons in commonplace objects. The chain, for example, is a parable of Brotherhood. Its rough, weathered links, grasping one another firmly as they lend their strength to a common burden, silently echo a Bible command.

Strange, is it not, that men—whose inventive genius created the chain—have been slow to apply its simple principle in human undertakings? Into lifeless iron we have molded the strength of cooperation; but in a living society we have let selfishness and individualism destroy noble ideals.

"Bear ye one another's burdens, and so fulfil the law of Christ." One of the many lessons in wholesome living which the Church teaches men!

Wise is the man who seeks and heeds these truths! Happy the community whose citizens, as churchgoers, apply their faith to life!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday.

K. C. Club To Have New Site

Club Room Will Be Built Over Big Bear

Unconfirmed reports were being circulated this week that the Knights of Columbus, Council No. 2895, will establish a new and larger club room in a second story to be built over the Big Bear Store on W. Broad-st., just west of Burgess-av.

At present the Council is located at 3060 W. Broad-st. It is understood that work on the erection of a second story over the large market would start as soon as present building restrictions are lifted and materials are available. It is believed that the move may be possible by some time next spring.

R. J. Finnegan, 195 N. Oakley-av., is grand knight of the local council. Other officers include David Brown, 742 W. Town-st., deputy grand knight; John Lawler, 600 Racine-av., recording secretary; Frank O'Mara, Jr., 366 S. Huron; and Robert Maxwell, 104 Highland-av., financial secretary.

Here and There: Thanks to Mrs. James Hill for the gift of the American flag, and long may it wave. V. E. Wolfe is still taking care of the mail for Uncle Sam. Bill Bailey, sauntering out Broad street in the cool air. Henry Jones reports blooming forsythia. And we picked ripe tomatoes from our garden on Nov. 2. Thanks to Esther Weakley for extending her congratulations. Tom Cannon in Cleveland last Wednesday to attend the All Industry Conference where he viewed the latest in refrigeration. A street marker is needed for Richardson-av. and residents of the street are rightfully complaining that they are proud of their street and want people to know where they are. Harold Fox up Chicago way this week. Camp Chase Post is organizing a basketball team. Our steam boiler finally arrived in time for cold weather. Mr. and Mrs. Will Hennick back in town for the winter. Mr. Ewald of the cleaning firm by the same name took a short trip to the Smokies last week.

Still Good: Hold on to those spare change sugar stamps, if you still have them. They're good for an extra 30 days, through November. The stamps, Nos. 9 and 10, were scheduled to run out last week but, because of the sugar shortage in some areas, OPA extended them for the month. Each one is good for five pounds.

Camp Chase Post To Be In Parade

Camp Chase Post No. 98, American Legion, will hold its annual Armistice Day party Nov. 11, at post headquarters, Second St. Commander Jack Alkire and his committee are preparing an interesting program.

Camp Chase Post will participate in the Armistice Day parade which will form at Fulton and Third-sts., starting at 10:30 p. m. All members of Camp Chase Post are urged to attend.

First Vice Commander John E. Martindale and his committee hope to have a good membership report on Armistice Day.

Commander Ficus announces the appointment of Ray McVay, Mike Austin and William E. Boothe on a by-laws committee to revise all by-laws published for post members.

Camp Chase Post No. 98, American Legion, and its Auxiliary will be guests at the Armistice Sunday service held in the Hillcrest Baptist Church Sunday, Nov. 10, at 10:30 a. m. The minister of the church, Rev. J. Herbert Goewey, a veteran of both World wars, will use as the subject for his sermon, "The Light Still Shines."

The choir, under the direction of Mrs. A. N. Lanthorn, will sing two special numbers: "Hear Then In Love," by Wilson, with the obligato solo taken by Mrs. Maurice Thomason and the soprano solo by Miss Janet Goewey. The second number, "America The Beautiful," will have a trumpet accompaniment played by David Camo and Dennon Leach. This service will be open to the public.

Services Monday For Mrs. Miller

Funeral services were held Monday afternoon in the Noble L. Allen Funeral Home for Mrs. May Miller, 92, of 2493 W. Broad-st. She passed away her home Friday following a cerebral hemorrhage. She had been active until just a few days before her death.

Mrs. Miller was the mother of Dr. R. J. Miller, 239 Binn-bldg., and Dr. N. T. Miller, 2645 W. Broad-st. Two sisters, Mrs. Della Sedgwick and Miss Gertie Newton, three grandchildren and four great-grandchildren also survive. One grandson is Dr. Thomas Miller who practices medicine in the northern part of Maine.

Mrs. Miller was a charter member of the Hillcrest Baptist Church and had lived on the Hilltop for 30 years. She was born at Medina, Ohio.

Hilltop Couple Observe 65th Wedding Anniversary

More than 125 relatives and friends attended an informal, open-house and tea Sunday afternoon honoring the 65th wedding anniversary of Mr. and Mrs. Theodore Grener.

The affair was put on by the three daughters and was held at the home of Mrs. Edwin Distelhorst, 4081 W. Broad-st. The other two daughters are Mrs. Steve Kuhn, Hilliard, and Mrs. Stuart Clime, Galloway.

This well known couple came to the Hilltop community in 1890 and lived at the W. Broad-st. address until two years ago when they moved to 198 S. Huron-av., where they now make their home.

Both in Good Health: Despite their more than four score years, both are in good health and entered into the spirit of the anniversary party as heartily as any of the guests. Mr. Grener is now nearing his 80th birthday, while Mrs. Mary Grener is 83.

Earlier in the day the couple attended church as usual at St. John's Lutheran Church, where they have been members for more than 25 years. Rev. C. T. Langholz, pastor of the church, paid special tribute to the occasion by a special prayer. The Greners are faithful in attendance at the local church, seldom having missed more than five or six services in a year's time and then only because of illness. Because

Mr. and Mrs. Theodore Grener

it is necessary for Mr. Grener to use a hearing aid, the church has installed a special microphone connected to the pew so that he can hear the sermon more distinctly.

Two years ago Mr. Grener suffered a broken hip in a fall while he was still on the farm. His doctor at that time felt he had very little chance of recovering

completely from the injury and advised him into a one-floor plan house so that his injury would not be aggravated by climbing up and down stairs. Today he has recovered completely and is able to go up and down stairs as easily as persons much younger than himself.

Married in 1881

The Greners were married at

St. James Lutheran Church, near Hilliard, in 1881. They settled on a farm near Allon. Two years later they moved to Madison County where they lived until 1900. At that time they moved to the farm at 4601 W. Broad-st., where he was actively engaged in farming until about 15 years ago. Since that time he had been in partial retirement until the time of the hip injury.

Unusual is the fact that those who attended the couple at the wedding ceremony 65 years ago are all living. All but one of them attended the reception Sunday afternoon. Present were Mrs. Catherine Leukart, Columbus, John Grener, Hilliard, and August Will, 194 S. Burgess-av. Mrs. Will, the fourth attendant, is in ill health and was unable to be present.

The Greners have four grandchildren and two great-grandchildren. The grandchildren are Mrs. Jack Swinehart, Miss Marywyn Distelhorst, Mrs. Herman Weber and Richard Kuhn. The great-grandchildren are Lucille and Kenneth Weber.

A fourth daughter and a son are deceased. The son, August Grener, died in 1939 as a result of injuries suffered in a collision as he was returning to his home in California following a visit with his parents here. Mrs. Edward Clime, the daughter, died in 1925.

Who Says it's a Man's World? HBMA Studies Name Change

The place of the woman in the business life of the Hilltop is becoming more important.

That this is a fact can be attested by a recent action of the board of directors of the Hilltop Business Men's Association. That group that has been made up predominantly of men is considering the possibility of changing the name of the organization so that the feminine members will not feel so conspicuous on the membership roster.

Store Owner Shot By Thugs

Ora Suver, proprietor of the North Hague Market, 344 Hague-av., is improving in health at the Hospital this week, after being shot and critically wounded during a holdup at his store, late Monday afternoon.

Suver was shot in the left side when he "faded the wall" at the command of the two gunmen. He telephoned Mrs. Granville M. Jenks, 346 N. Hague-av., a neighbor and told her about the shooting. Mrs. Jenks and her son Richard arrived at the store and found the wounded man.

Suver told deputies that he was alone in the store when the two armed men entered, ordered him to face the wall, shot him and ran from the grocery.

Henry W. Martin, 306 N. Hague-av., was working on his automobile in front of his home at the time of the robbery. He described the second man, who ran from the store and escaped through a field toward N. Powell-av.

Columbus police joined immediately in the search through the Hilltop streets for the Landstrolcher. The man was described as being about 20 years old, five feet and eight inches tall and weighing 150 pounds. He had light brown hair and wore a khaki shirt. The other was about 30 years old, six feet tall and weighed about 180 pounds. He was wearing blue overall pants and a khaki shirt.

Dr. L. B. Turner

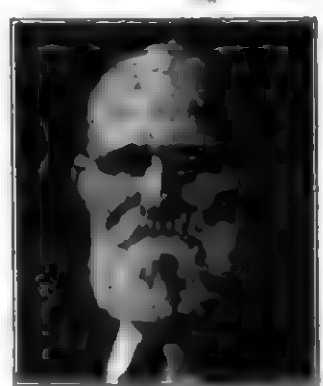

Completes 40 Year Practice Of Medicine On West Side

Still active in spite of his 84 years, Dr. L. B. Turner, 1530 W. Broad-st., is this week completing his 40th year in the practice of medicine on the West Side. He has been practicing for more than 34 years in all.

Taking a keener interest in civic and community affairs than many professional men, Dr. Turner is known and loved by more people on the West Side and Hilltop than most people whose work allows much more time.

Born in Ewington, Gallia County, in 1862, he started out as a school teacher. For 10 winters he taught in the Wilcox School in Gallia County and studied medicine the other half of the year. He received his degree in medicine from Starling College on the site where St. Francis Hospital now stands.

Dr. Turner began his first medical practice in Bidwell, in 1892. Dr. Turner's principal interest, aside from his profession, has been Masonic work. He first became a Mason in the Vinton Lodge, Vinton, Ohio, in 1883. After he came to Columbus he became founder and the first master of the West Gate Lodge. He

Dr. L. B. Turner

belongs to all of the Masonic orders that he can apply for with the exception of the Shrine. The West Gate Lodge has paid fitting tribute to Dr. Turner on several occasions in connection with anniversaries of the lodge and on some of his birthdays.

The advent of World War II found the aged doctor still able and willing to have a part. He was named as a member of Selective Service Board 11, a position he has held for more than six years.

Football Banquet To Be Nov. 13; HBMA To Honor Team

It's the "plus value" that clinches the sale, Fern Sharp, director of women's activities at WBNS, told members of the Hilltop Business Men's Association and their employees in the second of a series of "courtesy clinics" held at the West Broad Street School Monday night.

Miss Sharp reviewed various trends in the buying habits that the sport merchant will be on the lookout for at market conditions change.

"Today the buying public is becoming more and more price conscious," the radio artist pointed out, "but the time is coming when quality will again be the dominating factor in the minds of the buyers."

Representatives of the Ohio Bell Telephone Co. added to the meeting by showing a sound film entitled "Telephone Staff and Members of the Squad Will be Guests of the HBMA for the Evening." Charles Bennett, music instructor and director of the West High Band, will direct the singing with Mrs. Bennett playing the piano accompaniment. The Rev. J. Herbert Goewey, pastor of the Hillcrest Baptist Church, has the invocation.

The speaker of the evening has been heard in Columbus on other occasions and has spoken before an estimated one and one half million persons in 10 states during the past 10 years. At 19 he was the youngest Farn Institute speaker in the United States.

In addition to his heavy speaking schedule he has served as overseer of the Churches of God in Ohio and has been in the ministry 11 years. Last year he gave more commencement addresses

Fund Workers Are Praised

Hilltop and West Side Community Chest workers and officers were receiving the highest praise from the central office this week as it was learned that every major in the two sections had gone over their quotas.

Honor pins will be awarded for the good work done in the two residential areas. Mrs. Charles Davis, colonel over the Valley section, was the first residential section in the city to go "over the top."

Mrs. Ray Cave, colonel of the Hilltop section, said she had been told that each of her majors had exceeded their quotas but had not been told by what amounts.

Both colonels expressed the highest praise for the ladies who helped put the drive over successfully.

RECENT BRIDE AND GROOM

Mr. and Mrs. George A. Blackmore

Before an altar banked with ferns and palms over which candleabra cast a soft glow, Miss Juanita Tannehill, daughter of Mr. and Mrs. G. W. Tannehill, 144 S. Eureka-av., was united in marriage with Mr. George A. Blackmore, son of the late Herbert Blackmore, Saturday, Sept. 28, at 7:30 p. m., at St. Paul's Evangelical Congregational Church. The Rev. R. G. Bealer officiated at the double-ring ceremony and the Rev. George Bernhardt assisted.

Given in marriage by her father, the bride wore a gown of ivory satin with a full skirt, which fell into a circular train. Bands of gathered satin lined both sides of the bodice, and edged the bracelet-length sleeves. Self-covered buttons extended from the high neckline. Her full-length veil of imported illusion was held in place by a small Dutch hat of matching satin. A strand of pearls, her only jewelry, was a gift of the bridegroom. She carried a bouquet of pale pink roses, surrounded by gladiolus, tied with stephanotis.

Miss Charlotte Tannehill, as maid of honor, wore a gown of pale pink satin, with a sweetheart neckline and short and full sleeves. As brides-matron, Mrs. H. Max Good was dressed in a gown of ice-blue satin, similar to that of the maid of honor.

Mr. Blackmore was attended by his brother, Mr. Robert Blackmore, as best man. Ushers were Mr. Dick Harmer and Mr. Charles Williams.

Preceding the ceremony there was a half-hour of music with the bride's sister, Frances Tannehill, accompanying the vocalist, Miss Missa Rickley.

A reception of 85 guests was held at the home of the bride's parents following the wedding. Mrs. Tannehill greeted her guests in a dress of navy-blue crepe

The Ideal Man's Gift

It's always so hard to know what to give a man. The perfect answer is a smart, masculine birthstone or signet ring.

Telephone Co. Plans Open House

LONG DISTANCE TRAINING BOARD

An opportunity will be given to Columbus and Franklin County residents to see "what makes the wheels go round" in the local telephone system, during an "open house" visitation period in the Ohio Bell Telephone Company's Adams Main exchange building at 100 N. Third-st., Wednesday, Thursday and Friday, Nov. 13, 14 and 15, according to an announcement by H. E. Smart, the company's district commercial manager.

Visitors will view many "behind the scenes" operations of telephony during the open house which will start at 2 p. m. Wednesday and continue through Friday evening.

In addition to watching long distance telephone operators at work handling the greatest volume of traffic in the history of the city, visitors will view the local dial apparatus, switching equipment and many other interesting scenes of the telephone business. Displays have been prepared and will be placed at various points throughout the exchange to give visitors a more comprehensive idea of the inner workings of a telephone office.

Ohio Bell employees will serve as guides to conduct visitors through the building and explain all functions and operations of the equipment.

Library Will Have "Book Week"

"Books Are Bridges." Book Week is again at hand! Each year during the second week of November, special emphasis is placed on children's books and on children's reading activities. A nationally sponsored program is planned with a different slogan for each year. This year the slogan is "Books Are Bridges," and local libraries and schools are sponsoring their programs around this slogan.

The Hilltop Branch Library, 21 N. Hague-av., is eager to strengthen the bridges of contact between the children of the community and the library. Special displays interpreting the program are being prepared by the members of the staff. Classes from the various schools are invited to attend the library during Book Week.

Parents are invited to inspect the new children's books which will be on display during the week, and are urged to participate by taking out memberships for themselves in the library, and joining the throng of readers who enjoy the special delights a good book offers.

The Library will be closed Monday, Nov. 11, for Armistice Day, so Book Week activities will be carried into the week following.

The campaign closed with a Victory dinner in the Southern Hotel, October 30, at which the tired but elated volunteer workers celebrated their victory and named Roy B. Weed, 1317 W. Adolphe-ter, campaign chairman for 1947.

Homecoming Festivities Top School Card

Tomorrow is Homecoming Day at West High School.

Principal attraction, of course will be the football game between the Cowboys and Cincinnati Hughes starting at 3 o'clock. But many of the old grads the crowning of the queen and the Alumni Homecoming Dance in the evening will loom as large as the gridiron contest.

Queen for the day is pretty Charlotte Jones, selected by her fellow students several days ago for the honor. Surrounding her will be four of her classmates who will serve as a court of honor. They are Kitty Lou Cline, Phyllis Ward, Ditty Barfield and Beverly Thurell.

A band of 150 musicians, made up of the 70-piece regular band, plus the Junior Highs, will be directed by Charles W. Bennett. The two bands will parade from Broad and Hagar to Magly Field a few minutes before game time.

The band will march out on the field before the start of the game with the familiar "USA," followed by "Hello Cincinnati." At the half-time the regular band will take the field and spell out "CH" in honor of Char Jones, the queen, while the Junior Band forms a heart. Next will come an hour-long formation with the Junior band members marching from the upper to the lower section, representing the sand in the hourglass, while both bands play "Auld Lang Syne." Large block letters "CH" and "W" will conclude the show.

Bill Smith, president of the AA class, will be the Queen's escort, while Marvin Schultz will represent the 12B's; Gene Poole, who represents the Student Council, will escort the court, Student Council Presy, Ralph Watts, said.

Katy Adams, '45 Queen, To Introduce "Char," Court

In America even the royalty is elected. Pictured above are the five girls chosen by the West High student body to reign at the homecoming game Friday. Front row, left to right, are Katy Lou Cline; Charlotte Jones, Queen; Phyllis Ward. Back row, left to right: Ditty Barfield, Beverly Thurell. (Photo by Rembrandt)

The Queen and her court will be introduced at this time. As an added attraction all the available "Queens" from previous West homecomings will be presented.

Otto Magly, first principal, Irvin Young, principal, and George Hardy, alumni president, will be introduced to the stadium audience next.

In the evening the alumni will take over with the big dance in the gymnasium from 9 to 12. Carl Speckman and his orchestra will furnish music for dancing. A special floor show is being arranged which will feature a line of chorus girls dressed in football attire. They will be under the direction of Jack Sherrick, popular West alumnus.

Admission to the dance will be 50c per person. West grads with paid-up membership cards will be admitted to both the game and the dance free of charge. Tables will be arranged outside the playing field where former students can pay up their membership and receive their new cards. George Hardy said this week.

During the intermission of the dance the queen, her court, the coaches and members of this year's team will all be introduced to the crowd.

An effort has been made to invite all former West homecoming queens to the game and the dance. Those present will be introduced to the crowd.

Hardy explained that it was difficult to contact personally all the queens and that if any one has been missed she is invited to contact him or his committee before the game.

Cowboy Chatter

By Joan Gossell
The 12A class has begun making preparations for its first social event, a hard-times dance to be held Dec. 15. The following girls have been picked to serve as chairmen of the following committees: decorating, Cloetta Clark; refreshment, Ann Hoyt; entertainment, Iris Whipple; project, Jeanne Grady.

Note: We wish to correct an error made in this column last week in reference to the speaker for the National Honor Assembly. Due to illness Miles Hoover was unable to speak and so Rev. Stephen Szierko spoke on the subject "I Am Doing a Great Job and I Can't Come Down."

An assembly was held this morning in the form of a pep rally. West had five winners in the art scholarship contest conducted by the Columbus Gallery of Fine Arts, giving West first place among the five city schools participating. Those carrying off honors were Jinx Witherspoon, Betty Lou Neff, Betty Hamilton,

Bill Eddy and Patrick Berry. All received \$25 art scholarships with the exception of Bill Eddy, who receives an alternate scholarship. On the evening of Nov. 22 the 12B class will also hold a senior social event. The name of the senior party is "The Riot." Committee heads for that evening are: refreshment, Marjorie Mitchell; publicity, Frances Gurley; entertainment, Kathryn Bauder; ticket, Bettina Beards; decoration, Ditty Barfield.

West High had its own talent on the Hi-Jinx program last Saturday when Joan Heishman sang a duet with a boy from Central High. The selection was "My Hero." See you all at the Cincinnati Hughes game when Char Jones reigns as queen supreme.

ATTACKED SATURDAY

Miss Freda Millen, 24, of 184 Hawkes-av., told police she was struck on the head with a bottle several times by a man who attempted to assault her Saturday night after offering to escort her home from a N. High-st. tavern. Her assailant also refused to return her billfold containing \$2 before she escaped from his car near High-st and Buttes-av, she said. She was treated at Mt. Carmel Hospital.

Gala Evening of Entertainment Put On With Cooperation of Local Groups

An estimated 2500 persons attended the community Hallowe'en party held at West High School last Wednesday night. The affair was sponsored by the Hilltop Community Council with the cooperation of several other Hilltop organizations.

Charles Reichelderfer, 554 S. Eureka-av., served as chairman of the event. There was fun for young and old alike. The program included free movies in the auditorium, fortune telling booths, fish ponds, costume judging, announcement of the winners of the window decorating, letterbug contests and dancing. Refreshments were served in the cafeteria. Held on "beggars' night" instead of Hallowe'en, the party kept many young people off the streets but in spite of it there was some vandalism in the community. (The Central-West football game played on Thursday night made it necessary to have the party on Wednesday.)

J. F. Nelson, 118 W. Roys-av., reported that boys threw a rock through a front window, smashing the glass and striking a china closet. Damage was estimated at \$65.

Firemen were called to Hague and Broad-st to extinguish a fire started in some corn fodder piled in the street and one or two bus operators had trolley connections broken by pranksters.

Several other reports of lesser damage were received from other sections of the Hilltop.

Good Order
At West High School everything was in good order. Principal Irvin F. Young reported the next day that the only damage to the building was some shoe marks on the gym floor which was just newly finished for this winter's basketball season. While this damage was in no way malicious, the marks made by youngsters with street shoes did leave the floor in an unsightly condition.

West Unit, Blue Star Mothers, made quite an impression on the youngsters with their fortune telling booth. Mrs. W. W. Ogden, 207 S. Burgess-av., in charge, was assisted by Mrs. Shirley Van Gaste, Mrs. Thomas Sheehy, Mrs. Earle Johnson, Mrs. W. Roy Ogden and Mrs. C. A. Thornton.

The cafeteria, where all sorts of refreshments were served, was under the supervision of Mrs. Ray Cave, 2936 Olive-st. Her assistants, members of the West High P. T. A. and the Glenwood Blue Star Mothers organizations, were as follows:

Mrs. H. I. Spencer, 63 N. Burgess-av.; Mrs. R. G. Hantz, 44 Binns-blvd.; Mrs. J. F. Shafer, 687 Willshire; Mrs. D. L. McCurdy, 273 S. Powell-av.; Mrs. V. C. Flacus, 616 S. Terrace-av.; Mrs. J. R. Kippart, 2945 Sullivan-av.; Mrs. Charles Weidner, 58 S. Harris-av.; Mrs. C. C. Saylor, 1963 Floral-av.; Mrs. Charles Grady, Salisbury-rd.; Mrs. O. B. Walker, 331 S. Roys-av.; Mrs. D. E. James, 101 S. Harris-av.; Mrs. H. B. Young, 94 S. Harris-av.; Mrs. Clarence Ely, Harrisburg-pk.

P. T. A. Had Fish Pond
Three P. T. A. groups, under the leadership of Mrs. Edward F. Thompson, 220 N. Oakley-av., kept the youngsters busy all evening throwing a line into their fish pond. Those assisting: West Broad P. T. A.—Mrs. R. E. Lewis, 3028 Fremont; Mrs. Earl Abram, 100 N. Huron-av.; Mrs. Fred Gurley, 40 S. Ogden-av.; Mrs. R. V. McKinney, 414 Powhatan-av.; Mrs. C. S. Durn, 143 Algonquin-av.; Mrs. J. F. Thoeke, 197 Binns-blvd.; Mrs. Lyle Addie, 338 N. Ogden-av.; Mrs. Herbert Williams, 133 Quarry-av.; Mrs. W. W. Kisdall, 178 S. Roys-av.; Mrs. H. C. Trimmer, 95 N. Westmoor-av.; John Burroughs P. T. A.—Mrs. Howard Thompson, 874 S. Harris-av.; Mrs. Harvey Fenstermaker,

631 S. Harris-av.; Mrs. Verglen Harger, 228 1/2 S. Harris-av.; Mrs. Walter Gilbert, 373 S. Terrace-av.; Mrs. Wendell Bower, 323 S. Ogden-av.; Mrs. Earl Fenner, 762 S. Richardson-av.; Mrs. Richard Lloyd, 155 S. Terrace-av.; Mrs. Florence Conover, 157 S. Terrace-av.; Mrs. Edward Bradfute, 333 S. Ogden-av.; Highland Avenue P. T. A.—Mrs. P. E. Leach, 72 N. Eureka-av.; Mrs. Milton Banning, 23 S. Oakley-av.; Mrs. Roy Hastilow, 197 Midland-av.; Mrs. Trafford Ream, 208 Whitethorne-av.; Mrs. J. D. Fledderjohann, 194 Midland-av.; Mrs. Walter Dean, 52 S. Wheatland-av.; Mrs. George Skipper, 40 N. Eureka-av.; Mrs. Harry Cooper, 112 N. Oakley-av.; Mrs. Wilber Stanfield, 78 N. Oakley-av.; Mrs. Robert McKinley, 263 N. Oakley-av.

The halls, rooms and auditorium were well posted with signs telling when and where the many events were taking place, having been made by members of the Teen-Canteen, under the direction of Melvin Griggs.

John Apel and Russell Fletcher spent the evening selling the refreshment tickets. The following members of the West High Boosters Club helped with the party: Dutch Barber, Robert Case, Fred Bell, Gail Buckingham, John Kuhn, Richard Gowdy, David Randall, Robert Wilson and Roger Essex.

Movies Started At 7:30
The program in the auditorium started promptly at 7:30 with a half hour movie under the supervision of E. B. Graham, principal of John Burroughs School.

Don Doone, a well-known magician, amused the crowd with his many feats of magic. H. G. Doone and Edgar Plank of the Hilltop Kiwanis Club awarded the many prizes for the best decorated windows in the community as announced in last week's Hilltop Record. The judges in the contest, who stated they had a hectic time picking winners from among the many paintings, were members of the North-West Kiwanis Club.

The program ended with a repeat performance by Mr. Doone and another showing of the movies. The stage crew of West High School, under the supervision of Mrs. Hall, did a good job of keeping things moving according to schedule.

A committee representing the Hilltop Business Men's Association conducted the grand march of masqueraders and awarded many prizes.

Phyllis Ward was selected queen of the evening and was awarded a beautiful bouquet of flowers. Leo Phillips acted as master of ceremonies.

News of Rome

By Mrs. E. C. Sheets

Mrs. Andrews (Betty Snyder) of Indianapolis is here visiting her mother, Mrs. William Snyder, trying to gain back her health, which has not been so good since the arrival of her last daughter. She has her three little daughters, Mona Jane and Donna Jean, the twins, and the baby, Mita Lou.

Square dancing and a jolly time in general were enjoyed by about 15 couples, the Monitors of Columbia Heights Sunday School, in the Harold Rings display, room

which will soon be their floral shop. It was the "defeat" supper put on by the husbands. Bob Denman and Bob Miller brought in a juke box to furnish the music and to give the evening affair a special touch, each wife was given a corsage.

Betty Stormont, daughter of Mr. and Mrs. Joe Stormont, Pasadena, was taken to the hospital Sunday night with a case of virus pneumonia. She had been ill for several days and her temperature was too high too long.

Mr. and Mrs. Junior Cox, formerly of Rome, now located in Prospect, were home to spend Sunday with his mother, Mrs.

Hugh Cox. They had their baby daughter, Judy Ann, who arrived in August. Junior was discharged from the hospital July 27 and is now connected with the Telephone Co., working out of Marion.

Mrs. James Whalen and children have been sick with flu and just when they were getting up and around, her mother, Mrs. Ella McKendree, became sick and had to have penicillin to ward off pneumonia.

A double shower was given at the home of Mrs. W. G. Lamb on Tuesday last Tuesday night. The Ladies' Class and the Young Married Class of Columbia

Heights Church were entertained by Mrs. Robert Miller, Mrs. Don Baileman and Mrs. W. G. Lamb. There were about 25 present and many useful gifts were received by Mrs. E. C. Sheets, Jr., and Mrs. Jack Elliott, for whom the shower was given.

A masked Halloween party was held at the home of Mrs. Russel Brooks, Maple-dr., last Thursday night. It was the regular meeting of the Ladies' Class and some very good and decorative costumes were on hand. The party was crashed by the arrival of a very good "Satan" who came in, pitchfork and all, saying he was looking for a party from

Buena Vista. After giving every one a good look he started away, only to come back and tell us to watch how we lived or he would come back and get every one of us.

Perhaps the business men of the Hilltop would be pleased to know that there has been much conversation among us "Romans" regarding the very pretty pictures on their windows. We think it is a splendid gesture; it is instructive for the artists and entertaining for those who look.

Mr. and Mrs. R. G. Barnecut of Oakland, who lived last winter at the Patterson residence, while they were in Florida, were

on their way out in Rome last Saturday night and a driver at the intersection of Naughton-st and King crashed a red light, owing to the fact that he had no brakes, and caused an accident to the extent that Mrs. Barnecut was taken to White Cross Hospital for a broken nose and a bad cut above her eye. She was released after it was thought that she could make the trip out to Rome. She is able to get around but is quite bruised from the jolt.

West Ends League Play With Loss To Central; Meet Cincinnati Hughes Friday

Fumbles, Pass Interceptions Costly As Pirates Win On Halloween Night

The West High Cowboys wound up their 1946 City League play by losing to the Central Pirates under the lights in a Halloween night engagement by a score of 12 to 6.

It was the third league defeat for Coach Mack Pemberton as against two victories and one tie game for the season. The loss left the Cowboys in fourth place. Most of the other teams will not finish their league play until next week.

The Cowboys will wind up the 1946 season tomorrow when they play host to Cincinnati Hughes in the annual Homecoming game. The game is scheduled to get under way at 3 o'clock on the Magy Field gridiron.

A combination of too much Buddy Jackson in the fourth quarter plus a bad case of fumbleitis cost West the game Thursday night. In many respects the Cowboys looked better than in any game this season but inability to hold onto the ball and pass interceptions broke up two good scoring threats.

The first Central score came early in the game when Naumoff's fumble was recovered by Hall on the West 25 yard line. Kaiser and Roberts took turns at hitting the Cowboy line and Kaiser carried the ball over the goal line six plays later. A West offense penalty helped the Pirate cause when it gave them a first down on the West 10. Central failed in the try for point.

Cowboys Come Back
The Cowboys came back in the second quarter to tie up the count after Thrush dropped

back to the West 25 and threw a long forward pass that was taken by Borror down on the Central 4. The pass was good for a 62 yard gain. Masdea took the ball to the 1 on the next play and Hicks scored the West touchdown. Thrush's kick was no good and the score was tied up at 6-6.

Buddy Jackson got into the game just in time to carry the ball on the last play of the third

quarter, which saw an exchange of fumbles and pass interceptions. Early in the fourth period Ehlers intercepted a Central pass and ran to the Pirates' 23 but two plays later Earhart intercepted a West pass and ran all the way to the 50. This was the cue for Jackson to go into action. On the next play he ran to the West 31.

A Central fumble was recovered without loss by one of their own players. Kaiser went to the 35 and Jackson made it first and 10 on the West 11. Three plays later Kaiser scored again from the 2-yard line. Jackson's kick was blocked and the score stood 12-6.

Fumble Costly

The Cowboys came back with a bang, however, as they took the kickoff on their own 40. A Slager pass was good to the Central 34. Slager took the ball to the 30 and was hurt on the play. At that point Biggers entered the game and on the first play broke through to the 18. Again it was Biggers plunging through to the 9. Masdea added four yards but on the next play Biggers fumbled the ball as he was hitting the line and the West threat was broken up on the Central 4.

There was time for only one more play as Jackson made it first down on the Central 15.

Jim Slager was finding his mark more consistently and connected for passes which gained good yardage for West.

The West team was late in cutting in their appearance, arriving only minutes before the game was scheduled to start. It seems the bus company had the Cowboys scheduled for a Friday night ride instead of Thursday but since they were already dressed before leaving the Hilltop, only a few minutes were lost in getting the game under way.

The West High band, undaunted by the light rain which kept falling throughout most of the evening, put on their usual good exhibition before game time and at the half.

Basketball Headed For Biggest Year

Basketball seems headed for its biggest season in the history of the City Recreation Department. That forecast is based on the fact that 22 representatives of Class A teams showed up for the initial meeting called last week by Walter Gerber.

Another meeting was scheduled to be held at the recreation office last night. Church league managers will be called in about the middle of the month. Gerber said. The newly formed Lutheran group will likely have more than 40 teams in action in various parts of the city. One league will likely

Bob Cawley Has Own Orchestra

Bob Cawley, his piano and his orchestra played their second local engagement last week-end when they provided the music for the annual E. U. G. Sorority Dance at University High School.

Cawley, a pianist with an original style, appeared with Frankie Masters, Barney Rapp, and other outstanding musical organizations before the army drafted him. Since his discharge he has played with several bands and has done radio work. Now he has his own orchestra.

The band has several soloists, Russ Hill, playing the trumpet along "Dizzy" Gillespie lines; Charles Clunk, featured on the tenor sax, and George Cawley, who writes most of the band's arrangements and sings the romantic ballads. The rhythm section boasts a competent drummer, Billy Graham, and a guitarist, "Spook" Karns.

Bell Operates Sign Service

James W. Bell, with 15 years experience in sign business, now operates the Bell Sign Co., 994 S. Wall-st. He has a staff of sign writers, affiliated with the Sign Writers' Union No. 395, and offers a complete service on commercial and neon signs of all kinds.

Large neon signs will be painted without removing them from their mountings, thus saving a considerable amount of time and money to the owner.

During the war Bell served overseas with the 1965th Engineers in charge of construction. He had a T/4 rating.

Bob is the son of Mrs. Robert M. Cawley, 514 N. Hague-av. He is a graduate of University School and will enter Capital University as a freshman in journalism in January.

Starling Jr. High

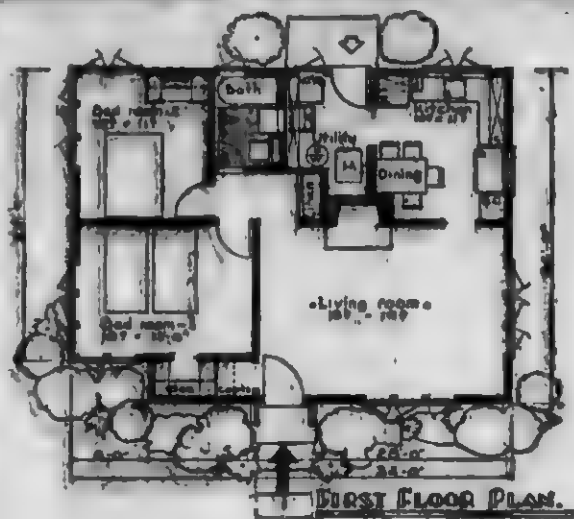

Training Hi Y in Sports

The Hi Y boys of Starling have a good standing in sports. In 1944 they were softball champions of the city of Columbus. This year they will be back tossing everything they have for the cup. In the year 1944 Bill Mickel slammed out a 732 average and led the league in hitting. In the year 1945 Howard Johnson hit to an average of 500, the highest in the league. Bob Good, hurling for the 1944 champions, was back in 1945 and led the boys to the finals but lost two hits to the Hi Y boys from McKinley.

Exclusive Design of Monthly Rental House Club, Inc.

Providing the utmost in functional convenience and comfort, this modern home from the post-war series of All American Homes has a flag-stone patio and is entered via the living room; cases and plywood partitions form a semi-foyer between front door and dining space. Horizontal sliding window frames provide scenic beauty and the Ulster should face north to benefit by solar heating. Two bedrooms have cross ventilation; kitchen is U-shaped. This home is designed to conform with standards of F.H.C. Its electrical layout is approved by the National Adequate Wiring Bureau.

In basketball the boys of 1944 fought for the crown but failed by coming in third. In 1945 they started the season with a good record, four wins and no losses, but went up against Franklin and lost a tough one. This made the fifth win for Franklin, with none lost, the winners of the first round. In the second round Starling came in tied for second place.

The coach who led these Starling boys was Mr. Raymond R. Peck. He will not coach this year but the boys will remember the good sportsmanship and pride he aroused in the boys of Starling.

Starling Contributes To The Community Chest

The faculty of Starling Junior sure that all of us are proud!

"Who's the absent minded one, now?" asked the professor, as they left the church one rainy night.

"You left your umbrella back there, and I not only remembered mine but I brought yours, too." And he produced them from his coat.

But his wife gazed blankly at him.

"But, said she, 'neither of us brought one to church.'"

High School has made a liberal contribution to the Community Chest. Our principal, Mr. E. W. Huber, said, "I am very proud that our school has given so large an amount of money and I am proud that all of us are proud!"

Plan Banquet For Scout Workers

The plans are being made for the annual dinner and election of the Southwest District of Boy Scouts. Ken Dickerson, 3121 W. Broad-st, district chairman, has named the following committee: Herman Eisele, 156 S. Algonquin-av; Charles Reichelderfer, 554 S. Eureka-av; Sam Alford, 238 N. Terrace-av; Ray Eyerman, 2970 Parkside-dr; Jack Merriman, 2529 Sutton-av; and Ted Webb, 28 N. Oakley-av. The committee met last Monday evening. Full particulars will be announced soon.

Santa Claus To Have Bigger Pack

Santa Claus is going to carry a bigger pack of toys for distribution to the nation's children this Christmas — his heaviest load since 1941—say toy manufacturers.

And many of the toys that were not available during wartime and last Christmas, such as electric trains, skates, construction sets, bicycles and metal wagons will be in his sack. But toy makers at the mercantile mart said, these articles which vanished during war-time will be back in limited quantities.

Some changes in types of toys were noted by manufacturers. Cannons, guns and tanks, popular during the war period, are disappearing from the market. Jeep models are holding their own. And the war has left toy makers with various "electronic" devices.

Here are some of the newest toys:

A model train with automatic whistle, electronic action, and odorless smoke that comes from the engine's stack in realistic puffs.

An all-steel 2-in-1 "scoot-bar" which combines the features of a wagon and a shooter.

A pocket-size miniature camera with universal focus, view finder and ground glass lens.

One mail order house is offering an electric kitchen range that cooks and bakes at \$5.00.

Hobo—Madam, I once had a wife and family of my own—but I couldn't be contented. I growled, I growled and grumbled at everything and finally left home.

Housewife—Well, here's a chicken sandwich for you. Mighty few husbands are as considerate as that.

Traffic Toll High In 50-60 Bracket

If you are a man between 50 and 60 years of age you are—as far as traffic deaths are concerned—in the "danger" period.

Statistics compiled by the Traffic Safety Committee of Franklin County showed that of the first 75 persons killed in county traffic accidents this year, 13 were in the 50-to-60 age group. Fifty-two of the victims were males.

The next most dangerous age category was 30 to 40. Twelve persons in that group died of injuries sustained in traffic mishaps on Franklin County streets, roads and highways from January to mid-October, 1946.

Breakdowns by age groups were as follows:

Age Group	Deaths
10 or Under	10
10 to 20	10
20 to 30	9
30 to 40	12
40 to 50	8
50 to 60	13
60 to 70	8
70 to 80	4
80 to 90	1

Back To Soil Move Is Seen

With returned veterans leading the way, the wartime farm to city trend is gradually shifting into reverse and people in general are beginning to go back to the farm, according to the Bureau of Agricultural Economics.

Paralleling this news, Dr. Charles A. Dambach, Ohio State University professor in charge of conservation curricula in a report to Conservation Commissioner H. A. Ridd today said that never in the history of the College of Agriculture has there been such a growing demand for knowledge about conservation and natural resources, in some cases for use in connection with other work and in a surprising number of instances, as careers.

"The general trend," Dr. Dambach said, "was first noticed last year when one out of every five letters reaching the College of Agriculture requested information about a conservation course. Last spring a conservation course was offered by the university for the first time and 58 students were enrolled. Enrollment is now about two-thirds complete for this year and already indications point toward an even greater interest in natural resources and their conservation and restoration."

The study of wildlife conservation seems to hold the greatest interest, because it provides information about the conservation of all natural resources since wildlife is considered a by-product of the soil, water, forests and minerals.

Dr. Dambach believes that the two things responsible for the interest, first, the general concern for conservation on the part of the public, and second, the desire of many returned veterans to turn to outdoor jobs instead of office or factory work after their military experiences in many cases created a greater appreciation and love for the outdoors.

"Interest in conservation study is not alone confined to men," says Dr. Dambach, "women too are seriously considering the possibilities and advantages offered in conservation work. Two classes at the university are now majoring in conservation."

Information On Ohio Is Available

Descriptive material on Ohio agriculture, industry, government, history and recreation is available to school children and teachers through the Ohio Development and Publicity Commission, according to Dunn O. Taber, executive secretary.

These booklets, written in a fashion readily understandable to children and illustrated throughout, are being mailed out in increasing numbers in answer to inquiries. Of particular value in a school curriculum are the publications, "Official Ohio," carrying an outline of Ohio history and pictures of the state symbols, "Facts About Ohio," presenting interesting and valuable general information about Ohio's industrial and agricultural wealth, and "Enjoy Yourself in Ohio," illustrated with pictures of Ohio's scenic and historic points of interest.

For more advanced students the Commission has available a 16-page publication devoted entirely to Ohio's industry and will have within the next few months a similar piece on agriculture.

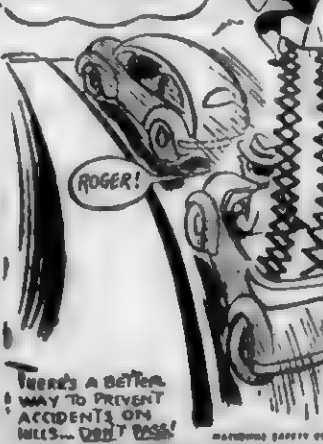

These publications will be sent in answer to individual requests or to teachers wishing copies of them for classroom use. All inquiries should be addressed to the Ohio Development and Publicity Commission, 38 N. Third St., Columbus 15, Ohio.

Scrap Iron Now Badly Needed

Farmers are urged to search their farms immediately for scrap metal during the present steel scrap drive, aimed to bring the country's steel furnaces up to capacity operation, Ralph J. Ascher, Chairman of the Franklin County Agricultural Conservation Administration stated today. Much steel is required to make tractors, combines, cultivators, plows and other farm machinery. But production of these and all other metal products of industry has been slowed by the serious lack of scrap iron and steel. Every ingot of steel is half scrap. Thus, scrap metal is the basic raw material of steel. Steel production may drop as much as 30 per cent unless more scrap metal becomes available.

The steel industry desires "heavy molting scrap"—castings and heavy pieces found on farms. However, farmers should consider scrapping only metal that has no further use on the farm.

Containers Will Help Speed Up Rubbish Collection, McCauley Says

The advent of winter and its piles of coal ashes this week prompted L. S. McCauley, superintendent of the city rubbish collection division, to issue an appeal to residents to put ashes and other rubbish in containers so his division can "keep up our fast collection."

McCauley said the city rubbish trucks are collecting about 1000 yards of rubbish daily and in some areas is completing a fifth cleanup this year.

He said that as result of the recent cool spells, there are "too many" persons not putting ashes in containers. He added:

"This slows up our collection. If they keep them in containers they will insure themselves of a continuation of fast collection."

He said a fifth collection this year has been completed from Hudson-st south of Eleventh-av. between the Big Four Railroad and the east city limits; a fifth

collection is going on in the Clintonville, west side to Central-av. between Broad and Main-sts. from Scioto River east, Milo, East Columbus, Eastmoor, Shepard and Linden districts, and fourth collection on the Hilltop, the district south of Ohio State University to Goodale-st. and on the south side.

He said he expects to start a fifth collection on the south side in about 10 days. A total of 31 trucks are being used daily in the collections.

A wedding announcement interested us, appearing in a middle western newspaper recently:

"The bride, gorgeous in a traveling suit of mixed wool and silk, with a very swaggy beret, was accompanied by her father as she advanced to the altar. The bridegroom, looking very natty in a blue serge suit and a polka dot tie, looked alert, albeit a bit pale."

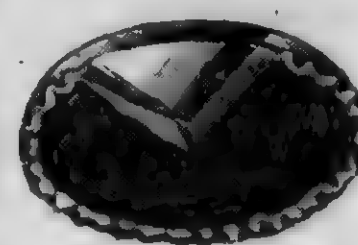

Rev. R. Bealer Leaves City For New Post

Rev. R. G. Bealer, pastor of the St. Paul Evangelical Congregational Church for the past two years, left Columbus last Thursday to take up his new assignment in Huntington, Indiana. His family will remain here until Thanksgiving week when their house is ready for occupancy. Rev. Bealer has joined the faculty of Huntington Theological Seminary and College, a United

Brethren school. He will teach Greek and Hebrew at the college and serve as pastor of Union Church in that city. A few days ago the members and friends of St. Paul Church held a farewell party for the pastor and his family. New pastor of the local church is Dr. Harold Rarick, who had charge of services Sunday for the first time. He comes to the Hilltop from the Maude Morgan Memorial Southern Methodist Church at Tuscaloosa, Ala.

FBI Chief Warns Parents of Results of Negligence

By J. Edgar Hoover, Director of the Federal Bureau of Investigation

The nation-wide observance of Religious Education Week will, I hope, leave a deep impression upon the hearts and minds of all Americans. The lack of purposeful religion hinders democratic growth and eliminates moral conviction in the attitudes and actions of people.

In turning back the pages of our country's history, we easily recognize the caliber of the men and women who founded this nation. Seeking to escape from oppression and persecution, our forefathers brought to these shores a moral solidarity which helped to firmly launch a new nation. During the intervening years, the complexities of life have increased, causing society to be faced with manifold problems. Time-honored customs and institutions are becoming sadly neglected. The home of yesterday has undergone new changes and in many instances, the family unit has been shattered by individual selfishness.

Parenthood has become more difficult, and the question of child

training has become more complex. Many parents have failed to meet the task of guiding their children properly through an era of behaviorism that is vastly different from a century ago. This failure, whether it is due to unwise methods of teaching, ignorance, indifference, or lethargy, has caused a multiplication of antisocial acts on the part of youngsters which should be of grave concern to society. We cannot hope to maintain our ship of state on an even keel if it is to be lashed and buffeted by the angry waves of crime.

Crime has existed and will continue to exist as long as mankind is influenced and overshadowed by evil desires. Its steady increase becomes a pernicious problem. If we are to remain indifferent to such a problem, we fail miserably in our duty as citizens. Indifference to crime contributes to the growth of crime. Such inertia is a gamble and places America's future on the shaky pedestal of chance.

Sharp Rise in Crime Since End of War

In 1945, as our country was binding up its wounds following a global war, the crime register showed a high level. A total of 1,365,541 major crimes were com-

mitted last year, representing an increase of 12.4 per cent over 1944. Sharp rises were noted in many crimes of a serious nature, such as murder, robbery, negligent manslaughter, burglary, and auto theft. Forty-nine per cent of the burglars, 61 per cent of the car thieves, 30 per cent of the rapists, 35 per cent of the robbers, and more than 33 per cent of the thieves were youngsters under voting age.

The figures speak for themselves. Teen-agers had the misfortune of growing up in a world untroubled by war. Our society suffered from maladjustments which vitally affected the progress of youngsters and often led them on the road to crime. On the other hand, the seeds of youthful crime have been sown in broken homes. The present mounting crime rate back to parents who threw over their shoulders the responsibility in favor of their own selfish ends. Case histories concerning youths in crime usually tell the story of broken homes, neglectful parents, immorality, and many other parental delinquencies.

Parental Guidance Lacking

Children, who need love and guidance to prepare their minds and bodies for the serious business of adulthood, are often left to shift for themselves. I recall the case of Robert, age sixteen. On one occasion, he entered a small liquor store and ordered a pint of whiskey. Upon being required to show his Selective Service card, the youth pulled out a .32 caliber revolver and told the proprietor to place the contents of the cash register in a paper bag. Robert got away with \$85.

An hour later, he entered a tailor shop, intending to rob it. The proprietor frightened him away, but not before Robert fired a shot at the ceiling. Early the next day, Robert attempted, while masked, a holdup at a bar. A customer threw his empty beer glass at Robert and missed, whereupon the boy fired a shot at the customer. He missed and the bullet entered the ceiling. A few months later Robert was sentenced to serve a total of 20 to 40 years in prison. He had been charged with robbery, grand larceny, assault, and carrying a firearm.

The boy's mother had been dead for about three years prior to his criminal activities. His father, a weak, ineffective individual, was away from home on business most of the time. He was extremely indulgent with the boy and, as a result, he never won his respect. The father supplied Robert with daily spending money, often as much as \$15 in one day. While the father was away, the older sister, who cared for the house, was unable to control Robert. The youngster was obstinate, independent, disagreeable, and rebelled against the ordinary standards of society. He became addicted to motion pictures, emerging as a miniature gangster attempting to imitate the so-called criminal heroes in the movies.

Indictment Against Society

The primary responsibility for youthful offenders must certainly rest somewhere. At an age when understanding guidance is needed, youngsters more often than not are deprived of worthwhile counsel and are left to their own resources.

We cannot pass lightly over the thousands of cases which constantly come to our attention in which young people have made disastrous mistakes which bring destruction to their lives and to the hopes of their parents. The arrests of youngsters do not constitute a pleasant picture. It falls far short of the ideal of American citizenship. It is an indictment against constituted society and against the indulgence and apathy of the public that a nation such as America bows under the disgrace of a set of circumstances in which children under voting age lead a criminal parade.

Such a breakdown in our youth represents a danger to our democratic institutions and reflects a lack of respect for the processes of law and order. There is a need for inspirational education of youth—education that will teach children the necessity and the value of good citizenship as well as the utter futility of crime.

In most instances, juvenile offenders result when adults have fallen down on their responsibilities as educators. Oftentimes, youths have been lured into crime because adults have failed to provide proper outlets and up-bringing. Too many cases of young offenders reflect laxity in early discipline, indifference on the part of parents, and neglect by the community.

Prime Responsibility Lies With Parents

Parents, who are the stewards of the home, have the prime responsibility to teach their children. In the home, a child is taught to walk, to eat, to talk, and he must be taught to obey the laws of civilization. Without such obedience there will be chaos. Without a deep sense of respect for the law and order of the home there can be no respect for the law and order of the community.

It is increasingly evident that a lack of moral responsibility is a serious causative factor in crime. Proper religious influences can assist greatly in combating juvenile crimes. Lack of moral re-

PEDESTRIAN STRUCK

Miss Louise Scofield, 44, of 41 S. Oakley-av. was struck by an automobile driven by Benjamin Roads, Powell, as she was crossing High-st at Spring-st Friday afternoon, police said.

She was taken to St. Francis Hospital and released after treatment for a nose laceration and a bruised right knee.

sponsibility in a child means, in most instances, that parents are indifferent to God and the necessity of religion. If parents want their children to obey the spirit and the letter of the law, and in all ways cooperate in maintaining law and order and to advance the common welfare, they must begin early with religious training in the home circle. Parents can make the most of their opportunities for the moral and religious development of their children by both formal and informal training.

Because a child has a highly developed power of imitation, the example of the parents is far-reaching. Parents must not preach religion and not practice it. In your desire to round out the social and religious training

of your child, by regular church attendance, you cannot hope for success if you fail to accompany your son or daughter to religious exercises.

We need action which will eliminate unsocial tendencies and substitute qualities that form the basis of virtue, fortitude, and self-denial, and action which will lead our youth into the spiritual environment of our churches, where they will receive the life-saving lessons of Christian fortitude.

The Bible and The Flag

The flag is the symbol of our Nation, and the Bible is the source of its strength.

The Stars and Stripes float from the mastheads of our ships, and from the flagpoles of our embassies and consulates in every land, as the emblem of a free country and a free people.

But the flag is inseparable from the Bible in our national life and history. Our American national character has been built upon the precepts and principles of the Holy Scriptures.

That is why Old Glory is a glad sight in any port; and why wrecked and ruined nations today are looking to Bible-trained America for material salvation and for moral and spiritual leadership in the quest for world peace and brotherhood.

These are the goals of the Church, gleaned from the teaching of the Bible: that men may dwell together in peace, righteousness and prosperity, and that faith and goodwill may abound among the nations.

That is the kind of America we want the Stars and Stripes to represent—on the high seas and everywhere—one of whom it may truly be said: "Blessed is the nation whose God is the Lord."

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four round reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

Charity News Paper Sale On Dec. 14

Come the 14th day of December and the Charity News will again take to the streets to sell their annual charity newspaper, 100% for the unfortunate kids of Franklin County.

Last year, as in years previous to leaving for the Navy, I had a very fine response from Hilltoppers who were willing to give to the Newsies.

This year I hope to be able to set a new record in my part of the sale and will appreciate any advance contributions from residents of the Hilltop or West Side.

If you would like to give to the Newsies just send your check or cash along to The Hilltop Record office, or call me and I'll be glad to pick up your contribution at your convenience. Thanks.

Noise and Nubbins: Fred Heischman, assistant West High coach, is a new daddy with the addition of a daughter last Friday. D. B. Carpenter was on a business trip to Alabama this week. I never knew till now that Scott Boyd was a West Sider but guess this accounts for him being a likeable sort of a guy.

William Walker, 216 N. Oakley-av., asked police this week to help him locate a package of stolen love letters.

Arthur Yoder out soliciting ads for the Linden Boosters program, and a good booster he is. Dr. C. O. Cramer planning to see the Illinois game this week.

The Earliest Browns and the Moose Williams have received their rhubarb and asparagus to set out on their N. Hague-av. estates.

Seems to be an unusual infiltration of police in the beer joints these days. Could it be the cold weather or are they really needed to solve the reported inside tobs?

Superette Market To Open Today

Another new business will be born on the Hilltop tomorrow when a grand opening of the Westgate Superette Market, 3253 W. Broad-st., corner of Sylvan-av., will be held.

The new self-serve grocery and meat market will be operated by B. A. Crego of 915 S. Hague-av. Associated with him will be his wife, Mrs. Eleanor Crego and R. C. (Jerry) Dorr of 199 N. Powell-av., who will manage the meat department.

Recently built for Charles R. Stump by the McLess Construction Co., 2263 W. Broad-st., the building is of brick and glass block construction.

Crego was formerly associated with the late R. G. Hauntz at Powell-av. and Broad-st. and later operated the A. & O. Super Market, 118 W. Mount-st. He is a member of the board of directors of the Retail Grocers Association.

Dorr was formerly with the Hauntz Market and other Hilltop markets for the past 18 years and has wide experience in the meat business.

According to Crego, the new market will specialize in self-service and will handle a full line of quality groceries, meats, poultry, frozen foods, ice cream and dairy products as well as a beverage carry-out service.

Further details will be found in a full-page ad (Page 8B) in this issue of the Record.

Toyland To Open At Key's Today

Opening of Toyland in the basement of Key's 8c-10c Store, 2388 W. Broad-st., is scheduled for today, according to announcement on Page 8A of today's Hilltop Record.

The new basement store has been well stocked with an array of all kinds of toys for all children. Key's are presenting numerous low priced items that have not been available for many years.

Allen Buys Dress Parade

Noble Allen and Dress Parade

Stabling show horses is rapidly becoming a favorite hobby with many Hilltoppers.

Out at Allen's Acres, on Valleyview-dr., Dress Parade, a 7-year-old Tennessee walking stallion, has just been purchased by Noble L. Allen, 2456 W. Broad-st.

This brings to four his stable of fine show horses which he plans to enter in various horse shows throughout the tri-state area of Ohio, Indiana and Kentucky.

Several other Hilltoppers are also getting interested in show horses, Allen states. He estimates that no less than 30 show horses, owned by local people, are stabled at other stables in the area.

Show horses have always been a hobby with the Hilltop mortician. He has owned no less than 10 horses at various times and he has been showing them since he was 17 years when he became the owner of Lady Guinevere, his first horse.

Other horses recently purchased are Texas Lady, a western horse, bought Sept. 1; Blenden Barrymore, a three-gaited horse acquired in July; and Dubarry Sweetheart, another Tennessee walking horse, bought in August and owned by Mrs. Allen.

Dress Parade is a glistering copper chestnut with white markings. He comes from a famous strain of Tennessee walking horses, having been sired by

Allen has not shown any of his present horses but he has his own training track and show ring at Allen's Acres where he is training them for the next show season. About one year of "schooling" is required before they are ready for the show ring.

Jesse Abram is the trainer and he is kept busy exercising and training the four horses. About two hours of exercise is given each day to each horse.

Allen plans to attend the Tennessee walking sale where he plans to buy a couple of yearling mares and possibly a brood mare. He is a member of the Tennessee Walkers Association.

Interest in horse shows and especially western horse shows is growing each year. Three western shows were held at the fair grounds last summer and practically every large county fair now has a show for at least one night. London, Plain City, Lancaster, Hilliard, Mt. Gilead, and Washington C. M. are only a few of the towns where horse shows have become an annual affair.

Stakes in these shows may run as high as \$1000 in some of the larger ones. Stakes of \$500 are not uncommon.

Hilltop Women In Business—No. 6

Josephine Sheskey Has Combined Politics With Career In Business

Josephine Sheskey, secretary and treasurer of the Key's 8c and 10c Stores, was disappointed when she was selected to be the valedictorian for her high school graduating class at Buchtel High down in Athens County. She wanted to be the class historian.

Today she can better appreciate the fact that her scholastic standing was more worthwhile when she entered the business world.

Miss Sheskey joined her three brothers and one sister in the retail merchandise business in June of last year and now serves as office manager in addition to her duties as secretary-treasurer of the company. The family operates stores at 1268 W. Broad-st. and recently opened a new store at 2388 W. Broad-st.

Prior to her present work she was secretary to Dale Stump, Columbus attorney, for 15 years. In that work she came in contact with political leaders from all over the state. Due to the fact that Mr. Stump was active in Republican circles she naturally adopted the Republican party as her political preference much to the consternation of the other members of the family, all Democrats.

During her association with Mr. Stump, Miss Sheskey worked at

Miss Sheskey

Republican state headquarters through two presidential elections.

Music is the only outside interest she finds time to pursue. She is a member of the Columbus

Jerry Walsh Fights Physical Disability

The spirit of determination and competition that made him an outstanding athlete at Aquinas High a few years ago is standing Jerry Walsh in good stead today in his struggle to overcome a physical handicap brought on by arthritis.

Jerry graduated from Aquinas in '40 after having starred in football, basketball and baseball. In his senior year he received the Agonis Award for outstanding athletic and scholastic ability.

In the winter of 1940-41 he was working as a supervisor at the West Market Hall when his knees went bad. At first he thought it was just a trick knee that would respond to ordinary rest and care but later diagnosis showed that arthritis had caused the sockets in the hips to freeze into position, making it impossible to bend in the ordinary way.

Since that time Jerry has spent thousands of dollars on doctor and hospital bills in an effort to regain the normal use of his limbs but thus far the treatments have been only partially successful. Some of the best medical men in the country, including doctors at Mayo Clinic, are working on his case but the outcome of the battle with physical disability is not yet clear.

Started Greeting Cards Business Four years ago Jerry started a greeting card business in an effort to help pay off doctor and hospital bills that kept piling up. His friends kept buying the cards and telling their friends about them.

Today, so less than 11 stores in Columbus sell cards for him and several other merchants have offered to do likewise.

Jerry Walsh

This year he is looking forward to the largest Christmas greeting card business thus far. The students out at Aquinas will be taking orders for him in addition to the following Hilltop and West Side stores:

Ray's Market, 220 Lechner-av. Midland Market, 2164 Ong-st. "Chubby" Distichorst Market, Broad-st. at Eureka-av. Gaffney Beauty Shop, 2856 W. Broad-st. Rader's Food Market, 884 W. Broad-st.

Despite the uncertainty of success in future operations to unlock the hip joints, Jerry Walsh has not given an inch in his struggle to regain normal use of his limbs. He talks about his condition in a philosophical vein without the slightest indication of remorse or self pity.

The old saying "you can't beat a fellow who won't be beat" best Jerry to a tee. He's in there fighting every day as he once fought in every athletic contest he was ever in.

Rev. Goewey Will Address Kiwanis Club

The Rev. J. Herbert Goewey, pastor of the Hilltop Baptist Church, will give the Thanksgiving address when the Kiwanis Club meet next Thursday at Schmelzer's Restaurant, 3178 W. Broad-st.

Today's speaker is to be Dana Reynolds of the Franklin County Probate Court.

Stakes in these shows may run as high as \$1000 in some of the larger ones. Stakes of \$500 are not uncommon.

The essay contest for boys and girls in the rural areas will be held at midnight Monday.

The six-month contest, which will award \$750 and \$5 in cash will be awarded to the authors of the three best letters submitted.

HCC To Meet On Thursday

The Hilltop Community Council will hold its regular monthly meeting Thursday evening, Nov. 14, at 8 o'clock, at the Teen-Canteen, 2885 W. Broad-st.

Of special interest will be the report of the Halloween party committee, which was directed by Charles Reichelderfer this year.

"Serious consideration and discussion will be given the seeming lack of interest on the part of city officials to the traffic problems of the Hilltop. Three requests for traffic lights at important intersections have been rejected, with no plausible reasons given by any of the various departments of the city," Charles Maus, president of the council, stated.

A nominating committee has been appointed with E. B. Graham, chairman, assisted by Mrs. Ray Cave and Herbert Williams.

Plans for the future activities of the Teen-Canteen will be presented by Melvin Griggs, the supervisor.

Starling Pupils To Present Play

Starling Junior High School will present "America Unlimited" by Lydia M. Ickler at the Parent-Teacher Association meeting in honor of American Education Week, Tuesday, Nov. 19, at 7:45.

Included in the cast are Myra Jones, Jeanine Wallace, Jim Miller, Josephine Coleman, Rocky Herbert, Bob Parliament, Shirley Manzer, Ed Accolesi, Darlene Rozell, Marvin Graves, Barbara Frederick, Edward James. Other members of Starling dramatic classes have parts as a group of party goers in the third scene or as members of the production staff.

Mr. Brula will supervise the staging and lighting, Miss Martha King the art work, and Mrs. Helen Bauer the costumes and make-up.

Bricks Thrown Through Windows At West High

Bricks were thrown through two windows at West High School some time during Armistice Day, school authorities reported. One brick went through the office window and another was thrown through a window in Room 203.

The bricks were more than likely taken from a construction job just across the street from the school building.

The damage seemed to have been done by older boys or adults since no small boy could throw a brick to the third floor of the building, school officials said.

Thirty-five West Senior High Band members made their last appearance on the football field at the Cincinnati Hughes game.

The seniors who will graduate in the January and June classes next year include the following:

George Allen, Bernice Aston, Robert Autry, Ronald Barker, Bruce Beavers, James Blackwell, Ray Brooks, Jack Dale, Richard Edris, Betty Gruesser, Donna Hartley, Jean Henderson, Robert Kimes, David Kimes, Dave Kiner, Paul Love, Dorothea McLain, Jean Meservey, Ralph Miesse, Jack Mithoff, Bill Moore, Don Rice, Bradley Richardson, Nancy Ritzman, Jerry Scanlon, Raymond Schultz, Jerry Snyder, Don Story, Dorothy Stout, George Stout, George Tyler, Tom Vickerman, Nancy Waters, Alan Williams, Virginia Woolson, Charles Christopher.

The West High Band believes they have set some kind of record this football season by appearing at all nine games on the Cowboy schedule. This included three games away from school and rainy weather accompanied four of their appearances.

Averaged 9 Formations Each game found this marching unit making from six to nine different formations with an average of eight per game.

Although Friday's game marked the first time the Junior High band has appeared in formations they performed like veterans. The heart with the arrow, running through it as formed by this junior group appeared again on the Ohio State Stadium field Saturday when the Pitt band used a similar idea.

Charles Bennett, director of the band, said that tryouts for the Band Variety Show would be under way at once. The show has been set for two days, March 6 and 7.

A diamond-studded service pin was presented to Charles C. Weber, 376 S. Burgess-av., Tuesday night at a dinner meeting at the Fort Hayes Hotel. The award was made for his completing 25 years with the Moores & Ross Company, as a retail milk salesman.

Another employee well known to many Hilltoppers who received the same award was L. D. Hellyer, 479 Falls-rd., chief engineer for the concern. Hellyer has been a member of the Hilltop Male Chorus for many years.

"Someday Bill Will Thank You . . ."

So said the Sun Life Agent when he delivered my son Bill's Junior Adjustable policy — but he didn't have to tell me that. I know what a help it would have been to me if, when I was twenty-one, I had been given a life assurance policy that could be continued as Whole Life, Life Paid-up at 65, or Endowment at the same age, for as much as five times the original amount without increasing the premium. Especially when that premium was based on rates for a child. I didn't have this great advantage, but I'm making sure my son has it. How about you?

age by Mrs. McClelland's father, Rev. Thomas Irwin. Both Mrs. McClelland's birthday and the wedding anniversary were celebrated Sunday, Nov. 3, when their foster son and his wife, Mr. and Mrs. Edwin Ross, 372 Binnabld, prepared a tasty dinner and spent the day with them.

The McClellands received many anniversary cards, and were very much pleased when Mr. and Mrs. Ray Cave, 2936 Olive-st., visited them. Rev. and Mrs. A. J. Wold presented Mr. and Mrs. McClelland with an anniversary cake, which made the couple very happy.

Both Mr. and Mrs. McClelland were active in community affairs until recently. Mr. McClelland is the former owner of the present Rausch Brothers Hardware Store at Hague-av and W. Broad-st.

Mr. McClelland, who celebrated his 91st birthday in July, said that the thing he had gotten the biggest kick out of in life has been making money.

**Hartley Heads
Safety Drive**

C. Carlton Hartley, 124 S. Brinker-av., publisher of The Hilltop Record and The Greenfield Times, has been named chairman of the recently established publications committee of Franklin County.

According to D. K. Finley, 733 S. Hague-av., chief of the safety group's education division, Hartley will work with the county newspaper editors in an effort to promote a more effective safety program.

The group is scheduled to meet on Nov. 22 at the Deshler-Wallick Hotel for a luncheon meeting to get a "united thinking on the matter and formulate some plan that will bring results," Finley said.

Harold D. Cramer, 370 Wilshire-rd., West Side druggist and president of the West Side Board of Trade, and Edgar Planck, 2884 Crescent-dr., president of the Hilltop Business Men's Association, have accepted membership on the Traffic Safety Committee of Franklin County.

**Bethlehem Church
Sponsors Scouts**

The Brotherhood of Bethlehem Lutheran Church is now sponsor of Troop 178. Rev. E. J. Klamfoth, president of the Brotherhood, accepted the charter from Gilman S. Bolin, field scout executive, at the troop investiture service. Rev. Klamfoth proceeded to charge the troop committee with its responsibilities in guiding the troop operation. The committee consists of John McLurg, James O. Matheny and Henry E. Tarbitt. Following this, John McLurg, chairman of the committee, presented Scoutmaster E. H. Schumann with his commission and pin.

The investiture of the Tenderfoot Scouts was made by Scoutmaster Harry E. Crawford, assisted by Scouts from his Troop 212. Scoutmaster E. H. Schumann presented membership certificates and neckerchiefs to the following boys: James Ell, Roger Morgan, Roger Schumann, Richard Rennev and Richard Weil.

Rev. Wm. R. Rector of Grace Lutheran Church gave the principal address. He said that the church administers its own troop and formulates troop policies while Scouting itself offers an interesting and worthwhile program of character development and practical training in citizenship.

"In a nation needing God-fearing men, the future of the church and country now depends on our youth and their training," he said. Refreshments were served after the ceremony. Troop 178 meets on Tuesday evenings at 7:30, at the Bethlehem Lutheran Church.

Cowboys Outscore Hughes 26-18 In Homecoming Contest

West High Basketball Squad Faces Tough 21 Game Season

Williams

With football a thing of the past at West High this year, all thoughts turn to basketball with a tough 21-game schedule to get under way Nov. 27. Because of the short time between the close of the grid season and the start of cage activities, football players who double on the court were called up for two practice sessions Monday and Tuesday from now on.

George Williams, a member of the coaching staff at the Cow-woy school since 1934, will coach the indoor sport this year. It will be his first basketball assignment since returning from the navy about a year ago. He served 32 months, most of that time at Chapel Hill, N. C., where he helped coach baseball and basketball at the pre-flight school there and had charge of procurement and handling of all athletic equipment and supplies.

Coach Not Optimistic
George is not overly optimistic

about the chances for his team this season since several of the city schools have their last year's teams back man for man.

Of the West candidates only Jack Thrush and Ralph Watts were regulars on last year's team. Thrush is a forward and Watts played guard.

Several other lettermen will be fighting it out for other positions on the starting five. These include Don Borrer, center; Marvin Schurz, forward; Don Anderson, guard; Paul Theissen, center; Charles Weeks, forward; Don Speakman, forward; Walter Hicks, forward; Charles Frasure, guard; and Dick Longmire, center.

Six members of last year's reserve squad are working out with the squad. They are Jim Slager, Jerry Chinn, Sunny Sahr, Starling Rutt, Bill Buckingham and Don Hutchison. New candidates this year are Aubrey Compton, Jack Dale, George Lohr and Bobby Layman. Wally Watkins is expected to become eligible for the squad at the start of next semester.

The season opens Nov. 27 with Grandview visiting the West High gym. The Alumni five will furnish competition for a game Nov. 29. The first City League game will be at South on Dec. 13.

Masdea Returns Punt 80 Yards; Sahr Accounts For 2 Touchdowns

Bruno Masdea brought his high school football career to a close in fitting fashion Friday as he raced 80 yards to score for West on a kick-off return as the Cowboys defeated Cincinnati Hughes 26 to 18 before a homecoming crowd.

The victory brought the total wins to four for the season, with four defeats and one tie. The record for the season stands as follows:

West 4
Springfield 13
Arlington 13
Aquinus 8
North 8
McKin 18
South 13
Central 12
Hughes 18

Scoring in every period, Coach Mack Pemberton's Cowboys outscored the Big Reds from Cincinnati in almost every department. It was the last game for the West seniors and they gave it everything they had. Quarterback Jim Slager, injured in the Central game, was on the bench all afternoon with Jack Thrush, all-around athlete, calling the signals throughout most of the contest.

Sahr Scored Twice
Sunny Sahr shared scoring honors with Masdea as he accounted for two of the West touchdowns. It was Sahr who scored first as he plunged over from the one yard line midway in the first quarter. Hostler's kick for extra point was no good.

The Big Reds lost little time in coming back to even the count as Goering, Dunn and Graff took turns at carrying the ball. It was Graff who dropped back to about the 37 yard line and threw a long pass to Reis who stepped over the goal line to score. The try for point was wide and the score was 6 to 6.

The second West score came early in the second period after a bad Hughes punt gave the Cowboys the ball on the visitors' 29 yard marker. Thrush passed to Buckingham who ran to the 5. Masdea went to the 3. Biggers picked up another yard and Masdea carried the ball for the score. Hostler's kick was good and the Cowboys led 13 to 6.

The Big Reds, however, were not through for the first half. After Graff had carried the kick-off back to the 40 they went to work with vengeance and scored on another Graff pass just before

the half ended. The kick for extra point was blocked and the score at the half time was 13-12.

It was Sahr who scored again in the third period after a Hughes punt was blocked on their 38. Again the passing arm of Jack Thrush was brought into play as he connected with the waiting arms of Anderson on the 17. Sahr scored from the 5 five plays later. The try for point was no good.

The Hughes kickoff gave Masdea his second scoring opportunity of the day. It was Chinn who took the kickoff in mid-field on the Hughes 20. Masdea was handed the ball as he cut across behind and started for the western sideline. It looked like he was trapped about mid-field but the shifty halfback wiggled his way through and from then on all the Big Red players could see was his heels as he raced down the sidelines to score. Hostler made good the extra point.

At that point Coach Pemberton began flooding the field with substitutes as he gave them a few minutes playing experience.

The coaches and players were to have been guests of the Hilltop Business Men's Association last night at the annual football banquet at the West-High cafeteria. Hughes' Pos. West

The Army Ground Forces offers you A NEW LIFE OUT THERE

Look toward Korea and Japan! A thrilling new job and a new life—with interesting work, sports, entertainment and travel opportunities—can be had for the asking by qualified young men who volunteer for the 1st Cavalry, 11th Airborne, 6th, 7th, 24th or 25th Infantry Divisions.

What an opportunity... what a job! Training in one of these crack units will stand you in good stead wherever you go. Study a foreign language. Learn the fascinating details of Military Government—so vital to future peace and prosperity.

Japan's "Isles of Pines" are but a sample of the attractions of an Army career in the Far East. The Army has reopened comfortable hotels, theaters, swimming pools, tennis clubs, golf courses, ball parks. These—familiar haunts of pre-war tourists—and many new developments—provide a broad choice of recreation.

Not everyone can measure up to this job. Only 3-year enlistees who meet prescribed physical and mental standards can enjoy the benefits of such a job. High overseas pay, good food and lodging and a generous retirement plan make your future in the Army Ground Forces too good to miss! See your nearest Army Recruiting Officer for full details.

Monday, November 4
Editor Hilltop Record:
In one of the recent issues of The Hilltop Record you had an article about the Living War Memorial. I believe that is what it was called, to be in honor of the war veterans of the Hilltop.

A large amount of money was collected for this project and plans have been drawn up.

I, as a teen-ager, would like to make some comments on this subject and also pass on to you some ideas of other teen-agers.

Why not use the money to build a permanent Teen Canteen? The present canteen is to be torn down in the near future and no one has suggested a location for it to be torn down between six months and a year and a half from now.

The present Teen Canteen has been an experiment and has been fairly successful so far. It is gradually becoming more successful and it is adding to its equipment.

There are several factors favoring a permanent Teen Canteen and I will attempt to explain some of them. What is there for the teen-agers of the Hilltop to do? They can go swimming in the summer. They can go skating on a Hilltop rink in the summer or to a rink in another section of the city. They can go bowling at the "recreation center." What else can they do? They can and DO hang around on street corners and in stores and get into trouble.

I admit that some teen-agers still hang out on corners even though there is a canteen. The reason is that the activities in the canteen are limited in the activities. If we had a few bowling alleys and other activities, this situation would not arise. The teen-agers would go to the canteen and have a good time and be out of trouble.

This memorial is for ex-service men and women. I think that the veterans would agree that a Canteen would be a living memorial. Ask Mel Griggs, supervisor of the Teen Canteen. He's an ex G. I. and should know.

Most people agree that there will be a depression and that money will be scarce. All the activities I mentioned before, bowling, swimming, etc., take money to do. A plan could be worked out so that it will cost much less for the kids to go to a Canteen. Thus, a Canteen would be profitable during a depression as it would keep the teen-agers out of trouble and give them something to do.

Although I am president of the Teen Canteen, I consider myself to be average. There are a lot of details concerning the memorial, but I am suggesting a Teen-Canteen as a Living War Memorial.

Yours truly,
Dick Palmer

EBB-TIDE
Here on the morning's deserted beach,
Just at the fringe of the high tide's reach,

Turtled, pennant, staunchly stands
A fortress fashioned by children's hands.

Fashioned in playtime, but more than toy,
Purely a challenge some girl or boy

Fling at the sea, for the most and wall
Show that the builder had pondered all

Ebbings and flowings of waves' attack—
And planned his fortress to throw them back.

Battered a little, the bastions are
But bravely the pennant flaunts its star;

Waiting to prove—to some child's delight—
That trust and courage survived the night.

And even those castles that washed away
Faith of a child will rebuild today

THE GOLDEN LEOPARD
In terror of its own delight
The golden leopard of desire
With urge and pace that never

Tramples the earth with feet of fire
And through the ambush of the night
Faces the dawn with eyes afloat.

The jungle heavy on its back
The sea's grey vastness thunder-loud
Sneaking before it like a shroud
The golden leopard trapped and cowed

Fearing it knows not what it is
Stands dazed and baffled in its track.

Smiles

A business man fell in love with a night club entertainer. To be safe he employed a detective agency to check up on her habits. He received this report: "The young lady has an excellent reputation. Her past is without a blemish. She has many friends of high social standing. The only scandal associated with her is that she has been seen on numerous occasions of late in company with a business man of questionable character."

Robert C. Patterson, Secretary of War: "Let us not throw away our weapons before even the first treaty has been signed."

Norman Thomas, socialist leader: "Total military victory in the war has achieved none of the great purposes for which we were told that it was fought."

**Good Service
Is NOT Costly**
Contrary to general opinion, the
type of service received is NOT
determined by the total cost. The
price you pay is determined by the
necessary merchandise you order
plus our basic charge for profes-
sional service. Everyone, regard-
less of how much or how little he
spends, is treated with the same
care and attention to every de-
tail.

Hilltop Pastors Gather

Annual Dinner Held At Hillcrest Monday

Members of the Hilltop Ministerial Association and their wives enjoyed their annual dinner at the Hillcrest Baptist Church Monday evening. The meal was served by ladies of the church and a program and business session was held in the church parlor.

The Rev. Ronald Hudson, a former World War II chaplain, talked to the group on the missionary challenge that is to be found in India. He also showed pictures of conditions in that country.

The Rev. Chester Stanley, pastor of the Highland Avenue Friends Church, led in prayer while Mrs. Harold Dutt gave a vocal solo. Earlier around the banquet table, the Rev. J. Herbert Goewey, pastor of the First Church, led the group in the singing of several choruses. Miss Nancy Reed played two accordeon solos. Dr. Don Timmerman, secretary of the Franklin County Council of Churches, was introduced as a guest and he offered a few remarks.

At the business meeting, presided over by the Rev. Harold Dutt, pastor of the Westgate Evangelical United Brethren Church, the Rev. Herbert Goewey, pastor of the First Church, gave a report on plans for a church attendance campaign on the Hilltop at a later date and the Rev. Glendon Herbert, pastor of Hilltopia Evangelical United Brethren, told of plans being made for an Easter sunrise service next spring. The Rev. M. E. Nelson, pastor of the Wheatland Avenue Methodist Church, outlined the details of the union Thanksgiving service to be held this year at the Burgess Avenue Evangelical United Brethren Church at 10 a. m. on Thanksgiving.

Stauch Celebrates 90th Birthday

Fred Stauch, 33 N. Oakley-av., celebrated his 90th birthday anniversary Sunday, Nov. 17. Seven of his eight children and his wife, besides numerous friends, helped to make his celebration a happy one. One son and daughter-in-law live in Richmond, Va., and were unable to attend.

Monday, Nov. 18, is the actual day of his birth. Stauch has been a member of that church for 70 years.

Mr. Stauch, a butcher by trade, is well known on the Hilltop. He operated a meat stand at Central Market for 60 years. One of the younger members of the family now operates the market.

Mr. Stauch arises at 8 o'clock every morning. He said, "I don't sit around in a chair all day. I work." Mr. Stauch devotes much of his time to helping her. He is the grandfather of 10 children.

Mr. Stauch received an Emerson radio and 3 huge bouquets of flowers for his birthday. Oakwood Methodist Church sent him the largest basket. He has been a member of that church for 70 years.

He is very proud of the fact that all of his children and their families are well and hardy. He attributes his good health, and theirs, to plain hard work.

3 West Students See Aircraft Show

Richard Melvin, 1529 Walsh-av., Richard Longmire, 480 Wrexham-av., and Richard Laymon, 345 S. Eureka-av., attended the National Aircraft Show at Cleveland Monday.

The boys, all senior students at West High School, flew up to the show in a Navy DC-3 as guests of the Columbus Citizens and the navy. They were selected by a vote of their fellow classmates in Pre-flight Class. O. C. Montgomery, pre-flight instructor at West, also attended the show.

In the huge Fisher Bomber plant near the Municipal Airport the boys were shown the latest developments in the aviation industry. They saw the huge wind tunnel, the latest model helicopters and heard an explanation of the operation of jet-propelled planes.

Twenty boys from various Columbus high schools made the trip to Cleveland.

Baby Strangles In Crib Wednesday

Harold Conkel, 13-month-old son of Mr. and Mrs. Raymond Conkel, 1254 Eakin-rd., was found strangled Wednesday afternoon when his neck caught between the lower rung of his bed and the mattress at his home, sheriff's deputies reported.

Deputy Joe Sigrist said the baby's mother, Mrs. Wilma Conkel, discovered the child shortly after she had placed him in bed for a nap with his sister, Sharon, age 8. Death was ruled accidental.

The baby also is survived by five other sisters, Phyllis, 12; Iva, 10; Glenna, 8; and Hester and Esther, six-year-old twins. Funeral services were conducted Saturday in Christian Union Church. Burial was in Alton Cemetery.

Twp. Issue To Be Heard On Dec. 3

The outcome of the incorporation issue in the Camp Chase sector of Franklin Township is expected to come to a head on Dec. 3 when the Supreme Court of Ohio reviews the case. The matter has been in litigation for more than two months—the point in question being whether or not the Franklin Township trustees should call an election to determine whether residents west of the city of Columbus want to incorporate into a separate village.

A mandamus suit was filed against the township officials several weeks ago. The township officers have maintained that they have no jurisdiction to call the election.

A petition requesting the vote was presented to the trustees at the June meeting but the original petition was withdrawn in order to make some changes.

The area proposed for incorporation would include a portion of farm land and railroad property.

Included in the fall planting were 200 tulip bulbs, more than 300 hyacinth and 100 crocus. Two trees and a magnolia bush will also be planted. They are the ones which failed to grow from last year's plantings.

The hyacinths were donated to the school by the Rosebud Floral, 351 N. Burgess-av.

Plans are being made for planting of shrubbery all along the Fowell-av fence on the east side of the athletic field. This would shut off the field so that it would not be necessary to put up canvas when football games are being played. This planting will not be undertaken until next spring, Irvin F. Young, school principal, stated.

Wilson Heights Group Meets Mon.

The Wilson Heights Civic Association met at the Wilson School Monday night with Roy Jewett, president, presiding over the business meeting.

Reports on the status of extended gas service were made by F. E. Wolfe. The Greenlawn housing project and safety problems involving children going to and from Wilson School were discussed.

A social committee consisting of Mr. Wolfe and Frank J. Boehm was named to plan something in the social line for the December meeting to be held Dec. 9.

William Gray, 58, of 82 Belvidere-av., was recovering this week from a leg injury suffered when he was struck by a hit-skip auto driver as he crossed Broad-st last week.

He was taken to Mt. Carmel Hospital for treatment. The accident occurred after Mr. Gray alighted from a west-bound trolley bus at Belvidere-av.

William and Sarah Hennick, residents of 1330 Wilson-rd., celebrated their 60th wedding anniversary with open house at the home of their son, Ralph W. Hennick, 85 S. Ardmore-rd., Sunday afternoon and evening.

The couple just moved into town to their home at 1189 Fair-av., two weeks ago. There they will spend the winter months, moving back to the country in the spring to care for their apple orchard and do some gardening. They planted over 100 fruit trees when they bought the farm 22 years ago.

Mr. and Mrs. Hennick were married in Columbus on Thanksgiving eve in 1886. For 60 years he followed the trade of a harness maker, operating a shop at 55 E. Spring-st. He retired two years ago. The shop is now operated by a nephew, Charles Hennick.

Mr. Hennick was born at Harrisburg, Ohio, in 1884. Mrs. Hennick claims Pickerington as her home. She was born in 1886. The couple have another son, Edgar, at home, and two grandchildren, Harry and Nancy Hennick.

Mr. Hennick is a charter member of the Champion-Dowdell E. of P. Lodge, Columbus No. 3 F. and A. M., the Temple Chapter, Mt. Vernon Commandery, Scoto. Mt. Vernon (Scottish Rite), and the Lorraine Chapter Eastern Star. Mrs. Hennick is a member of the Lorraine Chapter.

Both Mr. and Mrs. Hennick are in good health. They do much of the work on their Wilson-rd. farm where they grow berries, grapes and vegetables in addition to caring for their orchard.

Model House Being Built By Drawing Class At West High

A practical lesson in home construction is under way in C. S. Kennedy's architectural drawing class room at West High School these days.

A model home, in every sense of the word, is being erected by the boys of his classes. At present the foundation is already laid and studding for the first floor is being put in place. The project will take several months to complete since only a few boys can work on the house at a given time.

The house is being built on a scale of one inch to the foot and all materials are being cut to size accordingly. Western framing construction is used throughout to eliminate cracks in the masonry. White pine and ponderosa pine is being used for joists and studding while the roof and sub floors will be made of poplar.

The boys are working from a set of blue prints used in the construction of this same house at 411 Garden-rd. Mr. Kennedy devotes his summer months and as much spare time as he has to the contracting business.

The boys under the direction of Clarence Bateman and Arthur Miller are shaping the materials while L. E. Burba's metal classes are supplying the metal parts.

As construction progresses it is planned to have the roof hinged to the house. Visitors are welcome to the project now or at any time. The work is being done in Room 217.

Each student is allotted an equal amount of time for work on the project and each class has its own foreman. These foremen are Ed Sparks, Jack Swicegood, Harold Trump, Bob Baas, Bill Smith and Dick Wise.

Plans for a Christmas party for children of the Hilltop up to 12 years of age are being made by a committee of the Hilltop Community Council following a meeting of the group at the Teen Center Thursday night.

The committee is composed of Mrs. Ray Cave, Mrs. E. Abram and Mrs. C. T. Maus. Date of the party will be announced later. A second party for those 13 years and over will be arranged by the executive committee of the HCC.

A survey of the type of pictures being shown in local theaters will be conducted by a committee during the coming month.

At the December meeting the nominating committee will present a list of names from which the 1947 officers will be elected. The committee is made up of E. B. Graham, Mrs. Cave and Herbert Williams.

The HCC has been cooperating with a group of OSU students conducting a survey of interracial problems.

The girls became ill while visiting their grandparents, Mr. and Mrs. Ray Siniff, 121 N. Huron-av. Both were reported on the mend this week.

Walter, a former Record employee, is now business manager of the North Side Herald.

Celebrate 60th Anniversary

William and Sarah Hennick, residents of 1330 Wilson-rd., celebrated their 60th wedding anniversary with open house at the home of their son, Ralph W. Hennick, 85 S. Ardmore-rd., Sunday afternoon and evening.

The couple just moved into town to their home at 1189 Fair-av., two weeks ago. There they will spend the winter months, moving back to the country in the spring to care for their apple orchard and do some gardening. They planted over 100 fruit trees when they bought the farm 22 years ago.

Mr. and Mrs. Hennick were married in Columbus on Thanksgiving eve in 1886. For 60 years he followed the trade of a harness maker, operating a shop at 55 E. Spring-st. He retired two years ago. The shop is now operated by a nephew, Charles Hennick.

Mr. Hennick was born at Harrisburg, Ohio, in 1884. Mrs. Hennick claims Pickerington as her home. She was born in 1886. The couple have another son, Edgar, at home, and two grandchildren, Harry and Nancy Hennick.

Mr. Hennick is a charter member of the Champion-Dowdell E. of P. Lodge, Columbus No. 3 F. and A. M., the Temple Chapter, Mt. Vernon Commandery, Scoto. Mt. Vernon (Scottish Rite), and the Lorraine Chapter Eastern Star. Mrs. Hennick is a member of the Lorraine Chapter.

Both Mr. and Mrs. Hennick are in good health. They do much of the work on their Wilson-rd. farm where they grow berries, grapes and vegetables in addition to caring for their orchard.

News Men Inspect Huge Factory Where Auto Hardware Is Made

By Paul Wicherman

In spite of material shortages and other delays occasioned by strikes throughout the nation, the huge Fisher Body-Ternstedt Division plant on Georgesville-rd., just west of the city limits, is in production only a few weeks behind schedule.

Although the factory building itself is not actually completed, sufficient temporary installations have been made to permit beginning of production on automobile body hardware and fittings which the plant will produce for General Motors cars.

Newsman and photographers from Columbus' three daily papers, radio commentators and a representative of The Hilltop Record were given the first insight to operation of one of the nation's largest and most modern factories Tuesday afternoon when James L. Conlon, resident manager of the plant, personally conducted a tour through the partially completed building that covers more than 70 acres.

At the press conference, Conlon revealed that 600 persons are now employed in various phases of work and that more are being added daily. Present plans call for starting a second shift of workers before the first of the year.

More than 60 per cent of the present workers are from Columbus, the plant manager told newsmen.

"We of the Fisher Body-Ternstedt Division have been more than pleased at the welcome we have received in Columbus, both socially and industrially," Mr. Conlon replied when asked how the company liked this city as a

Both the Cincinnati & Lake Erie and Columbus Celina Coach Co. are providing transportation to the new Fisher Body plant. It was revealed this week. At present negotiations are made at the beginning and at the end of the day but service will be expanded as production increases.

The C. & L. E. has service to New Home leaving from downtown every hour. Additional buses are made up at 6:25 a. m. and 4:20 p. m. The Columbus Celina buses operate on Sullivan-av and north on Georgesville-rd.

"We are all very well pleased," he stated, in speaking for himself and other top officials present.

An example of the delays and disappointments encountered in getting the big factory in production was experienced Tuesday morning when a large truck, having four badly needed and long-awaited punch presses, overturned at the corner of Georgesville-rd and Route 40. Needless to say, the equipment was badly damaged and will require extensive repair before it can be put in use.

The plant is now approximately 75 per cent completed, Conlon stated. He would not reveal how many persons might be employed when peak production is reached.

Typical of automobile body fittings and hardware to be manufactured here are such parts as window regulators, door locks, shroud ventilators and operating mechanism, door hinges, deck lid supports, rear compartment lid hinges and locks, door window garnish moulding, etc.

Completed parts from the local plant will be shipped to Fisher Body assembly plants all over the country.

In addition to Mr. Conlon, other top officials here include Paul Jones, works manager; Edward O'Connor, resident comptroller; R. L. Woods, director of industrial relations; John A. Broden, superintendent of production; and Jesse A. Gall, master mechanic.

Applications are now being accepted for the February registration of the West Broad Kindergarten. There are a few vacancies for children who are five years old or over before Aug. 31, 1947.

Mothers who wish to enroll children are asked to call Mrs. Russell Bender, RA. 7847.

Junior High Plays Are Well Received
By Elizabeth Downey
"The Florist Shop" by Winifred Hawbridge and "The Neighbor" by Zona Gale were the two one-act plays presented by the 9B and 9A dramatics classes of West High School on Friday, Nov. 15. Mrs. Velma Millhone directed both plays.
"The Florist Shop," which was presented by the 9B class, was a comedy in which Mary Ann Ross did a good job as Miss Wells, a flirty spinster who had been engaged 15 years because both she and her fiancé believed in "long engagements." The entire cast made a delightful presentation of the play. Lavonne Beard was cast as Maud, the receptionist at the shop. Arthur Stewart played the owner of the shop, Mr. Slovisky. Clarke Wolfe was Henry, the handy man. Edward Taylor, as Mr. Jackson, was the fussy and economical fiancé of Miss Wells.
"The Neighbor" was presented by the 9A class. This was a true-to-life story of the gossip and backbiting in a small town, and provided the audience with plenty of laughs. Donna Cramer, as Grandma, held the attention of the entire audience whenever she spoke. The highlight of this play, although it was not the theme, was when the hero, Peter, played by Clifford Voss, kissed the heroine, Inez, played by Marilyn Gaugel. Dorothy Starkey was cast as Mrs. Diantha Abel. Ward Cassel as Ezra Williams. Claire Patterson as Mrs. Elms. Moran. Myra Pope as Mrs. Trot and Barbara Rees as Mrs. Carry Ellsworth.
The Junior High Orchestra played during the interval between plays. The selections included "The Valiant Knight," by Charles Woodhouse; "Meadowlands," by L. Knipper; "Ave Verum Corpus," by Mozart; and "Rosebud," by Charles Woodhouse. Charles Bennett directed the orchestra.
Jack Galloway played two violin selections very well and received a nice round of applause.

Township Schools Give Musical
The Franklin Township Schools presented an Autumn Music Festival Tuesday evening at West High School. The schools participating were Walton and Schlee, Briggsdale, Wilson, Burnside Heights, Franklin Heights and Pleasant Hill and Skidmore. Groups of about 75 children represented each of the schools, making a total of 450 participants. Each group sang and played dancing games. They were costumed according to the period which they represented.
Mrs. Eloise Johnson is supervisor of music for Franklin Township.
The numbers presented by the different schools (each number included several selections) were "Swing Low," Burnside Heights; "In the Days of Stephen Foster," Wilson; "Huskin' Bee," Skidmore; "Keel Bustin' Down the Ohio," Schlee and Walton; "The Forty Winters," Franklin Heights and Pleasant Hill; and "Come-A-Tiptoe," Yonp - Yonp - Ya - Yonp - Ya," Briggsdale School.

Brief Blackout Hits Local Stores Friday As Power Circuit Falls Here

Many Hilltop business establishments were plunged into darkness Friday evening around 7 o'clock when a circuit breaker at the Westland-av. sub-station tripped out and failed to reset itself. The interruption in service affected only commercial customers of the Municipal Light Plant and service was restored as soon as an electrician could reach the local sub-station.

Traffic lights were out but street lights continued to burn because they were on a different circuit. Flashlights and candles were brought into play and business in some places continued pretty much as usual although one might have thought an air raid blackout was in effect.

Glenwood Church was just in the midst of feeding more than 300 persons the annual turkey dinner when the lights went out. At West High School members of the cast of the Junior High School plays were just in the process of "making up" when the blackout occurred. The play got under way only a few minutes before power was restored about 7:30 p. m.

City officials explained that ordinarily the circuit breaker would reset itself automatically but in this instance a part of the mechanism failed to operate. The process of automatic resetting was evidenced by frequent momentary flashes of light as neon signs along Broad-st were blinking off and on. It was not until an electrician arrived at the station and set the circuit breaker manually that power was restored.

The local circuit carries 2400 volts.

Townsend Club To Meet
Townsend Club No. 7 will meet Friday evening, Nov. 22, at 2393 1/2 W. Broad-st. at 7:30. There will be music and a program. The public is invited.

Safety Literature Is Distributed

The Bureau of Safety Education is concentrating on a program of safety education that involves speakers and motion pictures for use in schools and before clubs and other public gatherings.

At present the cooperation of service stations and other business places is being solicited for the display of safety posters and

the distribution of practical literature of use to both motorist and pedestrian.

Of particular significance to pedestrians is a color folder entitled "There Is Trouble Afoot," now being distributed, together with "Ohio Driver's Manual," now in its sixth printing. Both are prepared by the State Department of Highways.

Local Couple Observe 60th Wedding Anniversary At Home On Monday

Mr. and Mrs. J. C. McMillan, 3048 Crescent-dr., celebrated their 60th wedding anniversary Monday. They spent the day with their family. They were married in Cedarville in 1886.

Mr. and Mrs. McMillan have one son, Ralph, at home. Their granddaughter, Mary Elizabeth Huckleberry, and her husband also live at the residence.

Mrs. McMillan, a semi-invalid, is not able to do much work around the home, but does help with the house work occasionally. Mr. McMillan retired 10 years ago after working with the Chase Foundry and Manufacturing Co. for 23 years.

The McMillans lived on the east side of Columbus before moving to the Hilltop. Coming to Columbus in 1910, they have made their home on the Hilltop for the past 18 years.

Deems On Board Of Junior Theater

H. G. Deems

H. G. Deems, 127 N. Roys-av., president of the Hilltop Kiwanis Club and secretary of the Federal Savings and Loan Association, is serving as a member at large on the committee for the Community Junior Theater.

A series of six fall and winter attractions for small children will soon be announced for presentation this season. Four are to be presented in downtown auditoriums and two to tour the greater Columbus area, members of the group's advisory committee and the Junior League announced last week.

Started in the fall of 1944 by the Junior League, the need for the Community Junior Theater was recognized by civic and business leaders so that the advisory committee was formed in the spring of 1945 to aid in planning projects. The committee, with Irvin A. Johnson, director of developmental programs for Station WBNS, as chairman, now administers the project.

Sub-chairmen for the advisory committee are as follows: Mrs. Robert Kanawisher, assistant chairman; Mrs. Hugh Bone, treasurer; Nick Barack, city recreation director, program advisor; Dr. Laura Zirtes, Ohio State University, advisor; Jerome Reeves, director of program promotion and publicity, and Mrs. Karl Burgess, house.

Other members at large are: State Sen. Evert E. Addison; Mrs. Herman Hostet, president of the Junior League; Mrs. Preston Wolfe, Mayor James A. Rhodes; Rand Hollenback, publisher of the Clintonville Booster; Miles Hoover, director of the South Side YMCA; George Seibert of the Thomas W. Ruff & Co.

Scout Officials To Be Elected

The annual dinner and election of officers of the Southwest District (Central Ohio Area), Boy Scouts of America will be held in the Hoge Memorial Presbyterian Church, 29 S. Eureka-av., at 6:30 a. m. Thursday, Dec. 5. About 150 scouts and their wives are expected to attend.

Ken Dickerson, district chairman, will preside at the meeting. The guest speaker will be announced at a later date.

A committee of Scout officials and Scout enthusiasts is in charge of arrangements for the affair. They are: Herman E. Eisele, chairman, Charles Reichelderfer, Ray Eversan, Sam Elford, Jack Merriman and Ted Webb. Distribution of tickets is in charge of Charles Reichelderfer. Reservations for the dinner must be made before Monday, Dec. 3.

Safe-crackers Again at Work On Hilltop

Safe-crackers were at work on the Hilltop again this week. Alfred Cooper, manager of Gray's Drug Store, 2781 W. Broad-st., reported that the safe in his store was broken into some time Sunday morning. Entrance to the building was gained by prying open a ventilator on top of the building.

The safe was turned on its side and broken into from the bottom. Store officials declined to reveal the value of the contents carried away.

It was the second robbery in the Powell block in recent months. Several weeks ago two men held up and robbed the Albert Super Market, just two doors west of Gray's, and escaped with a substantial amount in cash and checks.

Meanwhile two men were in Franklin County jail this week on charges of armed robbery and shooting to kill, after being arraigned in connection with the Nov. 4 shooting of a Hilltop grocer during an attempted hold-up.

On \$10,000 Bond
The men are Eugene Haines, 22, of 1188 1/2 W. Broad-st., and James Orr, 18, of 1310 W. Broad-st. Both were placed under \$10,000 bond by Justice of the Peace E. C. Miller of Franklin Township.

The men were among five persons arrested in connection with the shooting of Oris Suver, 61, owner of the North Hague Market, 344 N. Hague-av., during an attempted holdup.

Two juveniles were also being held in the Juvenile Detention Center in connection with the same case. Free on \$500 bond also is Robert Hively, 23, of 436 S. Richardson-av., said by police to have been involved in the case.

Mrs. Bert Rarey, 1634 Ransburg-av., was presented the book "Streams to a Desert," by the Women's Missionary Society of Brown Road Community Church. Mrs. Rarey has served as treasurer of this society since its organization.

Mr. and Mrs. George W. Goodrich, 1905 Jackson-rd., entertained with a buffet supper in honor of Mrs. Mary Goodrich, George's mother, who left for California Nov. 12. She is going to spend the winter there. Those present were Mrs. Mary Goodrich, Mr. and Mrs. Earl Banker and family, Mr. and Mrs. Ray Anderson and family, Mr. and Mrs. Harold Goodrich and family, Mr. and Mrs. Robert Banker and family, John Banker and Mrs. Tom Hallwood.

Mr. and Mrs. W. A. Kay of Oak Park, Ill., and Mr. and Mrs. M. L. Baumgardner were week-end guests of Mrs. Elsie Baumgardner and Mr. and Mrs. John A. Black of Hart-rd.

The Mothers' Study Group of the Wilson School Parent-Teachers Association met at the school Wednesday afternoon for the regular monthly meeting. Mrs. Maurice Douthitt, chairman, presented the topic, "Counseling With Adolescents." During the discussion, it was decided that parents should allow children to make many of their own decisions; and that it was sometimes best to permit them to make errors, if not too serious, and thus profit by them. Eight mothers were present.

West High Quintet Points For Opening With Grandview High Wednesday Night

To Launch 21-Game Schedule Wednesday

Out in the West High gymnasium Coach George Williams is rounding a team into shape for the opening of the 1946-47 basketball season next Wednesday evening. The Grandview Bobcats will be the first opponents on a tough 21-game schedule to be tackled at that time.

With a little more than a week of practice with some of the boys who were on the football squad, Williams has a tough job of picking a starting quintet. By Saturday of last week he was pretty

regular from last year's team. Coach Williams was well pleased with the showing of Don Speakman, a forward, in practice last week.

35 On Two Squads
By the end of the week 35 boys were working out on the varsity and reserve squads. This number is expected to be reduced some more before the season opens.

A new electric scoreboard has been purchased by the Student Council and is expected to be installed this week. It will be put up on the north wall of the gym at a point where it can be seen by the greatest number of fans from well set on four positions but one guard post was still a wide open race among Anderson, Schultz and Barror.

Virtually sure of starting against Grandview are Hicks and Thrush at the forwards, Paul Thelens at center, and Ralph Watts at one guard position.

Watts and Thrush are the only both blanchers. The board, in addition to show-

Two meetings were scheduled for Wednesday night. Class B Industrial teams will meet at the Recreation Department, while representatives of teams wishing to enter the Linden Intermediate Church League will meet at Linden School. Both meetings are scheduled for 7 o'clock.

Bowling League For High School Boys Is Planned

By Dick Ardie
A meeting will be held at the Hilltop Recreation Alley, 2419 W. Broad-st, for boys of high school age for the purpose of organizing a bowling league. An eight-team league, sanctioned by the American Bowling Congress, is being planned with Seiler's, 2404 W. Broad-st, sponsoring the entire league.

Seiler's already sponsor an eight-team girls' teen-age league which bowls on Monday afternoons. They also sponsor teams in the Recreation League, the Suburban League and the Hilltop Ladies' League. Any boy interested in bowling is invited to attend the meeting.

Any boy who organizes a team of five boys, in addition to himself, or if he doesn't wish to organize a team, he may come Saturday and he will be placed on a team.

The boys will decide whether they will bowl on Friday afternoon or Saturday morning before noon. If a sufficient number of boys is present at the meeting, officers of the league will be elected. A captain or member of each team must be present with his list of players.

1947 West Grid Schedule To Include All 1946 Opponents

The final scores in the 1946 City High League had scarcely been checked off before school officials and coaches got together to arrange the 1947 grid schedule. So in less than two weeks after the close of the season Coach Mack Pemberton has all of next year's nine-game schedule set with the possible exception of one date.

The one possible change is tentative agreement with Cincinnati Hughes for a game at Magly Field on Oct. 3. A verbal understanding has the game set for that date but contracts have not yet been returned.

Other than dates, the Cowboys will play exactly the same schedule of opponents next fall if the Hughes game materializes. Should this booking for any reason fall through, West officials have offers of games from several other central Ohio opponents.

All five of the home games are carded as night attractions, the assumption being that lights can surely be installed in time for play next fall.

Open With Springfield
The Cowboys will again open the season at Springfield by journeying to that city on Sept. 12. Arlington and Hughes would constitute the other non-league opposition.

Assuming that lights are installed at Magly Field by the time of the opening game with

Central, Sept. 26, all of next year's games would be local attractions. That would contrast sharply with the six daylight games this year.

As it now stands the 1947 schedule will be as follows: Sept. 12—Springfield at Springfield.

Sept. 19—Arlington at Arlington. Sept. 26—Central at West. Oct. 3—Cincinnati Hughes at West (tentative).

Oct. 10—Aquinas at West. Oct. 17—North at North. Oct. 24—Linden at Linden. Oct. 31—East at West. Nov. 7—South at West.

The Linden-McKinley game is scheduled for Linden's home field, not yet built. Should it be impossible for this stadium to be completed (a very likely possibility) it may mean a sixth home attraction for West.

Old Jupiter Pluvius put in his appearance in no less than four games this year, making the field a sea of mud on at least three occasions. Rain came down in torrents during the Linden-McKinley game at West, drenching players and spectators alike. Again at South and Central some rain fell and the field was muddy all the way. The homecoming game saw plenty of rain in advance but colder weather protected the fans from an uncomfortable afternoon.

Parent-Teacher Organizations

With the start of a new school year the work of the parent-teacher associations begins again in every school community. This hard working group of women (in most cases men play only a minor role) serves an important link between the school and the home, a role scarcely appreciated by those not in close contact with the work.

Time was (and no so very long ago) when most parents knew little or nothing about the workings of the school to which their children were sent. Most of them had only the word of the children for the type of work that was being done. The parent-teacher associations were organized to promote better understanding between parents and teacher. They have gone a lot further than that in many instances. Where school budgets have been badly pinched because of inadequate tax revenues for the proper maintenance of buildings and equipment, they have stepped in and purchased equipment as a result of money they are able to raise by dinners, selling cookies, novelties and whatnots, putting on plays, festivals, etc.

All of these activities mean work and plenty of it. Yet few of us realize the improvements that are brought about as a result of their efforts. For a few of the leaders, in schools the size of some on the Hilltop, the work borders on a full-time job for several months of the year. One local woman was heard to remark a few days ago, "I guess I will have to start getting up at 5 o'clock again so I can do my housework in time to work for the P-T A." We can easily imagine that this statement is not far from being a fact.

But the greatest contribution made by the mothers of our boys and girls in school is not in the money they raise, important as this is to many schools, but rather in the degree of cooperation and mutual understanding that is fostered by their work. The two most important factors in the lives of most boys and girls today are the home and the school. If a common understanding can be had concerning the problems of both as they affect the lives of the children this is certainly an important step on the road to keeping youth on the right track.

May we ever continue to have mothers and teachers who are willing to sit down together and work for the betterment of our boys and girls.

PROMISE
If I live till Sunday
(Heart torn in two)
Here is what I promise,
This is what I'll do:

Leave your cage door open.
Let you fly about
(If I live till Sunday,
Which I doubt.)

Sunday is tomorrow.
If I live till then
I'll restore the freedom
Of your wings again.

Loving you, I'll leave you
To the winds and bliss.
(If I live till Sunday,
Lost like this.)

I will cross that bridge
Before I come to it.
How else shall I find

And the lean gray masts
And the wheeling sails
Of my necessity!

Before I come to it.
Before I follow me.

Heard at a drug store lunch
counter:

First Girl—Why did they separate?
Second Girl—Nobody knows.
First Girl—Oh, how terrible!

Here's another one of those silly
yarns that we'd never think
of printing:

"I don't mind you naming me
Alaspar Smith, mother, but why
Alaspar Y. Smith?"

"Why, after Shakespeare's hero,
of course! Surely you know of
Alaspar Yotick!"

Here lies a young salesman named
Phlopp.
Who married, on one of his trips,
A widow named Block.
Then died of the shock,
When he saw she has six little
chips.

First Fisherman — The other
day I went fishing and caught
one of those great big fish—let
me see, what is it you call them?
Second Fisherman — Oh, you
mean whale.
First Fisherman — No, that
couldn't have been it; I was using
whales for bait.

Chief, to his office boy—So you
want another day off? I am inter-
ested to know what the excuse
is this time. You have been
four times this year.

One of the Lincoln stories has
it that, during his 1845 campaign
for congress, he attended a
preaching service of Peter Cart-
wright. The evangelist called on
all who wished to go to Heaven
to stand up. All arose except Lin-
coln. The evangelist called for all
to rise who did not want to go
to hell. "I am grieved," said Cart-
wright, "to see Abe Lincoln sit-
ting back there unmoved by these
appeals. If he doesn't want to go
to Heaven, and doesn't want to
escape Hell, will he tell us where
he does want to go?"
Lincoln got up slowly and said:
"I'm going to Congress."

"So your friend the statistician
is spending his vacation at the
beach?"

Friday is the Day! Yes, Friday
is the day for the June Senior
class. Friday evening, November
22, the 12B's are holding their
first social event of the year. This
will be a party known as "The
Riot". It will be held in the West
High gym at 8:15 and all seniors
are asked to cooperate by turn-
ing out for this first big class
event of the year.

Did you know we had a composer
at West High School?

Yes, that new, popular song
"As the Buff and Brown Falls
into Line" that you have been
hearing at the football games
this year was written by our own
Pat Perry, a junior.

We wish to extend a welcome
to Lea Eisner, a new student at
West. Lea hails from Brooklyn,
New York, and is a 10A. Hope
you like it, Lea.

Seen around West: Dave Dup-
ler in the uniform of the United
States Army.

Also seen home on leave was
Dick Gubsch, a member of the
Marine Corps. Dick was sporting
the latest in "no-hair" styles.

We are glad to hear that Pat
Linville is home from the hospital,
and on the road to a speedy re-
covery. Hurry back, Pat!

We were all happy to see Eva
Wright back at her teaching po-
sition at West after several weeks'
illness.

Don't Shoot The
Hen Pheasant

The hen pheasant has often
been called the "goose" that lays
the golden egg" and particularly
this year she is just that. Don't
shoot them. In the first place it is
a serious offense here in Ohio
and you'll only be killing the
"goose."

Ohio will need every hen
pheasant, along with a few cock
survivors of the 1946 season,
to help pull the state out of its
present pheasant population
slump next spring. A legally
shot pheasant is somewhat of
an expensive chunk of meat con-
sidering the dollars and cents val-
ue, but if you want some really
expensive meat a hen pheasant
in your game bag will fix you up.
Everything possible has been
done this year to conserve a safe
brood stock. The possession limit

Your Guess Is

Take, for instance, a widely advertised can of soup that you
purchase from your grocery store for 10c.

Then ask your neighbor how much of that 10c goes for ad-
vertising. She'll probably say, "Oh, about 1 or 2c" or "10 to
20%."

That is where you can correct a great American illusion. The
actual cost is only 36/1000 of one cent.

And actually advertising absorbs its cost because without the
wide volume of sales brought about by advertising, the soup
couldn't be sold for 10c. In fact, this soup 15 years ago cost
you 12c retail. Advertising, by expounding distribution and
increasing sales, made economies possible which cut 2c, or 16%
off the retail price of soup.

Advertising is everybody's friend because it continually acts
to lower the cost of living.

Meet The Maxwell Men

Shown in the top photo are five of the reasons why Bob Maxwell is doing such a good job in the advertising department of The Hilltop Record. They are his five sons (reading left to right) Dwight, one year, Thomas 3, William, 4, David, 6, and Robert, 8.

Papa Bob is shown at the right. Mr. and Mrs. Maxwell and their five sons live at 104 S. Highland-av. They are members of the St. Aloysius Church and the two older sons attend St. Aloysius School where David is an honor student in the second grade.

Bob joined the Record staff three months ago and, as advertising salesman, calls on many Hilltop and West Side business firms.

He graduated from West High School and was employed by the Cusack and Fearn Co. Later he was in the bookkeeping department of the Columbus and Southern Ohio Electric Company.

In his spare time, Bob serves as financial secretary of the Santa Maria Council of the Knights of Columbus.

Banquet Climaxes West Grid Season

One of the basic troubles with the world today is that it "hasn't" learned the spirit of sportsmanship as taught to high school football players," the Rev. Penryson Guyer told a gathering of more than 300 persons at the West High football dinner held at the school cafeteria last Wednesday night.

Described by many who attended as one of the most successful dinners of its kind ever held on the Hilltop, it was given by the Hilltop Business Men's Association as a tribute to the 1946 team coached this year by Mack Pemberton, assisted by Fred Heischman.

Sandwiched in between a series of rapid fire humorous stories and original wit, the speaker gave this three-fold formula as a guide for the members of the team to follow in later life:

1. Use your head.
2. Use your hands.
3. Use your heart.

The Rev. Mr. Guyer, who has addressed more than 1,500,000 persons, although still a young man, pointed his talk to members of the squad being honored.

Kids today have opportunities their parents never had," he told the boys in highlighting recent developments in scientific achievement.

Coch Pemberton presented the members of his team to those who had gathered to honor the boys and their coaches. He introduced each boy, commenting on the personal contributions of many of them, and announced the variety and reserve letter winners. The actual letters will be given at a school assembly later in the year.

Borrow Respected
Don Borror, a senior and three-letter winner in football, responded for the team and presented gifts to the coach and his assistant. Dr. J. J. Miller acted as toastmaster.

Miss Emma Uncapher, cafeteria manager, was given a beautiful bouquet of flowers for the way she prepared and served the dinner.

Among the guests introduced were L. E. Replogle, assistant superintendent of schools, Principal and Mrs. Irvin P. Young, Blanche Kern, vice principal at West, Mr. and Mrs. George Williams, Mr. and Mrs. R. C. Glass, Mr. and Mrs. Harry Zulauf, Prof. McBride, from Ohio State University, and Louis Berliner, sports writer for the Columbus Dispatch.

Charles Bennett, music director, led the group in singing "America" and the school's alma mater, with Mrs. Bennett as the accompanist. The Rev. J. Herbert Goewey, pastor of the Hillcrest Baptist Church, gave the invocation.

Nomination of a state of officers for 1947 was adopted at a short business meeting which

They Set Out Bulbs For Spring Flowers

Members of the 7th and 8th period botany classes were busy setting out tulip and crocus bulbs when Record Photographer Ray Gaugler happened by West High School a few days ago. Shown in the picture (swinging the sledge hammer) is Virginia Watson and (to her left) Doris Sailer.

In the front row (left to right) are Jean Chantrel, Marguerite Chester, Bob Horvach, Mary Ellen Hull and Julia Hughes.

The absence of other male members of the class might be explained by the fact that it was the first day of hunting season when the above picture was taken.

followed the banquet. Stated for office of president of the HBMA are Joe Goodwin and Dr. Miller. The complete list of men nominated was carried in last week's Hilltop Record.

The Chatterbox was voted into membership by the group while another application for membership was held up pending further study of the by-laws of the organization.

Trends Combine Old With New Themes for Fall Styles

The Fall fashion picture is full of surprises—coats are in the lead. Silhouette, variety, spiced fall coats, fitted waistlines make news in softly treated style. They vary from the high-fashion trench coat, with its huge collar, fitted waist, important revers and pockets, to the full swinging topper, with a deep collar and wide, fur-trimmed cuffs. Toppers for day and evening are many-styled. The floor length, wool evening wraps are to be found in shorter lengths made formal by the use of braiding and embroidery or velvet accents. Toppers show fullness throughout—whether fitted or swinging free.

Full sleeves give the newest look to coats. . . . melon, lacrim, leg o' mutton and bishop. . . . and yokes and drop shoulders vary the classic pattern.

Belted daytime, three-quarter length, double breasted coats, with deep revers—and a single breasted, regular sleeve, belted types, with full pleated skirts—are news.

There are many collarless dressy coats, with huge bands of fur used at the bottom as a skirt that flares from a fitted waistline. These coats have wide fur bands on open flaring sleeves. Fabrics are taking on a silky look and the newest weavens show a fondness for sleek surfaced flannels or silky broadcloths, in the new "rise and shine" trend in all fabrics.

That little "wool dress" is in every category: in jersey crepe, gabardine, flannel, fine worsted and tweed; in the daytime, semi-sports, and sportswear class. For luncheon, daytime and town wear, it comes in crepe, sheers, hard and soft worsteds and wools.

Local Fund Workers Rated High In 1946 Campaign

Final report on the work of the Women's Territorial Division of the 1946 Community Fund Drive reveals that both the Valley and Hilltop groups went over the top by substantial margins.

On the Hilltop, a total of \$2819.12 was collected, representing 118.7 per cent of the goal. The Valley group, first to reach their goal, was first in the county with 141.1 per cent.

In the Valley group, headed by Mrs. Charles Davis, as colonel, Mrs. Carl Bogart was the high major with 180.3 per cent reported. The other major, Mrs. Theodore Bieber, was credited with 126.5 per cent of her assigned quota.

Mrs. Ray Cave, colonel of the Hilltop group, reported the following standings of her majors: Mrs. Floyd Martin, 133.7; Mrs. J. H. Kirkpatrick, 133.4; Mrs. Elmer Meyer, 133.3; Mrs. E. R. Tilly, 124; Mrs. Howard Balzer,

117.4; Mrs. H. A. Moffat, 108.6; and Mrs. Don Neel, 101.8. The Hilltop group finished third in the county standings. Both Mrs. Cave and Mrs. Davis expressed their personal appreciation for the good work done by their majors, captains and workers in their respective territories.

FALL FAVORITE

Gray and black striped men's wear

jacket.

THE BARQUE JACKET rates top honors in suits for Juniors this Fall, with the bolero competing. The new 1946-47 versions by New York's designers make use of striped men's wavy wools, pin-checks, gray flannels and bright colors in tweeds and wool jerseys. New sleeves, such as the deep underarm type used in the suit pictured, and full shirtwaist cuffs at the wrist, add interest to many of the jackets. There is plenty of "back interest," too, showing up in port little fanlike, in the new "contour back" jacket, shaped to the small of the back, and in dipped hemlines for cutaway jackets. Suit skirts are frequently gathered in front and plain in back, and many are finished with high waistbands.

Rev. Ashburn

Rev. Jacob Ashburn, pastor of the Oakley Avenue Baptist Church and the oldest Hilltop minister in the point of service, will be the speaker of the morning of Thanksgiving Day. Rev. C. F. Lutz, pastor of the host church, is in charge of the arrangements.

Rev. Lutz

Winter Quarter To Open Dec. 9

The Columbus Bible Institute will open its winter quarter at 743 Dennison-av, Monday, Dec. 9. It was first incorporated in January, 1913, by John E. Lewis, Harry Williams, P. H. Hughes, Robert W. Stevenson and Ward H. Davidson and classes were conducted for two years in Central Baptist Church which was then known as the Russell Street Baptist Church. From 1920 through 1933 another effort was made to establish the institute. Then, again, from 1940 through 1942 informal meetings of a class in child evangelism formed the basis for another attempt to make the institute permanent among Columbus institutions.

Both of these refunding endeavors, although under the name of Columbus Bible Institute, were made without the knowledge of the original 1913 incorporation. However, formal transfer of incorporation has just recently been made through permission granted by Ward H. Davidson of Seattle, Wash., one of the original incorporators, to Evelyn Buchner, 2825 S. High-av, W. Q. Ravburn, 1950 Floral-av, Harold G. Stigens, 743 Dennison-av, and Creston O. Callahan, 70 E. Olentangy-st. the present officers of the institute.

With this legal adjustment having been completed, three courses of study being offered to an enrollment of 49 from 16 different churches, and a faculty of 16 seminary or Bible Institute graduates giving time without charge, the institute is in good position to serve the needs of central Ohio in preparing more efficient Sunday School teachers and church workers.

Complete information will be furnished upon request to the registrar in writing or by calling AD. 3383.

Dr. Eddy To Speak Sunday

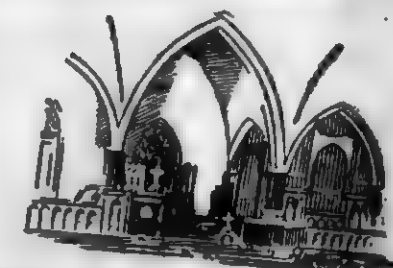

Dr. Sherwood Eddy, world traveler, lecturer and Christian leader, will address the Fellowship Church Sunday afternoon at 4:30 o'clock. The service is to be held in the First Congregational Church, 44 E. Broad-st.

Music will be furnished by the cappella choir of East H. School, directed by Miss Miriam Summerford.

Why Scold?

It may let off steam. Dad probably feels better now that he has gotten it off his chest. But it really hasn't helped Bobby very much. He is a bit frightened, of course, and so he is willing to promise most anything. But he hasn't really changed his mind. Whether it is a matter of leaving spinach on his plate, playing with some companions who will get him into trouble, or not wanting to go to church, a ton of scolding isn't as good as an ounce of example. So don't scold him! Show him! Set the example! Jesus Christ came into the world as an example for men to follow. His influence has reached millions because his living was as pure as his teaching. Exhortations and instruction are wholesome and necessary in the training of youth, but the example of clean living is the most potent of human influences for good. The Church and the Bible will aid you in your quest for knowledge and exemplary living.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

Telephone Co. Holds Open House

The spinning of a telephone dial and the cheerful response of the long distance operator when "110" is dialed today has a new significance to several thousand Columbus residents who attended the Ohio Bell Telephone Company's "open house" last week at the Adams-Main exchange at 104 W. Third-st.

Previous to the public visitation period, the dialing of a series of numbers to call Aunt Minnie at the other end of town and inquire about her rheumatiz or calling long distance, "the voice with a smile," to transmit a hopeful vacation query to a New York ho-

tel was merely an intangible something or other that enabled you to contact someone, somewhere, without the formality of a personal visit.

But to those who attended the open house and saw their telephone exchange at work and watched the operators connect calls to all points of the country, "long distance" is no longer an anonymous voice out of nowhere, but a definite personality. They have seen the "voice with a smile" develop into an individual doing her utmost to send the "voice of Columbus" to any person, any place or any ear it wants to reach.

Sometimes the long distance operator seems a bit slow in answering. Open house visitors

found out why. They're convinced she isn't enjoying a nap or listening to some Columbus troubadour strumming a guitar under the exchange windows. She's just busy handling the 15,000 outgoing and 30,000 incoming long distance calls that pass through Columbus switchboards daily and trying to get to our call as quickly as possible.

Adams-Main exchange visitors also discovered that there is another group of operators who play an important part in the furnishing of service to Columbus telephone users. These are the information, intercepting and dial assistance operators on the seventh floor of the downtown exchange.

Starling News

Junior Red Cross Drive Goes Over At Starling

Starling Junior High students have taken an active part in the Junior Red Cross drive. Under the direction of Mrs. Phillips and Mrs. Wiseman they have filled 15 boxes for Christmas gifts to European children.

Each box will contain such articles as crayons, pencils, tablets, wash cloths, toilet articles, chewing gum, hankies, notions and small toys.

The room representatives, who aroused the interest of the school, were Delores Allen, James Bates, Oren Buckley, Patricia Dishong, Robert Drenning, Barbara Emmitt, Larry Fleming, Sharni Frederick, Delores Gomez, Barbara Harrison, John Holt, Robert Howard, Marilyn Jackson, Arlene Johnson, Myra Jones, Rita Kettel, Ann Knope, Jack Kock, Hazel Lewis, Shirley Manzor, Lois McCall, Joan Melfi, Carol Miller, Paul Odum, Paul Pettit, Richard Power, Anna Rathburn, Ella Mae Sharp, Christine Skinner, Sandra Stewart, Thorton Stewart, Jeanne Whitelide, Lundy Williams, Patty Winer and Joan Wolf.

Letters for Red Cross Boxes. Letters written by pupils in Mrs. Bauer's classes are to be enclosed in the Junior Red Cross boxes sent to Europe by Starling pupils. The following 9A's wrote letters: Velma Davis, Jane Battrell, Jo Ann Jones, Lois Farrand, Marilyn Taylor, John Wolfe and Dorothy Horn. 7A's who wrote are Gerald Hook, Pauline McClatchey and La Vonda Foulk.

Miss Strickland Comes to Starling. Miss Delores Strickland, who recently accepted the position made vacant by the resignation of Mr. Jenny, came to Starling from Wooster College, where she taught physical education. She is a graduate of Central High School and Ohio State University. She started teaching after receiving a degree from Ohio State.

When asked how long she expected to teach, Miss Strickland replied, "As long as they'll let me." Her two hobbies are eating and going to football games. During the summer she supervises playground activities.

John Trace, an employee of the Board of Education in charge of veterans' training, spoke to Starling 9A's about occupations, Oct. 23.

One of the most important things Mr. Trace said was, "Do

not make all of your studies toward one goal. Leave the field open for a number of occupations, because, if you study toward only one, it may later prove uninteresting and you would either have to take another course or go on with an occupation that you do not like."

Mr. Trace stated that if you like your occupation you will do a better job at it than if you are not interested. He says it is not a waste of time to read about different jobs, for some may prove interesting and some may not.

Mr. Trace gave every pupil two papers containing questions and information about occupations.

Some facts on occupation are:

a. Wages should not be the only factor to consider.

b. When in the ninth grade it is not wise to make a definite decision concerning the job to be entered because tastes may change as the individual develops.

Some important questions on occupation are:

a. What special abilities are needed?

b. What responsibilities must be assumed?

c. What education and training are needed to begin the work?

d. How long does it take to get the necessary training? What does it cost? Where can it be obtained?

e. At what age can you enter the work?

West Junior Band Plays at Starling

West Junior High School Band appeared at a special assembly in the Starling auditorium Oct. 23. Under the direction of Charles Bennett, they played "The Star Spangled Banner," "Waltz Chalmers," and "Military Escort."

Six charming drum majorettes twirled their batons while the band played the march. Loud and long applause showed the interest and appreciation of the audience. This junior high school band is a good example of what might be expected here at Starling when the new band gets started under the direction of Mr. Rokey.

NEW STARLING STUDENT COUNCIL

Starling Student Council members chosen at the section last week are: 7B's, Charles Fischer and Charlotte Davy, both from room 38C; 7A's, Fred Robinson, 3, and Sharon Frederick, 14; 8B's, Delores Dennis, 35, and Ralph Van Atta, 37; 8A's, Willis Kern, 32, and Lois Long, 34; 9B's, Ed Accella, CW, and Dorothy Cassidy, CK; 9A's, Harry Hoffman, 13R, and Barbara Frederick, 13R.

A Gift 52 Times Each Year

WHEN you've just about completed your shopping list, there's always the family next door who've shared their lawnmower, the Joneses in the country who were so nice to Billie, and the friend of the family who is back from the service and heading off for college or a new job... not to mention brothers and sisters or sons and daughters.

OF COURSE they probably get The Hilltop Record now, but a year's subscription payment will please them whether it is new or a renewal... not once but 52 times between now and Christmas 1947, they'll recall your thoughtfulness.

IT'S EASY shopping too, just call the office or drop a penny postcard in the mail box telling us whom you wish to remember in this way. They'll get a card advising them of your gift.

YOU CAN'T find a more economical gift either. Less than 4c per copy in Franklin County... only slightly higher outside the county.

They Entertained Football Fans Rain Or Shine

Here is West High School's band. The school and community can well be proud of this group of musicians, directed by Charles Bennett, for the work they did through the football season. They played for all nine grid attractions this season both at home and away from home, presenting from six to nine formations per game. Inclement weather did not prevent the young

musicians from going through with their planned program. At South, Central and for at least one home game the playing field was a sea of mud when they went out to "do their stuff," but they put on their show just the same. Thirty of the 70 musicians are seniors this year and have played for their last football game.

Site For Hall Comes High, Board Learns

Trustees of the new memorial hall project for Franklin County this week ran into one of the many problems they will be confronted with in attempting to get the construction plans in operation.

The Columbus Real Estate Board placed a valuation of \$748,275 on the site selected several months ago for the new \$4,500,000 memorial auditorium. Trustees had set \$500,000 as the top figure they could pay for a site and still build the kind of a structure called for in preliminary plans for the building.

The site is located on W. Broad-st in the city center, just across the Scioto River from City Hall. It has an area of about 11 acres and contains 28 parcels of real estate, most of them improved with buildings of various types and conditions.

George M. Ward, executive secretary of the board, in announcing the valuation set by the Columbus Real Estate Board, termed it "a bit higher" than the board had anticipated. The entire site is valued on the tax duplicate at \$248,660, more than \$500,000 less than the real estate board's appraisal.

Institutional Employees

About four-fifths of the state governments pay a basic cash salary plus maintenance for institutional employees; the practice in cities and counties is divided equally between giving employees full or partial maintenance in addition to a cash wage, or giving a gross salary and deducting charges for items taken.

Blue Cross Enrollment Week Is Being Observed In Cols.

Community enrollment week is being observed this week by the Blue Cross plan of hospital care of Central Hospital Service under the leadership of the board of trustees comprising local business and professional people. An opportunity will be given the people of Columbus and Franklin County who do not have Blue Cross Hospital care coverage, to enroll during the six days starting Monday and continuing through Saturday, Nov. 23. Officers and the board of trustees are John A. Connor, attorney, president; James A. White, attorney, vice president; Fred E. Zuber, Ohio National Bank, secretary; treasurer; L. A. Seyffert, director of Ohio Fuel Gas Co.; Sister Mary Alfreda, superintendent Mt. Carmel Hospital; W. M. Summer, attorney; Dr. J. H. J. Ugham; Dr. H. A. Hinthorne; Ralph D. Henderson, business manager, Columbus Citizen; Austin McElroy, Insurance; Dr. H. A. Baughn; E. C. Pohlman, superintendent Grant Hospital; Dr. C. E. Holzer, Holzer Hospital, Gallipolis; H. E. Cook, state superintendent of Banks; F. M. Marriott, attorney; Dr. C. C. Sherburne; Louis B. Blair, superintendent University Hospital; and H. E. Gregg, personnel director of Curtiss-Wright Corp.

Booths have been established at convenient downtown and suburban locations with Blue Cross representatives in charge to explain Blue Cross and accept applications. There is no obligation to enroll. Eligibility to membership in Blue Cross has been limited to employed groups of five or

more persons, but during this community campaign week, groups having less than five employees may enroll.

Ralph W. Jordan, formerly secretary of the Ohio Hospital Association, is executive director and Lucille Brick, his former assistant, is associate director in charge of hospitalization. Blue Cross is national, with more than 24,000,000 subscribers.

The spokesman points out that statistically, one out of every 10 persons requires hospital care during the year. He says that the percentage of persons able to pay such an emergency bill is so small as to emphasize the importance of having prepaid hospitalization.

Hospital bills average about \$100 and with living costs up approximately 40 percent, thousands of families on fixed incomes could not manage such a sudden demand without borrowing.

Blue Cross Community enrollment week is sponsored by the local hospitals and under the leadership of the Central Hospital Service trustees. The trustees are all civic minded men and women of prominence who serve without pay. The Community Enrollment provides an opportunity for persons employed in groups of less than five to join. Those who work where there are more than five persons may enroll only through employer group arrangement. Details as to eligibility may be had at Blue Cross offices, 78 E. State-st, or any Blue Cross booth.

Fig Tree Flourishes In Greenhouse

A book was written about the tree that grew in Brooklyn, but how many know about the fig tree growing on the Hilltop?

The tree is not only growing but has just produced several luscious figs. The above Record photo shows Joseph E. Blinrich, owner of the Hilltop Florist, 511 S. Hague-av, holding several figs he just picked from the tree.

The fig tree, now three years old, grows in a corner of the greenhouse and is already crowding the ceiling for space. Mr. Blinrich got a small shoot of the fig tree from a friend and started it in his greenhouse more out of curiosity than anything else. Now it has filled up the corner and will have to be pruned back considerably to allow room for future growth.

Recent cool weather stopped the fruit from ripening since the temperature is allowed to drop below 60 degrees and the fig is a native of semi-tropical climates. The fruit forms without a blossom and requires only a short time to mature. The meat of the fig is quite juicy and sweet, tasting much like the dried variety or fig bars.

Poor Agricultural Country
From the point of view of topography, as well as of climate and soil, Japan may be classified among the poorer agricultural countries.

Fire Facts

While most fires are the result of ordinary fire hazards, sometimes an unusual situation is responsible for a costly blaze. A painter employed by a contractor was refinishing the woodwork in a large office building. He had been using a flammable paint remover, and was rubbing down the woodwork with steel wool. Carelessly he let the steel wool come in contact with an open light switch, producing a spark that ignited the explosive vapors and the wood wall panels that were saturated with the paint remover. Seven sprinkler heads opened and extinguished the fire before the firemen arrived. However, the office and furnishings were damaged to the extent of nearly \$2000.

Fires involving flammable paint removers and other flammable liquids are fairly frequent and due in many cases to the employees' unfamiliarity with the dangerous properties of the materials being used.

The use of non-flammable paint removers is recommended, otherwise, sufficient ventilation should be provided to carry off the vapors and care should be taken to avoid possible sources of ignition.

75 Are Killed In Franklin Co. Traffic

Forty-eight percent of the first 75 persons killed in traffic accidents in Franklin County this year were pedestrians.

A study by the Traffic Safety Committee of Franklin County disclosed that 38 persons were struck and killed while they walked on Franklin County streets, roads and highways. Of the total, 25 were injured fatally in Columbus.

The committee found that February was the worst month for pedestrian deaths and that fatalities from various causes were recorded most frequently in the 50-60-years-old group. Thirteen of the 75 persons killed were between 50 and 60.

Twelve victims were recorded in the 30-40 age group while 10 each were reported in the 10-20 and the 10-years-or-younger categories. Fifty-two males were killed as against 23 females. Deaths in Columbus totaled 39, compared with 36 in the county outside the city limits.

In view of the alarming high percentage of pedestrian deaths, the safety committee warned all

persons to observe the basic rules of safe reservation. The group found that most of the pedestrian deaths outside Columbus were caused at night by motorists who struck persons walking on the right side with traffic instead of against it, as is proper.

The committee observed that a "careless pedestrian" is as guilty as a careless driver. Pedestrians were warned:

1. Not to cross against red lights.
2. Not to jay walk.
3. Not to step from between parked cars.

For muscadine jam, wash grapes, slip skins and simmer them in a very little water until just tender. Heat pulp separately to loosen seeds, then put through a colander. Combine pulp and skins and measure. Add 1 cup sugar to each 2 cups grape mixture. Add a pinch of salt. Boil briskly until thick. Pack in Renegade No. 2 (in cans while boiling hot. Process in boiling hot water bath for 10 minutes. Plunge in cold water and cool quickly.

Acme Laundry Placed 8 On Bantamweight All-Star Eleven Beat Once In City Loop

Acme Laundry ended the season on Nov. 10 by defeating the Timber Wolves 12 to 0 in a virtual sea of mud. Both touchdowns were scored by Bob Smith.

Eight members of the Acme eleven were selected to play with the all-stars in the game against Melman Corners Friday night. Players thus honored were Fred Pagura, Gordon Walker, Eddie Cline, Dick Underhill, Jim Rose, John McLurg, Dick Laemmle and Bob Smith.

Earlier in the season the team scored an upset by holding Melman Corners, city 1946 champs, to a 7-7 tie. Losing in the closing quarter, 7 to 0, Laemmle threw a 45-yard pass to Underhill, who went over for the score. Laemmle's kick was good and the game ended in a tie.

Acme won five, tied one, and lost one. The lone defeat was at the hands of West Side Merchants by a score of 8 to 0. High scoring honors went to Bob Smith, who accounted for 24 points. Close behind were Laemmle and Underhill with 19 and 18 points respectively.

Victories included a 27-0 win over Co-op Farmers, a 21-0 triumph over Galloway Boosters, a 12-6 edge over Santa Lucia, and a 7-0 shutout over Central Community.

Members of the Acme Laundry team in the Bantamweight Football League are shown above in the Record photo taken by Ray Gaugler. All Hilltop and West Side boys, they placed eight players on the city all-star team that played against Melman Corners at Central High School grounds Friday night.

In the first row (left to right) are Bob Dixon, Mike Mowrey, Ray Noble and Bill Stecca. The second row is made up of Tom Kuhn, Jack Siecia, Fred Pagura, Gordon Walker, Eddie Cline, Jack Smith and Dick Underhill.

In the third row are Tim Sweeney (coach), Jim Rose, John McLurg, Jack Knox, Dick Laemmle, Bob Smith, Dick Murphy and Jim Burke. Bob Cunningham, Don Whill and Halie Wilson were absent when the picture was taken.

Four of the stalwarts on the West Side Merchants bantamweight football team, runners-up for the city championship this year, are shown in the above Citizen photo.

Mitchell and Cahill were guards on the West Side eleven while Galford was the center. Joe Ryan played at halfback.

Golden Triangle Club Organized Three Years Ago As Social Group

Three years ago, on Oct. 20, 1943 to be exact, nine men (all members of the Auxiliary Police) got together to see what could be done about organizing a social club. At that meeting the name "Golden Triangle" appeared and

around that name the club was formed. Later, realizing that a club needs more to hold it together than just good times, the sides of the Triangle were named with the thought in mind that this would be the goal to be strived for. The base of the Triangle is "Good Fellowship," without which no organization can long stand. The two sides are "Dependability" and "Patriotism." Both are also necessary to a good organization. The club's purpose is "to promote friendships and social activities among members and their families."

On Nov. 2, 1943, the first regular meeting of the Golden Triangle Club was held. At this meeting an announcement was made that clubrooms had been obtained at 2871 Sullivant-av. This clubroom was maintained until November, 1944, when the club moved to its present location, 2381 Sullivant-av.

In June, 1944, the club became incorporated under the laws of the State of Ohio as a non-profit, social organization. By the close of 1944 the membership had grown to 16. Today it numbers 30 "Good Fellows" in its membership with several prospective members on its list.

Each year since its inception the club has held a family picnic at Valley Ranch and a Christmas party at the clubrooms. Regular meetings are held weekly and an open house for members, their wives and guests is held once each month. The clubrooms are always open to members. Available are a music box for dancing, ping-pong table, pool table, radio, dart games, cards and other equipment necessary to make up an enjoyable evening at the club.

This year the club celebrated its third anniversary with a dinner and party at the clubrooms, on Tuesday, Nov. 19.

The present officers are: president, E. Walter Dillow, 710 S. Richardson-av.; vice-president, Wilbur Kuhnheim, 2453 W. Broad-st.; secretary, Glen Hudnell, 564 S. Oakley-av.; treasurer,

George McKinley, 1066 Thomas-av.; and a five-man board of directors consisting of Vice-president, Kuhnheim as chairman; Howard Bettes, 587 S. Oakley-av.; Charles Moore, 671 S. Eureka-av.; William McCormick, 687 Wiltshire-rd., and Whit Reed, 298 S. Oakley-av.

Service Station Adds New Battery Charger

Hartry and Wolfe Gulf Service, Eureka-av and Broad-st., has just added a new fast battery charger to their service equipment. Recently they installed a Moto-Sway outfit for use in lubricating cars.

Use Shotgun Shells Sparingly

Ohio hunters again this year face empty shelves in many a hardware and sporting goods store—shelves which normally at this time of the year are laden with boxes of shotgun shells. Ammunition manufacturers promptly some word that a few small shipments of shells might reach the dealers' shelves between now and the opening of the rabbit and pheasant season at noon on Friday, Nov. 15, but the expected increase in the number of hunters will not allow many hunters Ohio Conservation officials during the war years when shells

were almost completely "out" for civilian use, urged hunters to join the "share-the-shells" campaign. Many a hunter went afield with as few as three or four shotgun shells for the day's hunt. But he got his game. He simply used the wise method of "waiting till he could see the whites of their eyes" before shooting. He just didn't take chances with doubtful shots. Hunters are again urged to share shotgun shells and to use them sparingly. Don't waste shells on long range shots.

Combat experienced service men will need to use special care in particular. A target with an army rifle was a cinch at 500 or even greater yardage. They will have to accustom themselves to pulling the trigger at such ranges

as 45 to 50 yards in order to conserve shells.

Many reasons are being offered to explain the shell shortage, but the main one is a very acute shortage of lead. Dealers in the spring and summer had huge stock piles of shells and they were led to believe shipments would follow in normal fashion. But customers who were skeptical "laid-in" shells by the carton.

With a bit of sharing, the kind that always typifies sportsmen of the outdoors, and with some self discipline in the use of shells, hunters will still have fun in the fields in the fall.

FALL FISHING GOOD
Although most people think of fishing in connection with the warm spring or summer days, there's still plenty of time to get in a fishing trip or two. According to reports reaching the Division of Conservation Headquarters in Columbus, fall fishing is actually a little better than the hot late summer.

Most veteran fishermen agree that night fishing in the fall of the year usually is very poor compared to the summer months but during the day fish are just as active and hungry as in the warmer months. The fall of the year usually brings extremely low water and fish tend to go for the pools which are usually less affected by the general rise and fall of the stream.

Columbus—America's
Dangerous City

Columbus is rapidly gaining a national reputation as America's most dangerous city. The traffic toll in the city and Franklin County has reached such proportions that one takes his life in his hands when he steps out on one of our thoroughfares or drives along our city streets.

The very bad accident on the Hilltop on Monday morning brings to the attention of us all that it is high time we are taking drastic measures to make Columbus a safer city.

It has long been contended that a traffic light is needed somewhere in the vicinity of the West Broad viaduct. Traffic comes in off the national highway at a breakneck speed and is slowed down only when it reaches Hague avenue.

But our so-called traffic experts say this is not a solution of our problem. Yet it is still a fact that speeding traffic is resulting in more and more traffic deaths.

Columbus and Ohio generally can stand some drastic changes in our traffic laws and the enforcement of them. Ohio is lagging behind other states in the union, in safety, as a result of poorly regulated traffic.

Notes and Nubbins: See where Gus Johnson of the C. & S. Dine Stores is a new member of the Chamber of Commerce. Arthur Block inquiring about advertising rates. We know who will win the \$25 for being voted the Hilltop's most courteous clerk, but it's a dark secret until the next Courtesy Clinic meeting Dec. 2.

Hilltopper Wilma Hurrell was on the art committee at Wayland Academy. Dan Wist, for the production of three one-act plays on Nov. 22. Frank Prince knows better than to take son Frank's recommendation on a football bet after that Michigan game.

Sat. night will be a horse race at Lexington, Ky., and is quartering them at Beulah Park. Understand one of Sterling Good's favorite breakfast menus is sweet potatoes with tomato sauce. Jack Boyer, 384 N. Wayne-av., was in this past week to say hello and tell us how he enjoyed reading the Record in his office.

Thanksgiving Dinner Will Cost 11% More

When Mrs. Hilltop Housewife starts to prepare her Thanksgiving dinner this year, she will have an approximate 11 per cent increase in prices over last year. A survey of items to be used in a typical Thanksgiving dinner, and their prices, was made, in order to figure out the cost of the entire dinner and to compare the cost of this year's meal with that of last year.

The following list of items (about what would be needed for an average family of four or five persons) and their prices, quoted by the Fox Food Market, 2422 W. Broad-st., was compiled by The Hilltop Record.

Assuming that a 10-pound turkey, which would cost \$7.00, would serve this size family, and building the rest of the dinner around the turkey, the menu would include the following prices: Fresh cranberry sauce, \$3.39; mashed potatoes, \$1.15; dressing, \$3.30; bread, \$1.14; fresh sweet potatoes, \$2.20; three quarts milk, \$5.57; one pound lard, \$3.39; pumpkin (can), \$1.18; five pounds flour, \$3.38; one pound coffee, \$3.39; corn (can), \$1.19; fresh carrots (bunch), \$1.10; pascal celery (two bunches), \$3.38; peas (can), \$2.21; head cabbage, \$1.13; five pounds sugar, \$5.51; pound butter, \$5.53; large can fruit cocktail, \$4.40; can olives, \$3.39; sweet pickles, \$2.23; whipping cream, \$4.40; pound walnuts, \$4.40.

Last year a turkey of the same size would have cost \$6.20, the fresh cranberries were \$1.10 cheaper and a can of pumpkin cost \$1.18 rather than \$1.19. Not to mention that butter is now \$5.53 compared to about \$5.00 for last year.

Edward Carroll Dies En Route To Hospital

Edward Sheets Carroll, 46, of 381 S. Orden-av., died Sunday en route to St. Francis Hospital. An autopsy was to be held to determine cause of death. He had been in ill health and the ambulance was called after his condition became worse.

Mr. Carroll, sergeant of the guard at the Curtis-Wright plant here for five years, was a member of the Burgess Avenue Evangelical United Brethren church.

Surviving are his wife, Mrs. Helen A. Carroll; three sons, John, Michael and Edward Carroll, Jr., all of Columbus; his father, Edward P. Carroll, at the home, and a sister.

Funeral services will be held at 2 p. m. Wednesday at the Jerry Speers Funeral Home. Burial will be in Green Lawn Cemetery. Friends may call at the funeral home.

Courtesy Clinic To Be Held Monday

Cramm, Maynard Slated To Speak To Employees Of HBMA Firms Here

The third and final meeting of the Courtesy Clinic will be held at West Broad Street School Monday evening, Dec. 2. Speakers for the evening are to be Ramon Cramm, promotional manager for the Columbus Dispatch, and Dr. H. H. Maynard, of the Department of Commerce, Ohio State University.

The three meetings were arranged by the Hilltop Business Men's Association for the benefit of their employees as a part of a Courtesy to Customer Campaign launched early in the fall.

The winner of the \$25 cash prize for the most courteous sales person will be announced at the Monday night meeting. Voting by customers of HBMA stores and places of business ended on Nov. 16. According to judges of the contest, 42 local sales people received votes in the contest. Kilroy, the man who seems to have been everywhere, received three votes but was far out of the running for the honor.

Mr. Cramm, who is responsible for his newspaper's contact with the public, has directed many outstanding promotional activities in Columbus, including world's fair tours, the Columbus Zoo and the Police Pistol Range. He will be remembered on the Hilltop for his "typical family" contest won by Franklin D. Sparks and his family. Sparks is now owner of the Hauntz Food Market here.

The service edition of the Dispatch, read by thousands overseas, is another of his promotional undertakings. His subjects will be "Turning Contacts Into Sales."

Maynard On Faculty Since 1923

Dr. Maynard, who serves as chairman of the department of business organization at OSU, has been a member of the faculty since 1923. He has been an active member of the Columbus Advertising Club, is a past president of the Columbus Kiwanis Club, and has held high offices in Masonic orders.

He is co-author of several books including "Principles of Marketing," "An Introduction to Business Management," "Retail Marketing and Merchandising," and "Sales Management." He will speak on the subject, "Store Arrangement—Making Best Use of Displays."

Certificates of award will be given to all employees who attend all three sessions of the "Courtesy Clinic." A list of prizes will be awarded to those attending.

Cash awards of \$25, \$10 and \$5 will be made for the best letters written by sales people on practical use of ideas gained in the clinic.

Tickets On Sale For Scout Dinner

Attention is called to the fact that tickets for the SouthWest District of Boy Scouts annual dinner are priced at \$1.50 per plate instead of \$1.25, as first announced. The banquet is to be held at Hoge Memorial Presbyterian Church on Dec. 5. There will be a guest speaker.

Tickets may be secured from Herman Eisele, RA. 6652, or Charles Reichelderfer, RA. 3822. Reservations must be in by Tuesday evening, Dec. 3, at 8 p. m., at the K. P. Hall, Burgess-av. and W. Broad-st.

There will be exchanging of gifts, with each lady and gentleman bringing a 25c gift.

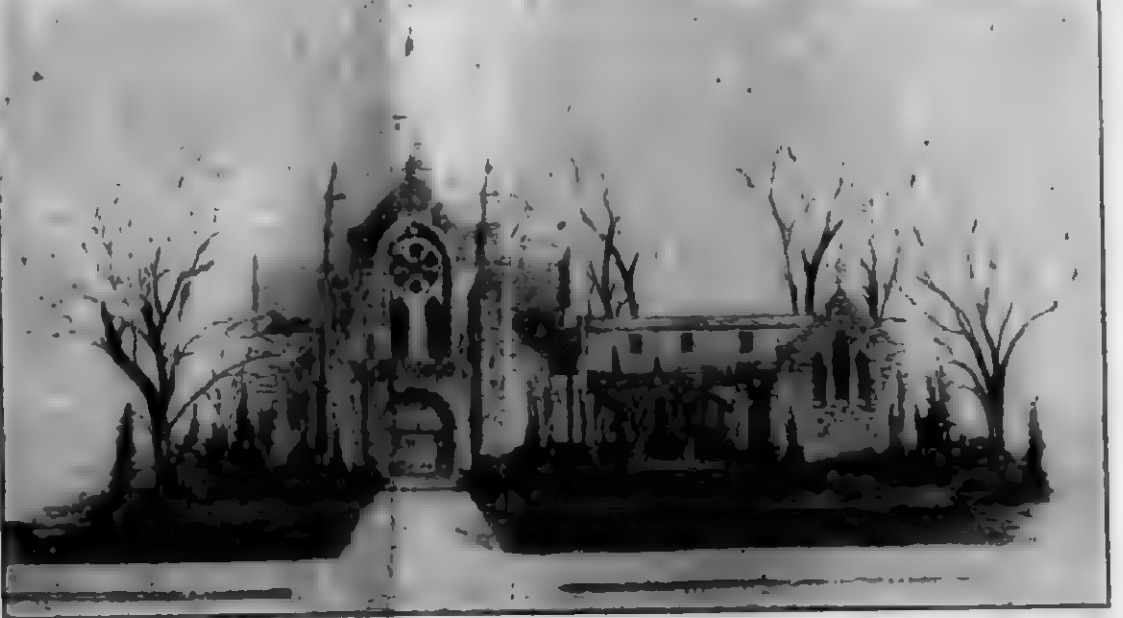

F. E. Robertson and his committee will take charge of the entertainment for the evening. All members and their friends are asked to come and enjoy an evening full of fun.

\$1000 Cash Taken From Local Home

Cecil V. Sherlock, 538 Columbus-av., told police Sunday that burglars took approximately \$1000 in cash, "several thousand" in war bonds and building and loan certificates, and 18 cases of whisky valued at \$700 from his home Saturday night.

Sherlock is the owner of the Big Nickel Cafe, 2490 Sullivant-av., and he said the money was part of week-end receipts.

New Church For Hoge Memorial

This is an architect's drawing of the new Hoge Memorial Presbyterian Church to be erected on West Broad Street, directly across the street from the Masonic Temple. A building campaign is to be launched by the church Sunday morning.

Fund Raising Campaign To Get Under Way On Sunday

A campaign to raise funds for a new church plant will be launched by the Hoge Memorial Presbyterian Church next Sunday morning, when Dr. A. B. Keeler, secretary of the Building and Fund of the Presbyterian Board of National Missions, will address the congregation at the 10:30 worship service.

The building, designed by Ralph Orr, Columbus architect, will be erected on W. Broad-st. directly across from the Westgate Masonic Temple on a site purchased by the congregation two years ago. The exterior will be of Columbus limestone, with trim for windows, doors and copings of Indiana limestone. Of Gothic architecture, the building is designed to create an atmosphere of worship and reverence both in its sanctuary appointments and in its external design. Appropriate religious symbols will be used both inside and outside to convey Christian teachings.

The sanctuary is designed in the form of a simple cross, with the nave separated from the chancel by a large stone arch. Small transepts are located on east and west, and large aisles are separated from the nave by stone arches.

The nave will provide permanent pews for 500, including the balcony over the Warthox, seating 120. The chancel will be placed in the open chancel with permanent pews for 40. Certain adjoining rooms in the education building will be used for special activities such as a ladies' lounge with a kitchenette, men's lounge and a youth center. Rooms designed to meet the needs of such organizations as Boy and Girl Scouts are also included in the floor plans.

The basement will provide a dining hall with table seating for 248. A modern spacious kitchen will adjoin the dining hall to the east. This room will also include a modern stage, rehearsal and robing rooms for the choir conveniently located to provide easy access to the sanctuary. This will also be used as an assembly room for the Adult Sunday School classes.

The building fund campaign and other financial plans are expected to provide a sum of \$120,000. It is anticipated that this will constitute about two-thirds of the estimated total cost of the plant. A group of 40 canvassers will meet Saturday evening to receive final information about the canvass, which will start Sunday afternoon. Dr. Keeler will address this group.

The pastor, Rev. A. J. Wold, announced that building operations will get under way when the needed funds are available and building conditions are favorable.

Thursday, the civic and fraternal groups of the community have been invited to be present. Heads of various organizations will give welcoming messages. Dr. Don Timmerman, president of the Franklin County Council of Churches, will be the speaker. Friday night is youth night with Chaplain Ronald Hudson as the speaker. Chaplain Hudson will talk about conditions he saw in India and show pictures taken in that country.

Barbering will get under way (Continued on Page 4A)

Rev. Harold Dutt, president of the association, will preside, and the Rev. W. J. Crumrine, pastor of the Sullivant Avenue Friends Church, will bring the message of the evening. Special music will be presented by the Rev. and Mrs. W. Howard School. The singing will be led by the Rev. J. Herbert Goewey, pastor of the Hillcrest Church.

Tuesday has been designated as special music night with the church choir presenting the program. Robert Fisher, choir director, will have charge.

Fellowship Night

Wednesday has been planned as fellowship night. A prayer service and social hour will be held.

Thursday, the civic and fraternal groups of the community have been invited to be present. Heads of various organizations will give welcoming messages. Mr. Charles Pletcher Is Married Nov. 2

Tall white tapers shed a soft glow over the palms and baskets of white gladioli that formed the setting for the wedding on Saturday, Nov. 21, of Miss Donna Jean Sturgeon, 1441 Neil-av, daughter of Mr. and Mrs. Arnold Sturgeon of Delaware, and Mr. Charles Wilson Pletcher, son of Mr. and Mrs. C. W. Pletcher, 3005 Olive-st.

The Rev. Joseph B. Shellhaas performed the double ring ceremony in the Glenwood Methodist Church as the hands of the clock were approaching eight.

Given in marriage by her father, the bride wore a gown of traditional white satin. The fitted bodice was accented by a sweetheart neckline, long pointed sleeves, and a scalloped neckline which terminated in a circular train. Her fingertip veil of illusion was held in place by a tiara of seed pearls, and around her throat was clasped a tiny seed pearl necklace. The bridal bouquet was fashioned of white roses centered with an orchid.

Mrs. Jack Scott assisted as matron of honor for her cousin, while Miss Rosann Cox and Miss Judy House were bridesmaids. All the attendants wore floor-length gowns of taffeta fashioned in a princess style in blue, rose and pink respectively. On their heads they wore shoulder veils to match their dresses. They carried bouquets of roses.

Best man for Mr. Pletcher was Mr. Robert Self. Ushers were

Mr. C. H. Cordes and Mr. Edwin W. Jones.

Mrs. Sturgeon chose for the wedding a gown of powder blue with black accessories, and a corsage of red roses. Mrs. Pletcher wore a gown of wine velvet and smoked white accessories. Her corsage was of yellow roses.

Following the ceremony a reception for 150 guests was held at the Seneca Hotel.

The bride wore a suit of smoked white with a feather hat of electric blue as her going-away costume. On her shoulder was pinned the orchid from her bridal bouquet. After a short wedding trip to Washington, D. C., and the east coast, the couple will reside temporarily with the groom's parents.

The new Mrs. Pletcher attended Ohio State University, and is associated with the Columbus Bureau of Medical Economics.

Mr. Pletcher graduated from Miami University and attended Ohio State University, and is a member of the Sigma Chi fraternity. Since his return from three and one-half years' service in the U. S. Navy, he has been affiliated with the Continental Casualty Company as state supervisor.

Out-of-town guests who attended the wedding included Mr.

Westgate Church Honors Service Men and Women

A formal reception for all service men and women was held at the Westgate Evangelical United Brethren Church Sunday morning at 10:30 o'clock.

Following the sermon by the pastor, the Rev. Harold Dutt, the ushers walked to the front of the church and lit 42 candles, representing the 42 men and women who served.

The pastor made a statement concerning the death of one of the number. He was Robert Tressenider, who gave his life on June 26, 1944.

Lawson Williams, superintendent of the Sunday School, came forward and put out the candle representing Mr. Tressenider. The audience then stood while the organist, Mrs. Elred Heisel, played taps. The people remained standing while a folder, containing a gold star, was presented to Mrs. Francis Tressenider, mother of the deceased.

Then those whose names appeared on the honor roll, or a representative, came to the front to receive the star which represented them while in service. As the pastor read the name, Mr. Williams gave a folder with the star to the service people.

Other returned service men and women, who were not on the honor roll, were also recognized. The service closed with prayer by the pastor.

Newsie Gifts Accepted Now Hartley Says

C. C. Hartley

C. C. Hartley, 124 S. Brinker-av., publisher of The Hilltop Record, announced this week that contributions for this year's Charity Newsie drive will be accepted at any time between now and Dec. 14, the day of the "all out" campaign.

One hundred per cent for charity, Hartley and other Newsies throughout the city, will take to the streets rain or shine on Dec. 14 to sell special editions of local papers to raise funds to carry on the charitable work for another year.

Early contributions should "total hundreds of charity dollars" by the time the pop dinner is held Thursday, Dec. 12, in the Seneca Hotel ballroom, President John W. "Jack" Zaring, predicted last night. He declared:

"By accepting donations early, there will be less chance of overlooking you. Donate to your favorite Newsie now, and he will deliver your souvenir Newsie paper Dec. 14."

"We will need every dollar you can donate this year, for the clothing and other supplies which we must buy to stock our store, will cost us much more than they did last year."

Frank Crabtree Is
Sworn Into U. S. Navy

Frank Crabtree, son of Mrs. Arizona Crabtree of 273 S. Skidmore-st., was sworn in the service of the U. S. Navy as an apprentice seaman at the Navy Recruiting Station in the Old Post Office last week. Prior to his enlistment, Frank was employed by the Pennsylvania Railroad.

Mr. and Mrs. Ralph L. Jacobs, 2814 Crescent-dr., are guests at the Hamilton Hotel this week in Washington, D. C.

Funny things do happen: Because his wife made him sleep with two cats, a 70-year-old Seattle, Wash., man recently won a divorce.

ROLAND LINSKOTT, Manager of

sends this Thanksgiving Greeting to his friends:

"I'm thankful for the friends made during the year the store has been at its present location—

"For the fine cooperation and understanding shown by my customers during the period of shortages—when we would have much rather said 'sure we have it, how much do you want.'"

"For the privilege of serving such a fine community. We at Tiny's hope to greet you on many more Thanksgivings to come."

Twin Brothers Are
"In The Navy Now"

Ray and Roy Dague, twin brothers, were last week sworn into the service of the United States Navy as apprentice seamen.

Ray and Roy are both orphans and Lowell T. Sullivan is their legal guardian. In enlisting in the Navy, Ray and Roy are following in the footsteps of their brother, Freddie, who enlisted last December and is now on the USS Sierra, in China. Freddie just made Sicily and is getting along so long ago and is getting along nicely learning carpentry. Before enlisting, Ray and Roy attended school at Worthington and New Albany. Ray was employed by the Great East Market and Roy by The Ohio Plating Company.

The Navy department announces that enlistments will be unlimited until the first of the year.

Cotton Fibers Are
Made Stronger
By Scientists

Cotton scientists, in their search for ways to make cotton stronger, have discovered that the commonest element on earth, hydrogen, is the key. The National Cotton Council has released the results of a survey made by two researchers on the application of silica, commonest component of the earth's crust, to give it greater strength when made into yarn.

Friction Increased
Cotton fibers in themselves are wonderfully strong. Like all fibers, though, they slip along each other somewhat in yarn or thread. Ultimately they lose their grip on each other; and the yarn, or the thread, pulls in two.

Science has discovered that coating the cotton fibers with microscopic particles of silica, suspended in a liquid, gives them greater strength to hold together. The silica suspension is called "syton," a product known to the scientists as a "high polymer." The "syton" is applied to the fiber in an intermediate step prior to spinning the yarn.

The two scientists, Simon Williams and Edward A. Murray, who conducted the exhaustive tests at Council laboratories in Texas, reported to the WPB that not only did the "syton" make cotton of a given grade stronger, but that it made cotton fibers of a given grade stronger than untreated cotton of the next higher grade.

Makes Better Fabric
Fabrics stronger than those made from comparable untreated cotton result from the weaving of the "sytonized" yarn, although the increased yarn strength is not completely translated into fabric. The syton treatment diminishes to a certain degree with laundering, but "sytonized" fabric maintains, even so, a higher strength after laundering than does an untreated fabric, they asserted.

Have Wash Water
Hot For Cottons

The hotter the water, the whiter the wash—and cotton can take it!

These other tips are offered by soap and textile experts for washing shirts of cotton: that most laundrabable of materials: Put shirt through two batches of soda. Treat heavily soiled collars and cuffs with a soft, soapy brush. Don't rub portions of the fabric together; that invites fraying. Have the first rinse water as hot as the washing water. Hang the shirt by the tails to dry. Iron when not too damp, collar first—wrong side, then right. Then the yoke. Cuffs next. Start ironing sleeves at the fold on the under arm, and then the front. A crisp, clean shirt is ready for that man to wear!

Cowboy Chatter

By Jean Gossell

An assembly was held at West High this morning in observance of Thanksgiving Day. The entire program was under supervision of the Hi-Y. The speaker for the program was Don Mathews, former West High graduate and at present a student of Social Administration at Ohio State University. The scripture was read by Dick Horner and Kitty Spradling sang "The Lord's Prayer."

The Occident Roses of the Month were presented to Harry L. Zulauf in appreciation of his fine work in managing the school funds.

We would like to take this opportunity to thank the P. T. A. for the bicycle racks they purchased for the school.

Another new addition to the school is the basketball time clock purchased by the '45-'46 Student Council. Money was obtained through the sale of programs, dances, and other money making projects.

Congratulations to the West High students who have appeared on the Hi-Jinx show. They are Jo-Ann Heishman, Jinx Witherspoon and Norma Cunningham. "The Riot," first 125 class party, held last Friday night, was a large success. The theme for decoration was comic strips. Cartoon characters representing members of the class were used as decoration for the gym. Club is planning a Christmas party for members of the senior band, junior band, senior orchestra, junior orchestra, and parents.

Well, time to close. But not without first a reminder of the West-Grandview basketball game. Let's all be there to back our team.

Effects Of Coal
Strike Felt Here

The effects of the nation's coal strike were expected to be felt on the Hilltop and West Side this week as neon signs and other outdoor lighting "blacked out" in line with the coal conservation program.

The pocketbooks of local people will also be hit within a matter of days as railroads curtail passenger service by 25 per cent, effective Monday. Scores of railroads reside in this section of the city.

Should the strike continue until the end of the week there is no doubt that hundreds of other local people would feel the repercussions in their lines of work. Several steel fabricating plants will be forced to reduce operations in a matter of days if coal is not forthcoming to keep steel mills and other essential industries going.

8 Cowboy Gridders On All-City Teams

Carl Hosler Rates First Team On
Both Mythical All-Star Elevens

Eight West High School football players were listed on the all-city teams or were given honorable mention by the city's two evening newspaper sports writers this week. Carl Hosler was the only Cowboy to rate a place on the first team of both selections. Ralph Watts and Bruno Masdea rated first team with one paper and second with the other while Jack Thrush was picked for the first team on one eleven and given honorable mention on the other.

Don Borrer, Jerry Chinn, Curt Westerman and John Cleveland were given honorable mention.

North and Linden dominated the Citizen first string selection. The city champs walked off with four firsts while the Polar Bears placed three of their stalwarts.

Store Hours: 8:30 to 10

Three West High School seniors were named on the Columbus Dispatch All-high football team and four other Cowboys rated honorable mention on the mythical eleven. Only Linden McKinley High, 1946 city champions, has as many representatives in the all-star selections.

Rated as All-high were Carl Hosler, Ralph Watts and Bruno Masdea. Don Borrer, John Cleveland, Jack Thrush and Jerry Chinn drew honorable mentions.

Hosler, a returned service man, was one of the mainstays at tackle, playing in all games but benched throughout most of two contests due to an ankle injury. Watts, a center, played the most of every game. He was an outstanding defensive man throughout the season and contributed much to the Cowboy cause.

Masdea, a halfback, was one of the fastest runners in city league competition this year. He sparked on quick opening line plays and sweeping end runs. One of his nicest runs of the season came in the closing minutes of the Cincinnati Fluents game when he handed the ball by Jerry Chinn and raced 80 yards on the kickoff return.

Borrer was a regular at end. Cleveland did yeoman's duty at a guard position while Jack Thrush played the entire game as a fullback and took over the quarterback assignment several times. Jerry Chinn was recognized for his backfield play.

High School Bowlers To Form Loop

Bowling is rapidly becoming a sport for the teen-agers too.

Heretofore the popular winter pastime of bowling has been pretty well confined to men and women of varying ages but this year the teen-agers on the Hilltop have gone into the sport in a big way.

Paul Leightninger and Jack Merriman, operators of Seiller's Department Store, 2404-12 W. Broad-st., have had a hand in bringing this about as has Bill Wolfe, operator of the Hilltop Recreation, 2419 W. Broad-st.

Several weeks ago Seiller's sponsored an eight-team league of West High School girls. The girls bowl on Monday afternoon and are having a lot of fun doing it. Bowling enthusiasts believe that it may be the first league of its kind ever operated for teen-age girls.

PAUL WANER
WHO, WITH WAGNER AND MORRIS, WAS THE ONLY PLAYER TO WIN THE NATIONAL LEAGUE BATTING TITLE 5 TIMES SINCE 1900

PAUL WON THE TITLES DURING HIS FIRST 11 YEARS IN THE MAJOR LEAGUES. HIS WINNING AVERAGES WERE .350, .362 AND .373.

HE NOT ONLY WON THE BATTING CROWN HIS SECOND SEASON IN THE MAJORS BUT WAS ALSO VOTED THE MOST VALUABLE PLAYER IN THE LEAGUE

HE ALMOST QUIT BASEBALL TO TURN GOLF PRO, BECAUSE OF CONTRACT TROUBLE

Now the same backers, in co-operation with Mr. Wolfe, are working out details of a similar league for high school boys. A couple of meetings have been held and it is believed that a league may be in operation by the first of the year.

Sponsors of the idea point out that it will be a sanctioned league. Additional bowlers of school age are needed to round out all of the teams. Any boy of high school age, regardless of what school he may attend, is invited to get in touch with

Christmas Seal Sale To Open On Thanksgiving Day

Christmas Seals

Your Protection Against Tuberculosis

A thorough search of any modern city today would surely fail to reveal the lamplighter, so familiar in the by-gone days of the gas-light era. The solitary figure with ladder and torch plodding from lamp to darkened lamp, leaving behind a trail of cheerful blazing light which banished every frightening shadow from the dust-filled streets, disappearing with the advent of electric lights.

Yet on Thanksgiving Day, in every home in the nation, the picture of such a lamplighter will be found gracing the 1946 Tuberculosis Christmas Seal, the messenger of health that has for 40 years frightened away the shadow of tuberculosis.

The 40th annual sale of Christmas Seals to raise funds for the control of tuberculosis will be conducted this year from Nov. 25, until Christmas and 87 per cent of the money will be used within the community in which it is raised. Eight per cent will be used in the state and the remaining 5 per cent for the coordination of national programs.

Almost 40 years ago, the first Christmas Seals were sold in Ohio. In 1910 the death rate from tuberculosis was 143 per 100,000 persons and in that year there were 8,844 deaths from the white plague. In that year also the Christmas Seal Sale in Ohio amounted to \$37,235.27 and the money was immediately put to work fighting tuberculosis.

In 1945, the death rate from tuberculosis in Ohio was 36.5 per 100,000 and there were only 2,573 deaths from the disease. The annual Christmas Seal Sale in 1945 amounted to \$925,408.98, every cent of which is being used to further reduce the number of deaths and needless suffering caused by tuberculosis.

Brown And Beige For Autumn

Photo courtesy N. Y. Dress Institute

Low cowl-draped neckline in a New York dress of taupe-colored wool, designed for Fall and Winter.

Beiges and browns and soft grays in lovely new variations of tone play starring roles in dresses, coats and suits for Fall. In the New York one piece dress of wool jersey shown on the right, this season's beige, called "winter wheat," combines with brown in an interesting novelty weave, worn with a brown leather belt.

As smart as it is practical, this self-confident dress embodies important style notes as well as fabric interest. The simplicity of the bodice is relieved by twin panels descending from the shoulders to a pert front pleat; loose pleats maintain a slim line while giving easy fullness to the skirt.

This Fall's necklines make fashion news, running the gamut from very high-to-the-ears cravats to low scoops, strapless and off-the-shoulder treatments, with low necks as prevalent for daytime as for eve-

ning wear. Newest of all are the Madonna neckline, a shallow oval extending outward to the shoulder tips, and the low-placed cowl drape. The New York dress pictured on the left shows the cowl drape on a taupe-brown wool with soft unpressed pleats and self belt. It's a dress that will see you through

A novelty weave wool jersey in brown and "winter wheat" in a New York dress for Fall is designed with stole-like bodice and front skirt fullness. The belt is brown leather.

A busy day, from morning committee meeting to late dinner, in perfect taste.

Sleeves, too, are significant in the Fall fashion scene. They may be long and tightly fitted or long, full and billowing; they may fall over the wrist or end in a cuff at bracelet length; or they may be a combination of both, with puffed fullness from shoulder to elbow, and tight from elbow to wrist.

Elgin Watch's fifth anniversary "Two Hours of Stars" Thanksgiving broadcast will bring together such outstanding stars of screen and radio as Don Ameche, Jack Benny, Red Skelton, Moore and Durante and Vera Vague, Nov. 28 (CBS, 4:00 to 6:00 p.m. EST).

Ameche, ever-popular radio and screen favorite and host for the program, will introduce Benny, the Reddler who made Wagoner famous; Skelton, the master of dialects; the two men of "nose and hairnet" notoriety, Moore and Durante; and Vera Vague, sassy comedienne featured with Bob Hope. Lauritz Melchior, noted Wagnerian tenor; Earl Lues, great American ballad singer; Peter Lind Hayes, rising comedy star of the Dinah Shore show; Margaret Whitling, new songstress of the Eddie Cantor program; and Lina Romay and the Charioteers featured on the Bing Crosby broadcast, will round out the glittering cast.

As in the past, the show will be short-waved overseas to the American troops who cannot join their families on this great holiday. A similar "Two Hours of Stars" broadcast will be presented on Christmas Day over CBS.

Don't Blame Kilroy, He Wasn't There Either

This time we can't blame the elusive Kilroy. It was just one of those "slips that pass in the type."

We are referring to a "boner" pulled in connection with a story in last week's Hilltop Record. Record readers looked and then looked again to see "the little man who wasn't there."

On Page 2C of last week's paper we carried a picture of a big tree that grows in the corner of the greenhouse at the Hilltop Florida, 311 S. Hague-av. In the story below attention was directed to Joseph Birnrich, owner of the florist shop, who was supposed to be standing beneath the tree.

Well, if you are unable to see him, there was nothing wrong with your bifocals. He wasn't there.

It all happened when a Record photographer, who prefers to remain anonymous, took a picture of Mr. Birnrich standing beneath the tree. He also took a picture of the tree by itself. Cutlines and the story were written before the negatives were developed and were not changed when it developed that the picture of the tree alone was much "sharper" than the one showing the local florist. It goes without saying that the wrong cutlines were used, so the mystery is unveiled. No, Kilroy "hadn't been

there." Mr. Birnrich had been there but he wasn't there when the picture was taken.

As soon as the administration building is completed this will be the office workers' cafeteria at the new plant. At present it is used for office space.

Many women are employed in the new GM plant on Georgesville Road.

This is the main entrance to the new factory. The above Citizen photo shows workmen busy completing the front of the administration. The windows are facing west toward Georgesville Road.

The most advanced ideas in production "know how" are found in the new Fisher Body-Ternstedt Division plant now in partial operation out on Georgesville Road. The physical plant is no more than 75 per cent completed but finished items of automobile hardware have already been flowing from the factory to the assembly lines in Fisher Body factories all over the country for several weeks.

On Nov. 19 news men and photographers were taken on a personally conducted tour of the huge factory building, covering 15½ acres. Resident Manager James L. Conlon conducted the tour and held a news conference for news men.

One of the newest ideas is seen in the type of glass used in the 89,000 panes of glass that let light into the building. It permits natural daylight into the plant but prevents any glare from striking the eyes of a worker inside. From the outside the glass is a greenish blue but inside it gives the appearance of natural daylight.

There are 14 miles of fluorescent tubing in the building to provide additional light. These lights have a combined capacity 1,500,000 K. W. H.

The ceilings are two feet higher than in most factories to provide for better ventilation. This is expected to keep the building much cooler during the summer. There are windows opening in every direction to take advantage of any outside breeze.

First Post-War Plant
This being the first of General Motors' new post-war plants, its design, particularly the interior, expressed the latest thinking in working area layout, facility of entrance and exit, lighting, convenience for employees and improvement in general working conditions.

There are two principal levels in the plant. For efficiency in flow of parts through various production steps, for greater ease in material handling and for convenience from the employee standpoint, all manufacturing is confined to one level — the upper one. All service facilities, such as locker rooms and wash rooms, the cafeteria, etc., are on the lower level.

A unique feature of the plant is the system of lower level passages which provide easy escape, in case of emergency, directly to the outside, from any part of the factory building. Exits open to the east, the south and the west, and are reached by wide stairways from five different locations in the factory area.

Three railroad spurs serve the plant. At the west end, freight cars bring raw stock into the plant. The stock goes through various manufacturing processes and arrives at the east end of the plant as a finished product, wrapped and ready for shipping. There another spur enters the plant to receive finished material. From 18 to 16 freight-cars can be accommodated at a time on each spur. Another truck serves the power house.

A new process of paint spraying is used in the new GM plant. The assembly line passes between two electric fields and the paint particles are "grabbed" by the electricity and deposited on the metal. A waterfall in the rear eliminates the odor and collects the unused paint, which is salvaged and used over again.

Fabrication of self-lubricating door hinges is accomplished on one of the many assembly lines

already in operation. Graphite impregnated bushings are fitted into the hinges. Thus no lubrication is required during the life of the hinge.

New Heat Treat Method
Another up-to-the-minute method in use in the factory is the heat treating department. There parts are tempered by dipping in salt baths heated electrically instead of baking in ovens to the desired temperature. Various degrees of temperature are maintained in the row of salt baths ranging from 300 degrees F. to as high as 1200 degrees.

The safety of employees is guarded in every known manner, plant officials point out. All punch presses where small parts are formed are guarded by protecting screens with an opening large enough to permit the part being placed in position over the die by means of a pair of pliers. The opening will not permit the operator to get his hand in where there is danger of an accident.

For any worker who may be injured in any way there are hospital facilities. As soon as the administration building is completed it will be located on the first floor with a total of 5,000 square feet being set aside for this purpose. The hospital is designed to take care of virtually any kind of injury. The latest type infrared and ultra violet diathermy equipment is available. There are also a complete operating room, laboratory facilities, sterilizing equipment and X-ray equipment.

A complete medical staff will be on duty whenever the factory is operating. There is a special room for treatment of fractures, and for eye, ear, nose and throat ailments.

A modern cafeteria, with new types of food processing, refrigeration and storage facilities, is provided on the lower level. The cafeteria area and corridor surrounding it occupy more than an acre of space. All facilities are of stainless steel and the cafeteria can, if necessary, serve 1,700 persons with complete meals at one sitting.

A Safety Formula

Columbus safety officials are doing everything within their power to make the public more "safety conscious." But in spite of their efforts the traffic toll continues to mount.

It behooves each of us to take the matter to heart and do our share in helping to cut down this useless waste of human lives.

Columbus policemen have been handing out the following safety pledge which they suggest should be memorized by each of us. Certainly its application in daily walking and driving could cut down our traffic accident rate substantially. It reads as follows:

I realize that accidents happen quickly and often unexpectedly and my greatest protection is in my own safety practice. I hereby pledge myself to memorize and practice the following rules for my safety and good traffic record for "Good Old Columbus Town":

- 1—I will wait on the sidewalk and cross only with the green traffic light.
- 2—I will cross streets only at intersection crosswalks.
- 3—I will not step from the curb until traffic is clear in all directions.
- 4—I will not stand or walk on the vehicular surface of streets unless I am crossing at an intersection.
- 5—Traffic danger increases at night—I will wear or carry something white that I shall be more visible in approaching headlights.
- 6—I will walk straight across—not diagonally, and will assist children and old folks in crossing so far as I can.

DAY OF BATTLE

The morning glared like a tiger's eye.
The mane of the moon was motionless,
The hawk was hunger against the sky.
The cub was a curve of quietness.
No creature moved, no leaf was stirred;
The silence hung like a heavy cloak
Till lightning wrote a crimson word,
And suddenly the thunder spoke.

Irene Wilde, in THE
POETRY CHAP-BOOK

NO CHANCE TO REVIVE
Life's pages, whereupon we write,
So soon are turned away from sight!

If there are blots we would erase
Or wrongs we should with rights replace,
As each page turns, it is too late.

One day alone we govern Fate.
Life grants no chance that we revise
A page, once turned, from human eyes.

Katharine Neal Smith, in her book POETRY AND SONG.

AGAINST THE HEAVENS?
The long slow hills that lay their heads
Against the blue sky's heart
Are constant in serenity;
Their gentle profiles undisturbed
As trembling clouds depart.

So was the mother as she leaned
Against the heavens of living!
Her joy as effortless as day—
For her no trivial shadow dimmed
The contour of thanksgiving.

Jesse Hume, in
THE PEN WOMAN

INARTICULACY
Was it for this men fashioned
words of fire:
Blind Homer framed his pagan
pageantry;
Immortal Sappho tuned her
deathless lyre;
And Dante grieved beside the
inconstant sea?

Was it for this that Circe spun
her net
Of melody about the souls of
men;
And impassioned Shelley by some
pale sunset
Found words for beauty over and
again?

Was it for this: that, ever wonder-
ing,
The singing heart that goes its
Should walk, distraught by beau-
ty, prone to sing,
Stir restlessly, and find no words
to say?

A BLUEPRINT OF WHY 8 OHIO CITIES
WILL GET MORE TELEPHONE SERVICE...

Planning for telephone expansion these days tests the skill and resourcefulness of the telephone engineer.

For example, a perplexing problem got a neat answer recently when eight Ohio cities needed more dial telephone equipment. Since this particular type of dial equipment was unavailable from manufacturing sources, the question was where do we get it?

The engineer's answer: Simple arithmetic. Rebuild Sebring's telephone system with dial equipment that is available. Then divide Sebring's

former dial equipment among the remaining seven cities.

The engineer's suggestion was followed and that is why more Ohioans in eight cities will get more telephone service sooner than they would have otherwise.

Solution of this problem is typical of the telephone engineer's attitude toward our job of expanding our facilities as rapidly as possible to furnish service to more persons, and is a big factor in helping us install more telephones this year than ever before.

Clogged Gun Is A Hazard

Although hunters are seldom confronted with any great amount of snow during the early part of the hunting season in Ohio it might be well for hunters to make a mental note about clogged gun barrels since mud will bring along the same danger.

One of the most inexcusable causes of hunting accidents is brought about by clogged barrels. Most hunting accidents result from the fellow's carelessness but not so with the clogged barrel.

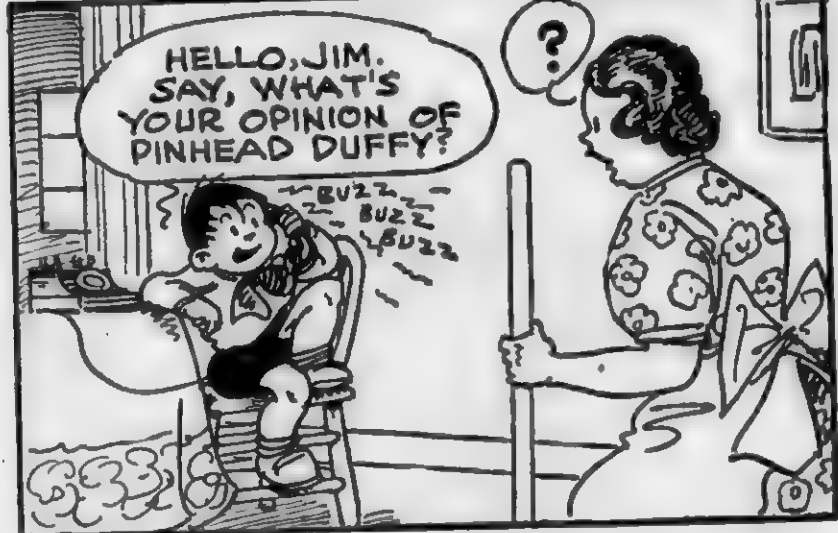

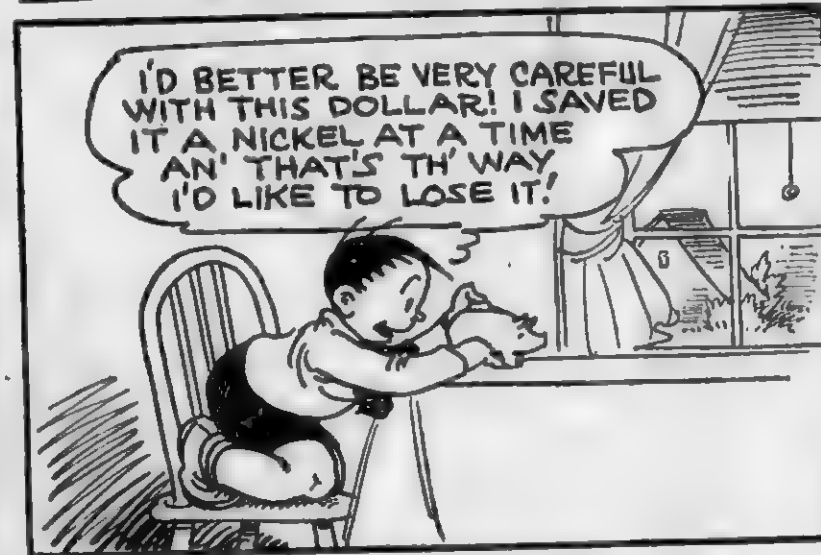

rel—the careless hunter brings trouble upon himself, either in the form of serious damage to his gun or injury to his own person.

The excitement of tracking down game sometimes bring on carelessness such as allowing the muzzle of the gun to scoop up snow or mud. All hunters should get into the habit of checking their guns periodically when in the field, following with a double checking and cleaning at night after the hunt.

Accidents, especially hunting accidents, do not just happen; they are caused—and usually through lack of caution on the part of the man with the gun. Enjoy your hunting trip, but make it a safe one. Be cautious.

Hillcrest Plans Mission Series

Hillcrest Baptist Church, W. Broad and Eldon-av., will inaugurate a series of programs for the Northern Baptist Convention's "World Mission Crusade" on Sunday, Dec. 3.

This first meeting in the "Crusade for Christ" will feature a special morning message by the pastor, and a motion picture, "We Too Receive" at the evening service. The picture relates a story of an American flyer who was shot down in the jungle territory and was rescued by a native who had been evangelized through the Christian mission work.

Rev. Herbert Govey is the pastor of Hillcrest Church.

Chinese Enterprise
The scientific ingenuity, patience and skill of the Chinese were revealed anew on a recent government mission to the Orient. In a visit to a Chinese city famous for the last 2,000 years for brine wells, Chinese were seen drilling deep wells for brine and natural gas. The interesting aspect is that they have penetrated to depths of 3,000 to 4,000 feet without any metal equipment except the cutting edge of a drill. They are using and have used, for hundreds of years, drilling methods developed independently in America.

Dairy farmers, whose marketing co-ops, according to one tabulation, handled a business volume of \$1,200,000,000 during the 1934-41 season, now control 90 per cent of all fluid milk marketed in the United States.

Nation's First Extension Minister

The nation's first "Extension Minister"—Rev. Gene W. Wetherell—operating much like the average extension specialist from the state agricultural college, is now on the job in Missouri carrying on a "down-to-earth" program designed to strengthen the struggling churches of the country.

Employed by the Bible College of Missouri at Columbia, Mo., the Reverend Wetherell is working closely with extension people from the state college of agriculture. He goes into communities to help the people get a church program started. He carries his program out into the field and sets up demonstrations so that people can see how it actually works.

Heard on a farm, Rev. Wetherell studied for the ministry on lands he earned farming.

Wherever participating churches are located, Rev. Wetherell helps local leaders make a thorough survey of community needs. He next develops a loyalty program, seeking to get every mem-

ber actively interested in church work. He institutes a visitation evangelism program in churches where denominations use this type of work.

A sound financial program is necessary for the successful operation of any church, so the "Extension Minister" asks his church to develop a united budget system. He shows them how to use the Lord's Acre for supporting special projects of the church. He also suggests that churches provide their ministers with a rural parsonage and 90 acres or more where they may make part of their living.

Spontaneous Combustion
The gases and vapors from gas and inflammable liquids may be ignited by spontaneous combustion of nearby substances. A flame, a spark, or excessive heat. These have been known to ignite gases and vapors originating several hundred feet away from where the flammable liquids are stored or handled.

Evangelical Group Rally To Be Dec. 1

A mass meeting of members of all Evangelical United Brethren Churches in Columbus and Franklin County will be held at the Central High School Auditorium Sunday night, Dec. 1. A youth service will be held at 8 o'clock and at 7:30 a worship service will get under way.

No occasion celebrates the union of the United Brethren and Evangelical Churches throughout the country. The merger of the two denominations was effected at a national union conference held in New York.

Dr. J. Gordon Howard, president of Oberlin College, will bring the address of the evening. General chairman of the meeting will be Rev. L. Dietzel. Music will be directed by Rev. C. B. Debra. Rev. E. R. Nix will read the opening prayer. Dr. C. M. Bowman will give the prayer.

A mass choir is being organized to sing for the affair.

Youth service will be held at 8 p. m. This gathering will include all of the Evangelical United Brethren young people of Franklin County.

Betty Rife and Helen Summers will be in charge of the service. The meeting will open with a sing-along led by Bill Jeffers from Oberlin College. John O'Brien, student of Ohio State, will be at the piano. Echoes from the twirling conference youth rally will be given by Carolyn Farley and Harold Davidson, who attended the rally at Johnstown, Pa. The speaker will be Dr. Stanley Vanderhall, executive secretary of the World Christian Endeavor. His subject will be "Opportunities for Youth in the United Church."

The counselors are Rev. Glenon Herbert and Rev. Harold Dutt.

Potato Tax
The Maine potato tax, the state's potato growers say, has proved its worth. Inaugurated several years ago, the tax is at the rate of one cent per barrel on all potatoes sold for commercial purposes in the state. Proceeds are used to advertise Maine potatoes, and to carry on research work in connection with growing and marketing potatoes.

Angler Fish
The angler fish can swallow fish bigger than itself because of its "elastic" stomach. This remarkable fish gets its name from a long movable thread projecting from its head which it uses as a lure to attract its prey. The angler fish is able to walk along the bottom of the sea on specially formed fins.

Welcome, guest; come share our festive board. Whatever we have plenty we offer you with bountiful hands. Whatever is lacking we can do without, compensating for its absence with our own good cheer, generous spirit and gratitude for whatever blessings we do enjoy. Hilltop Ministers Sponsor Daily Scripture Readings

The Hilltop Ministerial Association, in cooperation with the American Bible Society, is recommending the practice of daily Bible reading especially between Thanksgiving and Christmas.

Suggested scriptural passages, especially applicable to the season of the year, are listed below for the first week of this period. Subsequent readings will be listed each week until Christmas.

The local endorsement by Hilltop ministers is part of a worldwide Bible reading movement being sponsored by the American Bible Society with headquarters at 450 Park-av., New York. Last year people in more than 20 nations shared in the reading.

The program was first launched in 1944 as the result of a letter sent by a lonely young marine in Guadalcanal, asking his mother to join him in reading each day, at the same time, a similar passage of Scripture.

The theme, selected for the 1946 program, is "The Word of Power for a Power Age," and the daily readings feature some of the "spiritual pioneers" of the Bible who found the "Word of Power" for the age in which they were called to live.

A Laymen's National Sponsoring Committee assists the Bible Society in the promotion of the program. Members of the committee this year include Norman Corwin, Joseph E. Davies, General Dwight D. Eisenhower, Harvey S. Firestone, Jr., Miss Helen Keller, Admiral C. W. Nimitz, Drew Pearson, the Hon. Francis B. Sayre and Channing U. Tobias.

Bookmarks Available
Bookmarks, listing the suggested daily readings, are available in quantity, from the American Bible Society, New York, or any of its branch offices. It is expected that the distribution of the bookmarks will top last year's high of 20,000,000.

The suggested readings for the period through Thursday, Dec. 5, are as follows:

Thanksgiving, Nov. 26	Genesis 2:20, 3:17 (Noah)
Friday	Genesis 12:1-9, 17:1-8 (Abraham)
Saturday	Genesis 22 (Jacob)
Sunday, Dec. 1	Genesis 37 (Joseph)
Monday	Exodus 3 (Moses)
Tuesday	Ruth 1 (Ruth)
Wednesday	I Samuel 3 (Samuel)
Thursday	I Samuel 16; Psalms 136 (David)

Great and Abiding Lesson
The great and abiding lesson of a thankful spirit comes to our own age hallowed by its history. Even when the clouds of life are darkest; and the obstacles in the path seem to be insurmountable; the spirit of thankfulness can find a shining roadway leading through the darkest of life's pathway. Our existence would be monotonous if there were no valleys or hills. In the midst of a multiplicity of trying circumstances let us pause to enumerate a few blessings which are ours today and give Thanks Unto God.

THANKSGIVING

Rev. Harold Dutt, President of the Hilltop Ministerial Association

Scripture I Cor. 9:15—
"Thanks Be Unto God"

From Genesis through Revelation there is a steady stream of Thanksgiving flowing upward to God from the writer's pen. In the second epistle to the Church at Corinth and the ninth chapter, Paul is exhorting the Church to be benevolent. Also he gives rules for giving and then he enumerates the blessings of giving. As he comes to the end of the chapter he launches a climax in releasing an inner burst of thanks when he cries, "Thanks be unto God for His unspeakable gift."

God's gift to us far exceeds all we can give unto Him and His cause. The true origin of thanksgiving leads to the beginning of time. In every generation a few have given thanks unto God for His goodness and blessings. Yet we must pay tribute to our Pilgrim Fathers who have created our national Thanksgiving Day.

Dr. Donald William Ruth, pastor of the First Presbyterian Church of Jamaica, New York, said, "Thanksgiving is a result, not a cause. It is a result of man's observation of what God has done and what He yet promises to do."

The Thanksgiving Day which we now celebrate was first observed in 1621 by men and women who had survived, almost by a miracle, a terrible first winter on that bleak Massachusetts coast. It was an amazing thing for them to do. Their whole existence was surrounded by desolation. In times when try men's souls, the spirit of man rises more readily to rebellion and hatred than to praise. Yet in the face of another cold and foreboding winter, and after a period of sorrowful loneliness on strange shores, the Pilgrim Fathers nevertheless came together to give thanks to Almighty God.

Thanks Be Unto God for His Unspeakable Gift.
In the light of limited supply and shortages of different commodities let us compare our land with the food situation of other lands. Consider India about whom a representative of our Government said, "As surveyed the situation there, 'At least 80 million never knew the thrill of having a full stomach.' 'Think of Europe where many have gone hungry, and the far East where their very existence depends upon this year's rice crop. In gratitude let us thank God for our daily bread. As for food supply we have been a favored people."

Thanks Be Unto God for His Spiritual Blessings
The answered prayers, the grace of God that has made us victors over many circumstances. These spiritual blessings flow from one fountain and that is Mount Calvary. The Christ of the Cross is God's gift to us. In Him our needs are supplied according to His riches in Glory. Let us join St. Paul in saying, "Thanks be unto God for His Unspeakable Gift."

Starling News
Starling Holds Thanksgiving Services
On Wednesday, Starling Junior High School observed Thanksgiving with an assembly service. Mrs. White, a native of Denmark, was the speaker. Wearing a native costume, she told the students of life in Denmark. Also, she gave her impression of life here in America.

Group singing and prayer completed this service.

Starling Students Enter Contest
Martha Buxton, 8a student at Starling Junior High School, has submitted two stories to the National short-story contests. These contests are being sponsored by the magazine, Seventeen and Scholastic Publications.

Cheer Leaders Named
The Starling cheer leaders who have been selected for the basketball season are Dorothy Cassidy, Myra Jones, Joan Marsh, Nancy Pavey, Barbara Taylor, and Jeanne Wilson.

The white sweaters and the blue skirts, worn by these girls, symbolize the Starling colors.

Children's Safety
Never leave small children alone in the bathroom, and keep candy coated laxatives and pills beyond their reach. Even head-ache tablets taken in large quantities can have serious results. Discard used razor blades in closed container where children cannot find them.

Tooth Cleaner
An apple for dessert in the school child's lunch is a most effective tooth cleaner and breath sweetener.

Thanksgiving Greetings
At this season we extend our heartiest Thanksgiving greetings to all our friends of the community.

NOT ALONE FOR MIGHTY EMPIRE

Not alone for mighty empire,
 Stretching far o'er land and sea;
 Not alone for bounteous harvests,
 Lift us up our hearts to Thee;
 Standing in the living present,
 Memory and hope between,
 Lord, we would with deep thanksgiving,
 Praise Thee were for things unseen.

God of justice, save the people
 From the war of race and creed;
 From the strife of class and faction
 Make our nation free indeed;
 Keep her faith in simple manhood
 Strong as when her life began,
 Till it find its full fruition
 In the brotherhood of man.

The Spirit of Thanksgiving

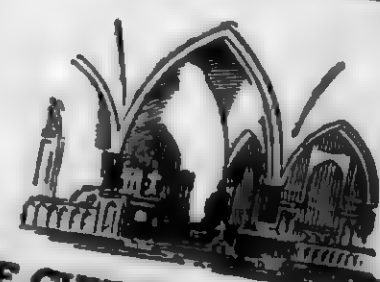

Thanksgiving Day is a symbol of the earth's abundance and the goodness of God. In token of our appreciation of these things we set aside this day as a period of special thanksgiving to God for all that He has provided for our needs and comfort.

It is a custom that goes back into the dim ages of human history. From the earliest days, as man feasted upon the fruitfulness of the earth, he felt an instinctive urge to look up to the Supreme Being and, with grateful heart, express his thanks.

We have much more to be thankful for today than the people of past ages. The earth produces more for our comfort; we do not have to work so hard or face so many dangers in acquiring the things we need, and in America we live in comparative comfort and security.

The bells in many church steeples will ring out on this Thanksgiving Day, and in countless homes grateful families will bow their heads in humble thankfulness for the goodness of God. This is a fitting tribute for humanity to pay to Him who makes the earth fruitful and blesses our land with abundance.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the Church of his choice. They are: (1) For his own sake and the sake of his children's souls. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to Church on Sunday.

These are the boys who will inaugurate the 1946-47 basketball season at West High School Wednesday when Grandview visits the Cowboy court.
In the front row are the lettermen (reading left to right) Walter Hicks, Ralph Watts, Marvin Schultz, Don Borrer, Jack Thrush and Don Anderson.
The second row (left to right) is Chille Cochran, junior manager, Paul Theisen, Sonny Sahr, Don Speckman, Chuck Weeks and Stan Delichie, senior manager.
The third row is (left to right) George Lohr, Jim Slager, Bill Buckingham, Jerry Chiss, Aubrey Compton and Coach George Williams.

Thrush May Not Be Starter

The West High School basketball team will open the current season Wednesday night with the Grandview Bobcats furnishing the opposition. The game between the two reserves teams will get under way on the Cowboy court starting at 7 o'clock with the varsity game following shortly after the completion of the preliminary.

Early this week there was a possibility that Jack Thrush, last year's letterman, might not be in condition for very much action. He had a fingernail removed from his right hand following an infection and will have to have the finger in an aluminum guard if he plays.

Should Thrush be out of the lineup, Coach George Williams indicated he would start either Marvin Schultz or Aubrey Compton. Compton is a new comer to the squad this fall who has shown good possibilities of making someone work to hold his position.

Anderson To Start
Don Anderson seems to have earned a starting berth in a close three-way race for one of the guard positions. Williams said this week, if Thrush is ready to go, the coach indicated his starting lineup would consist of Thrush and Walter Hicks at the forwards, Paul Theisen at center, Ralph Watts and Anderson at the guards.

Stanley Jones and Joe Burckhalter will be the officials for the season's opener.
Coach Williams will then match his boys against the Alumni in a game to be played at West on Friday night.

A relay of ex-West High basketball stars will make up the Alumni teams in both the reserve and varsity contests. Chuck Weigand said this week. He will serve as a captain or manager in getting teams lined up for the two games.
Scheduled to put in their appearances are Jack Buckingham, Dick Slager, Dick Hoover, Bill Richards, Dick Ucker, Bob

Whetstone, Ray Stinson, Bill Wylie, Paul Rodgers, Jim Bell, Chug Haines and Bob Miller.

Other Alumni invited Weigand invites other Cowboy grads to report to him for court duty that evening. He can be contacted by calling RA. 9874.

Any person expecting to play should report to the gym, with suit shoes, etc., ready to play, by 7 o'clock.

All members of the West Alumni Association will be admitted to the game free of charge upon presentation of their membership cards.
A dance will be held in the gym following the varsity game. Dancing is scheduled from 10 to 12 to the music of the West High Swing Band. George Hardy, alumni president, is in charge of arrangements for the dance.

Tree And Shrub Distribution Plans Completed

Conservation officials announced this week that plans are now complete for the annual distribution of trees and shrub units to the farmers of the state for wildlife and soil erosion control.
The 1947 program will include three types of units, one containing pine trees, another multiflora rose, and the third, a mixture of four types of shrubs.
Application forms will be available after Jan. 1, 1947.

Home Water Treatment
A phosphate compound, Micromet, and a feeder to add the compound in right amounts to water will prevent scale and control corrosion in a household water system, writes the Rural Home editor of a nationally-circulated farm paper. It also helps prevent "rusty water" caused by iron. The feeder device is installed in a vertical position on cold water intake line of water heater. After the initial charge of one pound of micromet, only one-fourth pound needs to be poured into feeder each month, says the magazine, read by 1,300,000 farm families.

Blinker Light Is Not Worth a Blink
A week ago a very bad accident took the life of a local man and injured six other people. The scene of the accident was a little way past a blinker light on W. Broad-st. near the viaduct.

On that particular morning the blinker light wasn't blinking. But an hour after the accident it was put in repair. That little blinker light wouldn't have prevented this accident however. That same little blinker light, even at its blinkest best, acts like nothing more than a little firefly in the midst of the heavy speeding traffic that comes and goes under that viaduct in a day's time. Furthermore that same traffic doesn't slow down until it hits Hague-av.

But our traffic experts say a traffic light isn't the answer to our problem. We agree that it isn't an answer to all our problems. But it's one preventive that should be provided.

Amen, To Planning
A loud Amen to the County Commissioners and their County Planning Board on their steps to get a state zoning bill for counties.

A growing community such as this finds itself awakened to the fact one morning that many undesirable buildings have sprung up without rhyme or reason on the outskirts of the city.

County planning would be a good thing for all concerned. Many a man has put his earnings into a small place in the country only to find that he is suddenly surrounded by neighbors who have not planned as well as he did and his property values have thus deteriorated vastly in short order.

A planning commission with proper authority given it by a county zoning act should have encouragement from all concerned.

Study This One
Contributions to welfare, charitable and church organizations in Franklin County total less than 1% of the entire income of the county's population. The Community Chest receives less than one-seventh of one per cent.

Notes and Nubbins: Chuck Ditrick, former manager of Hilltop Cussins & Fern Co., is now in charge of the company store at Fustonia. He's learning to fly, incidentally. Local Man Killed At R. R. Crossing

Percy H. Hoag Dies Shortly After Crash

Tragedy struck on the Hilltop again this week when Percy H. Hoag, 39, of 4328 W. Broad-st., died in Mt. Carmel Hospital Tuesday afternoon less than an hour after his car had been struck by a Pennsylvania passenger train at the Wilson-rd crossing. Hoag, a former AAF pilot who was shot down over Germany and held prisoner by the Nazis for several months, was a salesman for the Gulf Refining Co., 1637 W. Mount-st. He was driving south on Wilson-rd when the east-bound train, running a few minutes late, struck the rear of the 1946 Ford coupe he was driving. He is survived by his wife, Mrs. Leslie L. Hoag, his parents, Mr. and Mrs. Samuel L. Hoag, Jennings La., and a brother, Maxwell Hoag, Port Arthur, Tex. Funeral services will be held this morning at 10:30 at the Spears Funeral Home with interment at Sunset Cemetery. State Highway Patrolman J. E. Mansberger said Hoag suffered a fracture of skull and fractures of both ankles. He was thrown 50 feet from the wreckage of his car by the impact of the crash.

HCC To Meet Next Thurs.

The Hilltop Community Council, Inc., will elect officers for the coming year at its regular monthly meeting Thursday, Dec. 12. As usual, the meeting will be held at the Teen-Canteen, 2555 W. Broad-st., at 8 o'clock. Several committees now checking on the type of movies being shown at the three Hilltop theatres will submit their first reports.

Plans for the Christmas parties—one for youngsters under 13 and another for the teen-agers—will be announced. Mrs. Ray Cave, Mrs. Earl Abram and Mrs. Charles P. Maus form the committee for the first group, while the officers and board of trustees of the Teen-Canteen will plan the party for the teen-agers. The fall and winter program of the Teen-Canteen will be presented by Dick Palmer, its president.

Valleyview Will Have Bus Service Soon

Just when this service will be in operation could not be learned Wednesday afternoon. The best estimates of the runs contemplated were being distributed in the community this week.

Women In Business—No. 8 In A Series

She Came To Columbus On Visit 7 Years Ago -- Now Manages Coal Firm

Seven years ago Sarabel Henderson came to Columbus on a visit and liked the place so much she is still here. For the past three years she has been manager of the Lewis and Noon Coal Co., N. St. and Big Four R. R. One of five daughters in the family, she was born and raised in the West Virginia railroad center. Grafton. Her father was formerly chief of police in that city.

In 1940 she came to Columbus to visit friends and ended up by taking a secretarial position with an implement firm. When the slack season of the year turned up she left that job and went to work for Herb Davis, owner of the local coal company.

That she did her work well is evidenced by the fact that three years ago Mr. Davis decided that he could no longer give his time to the coal business so he has turned over all phases of the work to Miss Henderson who "loves" the business from start to finish.

Employs Seven Men
At present she has seven men working under her in the yards and on trucks. "They're all grand," she replied when asked if the men resented taking orders from a "boss lady." "Their cooperation has been excellent."

Miss Henderson graduated from the Fairmont Business College in 1938 and had served as secretary to the mayor of Grafton before coming to Columbus. She also took an interest in politics at that time serving as secretary of the Young Democratic Club.

Two of her sisters live in Columbus. Mrs. Wayne Engle lives at 123 N. Wayne-av. and Mrs. Hugh Fletcher lives at 3211 W. Broad-st. Mrs. Fletcher formerly operated Kay's Beauty Shop on S. Burgess-av. She makes her home at 15 S.

Recalled For 3 More Years Here

Rev. Harris B. Anthony

At a recent meeting of all the members of the Warren Avenue Church of the Nazarene, Harris B. Anthony, pastor, was recalled for another three years.

Rev. Anthony was born in Kennebec, Nova Scotia. At the age of 18 he went to Nampunk, Idaho, where, after attending North-west Nazarene College for two years, he obtained his Bachelor of Arts degree.

He spent one year as principal of the High School in Nampa and then went to Boston, Mass., where he took post graduate work at Boston University. Nine years were spent in his pastoral work in the Nazarene Church in Boston, Mass., and Manchester, Conn., before coming here in September, 1937.

During his nine years as pastor of the Warren Avenue Church of the Nazarene, 548 S. Warren-av., he has received 468 members into the church and raised the sum of \$187,000, of which \$64,000 is on hand for use in the construction of a new stone church to be erected as soon as materials are available. The new building, which will have a seating capacity of 1,000, will be erected on the present site of the parsonage and church, 642-648 S. Warren-av.

John L. Lewis Once Lived On Hilltop

John L. Lewis, United Mine Workers' chief, much in the news in recent weeks, was once a Hilltopper.

That little-known fact was brought to light this week when E. N. King, a retired Pennsylvania Railroad conductor, told this writer about knowing the coal workers' boss back in 1919 and for a short while thereafter.

According to King, Lewis made his home on N. Warren-av. and probably lived here for two years or more. At the time he was busy organizing the miners in southeastern Ohio. That was the beginning of his rise to fame in the organized labor field.

Mr. King used to meet Lewis in the old Williamson and Budd barber shop on Broad-st. near Highland-av. He talked with him on several occasions.

The retired conductor, who resides at 31 S. Ogden-av., left the service in 1937 when more than 51 years' service in the Cincinnati Division.

President Was Passenger
He recalls having President Theodore Roosevelt as a passenger on his train three different times. He still has the cigar that the president gave him at their first meeting.

While the cigar is broken open in several places, it is still in one (Continued on Page 8A)

Zone Permit Sought For New Theater

A request for a special permit to allow the proposed new Hilltop motion picture house to run 50 feet into a residential area will be heard by the Zoning Committee of City Council next Thursday night at 7:30 o'clock.

Henry Koontz, 485 Hilltop-av., city councilman from this section of the city, is chairman of the committee and invites all property owners in the vicinity of Broad-av. and Broad-st. to be present.

The request has been made by J. Real Neth, who recently purchased a part of the old Weber building and invites all property owners in the vicinity of Broad-av. and Broad-st. to be present.

Ken Dickerson is president and treasurer of the new firm, John Kirkpatrick is vice-president and general manager.

Koontz points out that it will not be necessary to re-zone the area to grant the theater operator's request but that he is interested in having all property owners who are interested in the case to be present at the hearing. He explained further that the granting of such a request would not permit any of the tract to be used for a parking lot.

City Council Monday night vacated three portions of alley and street in the vicinity of the St. Mary's Magdalene Church and adjacent area in a new recreation area there. The Rev. Raymond Bauehard had petitioned the city fathers to vacate these portions of land not now being used by the city.

A portion of the lower end of Chase-av. is also included in the request.

Small inexpensive gifts suitable for both men and women are welcome. They may be taken to the State Hospital or left at the Hilltop Record office, 2463 W. Broad-st. Especially suitable for men are tobacco, writing materials, pens, pens, handkerchiefs, ties, candy, combs, etc.

Women patients like cosmetics, costume jewelry, handkerchiefs, handkerchiefs and other similar items. Mrs. J. F. Bateman, wife of the superintendent, and Mrs. Ethel Reynolds, recreation director, are in charge of collecting the gifts and records of donations.

Four Hurt In Rt. 40 Crash

Four men were injured, one critically, last Saturday evening, when the automobiles in which they were riding collided in W. Broad-st. and Greiner-rd. The vehicles were destroyed by fire, the sheriff's office reported.

Ivan K. Wolford, 1695 Ransburg-rd., was in serious condition in Mt. Carmel Hospital, where all were admitted. He suffered from burns on his arms, hands, face, chest, and possible internal injuries.

The other victims were Harry D. Crishbaum, 1189 1/2 W. Broad-st., David Crishbaum of the W. Broad-st. address; and John Sheets, Alton.

The car driven east on Route 40 by Sheets hit the rear of the auto driven in the same direction by Wolford. The Crishbaums were passengers in Wolford's car.

Seiler's Announces New Store Hours
Effective next Monday, Seiler's, 2404-12 W. Broad-st., will be open from 10 a. m. until 9 p. m. every day. It was announced by store officials this week.

Cramm, Maynard HBMA Speakers

Raymond Cramm, promotional manager for the Columbus Dispatch, and Dr. H. H. Maynard, of the Department of Commerce, Ohio State University, gave the two final talks Monday night in the series of three courtesy clinics held on the Hilltop during the past three months.

The meetings, made up largely of sales personnel of local stores, were sponsored by the Hilltop Business Men's Association. Ed Witherspoon headed the committee responsible for planning the affairs.

Mr. Cramm pointed out that enthusiasm, knowledge of the business, dress or appearance and tact constitute four essential qualities of a successful sales person. He emphasized the importance of learning the names of a good number of the regular customers and addressing them by name.

Stressing the importance of courtesy in selling, the speaker said, "Courtesy creates friendship... Courtesy bores no one... Courtesy costs so little and helps everyone."

Speaking on the subject of "Arrangement and Store Display," Dr. Maynard pointed out that Hilltop stores would do well to change display windows more frequently than downtown business establishments. The reason he cited is that a large percentage of people around a neighborhood business section change their store once every week or often while a downtown store continually attracts new people week after week.

"Self Serve" Here To Stay
Dr. Maynard said that the "self serve" practice should be expanded in many stores. "We customers like to wait on ourselves. We like to be able to change our minds when we are picking out our groceries and we can't do it so readily when we are being waited on by a clerk."

He pointed out that the "self serve" idea, fostered by wartime help shortages, is here to stay but that it is more adaptable to certain types of merchandise than others.

"I believe in the open display wherever practical," the speaker continued. He showed how this method of merchandise display helped to promote what he termed "impulsive" buying.

Window Display Important
Dr. Maynard touched only briefly on the matter of window arrangement but stressed the fact that considerable attention should be given to its display and that it should by all means be adequately lighted.

He summed up his address by admonishing his listeners to "develop personality in a store."

Mrs. Louise Burkett, an employee of Hardy's Market, 2487 Sullivan-av., received the second highest number of votes in the "courtesy" voting, it was announced.

Prizes were awarded to the following persons patronizing who had attended all three of the clinic meetings: Florence Gossett, Nina Palmer, Mrs. E. C. Veiman, Hazel Butte, Julia Stephens, Anna Wory, Edith Salzer, Naomenter, Daisy Grooms and Elizabeth Downing.

Employees have an opportunity to win one of three cash prizes being offered by the HBMA for the best letters written on practical application of things learned in the meetings.

Letters are to be not more than 200 words in length and must be mailed not later than midnight on Dec. 31. They should be addressed to the Hilltop Business Men's Association, 2768 W. Broad-st.

Arlington Hands West First Defeat
A rangy Upper Arlington five handed West High its first defeat of the season when they racked up a 51-26 score on the Golden Bears' court Tuesday night.

The West Reserves chalked up their third win of the season by trouncing the Bear reserves 58-10 1/2.

The difference in height made itself felt throughout the game as the Cowboys' leading scorer, Jack Thrush, was held to a mere six points, while J. Milhoun, Arlington center, rolled up 18 points.

The Golden Bears led 24 to 7 at the halftime.

Coch George Williams announced that tickets for the Springfield game Friday night would be on sale at the school today and tomorrow.

The Cowboys will leave for Springfield at 5:15 in the afternoon. They meet Newark Saturday night.

To Speak Here

Miss Scott

Miss Mary Scott, for two and one-half years a prisoner of the Japanese at Weihai, China, will speak at 2:30 p. m. and 7:30 p. m., Monday, Dec. 9, at the Warren Avenue Church of the Nazarene, according to Harris B. Anthony, pastor of the local congregation. Miss Scott sailed for China Sept. 16, 1940, as a missionary under appointment by the Church of the Nazarene, with headquarters at Kansas City, Mo. When war came on Dec. 8, 1941, she was taken inside the city of Tientsin and interned with other missionaries and nationals. "On Aug. 17, 1945, American paratroopers dropped out of a clear sky. There was bedlam in camp that day. I had to work in the hospital kitchen, but I didn't miss the excitement. Later, B-29's made three trips over the camp and dropped food and clothing," relates Miss Scott, in telling some of her experiences. On Oct. 17, two months later, the group was flown out.

She sailed from Peking, China, Jan. 18, 1946, on the cargo ship, Carrier Pigeon, arriving in Los Angeles, Feb. 19. Since that time Miss Scott has spoken in several districts. The public is cordially invited to hear this missionary speak.

Thanks For The Tips

Every week someone calls The Record to give a tip on a news story or two. Last week at least half a dozen or more people called us to report the bad accident on Broad street. Such cooperation from our readers makes it possible for us to continue to give you a better newspaper. Thanks.

Dear Mayor:

I know how difficult it is to get something done in these days of shortages but I also know that if a person wants it done and will keep demanding it he gets some action. So we are appealing to you to do something about some street lights around West High School.

I'll not go into detail. You should send your own investigator out. But when you do that, if you don't agree that these lights are needed I'll eat this paper. How about it, Jim? Give us a report and tell us that the city will get some lights out there right away.

Sincerely,
C. C. Hartley

piece and pretty much as it was when it was given to him two score years ago. He keeps it in a glass tube to show to his friends.

The first time the president was aboard his train, Conductor King made it his business to get a personal introduction to him. The Chief Executive lauded railroad men in his conversation with the trainmen, stating that the best men he had under him during the Spanish American War were railroaders.

Two years after this first meeting, President Roosevelt saw the local railroader on a platform and called him by name, much to the surprise of the division superintendent who happened to be standing nearby.

Mr. King lists Rubenoff, the violinist, among the other famous persons who were passengers on his train at various times. The Dayton Daily News carried a picture several years ago showing the violinist, his famous Romani-Stradivarius instrument, the conductor and others.

In several wrecks the retired railroader has been in several train wrecks. The most serious one put him in the hospital for three months and he still has scars on his head to show where he was caught between two wooden coaches when his train rammed the rear of another train going into the Cincinnati terminal.

Several times he jumped overboard when crashes seemed certain. On one occasion he almost landed in the Miami River when he was told to "unload." That time he was cut and scratched.

Carl Hosler Rates All-Ohio Mention

Carl Hosler, a tackle on the 1946 West High School football team, rated an honorable mention on the United Press All-Ohio team for this year.

Previously he had been selected on the first team of the all-city eleven by both the Columbus Citizen and Dispatch sports writers.

Hosler was discharged from the navy late last summer just in time to report for fall practice. An injured ankle kept him out of the most of two games. When his leg permitted he did much of the kicking for the Cowboys during the season.

Mrs. Long Has Retired From Business

Mrs. Mary Long, 24 S. Oakley, owner of the Long's Poultry Store at 2336 W. Broad-st., for 22 years, is retiring from the business world.

Mrs. Long decided that she had worked long enough. When asked what she planned to do in her leisure, she answered, "Oh, rest, and when spring comes I'll fish."

Mary Long started in the poultry business with her husband in 1924. During the past 22 years she has operated the store with the help of her step-brother, Harry Richards. He killed the birds and Mrs. Long cleaned them, besides waiting on the counter.

Mrs. Long still chuckles about the time one of her turkeys got loose and landed on a house roof. A neighbor finally got the bird down. There was a big write-up in The Hilltop Record about the incident and Mrs. Long still has the clippings in her cedar chest.

In leaving her business, Mrs. Long wants to thank all her friends and to wish them "Happy Holidays."

Holiday Safety Hints Are Given

The following safety hints are recommended for the coming holiday season by the Ohio State Safety Council:

1—Save a life for Christmas and the New Year.

2—Accidents don't happen, they are caused, either by a mechanical failure or a human failure.

3—Fire prevention is one goal.

4. Avoid inflammable materials in toys, decorations and garments.

5. Use metal tinsel and hang it on the tree before stringing electric lights as short circuits may be caused by tinsel in contact with live parts of the bulb.

6. Check electric cords, and replace worn ones.

7. Christmas tree lights should bear the Underwriter's Laboratory label.

8. Acquire two good habits (1) Never leave a lighted Christmas tree unguarded. (2) Dispose of the Christmas tree and any other evergreen decorations before they become very dry. Both are fire hazards.

9. Eliminate accident hazards in the home.

10. Keep stairways clear.

11. Use sturdy step stools and ladders for hanging holiday decorations.

12. Secure scatter rugs.

13. Gypsum Noncombustible

Gypsum is a noncombustible mineral found in abundance in this country.

DEC 1946

Cowboy Chatter

By Jean Gosnell

It certainly was good to see all the former West students back at the Alumni vs. West basketball game. For those of you who haven't heard, the game was a thriller ending West 43, Alumni 41, in an overtime game.

Congratulations to Pat Petty, Dick Ham, Jo Navin, Gloria H. Enberger, and Vernon Knowlton for their fine work in really getting us into the spirit of the game through their leadership in the hearty cheers. Those leading cheers for the reserve game were Fred Wolterman, Dick Davis, Marilyn Calentine, Donna Sprang, and Teddi Hill.

A new student at West is Richard Bowles, who, by the way, is very good at the piano and has a fine voice.

With all the seniors having their pictures taken, proofs have been floating around the school like Kilroy signs.

And now to close, but not without first a reminder to the 12A's not to forget their party Dec. 12. Let's have a really big turnout.

Counting Tax Stamps Is Fun At West

Checker Uppers

By A. M. Crawford

Maybe you think counting sales tax stamps is uninteresting, but ask any of the girls who work in the clinic the first period tallying the yellow tickets and you

may find matters are quite different.

The truth is "exclusive!" The "goings-on" in that room are deep hidden secrets, never before revealed to the curious West High public. Now, for the first time in history, the truth behind the scenes in stamp counting may be told. But don't be mistaken, the vigil has not been relaxed. This is an inside job.

Two tables, centers of operations, are situated in the little room. Around the first one are Helen Nice, Pauline McClellan, the Ernest twins, Betsy and Mary Jane, Barbara Vins, Janet Baker and Annabel Crawford.

Around the second sit Vera Masdes, Ruth Laymon, Marilyn Ring and Ruth Linebaugh. Miss Margaret Campbell, advisor, reigns supreme from a desk in the corner.

Now, with this impressive group counting stamps is only of secondary importance. Talking comes first—not merely idle talk, you understand, but deep, potent discussion. While Miss Campbell wrings her hands in despair such subjects as clothes, music, dogs, books, football, baseball, Russia, politics, food, the sanity of certain members of the faculty and students and many other things too numerous to mention are debated upon. Stamps very seldom manage to squeeze into the colloquy (only kidding!).

In spite of this they are able to accomplish amazing amounts of work tallying the stamps turned in and recording 100% club members.

Secret Horrors of Stamp Counters Revealed

The secret horrors of the tax-counting brigade are the cutting of string with which to tie up stamps and the making out of slips recording the amounts of stamps. The "Earnests," being the smallest and weakest of the crew, usually find themselves obliging in these duties.

One thing that brightens a stamp counter's world, however,

West Students To See Dog Show

Leon F. Smith, animal trainer and noted showman, will present his troop of trained dogs in a special assembly at West High School on the morning of Dec. 12. The assembly will include both senior and junior high students and is being arranged without charge to the pupils.

Principal Irvin Young in commenting on the performance, said, "Students are certainly deserving of this treat, since they have backed every worthwhile project we have undertaken this year." The show will feature the wonder dog, "Suki," said to be one of the best trained dogs in show business.

Starling News

Students Enjoy School Caps

The Student Council at Starling Junior High School voted to have a school cap. They planned a skull cap designed in the school colors of blue and white. The council decided to decorate the front of the cap with a white star, under which is printed the name of the school.

The council representatives sold these clever creations during the homeroom periods.

Hi-Y Organizes Basketball Team Under the direction of Mr. Brula the Hi-Y of Starling Junior High School has organized a basketball team. The boys are now practicing for the basketball season which starts in December.

On the team are Warren Burkly, Vernie Feen, Floyd Flack, Howard Johnson, Richard Kelly, Robert Parleasant, John Pearce, Harold Underwood, Eddie Valentine, and Louis Weber.

East High Has Letterman Team

East High School, one of West's opponents, will start a quintet of lettermen this winter, according to Ralph Webster, coach at the school.

Lettermen are Ralph Binns, Bruce Craggett, Dick Thomas, Ambrose Towert and Gordon Jackson. Others on the squad are Bill Hill, Bill Fenneken, Bob Barn, Bill Agnew, Dick Newton and Dick Wallace.

is the objects that appear unexpectedly in the submitted stamps. They include such things as: feathers, face powder, chewing gum, buttons, hand-aids, caramels, postage stamps, bottle caps, receipts and empty match folders.

But the deepest, darkest secret of all is one which, brave as I am, I cannot reveal to you. It must remain forever buried beneath the endless piles of one, two and three cent stamps locked in the hearts of the counters.

This secret is the identity of "Herman." Ask them if you want to find out.

THE HILLTOP RECORD
Published Every Thursday Morning By
The Hilltop Record, Inc.
2400 W. Broad St. Columbus, Ohio Phone RA. 1125

An Independent Newspaper Devoted To The Interests of The Hilltop and West Side.

Entered as second class under Jan. 21, 1945, at the Post Office, Columbus, O., under the act of March 3, 1978.

C. Carlton Bentley, Publisher; Paul Wichterman, Editor; Joseph W. Agee, Manager.

And Sudden Death

Eleven years ago Readers Digest first published an article entitled, "And Sudden Death." No doubt millions of Americans read the gruesome account of how 36,000 fellow Americans were annually meeting the "grim reaper" on the nation's highways.

Last December that magazine reprinted the article in the interest of awakening the country to the fact that traffic accidents are taking a terrific toll in human life each year. The 36,000 figure is of course now obsolete. The rate of death, suffering, sorrow and financial loss continues to mount in Columbus and across the nation.

Last week "sudden death" again stalked the Hilltop. The picture in columns 4-6 tells the graphic story of what happens when wet pavements, speed and a moment of thoughtlessness join forces in heavy traffic.

In this accident, that happened on the morning of Nov. 25, one man was killed, two women seriously injured, and three other persons less seriously but painfully hurt. In another crash on Route 40 near Alton, another man narrowly escaped with his life the same day. And so it goes.

It is not the purpose of this editorial to try to fix the blame for either of these crashes. Police department records contain all the known facts. But it is the purpose and it will continue to be the policy of this newspaper to promote safety on the streets and highways of the Hilltop in whatever way seems to be most effective. One of the principal objectives of the Franklin County Safety Council is to carry out a program of safety education. A score of business men are giving generously of their time to appear before local church and civic groups to spread the word. They deserve to be heard by every organized social, religious and civic group in the community. D. K. Finley, 733 S. Hague-av., has been working untiringly in an effort to curb the ever-growing accident rate in the city and county in his position of director of safety promotion.

Let's all resolve to back the program to the limit through this month and the entire new year of 1947. It will work if we are willing to give it a chance to work.

Modern Poetry

By Esther Weakley
GOODNESS YOU'RE EARLY!
With powdered nose I sit and rock
And read a book and watch the clock,
And pace the room and try to sew,
And listen for a step I know.
It's seven-thirty, then it's eight...
I tune the radio and wait
Until I hear the door knob turn
And don my proper unconcern.
Barbara A. Jones, in
TED MALONE'S SCRAPBOOK

ENIGMA
Time is a withered monk whose pale hands write
By flaring candles of the stars and sun
What mystery? An Age swirls down the night...
The candles fade into oblivion.
Hugh Wilgus Ramsaur, in

FEMININE MATHEMATICS
Thirty years old I am today
And ten years hence, I shall contrive.
In my inimitable way
To be no more than thirty-five.

All trace of logic disappears
In this arithmetic of mine,
But O they were delightful years—
The five years I was twenty-nine!

May Richstone, in
TED MALONE'S BETWEEN THE BOOKENDS

THOSE WHO WAIT
There are those who age like the lilacs of a summer season.
Like the sunflowers growing in color as the days diminish,
Like the lingering thrush and wren in the fading meadow,
And the last of the larkspur, prim and bright to the finish.

There are those whom frost will startle as it frightens an aster—
Who tremble at the ebbing of time like a laurel-cluster.
There are those who wait for winter with an enviable patience—
With quiet hands, and a crown of snowy lustre.
Walter Blackstock, Jr., in
A CREED FOR DARKNESS

Shortage of silk after Pearl Harbor spurred chemists to greater research on nylon, the durability and adaptability of which were proved during the war. Among newer contenders for the textile throne are ramie, a grass fiber, and aralac, made from milk curds.

Soapless Soap Eases Housework

An increasing number of women are using soapless soaps or wetting agents to help them in a variety of household tasks. These wetting agents usually come in very granular form and are proving superior to ordinary soaps because they actually do double duty—soften water and cleanse. Formulation of scum by soap in hard water is a characteristic common to all soaps, but not to wetting agents. The substance in these synthetic detergents combines minerals in hard water to make salts dissolve, instead of making the curd-like substance of scum which is an insoluble salt.

Giving better contact between the washing solution and surface to be cleaned, these wetting agents get a material or surface wetter and do it quickly. Near neutral in reaction, instead of alkaline, the wetting agents are most effective for cleansing milk utensils.

Among numerous uses in which these wetting agents are being employed are dish washing, fabric washing, including woollens, blankets and sweaters, window washing, family car washing, washing fabrics on furniture, washing milk buckets and separators.

Game Kill Survey Planned

E. D. Martin, chief of the game management section of the Ohio Division of Conservation, announced this week that plans are now nearing completion for determining the annual game kill in Ohio. The project will be carried out in cooperation with the Ohio Wildlife Research Unit of the Ohio State University which each year is subsidized with Division funds for certain specified research.

The system will involve a postal card questionnaire following the close of the 1946 season. Not less than a 4 per cent sampling will be made involving the mailing of questionnaires to approximately 30,000 hunters.

Commissioner Rider states that arrangements are being made at the present time which may involve experimenting with the possibilities of making a wildlife survey of certain species of game through the use of airplanes.

We are hearing some sad items from the farm front, what with lack of skilled manpower and all that. Particularly vociferous are dairy farmers, who say experienced milkers are next to impossible to get.

"I won't have any more of the duds that the employment service sends out," raved one farmer. "The last one that came out forgot to shut off the electric milker in time, and two cows got burned inside out."

Dad had gone off to war leaving a young baby who had been getting most of his nursing from his daddy, and dad never seemed to have trouble getting the offspring to sleep at night. His mother was having a heck of a time every night, so she called dad, who was at sea, and requested a cable reply. "Put a couple teaspoonfuls of gin in his night feeding."

Major—You were absent from the parade. Any explanation?
Private—Yes, sir, a mule kicked the sergeant in the head, and I had to fix it.
Major—Fix what?
Private—The mule's leg.

In days of old, "grub" meant something to eat. Now, however, it's getting to the point where we have to forget the old meaning and believe the dictionary when it says grub means "to dig up." And grubbing grub is getting more difficult every day. Even turkey and chicken are being crossed off the restaurant menus most of the time.

The man down the street went to a lunch counter and asked for a turkey sandwich.
Counterman—Sorry, we're out of turkey.
Man—Then give me a chicken sandwich.

Counterman—Look, would I refuse you a turkey sandwich if we had any chicken?

Girl—Am I the first girl you have ever kissed?
Returned Serviceman—Now that you mention it, you do look familiar.

A thief looking for food in a refrigerator at Rockingham, N. C., departed with \$300 he found in the ice tray.

People of Thailand insist upon an odd number of rooms, doors and windows in their homes.

In Washington, D. C., the demand for typists is so great that applicants are given only one test. They are shown a washing machine, a sewing machine, and a typewriter. If they can pick out the typewriter, they're hired.

An Englishman gets three laughs from a joke—first, when the joke is told; second, when it is explained to him; and third, when he understands it.

The Frenchman gets only the first two—he never sees the point.

The German gets only one—he won't wait for an explanation.

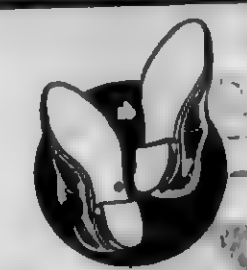

And the poor American gets none at all, because he's heard the joke before.

We overheard two Marines talking about gifts for girls:
First Marine—I just got back from the South Seas and I'd like to bring my girl a present when I call on her, but I don't know what to get.
Second Marine—Does she like you?

First Marine—Sure she does.
Second Marine—Well, you'd better get her a present or you'll lose her. If she likes you, she'll like anything.

Marge—Well, after his behavior yesterday, I will never go fishing with Harry again.
Mabel—Heavens, what did he do?
Marge—Oh, he just fished.

Christmas Time
Legend says that a young shepherd girl was weeping bitterly as she watched the wise men on their way to take gifts to the Christ child. An angel appeared, and after ascertaining why the young girl was crying, she waved her wand, and instantly the ground was carpeted with glittering white Christmas roses. The young girl quickly gathered some blooms. When she presented her gift, the Christ child smiled, and as his fingers touched the white flowers the petals became tinged with pink.

Mission Crusade To Be Observed At Hillcrest

Sunday, Dec. 8, will be observed as World Mission Crusade Sunday at the Hillcrest Baptist Church. At the time of the morning worship service the Church Crusade Committee and Workers will be dedicated to the work of this crusade.

In observing this unusual event the Hillcrest Church will join with more than 5,000 other Baptist Churches in the 44 states of the Northern Baptist Convention in raising a post-war fund of fourteen million dollars. Through the World Mission Crusade Northern Baptists plan to rebuild war devastated mission hospitals, schools and churches in Asia and Europe, carry out a vigorous program of advance in every phase of the denomination's work at home and abroad, and provide funds for world relief in cooperation with other denominations.

In connection with the dedication and recognition service the ordinance and communion will be administered and the right-hand of Christian fellowship extended to new members.
Rev. J. Herbert Goewey, pastor of the Hillcrest Baptist Church, explains that in conducting the World Mission Crusade with its goal of \$14,000,000 Northern Baptists are accepting their part in a great post-war program of reconstruction, relief and advance, in which the many Protestant denominations will raise funds aggregating \$18,000,000. This will represent the greatest combined postwar program of all time.

In connection with the evening service at the Hillcrest Church, a motion picture "We Too Receive," will be shown. The morning service starts at 10:30 and the evening service at 7:30.

West High Gets 2 New Projectors

Two new movie projectors were purchased last week by West High School for use in classroom and in the auditorium. The machines are of the latest design, costing \$485 each.
Principal Irvin F. Young said the machines would be in almost constant demand in the various departments of the school. Films are being used extensively in science courses and to a lesser degree in languages, history and physical education.
The presence of the state film library here in Columbus makes available a wide selection of pictures for school use, Mr. Young pointed out.
The new equipment was tried out for the first time in the school auditorium on Nov. 27.

Holly Sacred
The legends regarding the holy date back to the Druids, who believed the evergreen leaves of the holly were proof that the sun never deserted it and it was therefore sacred. Legend also says that the crown of thorns was composed of holly, and that before the crucifixion the berries were white, but turned crimson, like drops of blood, afterward.

**Sharp Shoppers
Buy Cotton Bags
For Dress Goods**

Ladies, if you're looking for the bargain that beats 'em all, the gist of the keen-eyed shoppers' chatter is that it's in the bag. A cotton bag, that is.

Needless to say, that's the versatile cotton bag which comes to your home as a feed, flour, sugar, and-so-forth container. Truth of the matter is that hardly does one of these sensational sacks cross the kitchen threshold before the neocromantic housekeeper empties the contents and centers her sewing-minded thoughts about the miraculous things that can be done with the precious cotton cloth serving as a package.

Billions of Yards
What with piece-goods counter combing still unfruitful at times, and the virtue of thrift as attractive as ever, the billions of yards going into essential bag-making during the current year are a genuine sewing inspiration to those fortunate who are getting "pretty print" bonuses with the chicken feed and baking flour.

Billions of yards for bags is a phrase as true as it is impressive, according to the National Cotton Council, which estimates that the cotton sack cloth carrying the commodities from place to place in 1946 is enough to make 285,714,200 dresses. Not skimpy dresses either, if you please. In fact, that figuring takes care of all the fancy furbelows and the longer hemlines that color the style lines of the day.

If you prefer your figures in bathing suits, then perhaps you'll be amazed to hear that the year's bag cloth would be a gracious plenty to allow 914,285,440 lovely lassies—if that many there were—to adorn the country's beaches in sack swim suits at their brief best. Translated into other terms that are also music to men's ears, this is enough yardage to furnish 685,714,080 cotton shirts.

Sack-To-Shirt
However, since this estimate admittedly includes flowered prints, the nation's fellows would probably be glad to leave some of the yardage to the womenfolk. Even at that, there's many a snowy white flour sack now going through a sack-to-shirt metamorphosis at the hands of the little lady.

Further figuring, more on the imaginative side, shows that 1946 bag cloth would stretch from here to the moon and back again, glide the earth three times, with still enough left to tie an enormous bow extending across a 10,000 mile surface to wind the whole thing up.

Acres of Enormous
Down on the cotton farm the interest in such estimates might well be expressed in acres. To grow the raw fiber necessary for all this bag-making a plantation of 1,214,000 acres would be required, which represents one-thirteenth of the total cotton consumption in 1946. In practical language that's the white gold production of 65,626 average family-size farms.

With the housewife's interest in the re-use value of cotton sacks hitting an unprecedented high, figures such as the above indicate that she'll be getting enough cotton sack cloth to make all her sewing dreams come true. According to millions of homemakers, such sewing dreams range from whipping up a new wardrobe of cotton frocks to redecorating the bedroom.

Translated into other terms that are also music to men's ears, this is enough yardage to furnish 685,714,080 cotton shirts.

Sack-To-Shirt
However, since this estimate admittedly includes flowered prints, the nation's fellows would probably be glad to leave some of the yardage to the womenfolk. Even at that, there's many a snowy white flour sack now going through a sack-to-shirt metamorphosis at the hands of the little lady.

Further figuring, more on the imaginative side, shows that 1946 bag cloth would stretch from here to the moon and back again, glide the earth three times, with still enough left to tie an enormous bow extending across a 10,000 mile surface to wind the whole thing up.

Acres of Enormous
Down on the cotton farm the interest in such estimates might well be expressed in acres. To grow the raw fiber necessary for all this bag-making a plantation of 1,214,000 acres would be required, which represents one-thirteenth of the total cotton consumption in 1946. In practical language that's the white gold production of 65,626 average family-size farms.

With the housewife's interest in the re-use value of cotton sacks hitting an unprecedented high, figures such as the above indicate that she'll be getting enough cotton sack cloth to make all her sewing dreams come true. According to millions of homemakers, such sewing dreams range from whipping up a new wardrobe of cotton frocks to redecorating the bedroom.

boys was held at the Hilltop Bowling Alley Nov. 30. At this meeting it was decided that the Seiler's Teen Age Bowling League for boys will bowl on Saturday morning beginning Saturday, Dec. 7, at 10. At this meeting Saturday each team will bowl a set of preliminary games to determine whether the league will be a "scratch" league or a "handicap" league.

At the last meeting six teams were represented. Dick Ardle, Quann Rice and Jim Martain represented three teams from West. Jerry Bricker, Ed Harold and Ray Dethy represented teams from Aquinas, Holy Family and St. Charles, respectively.

At the meeting Richard Ardle of West was appointed president and Jerry Bricker of Aquinas was appointed as secretary of the league. It is undecided whether the league will consist of six five-man teams or eight four-man teams. All captains and their teams are requested to be there Saturday as bowling will start promptly at 10 a. m.

West High Opens Basketball Season With Two Victories Here

Shepard Head Of Sportsman Group Here

The Hilltop Sportsman's Club, Inc., held its annual election of officers Nov. 14, with a turkey dinner and entertainment. Fred Shepard was re-elected president; Ron Henkel, vice-president; Marvin Robinson, secretary; Al Bolin, treasurer.

Following the dinner for 40 members, the election results were read and a short talk was given by Mr. Shepard. Through the cooperation of Hilltop business men and Ron Henkel, 20 handsome prizes were given to lucky club members. William Muhl and Mickey Kunz entered a hilarious skit that was well received. Frank Em-

rich and Al Bolin led the singing of several Christmas carols. The main topic of conversation during the evening was rabbit and pheasant hunting, the following day being the first day of the season.

At the last meeting, Nov. 21, a discussion was held concerning the amount of game taken the first week of the season. From the many members spending a major part of the week in the fields and woods, it was learned that very few birds were taken and rabbits were scarce. There was some evidence that the coon hunting would be good and coon hunters are looking forward to some exciting times. Plans are going forward to lease a sizeable amount of land for future club, trap and rifle meets.

Thrush Tallies 22 Points As Cowboys Down Grandview Here

Cowboy George Williams and his Thrush quintet opened the 1946-47 basketball season in appropriate style last Wednesday night by defeating Grandview 50 to 40 and then followed this up by a 43 to 41 win over the Alumni on Friday night.

West was scheduled to play Arlington at Arlington on Tuesday night and then travel to Springfield Friday and visit Newark on Saturday night. The opening game of the City League will be played on Dec. 13 when the Cowboys go to South. They will not be back on the local court until Jan. 10.

Jack Thrush, playing with one finger in a guard, stole scoring honors in the Grandview game when he accounted for 22 of the West points. His running mate, Walter Hicks, sank seven field goals for a total of 14 points.

The game was a nip and tuck affair through the first two periods with Grandview leading most of the way. At the half time the visitors led 25-23 but the Cowboys came back strong in the third period to score 13 points while holding the Bobcats to two free throws.

Ralph Watts contributed seven points while playing a good defensive game, coming through the contest without a single personal foul. Smith, with 11 tallies, was high scorer for the visitors.

Reserves Win
The West Reserves chalked up a 32-19 win over the Bobcat Reserves earlier in the evening and then won a close 32-31 decision over the Alumni Reserves on Friday night. Weeks was high man for the Heitchman-coached squad with 11 points.

The West-Alumni game developed into a close contest in the second half and was decided in an overtime period when West tallied on six free throws to better stand at 37-37 at the end of the regular playing time.

The Alumni team paraded 19 former Cowboy basketball stars in and out of the lineup during the evening. Dick Slager took individual scoring honors for the grads as he dropped three long shots to help make up his 12 points for the evening. Jack Thrush again was high man for the Cowboys with 12 points, followed closely by Watts with 11 and Hicks and Thieson with nine each.

Watts made all but two of his points via the charity line, looping nine out of 12 attempts. Stinson, for the grads, was second high scorer with seven points.

Ohio Lakes Are Popular In Winter

There's a winter show in full swing at Ohio's resort and recreation lakes but there's a noticeable lack of vacation time sparkle of idyllic hour chatter amid cottages, colorful lights of boardwalks, moonlight canoe rides and gay fishing trips.

The winter show is the one that follows each vacation season at the lakes. There is the usual dry-docking of all watercraft—everything from sight seeing cruisers to flat bottom row boats. Then there's the job of removing floating docks and boat landings that might suffer from the freezing and thawing ice which forms on most Ohio lakes up to as much as 36 inches in some weather. The "off-season" period affords the opportunity of lowering the level of the lakes in order to make wall repairs and to reinforce embankments that would otherwise erode into the water with winter lashing.

Carl W. Miller, Chief of the Inland Lakes and Parks Section for the Ohio Division of Conservation outlined the Division's activities by stating that at Buckeye Lake the water level has been drawn down considerably for wall projects are under way. At Indian Lake dredging continues on the north side and wall repair and construction is quite general. Materials have been ordered for facilities for public recreational areas.

The new barge at St. Marys is 90% completed. The bridge into the Legion area is finished and materials for two shelter houses for the east end park area under development. Dredging of South Branch at Lake Lorame is nearing completion. One mile of dredge row has been graded and opening made for bank fishing. The new boat house has been completed. At Portage Lakes in Summit County regular park maintenance continues along with wall repair work.

Lake visitors next summer will little appreciate the bulk of this wintertime lake activity since very little of it shows up to the casual visitor, nevertheless, it is a most vital part of lake operation and maintenance which must continue to serve the vacationing public seeking recreation.

Football Togs Are Tucked Away Til Next Year

By Press

Have you ever wondered what happens to the football uniforms when the season is over? Do you have any idea what the cost of cleaning and repair is?

At West High School the upkeep of football equipment is no small item. "Ah, yes, there is more to football than just practice and playing the game. Just ask any of the football managers who, without further ado, should be introduced as Bob Haas, Eugene Zimmerman, Dick Holycross, Bruce Langston, and Dick Husch.

These "fellas" may be seen in their spare time and every ninth period, either out in the stadium doing their part to recondition the football uniforms, or transporting same to their place of storage.

This particular edifice, located next to the boys' locker room is known as "the cage," "the jail," or simply "the room." In here one finds all sorts of paraphernalia pertaining to football, track, and the various other sports around school.

To give you some idea of what must be done, the footballs that you see kicked around over the field are repaired, oiled, and packed away until the following year. Shoes, after being repaired and polished, join the ranks also, along with the newly dry-cleaned jerseys and pants, and rehabilitated shoulder pads, helmets, etc.

Coach Mac Pemberton has been heard to remark that seven or eight years ago the entire football budget was estimated at somewhere around six hundred dollars. Now the cleaning and repair bill alone equals that.

Here is a sample bill that was received for one shipment of cleaned and repaired equipment: 33 prs. shoes \$100.00 54 practice pants 40.50 27 practice shirts 8.00 27 shoulder pads 27.00 15 rib pads 15.00 25 hip pads 25.00 21 new game pants 10.50 38 old game pants 19.00 58 game jerseys 29.00 40 helmets 77.50

This bill alone totals over \$500 dollars. Coach Pemberton says, too, that the cost of new equipment is also to be considered. For instance, those new satin game pants run about \$15 a pair. The equipment lost, stolen, or damaged beyond repair this year amounts to about two hundred dollars and that, too, must be replaced. Also a lot of obsolete equipment has either been sold or given away this year.

So you see, this business of outfitting a football team is not an easy task.

Red Birds Play 25 Pre-season Games In Spring

The Columbus Red Birds will play at least 25 games before the opening of the 1947 American Association season, officials announced this week. The Birds will play 23 games at their Daytona Beach training camp and at nearby sites and will play three games en route north or in Columbus. Final details of the return have not been arranged.

The Birds will meet four American Association foes, two International League opponents and at least one major league foe in their tune-up campaign. Indianapolis, Milwaukee, Toledo and Minneapolis will be played in home-and-home games in training while Atlanta of the Southern League and Rochester and Jersey City of the International League will be on the Red Bird spring card. The Washington Senators will be met and other major league tilts are tentative.

The Columbus club, whose manager is yet to be named, will report at Daytona Beach on March 7th.

West Boosters To Meet Sun.

Tommy Kincaid, OSU football player, will show pictures of one of the 1946 games when he appears before the West High Boosters' Club at 3 o'clock on the afternoon of Dec. 8.

The meeting will be held in the basement of the Hilltop Sporting Goods Company, 2461 W. Broad at next door to The Hilltop Record.

Arrangements to have Kincaid were made by Frank Richey, one of West High School's outstanding athletes. Officials of the Boosters' Club announced that an order for the electric scoreboard for Magly Field has been placed through the sporting goods company and will be erected in time for next year's athletic contests.

The deluxe unit is expected to cost \$1200 or more by the time installation costs are figured in. The club is standing the entire cost of the scoreboard.

Carol Singing Is Planned For December 15

An hour of Christmas carol singing for the Hilltop community will be held at Glenwood ring, Dec. 15, from 8 to 10 o'clock. The service is being given under the joint sponsorship of the Hilltop Kiwanis Club and the Hilltop Hymn Sing group. Mrs. Charles W. Walton, music director for Glenwood, will direct the carol singing.

Accompanists will be Mrs. Clyde D. Moore, at the organ, and Dwight Frasure, at the piano. The vested church choir will be in the choir loft.

W. Haydn Jones and his music committee represent the Hilltop Kiwanis Club in this special musical event. Jones pointed out that the service was being held earlier this year so that it would not interfere with special Christmas programs planned by most churches on the Sunday immediately preceding Christmas.

The Hilltop Hymn Sing group meets in a local church every other Sunday night following the evening service. Sunday night the group met at Immanuel Baptist Church with 129 present from seven different churches. Oakley Avenue Baptist won the attendance banner with 100 per cent of the evening service in attendance at the sing.

Westgate Church Has Full Week Of Special Services

An overflow crowd attended the first regular worship service held in the new Westgate Methodist Church Sunday morning. According to Rev. James Lorenz, pastor of the church, approximately 350 persons were in attendance.

Special services daily through Sunday will mark the full week of celebration at the church.

The Sunday School had an attendance of 184.

Tonight will be given over to civic and fraternal organizations of the Hilltop. Dr. Don Timmerman, secretary of the Franklin County Council of Churches, will be the speaker. Special music will be presented.

Friday night Capt. Roland V. Hudson, former army chaplain, will talk and show pictures he had taken in India. It will be youth night and there will be special music.

Saturday will be observed as anniversary day and will begin with open house starting at 10 a. m. A bake goods sale will be held during the afternoon and evening and from 5 to 8 p. m. a turkey dinner will be served.

Sunday morning at 10:30 o'clock, Dr. John T. Alton, district superintendent of the Columbus District, will be the speaker. Music will be furnished by the two choirs. At 8 o'clock Rev. Lorenz will bring his first sermon in the new building. He will use as his subject: "Our Holy Ground."

A Masterpiece in the Flower Kingdom

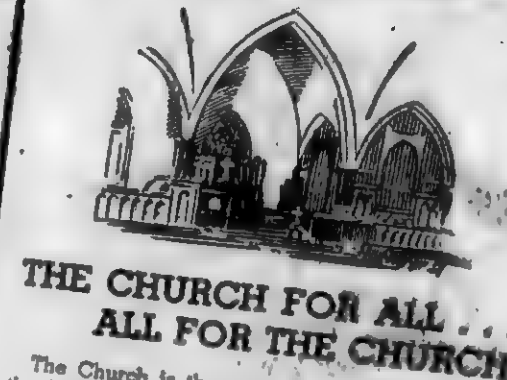

The orchid is a flower of great beauty! It is recognized by horticulturists as a masterpiece in the flower kingdom, and reaches maturity only after seven years cultivation.

Physical beauty is the only requirement the orchid must fulfill to assume its place in the world. It is otherwise a soulless botanical specimen.

The botanist who cultivated this flower also possessed a son, and as the orchid approached maturity so also grew the child. The flower and the child were the objects of his greatest pride and affection. While his success with the orchid was certain, he failed in the greatest responsibility of his life—the training of his son.

The father's failure was caused by his inability to see the all important difference between the soulless flower and the immortal soul of his son. He thought only of the physical and mental prowess of his boy and thus neglected the child's greatest potential heritage—spiritual development. He had forgotten there was a Church! He had forgotten God!

The Church offers guidance and help to parents in the training of their children. Every parent and every child needs the sustaining strength of the Church.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

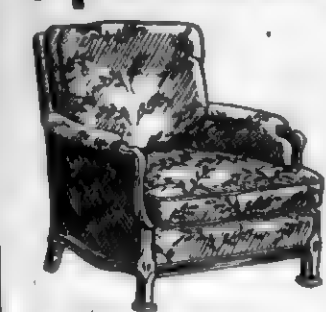

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

Traffic "Crackdown" Is Ordered By Chief Merica

Police Chief Lester W. Merica last Friday ordered a "crackdown" on all traffic violators with no leniency to be shown offenders.

The order was published in the police bulletin, issued to all officers, which reads:

1. Arrest of all drivers and bringing them to City Prison for payment of fines or posting of bond for future appearance in court on all moving violations.
2. Immediate arrest of every motorist with two or more unpaid

tickets on down."

A breakdown of traffic fatalities by Capt. Frank Harrison of the Traffic Bureau shows that of the 48 persons killed in traffic up until last week 24 have been pedestrians. Auto-to-auto accidents proved fatal to five persons, while the remainder of the traffic deaths fell in the miscellaneous category. In the pedestrian deaths, five cases of second degree manslaughter have been filed.

Meanwhile ways and means of combating the city's rising traffic accident rate were discussed Friday at a meeting of safety experts, city officials and representatives of the press and radio.

How to reach the 100,000 motorists, who use the city streets daily, in a way that will cause them to take greater safety precautions, was a problem presented by the score of persons present.

The inadequacy of man power on the police force to properly police all areas of the city was pointed out. Mayor James A. Rhodes discussed plans the city now has under advisement for improving the financial status of the city generally and its effect on the law enforcement agency.

Safety Director Cole told the group that his men are instructed to arrest all traffic violators apprehended but that frequent light sentences or no conviction at all handicapped the efforts of his

men. Closer cooperation with the judicial branch of city government was pointed to as "being much in need."

Meetings of this same group are to be held on the first Friday of each month in the safety director's office.

Band Parents To Hold Party Dec. 18

By Jan Baker

The Band Parents Club of West High is planning a Christmas party for December 18th.

Heads of the various committees: entertainment, E. B. McCarty; decorations, Mrs. E. B. McCarty; refreshments, Mrs. Owen Jones; program, Mrs. John Astor; Mrs. Ralph Lichtenberger, assist.

The party will be held in the gym and the senior band, junior band, junior orchestra, senior orchestra and parents are invited.

There will be a ten-cent gift exchange and entertainment will be provided.

This party is an annual function and is looked forward to, by all the guests.

Tasty Roll

Fold back tops of parker house rolls. Spread with peanut butter. Replace tops. Place in a sandwich grill for five minutes or until rolls are lightly browned and flattened.

They Represent West Junior High School

Above is the West Junior High band which was organized this semester by the leader, Mr. Bennett. About seventy members, including majorettes and manager, comprise this organization, which practices the sixth period every day. The band has made a fine showing by appearing at two

football games this fall, the East game, and the homecoming game with Cincinnati Hughes. At the latter game while the senior band formed a C-H-A-R for Charlotte Jones, the queen, the junior band formed a heart with an arrow through it. The junior band was also the sand that trickled

through the hour glass formation made by the senior band. West Junior has every right to feel proud of its fine band. It is the opinion not only of the school but the spectators as well that it is the best junior high band in the city.

Fire Facts

By Captain John Jordan, Chief Bureau of Fire Prevention

Now is the time to get fire protection equipment in shape to insure its proper operation during the winter months. Unless proper precautions are taken in advance of the winter season, the very best fire protection equipment may be affected in some vital spots by freezing.

A small "freeze up" can cripple the entire sprinkler system and leave the plant—whether a public fire protection or a private industrial extinguisher—subject to freezing and must not be left in unheated buildings unless heated cabinets are provided for the extinguishers.

Carbon tetrachloride and carbon dioxide extinguishers will not freeze and there are special non-freezing types of extinguishers suitable for unheated areas. A thorough examination of the entire heating system is essential so that any deficiencies can be corrected. Proper operation of the heating system is necessary to prevent freezing of the fire protection equipment, but the heating system in itself may be a fire hazard unless it is in good condition.

All heating pipes, radiators and so forth should be brushed down and all rubbish and litter removed from the premises. Temporary heating facilities, such as salamanders and portable stoves, are fire hazards and should not be used.

Because orange sauces greatly enhance the flavor of wild game, it is a good idea to use orange juice instead of water during the cooking.

Community Junior Theater Series Will Open With Boychoir On Dec. 21

The Columbus Boychoir School, under the direction of Herbert Huffman, will open the Community Junior Theater series for 1946-47 with a concert on Saturday morning, Dec. 21, at 10 o'clock, at the Palace Theater. Christmas music will be featured by this nationally famous group and the audience will join the boys in singing some of the familiar old favorites.

"Sleeping Beauty of Loreland," by Frances Homer, will be presented by the Department of Speech of Ohio Wesleyan University in January. This production, directed by Kelly Danford, will be staged six times under the following schedule: Jan. 10 at 3:30 p. m. at North High School; Jan. 11 at 10:30 a. m. at East; Jan. 11 at 3:30 p. m. at Arlington; Jan. 17 at 3:30 p. m. at South; Jan. 18 at 10:30 a. m. at Bexley; and Jan. 18 at 3:30 p. m. at West.

"Little Black Sambo and the Tigers," by Charlotte Chorpennig, is to be given by the Ohio State University Department of Speech in February. Mrs. Chorpennig's delightful version of this childhood classic will be directed by Everett M. Schreck. It too will be trouped and will be presented on Feb. 7 at 3:30 p. m. at North High; Feb. 8 at 10:30 a. m. at East; Feb. 8 at 3:30 p. m. at Arlington; Feb. 14 at 3:30 p. m. at South; Feb. 15 at 10:30 a. m. at Bexley; and Feb. 15 at 3:30 a. m. at West.

Joan and Betty Rayner—Troubadors in "The Talking Burro"—and other folk-sketches and songs are scheduled for March 8 at 10 a. m. at the RKO Palace Theater. These talented young

women have traveled all over the world with an act which is so old it's new. They have gone back to the tenth century for their inspiration, and have adopted the style of the strolling players who staged their shows on the village greens or in the great halls of the castles.

The Ohio State University Band, under the direction of Manley R. Whitcomb, will be heard in a concert at the Palace Theater April 19 at 10 a. m. This fine musical organization, which has been broadcast nationally, is almost as well known as the university it represents.

A water carnival at the Natatorium on the Ohio State University campus will close the series on May 10 (time to be announced later). The Swan Club, women's swimming organization at the university, will present an exhibition of group swimming, and there will be diving and swimming contests by members of the men's swimming team. A special feature will be the "how NOT to dive" exhibition.

The Community Junior Theater, now starting its third year, was organized to bring good entertainment at small cost to the children of Franklin County. It is a community project directed by an advisory committee, with Irwin A. Johnson, director of developmental programs for WBNS, as chairman. The program is underwritten by the Junior League of Columbus.

Season tickets are 90 cents, and single admission tickets are 25 cents for children and 35 cents for adults; however, an adult accompanied by five children will be admitted free. Tickets may be purchased downtown at June Schaeff Florist, 7 N. High-st., and Heaton's Music Store, 50 N. High-st.; and on the Hilltop at Campbell's Drug Store, 2704 W. Broad-st.; Goodwin's Pharmacy, 2772 Sullivant-av.; Superior Drug, 2109 W. Broad-st.; The Hilltop Record, 2485 W. Broad-st., and Essex Pharmacy, Central and Sullivant-avs.

Hazel Bercau Had 1st Beauty Parlor On Hilltop -- Added Gift Shop Recently

Fixing her friends' hair was a hobby with Mrs. Hazel Bercau, 78 S. Richardson-av., until she decided to make some money on the deal, so she opened a beauty salon in her home, where she has lived for 28 years.

She started her business 24 years ago, in 1922, and it was the first beauty parlor on the Hilltop, besides being the only one for several years. She ran her shop in her home until three years ago, when she moved to her present location, at 2842 W. Broad-st. At the same time she enlarged her field, adding a gift shop to her business as a hobby. "It's turned into some hobby, too," chuckled Mrs. Bercau. Her mother takes care of her gift line, while she operates the beauty salon. The shop has far exceeded her expectations, which naturally pleases her very much.

Mrs. Bercau has three living children, Mrs. Warren Parkinson, Mrs. Donald Malone and James Bercau, a beautician in California.

"Beauty work is hard," said Mrs. Bercau, and you have to be willing to sacrifice many things to be a beautician. I've learned, too, that if you want anything done, you have to dig in and do it yourself; you can't stand around and wring your hands and wish for this, that and the

Holidays Affect Copy Deadline

The approach of the Christmas season will necessitate a change in advertising and news copy deadlines effective with the Christmas issue of The Hilltop Record and continuing through the New Year's issue.

On Christmas week the paper will be issued on Tuesday, Dec. 24, instead of Thursday. The New Year's issue will be published on Dec. 31.

On both weeks the copy deadlines will be as follows: Church news and announcements, Saturday noon. Organization and regular news items, Saturday evening. Display advertising copy, Saturday evening.

Classified ad copy, Monday, 9 a. m.

News of Sunday School and church Christmas programs should be sent to the Record office at the earliest possible time if all requests for space are to be accommodated. The recent freight embargo has made the newspaper supply very uncertain for the next few weeks.

Guests of the evening will be Past Commander Larry G. Scales, 603 S. Eureka-av., and Mrs. Mary Thompson, 487 S. Burgess-av. Other past commanders of the post are Edgar G. Planck, Moser M. Williams, George M. Ward, Dr. A. C. Myers, James F. Hurd, William H. Rogers, D. Clark Finerman, Ray F. McVay, Arthur J. Bellar, Ernest H. Brown, Milton P. Hain, Chester W. Wagner, Elmer A. Young, Horace J. Swain, Michael H. Austin and Claude V. Hasson, deceased.

Other past auxiliary presidents who will share honors are Helen Hoar, Mildred Williams, Lillian Richardson, Della Wagner, Mabel Rogers, Mildred Myers, Edna Rogers, Martha Planck, Ruth Wilson, Martha Finerman, Helen Kirkpatrick, Harriett Brown, Olga Kinnen, Frances Myers, Bernice Davies and Edna Johnson.

Guest speaker for the evening will be Mack Bauer, country editor, author and humorist, from Leesburg. He enjoys a nationwide popularity, having entertained in 30 of the 48 states. He is a veteran of World War I. At present, Mr. Bauer is editor and publisher of the Leesburg Citizen. He is author of two books and has contributed many humorous poems and short articles to magazines.

Photographed after their installation in office last Thursday, they are: Seated (left to right), Ken Dickerson, district chairman; Jack Sensenbrenner, district commissioner; Gil Bolin, field scout executive; L. R. Bucher, scout executive, Columbus Council; and James McCready, assistant district commissioner.

Four Hilltoppers Bring Home Deer

At least four Hilltop hunters returned with deer during the past week, from the mountains of Pennsylvania.

Arriving home Sunday with three nice deer were Clarence Story, owner of Story Dry Cleaners, 2420 W. Broad-st.; Harold Fox, proprietor of Fox Food Shop, 2422 W. Broad-st.; and Curt Roberts, owner of York Fastener, 303 Bolvidere-av.

On Saturday Rev. Chester G. Stanley, 62 N. Burgess-av., pastor of Highland Avenue Friends Church, returned home with an eight-point buck.

The Story party each chalked up a kill, bringing back an eight-point, a nine-point and a four-point deer. All of the deer were killed in the Highland Mountains in Lycoming County, near Williamsport. That part of the country was formerly Fox's home. His folks own a cabin "up in the mountains" where the hunters made their headquarters. This makes the third year the three have hunted together in the same general locality.

Hilltop Ministers To Meet Monday

The Hilltop Ministerial Association will meet Monday morning, Dec. 16, at the Hoge Memorial Presbyterian Church.

Rev. Enoch Smith will have the devotional message. The committee on promoting church attendance during the Lenten season will give its report and a discussion of plans will be the major interest during the business session.

Dickerson To Head Scouting On Hilltop For Another Year

Ken Dickerson, 3121 W. Broad-st., was re-elected to the office of district chairman at the annual meeting of the Southwest District, Boy Scouts of America, at Hoge Memorial Church Tuesday evening. Reports from various committees, an address by Leon C. Roy, president of the Central Ohio Council, and the election of officers highlighted the dinner meeting attended by scouts and their wives.

Other officers named to carry on the work in 1947 were Jack Sensenbrenner, 335 Guernsey-av., district commissioner; Phil Stout, 2532 W. Broad-st., assistant district commissioner; John Apel, 41 Powhatan-av., advancement chairman; Sam Alford, 328 N. Terrace-av., camping activities; Ray Eyerman, 2970 Parkside-dr., finance chairman; Robert Miller, 81 S. Dana-av., health and safety; Cy Rawlings, 621 Chesterthir-d, leadership training; and Harry Drake, 1578 Sullivan-av., organization and extension.

L. R. Bucher, scout executive of the council, charged the new officers with the responsibilities of their office in the installation service that followed the election.

For every 6000 boys who are in scouting today, we have 14,000 boys who have indicated they would like to become Boy Scouts. Mr. Roy pointed out in his address stressing the need for an expanded scouting program in the coming year. "Efforts are being made to bring scouting to boys who want it in 1947," he continued.

The speaker went on to say that scouting offers a character building organization of the "first water."

Fisher Body Plant Adds 2nd Shift

A second shift of workers reported for work at the Fisher Body-Turnsted plant for the first time Tuesday afternoon. Employment at the new plant is now near the 1000 mark. James L. Conlon, resident manager of the plant, reported this week.

Mr. Conlon pointed out that the new shift is small but will be built up as rapidly as possible. He stated that certain skilled workers, such as tool and die makers, are particularly needed.

The factory makes automobile hardware for almost all makes of General Motors cars.

Scioto Bus Co. Seeks Permit To Operate

A hearing is to be held in the office of the Ohio Public Utilities Commission Monday afternoon on an application for permission to operate a bus line from Columbus to Hilltop via Valleyview and Sandusky.

Application has been filed by the Scioto Bus Co., a newly formed corporation with offices at 1351 E. Mound-st. Officers of the company are Wilson S. Whaley, of the Mound-st. address, president, and Richard A. Whaley, 1628 E. Whittier-st., vice-president and general manager.

The president of the new firm told The Hilltop Record that equipment is on hand to start operating as soon as the PUC rules on the application. Assuming that a favorable decision is reached without delay, Valleyview should have bus service before the end of next week.

According to a time schedule distributed in the community last week, bus service southbound would be offered at six different times during the day. Northbound buses would run five times during the day.

Valleyview would have southbound service at 6:55 a. m., 8:20 a. m., 10:55 a. m., 5:30 p. m., 7:10 p. m. and 12 midnight. Northbound service would be available at 7:25 a. m., 11:40 a. m., 5:10 p. m., 6:20 p. m. and 11:10 p. m.

Present plans call for the bus to leave the downtown section west on Town-st., north on Central-av. to McKinley-av., northwest on McKinley-av. to Harper-rd., west over Harper-rd. and Valleyview-av. to Hague-av. and thence north to Trabue-rd.

Contracts are to be let next Tuesday for widening of U. S. Route 40 from the city limits west to the Georgesville-rd., Grover Snyder, state highway engineer in charge of District 6, told The Hilltop Record this week.

The contract calls for making a four-lane highway on a level with what is now the north side of the road. It will provide 24-foot roads, in each direction, with

3-lane pavement To Be Added
Addition of a two-lane pavement on U. S. Route 40 between West Jefferson and Lafayette to provide a divided highway for a distance of seven miles was approved by the Federal Public Works Administration Tuesday, Perry T. Ford, state highway director, announced.

a plot of grass dividing the east and west-bound lanes.

Monday night City Council gave approval to the state to resurface road-st 150 feet east of the city limits. This is included in the contracts to be let Tuesday.

Mr. Snyder said that the contract calls for 1.12 miles of improvement. The new Fisher Body-Turnsted plant is located at the corner of Georgesville-rd. and U. S. Route 40.

The new highway should provide needed facilities for increased traffic to and from the new factory now gradually building up its force of workers.

To Be Completed By Nov.
Contract requirements call for completion of the project by November, 1947, just a little less than one year from the present time.

The present roadway is somewhat hazardous especially in rainy weather. Eastbound traffic barely has room for two lanes of cars on the old "black top" road. Westbound traffic has a two-lane concrete road but it is approximately three feet lower than the east-bound lane. This creates a bad situation where traffic has to cross over either lane. Recently a truck loaded with machinery for the new factory upset right in the middle of the road in trying to make such a turn. Several other accidents are blamed on this situation.

Ground is expected to be broken in a few days for a new store building to house Hauntz Market, now located at 2810 W. Broad-st. The building, to be erected by Charlie Kent, 233 S. Terrace-av., will be located on two lots just west of the corner of Haldy-av. and Broad-st. on the north side of Broad-st.

Plans were submitted to Incho, Brand & Incho, architects at 60 E. Broad-st., Wednesday, and it was expected that a contract for the building would be let this week.

While details of the building could not be given, pending further study by the architect, it was learned that plans call for a one-story building approximately 50 by 100 feet. The building will be of modern design with a tile front and plenty of plate glass for maximum display of merchandise.

Hauntz Market is operated by Franklin Sparks. Kent formerly operated a grocery on Sullivan-av.

W. Haydn Jones, head of the music committee for the Kiwanis Club, and Rev. W. Howard Schoof, pastor of Immanuel Baptist Church, together with their committees, have been responsible for working out the details of the evening concert of carols.

Mr. and Mrs. Albert Wilson, 402 S. Warren-av., are announcing the marriage of their daughter, Joan, to Mr. Ralph Thomen, son of Mr. and Mrs. Emerson Thomen, 511 N. Warren-av. The impressive double ring ceremony was read at 7:30 o'clock on Dec. 7, at the home of Rev. J. L. Dean, pastor of the Hilltop Community Church.

The mantel was banked with white gladioli and chrysanthemums, softly lighted by two seven branch candelabra. Preceding the ceremony Mrs. Albert King played several selections of wedding music.

The bride chose for her marriage a winter white, street length dress with which she wore wine accessories. Her corsage was of red rose buds and she carried a white Bible.

Miss Newlon was attired in a pastel blue dress and she wore pink talisman roses.

Following the wedding, a reception was held at the home of the bride's parents for 50 guests. The dining room was decorated with fall flowers. The bride's table was decorated with a centerpiece of American Beauty roses, and at one end was the traditional wedding cake topped with a miniature bride and groom.

Mrs. Don Hoskins and Mrs. Emerson Carted, friends of the bride, served at the table.

For her wedding trip, the new Mrs. Thomen changed to a royal blue suit and a gray kidskin coat.

The health "round-up" and registration of beginning first grade pupils for the second semester will be carried on in the Hilltop and West Side public schools during the weeks of Dec. 9-20 and Jan. 6-17. It is very important that pre-school children be immunized against diphtheria, vaccinated against smallpox and remediable physical defects be given attention. These are important readiness requirements for entering the public schools.

Any child who will be six years of age on or before Aug. 31, 1947, may enter the public schools for the term beginning Feb. 3, 1947. Parents are requested to call the principal of their neighborhood elementary school at once and make an appointment for the health inspection and registration of their children. It is very useful if the parent can personally accompany the child for this first meeting with the new teacher, the school nurse, and the building principal. It is a distinct advantage to the beginning pupil to be introduced to the school and his teacher well in advance of the opening day. It gives him a feeling of belonging and prepares him emotionally for the adjustments which come from leaving his home for life at school.

It is estimated that approximately 1500 new pupils will enter the first grade of school the second semester.

Sportsmen Will Find Haven Here

This is a haven for sportsmen in the new Kirl's, 2345 W. Broad-st, just opened to the public last week.

The new electrical appliances and sporting goods center features this "hangout" for sportsmen. The store is said to be the most modern of its kind in Central Ohio.

Child Badly Hurt When Hit By Car

James Rathbun, Jr., 8, of 189 Hayden-av, was in Children's Hospital this week suffering head injuries and body bruises as a result of being struck by an auto Tuesday. The accident occurred in the 100 block of N. Central-av, when, according to police, the child ran into the street in front of a car driven by James E. Ritzman, 515 S. Wayne-av.

Clovie W. Houston, 55, of 1938 Floral-av, was treated in Mt. Carmel Hospital Tuesday for chest and back injuries suffered when the car was driving collided with a truck at the intersection of Lechner and Fairmont-avs. The truck was driven by John K. Brewer, 478 Reinhard-av, police said.

Patients Here Need Gifts

Approximately 1000 patients at the Columbus State Hospital would be without gifts each year were it not for the thoughtfulness of many Hilltoppers and persons from other parts of the city. For of the more than 2000 persons in the hospital, at least 1000 will not be remembered by friends or relatives.

The big task of seeing that gifts are on hand for all is undertaken by Mrs. J. F. Bateman, wife of the superintendent, and Mrs. Ethel Reynolds, recreation director.

Small inexpensive gifts suitable for both men and women are welcome. They may be taken to the State Hospital or left at the Hilltop Record, 2465 W. Broad-st.

Six years ago Mrs. Bateman and others at the hospital noticed the look of disappointment on the faces of patients who did not have presents to open on Christmas morning. They resolved then and there to do something about it the next year. So every year they collect and wrap presents for all of those who will not otherwise be remembered. They try to fit the gift to the need of the individual as far as possible although that becomes a big task.

"Sure it's lots of hard work," Mrs. Bateman said, "but the look on the faces of the patients when they open their presents more than pays for our efforts."

Mrs. Bateman wanted especially to thank all of those who had given presents in the past and those who will be giving again this year. She especially requests that donors attach their name and address to their gift. She then personally writes a little "thank you" note to each one.

Up to now more than 400 gifts are wrapped and ready for distribution but hundreds more are needed. Persons down town can leave their gifts at Kirl's Main Store. Most of the gifts are given by Hilltoppers, she stated.

The gifts are given out in each ward on Christmas morning but the series of ward parties will begin on Dec. 18. Others will follow on Dec. 17, 19, 20, 23 and 24. On the evening of the 23rd the big party for the employees of the hospital will be held in the auditorium.

Carols will be sung from 6 to 6:30 p. m. Dancing will follow from 6:30 to 7:30 and then a show made up of outside talent will be presented. Soft drinks, ice cream and cookies will be served to all. The ladies will each give a small gift and cigarettes will be given to the men.

In addition to the gift for each patient, there will also be candy and fruit for all. A Christmas tree will be decorated for every ward while two 14-foot trees will be lighted in the auditorium and another in the general dining room. On Christmas eve the vested choir will sing carols in all the wards.

Further information can be had by calling the hospital, RA 1171.

RA. 284
(Closed on Sundays til further notice)

In the City League opener, the game will be played on the Bulldogs court with the reserve center getting under way at 7:30.

One of the handicaps the Cowboys have been encountering in recent games is the inability to retrieve rebounds off the bank-board. In the Newark game Saturday night, which they lost 32-36, West failed to get a single rebound throughout the game. The answer was largely two Newark players measuring 6-6 and 6-8.

"We've been gaining some valuable experience in these early games," the coach commented after the Newark game "and although we have no championship aspirations this year, we do expect to knock off someone when we're not supposed to."

Miss "Easy" Shots
In the Springfield game Friday night, the Cowboys had trouble making the "easy" shots in under the basket with the result that they lost that game 48-32. The boys reportedly played a much better game Saturday night but were outplayed by a taller and better team.

Williams indicated that his starting lineup against the Bulldogs tomorrow night would find Hicks and Theisen at the forwards, with either Weeks or Connor at center. The guards will be Thrush and Watts. Connor or Borror.

The Cowboy coach is anxious to distribute the scoring threat so that any one of the five boys are potential point getters. By dropping Thrush back to a guard position he has been getting more points from his guards. In the Newark game last week Thrush looped six times for 12 points to share West scoring honors with Theisen who was playing a forward position.

Weeks, a sophomore, has been brought up from the reserve squad to share the pivot position with Longmire, a senior. Both boys add height to a "not-too-tall" squad.

In the Newark game the Cowboys held their own pretty well throughout the first half, trailing by only four points at the half despite the fact that they made only two points in the second quarter. But in the second half they were badly outpointed.

Reserves Also Lose
The West Reserves also lost by a score of 42 to 13. West trailed all the way in the Springfield game. Thrush again led the Cowboy scoring with 11 points, seven of them coming via the free throw route.

Following the South game, the Cowboys take to the road for their next three contests. On Saturday night they will be in Marion. The following Friday night they trek down to the Ohio River to meet Portsmouth and the next night they again head south to meet Chillicothe.

There will be no further court action then until Jan. 10, when the City League race is resumed by East coming to the West court.

High School Boys Roll First Games
By Dick Ardle
Preliminary games were held Saturday at Hilltop Bowling Alley in the High School Boys Bowling League. Two teams were taken into the league. These were Don Skipper's team from West and Jim Harold's team from St. Mary's.

St. Mary's team took honors as it had a total of 2,186. They also took high single game total with 497. A 497 was posted by Ed Harold of Holy Family. It was high individual 3 game series. The high single game of the day was 182 posted by Gus Noegle. The league will start bowling Saturday, Dec. 14, at 10 o'clock.

Smiles

The dude and the hill-billy were both privates and occupied adjoining bunks in the barracks. One day the dude inspected his toilet kit, then glanced at his neighbor.

Dude, sharply—Did you take my toothpaste?
Hill-billy—No, I didn't take no toothpaste. I don't need no toothpaste. My teeth ain't loose.

Prospective Customer—Do you keep fountain pens here?
Bright New Clerk—Not us; we sell them.

Prospective Customer—That's all right then. But you can keep the one you might have sold me if you hadn't been so smart.

Outside a little church near Los Angeles we noticed the following poster announcing the Sunday's sermon:
"Do You Know What Hell Is?"
Underneath that in small print: "Come in and hear our new organist tonight!"

He kissed the maid and the girl screamed. The wife came in and looked around suspiciously.
Wife — Mary, why did you scream?
Maid — Through joy, madam. Your husband has just doubled my wages!

Father — My boy, I never kissed a girl until I met your mother. Will you be able to say the same thing?
Son—Yes, Dad, but not with such a straight face.

Modern Poetry

By Esther Weakley
AFTER SNOWFALL
Be silent now; perhaps we shall never know
Again this moment of white, arrested peace
Held for a breath on branch and blade and stone.
Poised for a thought of muted, cool surcease.

The wind will stir the bough
spring upward sending
its drifted spray to luster the
tempered air;
The foot will cancel the void, the hand go seeking
And what has been will not be anywhere.

Gilean Douglas,
in **POETRY CHAP-BOOK.**

DEATH — TO A TREE
Observe a tree—
How patiently
It stands and waits
While Autumn gnaws it bare!
Even Winter cannot bring
Disquietude of fear . . .
Only the probing touch of Spring,
Aglow with the elixir of hope,
Can make a tree a restless thing
With a miracle to share—
Death is the seal
Of immortality
To a frost entombed tree!

D. Maude Gillespie, in
FLORIDA MAGAZINE
OF VERSE.

...
LIKE FLAKES OF SNOW
The words fell from your lips
like flakes of snow—
So cool, so light, so gentle. By
what art
Of transmutation can words be
spoken so
Beat heavily as stones upon the heart!

B. Y. Williams,
in **THE MUSIC MAKERS.**

ALAS, ALAS, THE WINTER
The furive wind of winter,
The grim nocturnal gloom,
Can never crush nor enter
The closed and happy room.

But joy can hardly prosper
Against war's bitter spite—
A candlepoint of Jasper
In unrelenting ice.

Edith Lovejoy Pierce,
in **THE MUSIC MAKERS.**

A WINTER EVENING

I love a winter evening—
With shades drawn tight—
A fireside chat and nearness
Housed closely in from night.

I love a winter evening—
Alone where embers glow
While the wind outside
Whistles softly, oh!

I love a winter evening—
Shadows dance to a phantom
band,
Memories tiptoe noiselessly
Across the floor and hold my hand.

Cosmo Adele King,
in **TED MALONE'S**
SCRAPBOOK.

FAWN IN WINTER

It was a wondrous thing to come upon
There at the ending of the long-
est night,
With trees etched black against
the growing light,
And clouds like angels standing
in the dawn.
Time halted, briefly, and I saw
the fawn,
Unstarted yet. And all the world
of white
Stood breathless like him, poised
for soundless flight.
A twig snapped underfoot, and he
was gone.

Could I have stood forever thus,
and he,
And every cloud, and every
Would I have chosen it? To halt
the earth
Or stay the sun, that ever there
might be
That fragile instant? Was its
secret worth
The death that lay implicit in its
birth?

Ralph Friedrich,
in his book **BOY AT DUSK.**

Christmas Seals Are Mailed To Many In County

Franklin County residents are again being asked to purchase Christmas Seals to help the Columbus Tuberculosis Society continue its fight against the dread disease which last year caused nearly as many deaths as did all other communicable diseases. Sheets of the colorful 1946 seals, featuring a lamplighter and symbolizing the emergence of fresh

hope after the dark war years, went into the mails this week. Irwin A. Johnson, public relations director for WBNS, is general chairman for the 1946 Christmas Seal sale in Franklin County.

"Let's put our seal of approval on the humanitarian work of the Columbus Tuberculosis Society by placing Christmas Seals on every package and letter this holiday season," he urged.

Money raised locally provides free X-ray examinations for schools and industrial plants, pays for the health education and helps to provide the life-saving work of the free Tuberculosis Clinic at 503 Oak-st. In the past two and one-half years more than 60,000 men, women and children have been examined in the mass X-ray survey to detect tuberculosis.

County Brings Suit For Title To 9 Properties

Condemnation proceedings against nine properties needed for the multi-million dollar Sandusky Street bridge improvement have been filed in Common Pleas Court by the county commissioners.

The county has acquired all except nine properties needed to relocate the New York Central Railroad tracks at the south end of the bridge. Actual work on the project is expected to be started by next fall.

Title to 46 properties has already been cleared at a cost of approximately \$235,000 for the improvement. Only two of the remaining properties remain in the "unsettled" class, understandings having been reached in seven of them. The suit in this case is necessary to clear up title to the land.

Properties owned by the G. F. Smith Chemical Co., 887 McKinley-av. and W. E. Benua, 247 N. Parkview-av. are still without agreement.

Rounding-Up Of Boy Scouts Ends Dec. 31

Cub Packs, Boy Scout Troops, and Senior units of the Southwest District, Boy Scouts of America, are now in the final lap of rounding up new members for the President L. G. Roy Award. This award is given to all packs, troops and senior units which recruit boys and young men into their own den, patrol or crew. The round-up closes on Dec. 31.

Cub Scouting, for boys 9, 10 and 11 years of age, offers fun and interesting things to do. It teaches helpfulness, health, handiwork, physical skills and citizenship, through play. It centers around the boy's home in his own neighborhood with weekly den meetings and monthly pack meetings of parents and cubs. Nine cubs have joined the following cub packs: Cub Pack 21—Jim Allison, William Culendine, Ted Tucker, Cub Pack 43—George Lamneck, Jerry Osborne, Ted Calvert, John Calland and Jim Smith; Cub Pack 55—Carl Dewhurst.

Scouting for boys 12 years of age and over, offers an adventure in the out-of-doors. Boys enjoy the vigorous activities and take satisfaction in developing scouting skills at the same time that they are unconsciously acquiring worthwhile character values, citizenship training and leadership ability.

55 New Scouts
Fifty-five boys have become members in the following scout troops: Troop 18—Joe Gossett, Vincent Pepe, John Langton; Troop 20—James Allison, Robert McCarty, Don Kay, H. Oyer, Leroy Truex, William Ray, Robert Lagore, Garry and Glenn Stoll; Troop 29—William Schwartz, Robert Howard; Troop 44—J. F. Brown, Donald Anderson; Troop 45—Lewis Moore, Albert Hogan, Jerry Truex; Troop 78—Arthur Cruss, Wayne Graves, Ernest Eubanks, Jim Bond, Walter Meredith, John Thomas, Dick Wilson, Ed Thomas; Troop 131—Ed Deirich, Robert Thompson; Troop 147—Ronald Malone, Thomas Cox; Troop 161—Bert Heyder; Troop 178—Richard Renner, Richard Will; Troop 179—John and Charles Konzenborn, Frank Shipley, Clarence Shadwick, Gerald Miller, Ken Davis, William Nicksworth, Elton Morgan; Troop 181—Ken Hollam, Troop 204—Jack Upperman, Kermit Root; Troop 212—David Lockwood, Richard Hutchinson, Walter Hoffman; Troop 220—Carl Schumaker, Dan Krebs, Ken Gardner, Dick McDermitt and John Meservey.

Senior scouting, for young men

15 years of age and older, offers a man's program cut to fit his individual interests and capabilities. It emphasizes physical fitness, citizenship, vocational exploration, service and social activities through programs offering the chance to specialize in Air Scouting, Explorer Scouting and Sea Scouting. Young men joining Senior Scouting don't have to be Boy Scouts or have any Boy Scouting experience. The following young men have become Explorer Scouts: Jim Cook, Ken Evans, William Yehle, Explorer Post No. 1: Herbert Wright, Richard Wells, Explorer Post 147: Sea Scouts Burton Kendrick, Charles Miller, Roger Mitchell, and Fred Lyle, Sea Scout Ship No. 2.

Anyone interested in the above mentioned programs can secure further information by calling the Southwest District Field Scout executive, Gil Ball, Central Ohio Council, AD. 9119.

Alpha Iota Chapt. To Initiate 38 Men

Last week's meeting of Alpha Iota Chapter of Alpha Phi Omega fraternity at the Ohio State University featured a formal initiation by candle-light of 38 men of the H. Roe Bartle pledge class.
Alpha Phi Omega is a unique organization composed of men in college who are or have been with the Boy Scouts of America. It is national in scope, having 106 chapters from coast to coast. One of the projects of the fraternity is to place temporary leaders in local Scout troops in need of immediate trained leadership.
On Thursday, Dec. 12, the fraternity will hold a vespers banquet in honor of Lester G. Brailley, advisor to the fraternity, who is leaving the Ohio State faculty to become dean of men at Marshall College, Huntington, W. Va.
The following evening the fraternity will be host at a semi-formal all-campus Christmas dance, entitled "The Mistletoe Prom." Dancing will be from 9 to 1 in the men's gym, to the music of Earl Hood. Chaperons will be Mr. and Mrs. Wheeler L. Young and Mr. and Mrs. Lester G. Brailley.

PRESENTS PROGRAM
S. V. "Danny" Swaney will present his original "Queen for a Night" under the auspices of the B. R. S. at the Chittenden Hotel Dec. 23. A dance will follow, with Don Crawford and Marilyn Daye. Mr. Swaney is a well known humorist.
Too much reading leaves little time to do much thinking.

Local Men Get Canadian Trees

At bit of the Canadian north woods has been transplanted in and around the Hilltop Swimming Pool. If you doubt that statement, drive by the pool on Valleyview-dr. and you will see hundreds of Christmas trees literally covering the place.
The trees were brought here by three enterprising Hilltop business men to help supply the anticipated need for the Yule tree. Bob Christian, 23 N. Burgess-av., Dutch Barber, 2391 Clime-rd., and Bob Case, 87 N. Westmoor-av., have brought down 800 trees so far and plan to bring down a couple of thousand more.
The men have rented a large truck trailer with a 22 foot bed on which they can haul as many as 1200 trees at a load. They expect to bring another load this week and a third some time next week.
The trees are cut in Ontario and brought across "The Straits" where the Hilltop men buy them.

**"Keep Cool In Case Of Fire,"
Department Officials Advise**

To "keep cool—in case of fire"
has long been an axiom of the
fire department and is usually
forgotten by the average person
when fire suddenly strikes in a
public building. Information
furnished by the National Fire

Protection Association shows
that panic conditions during a
fire usually take a far greater
toll of human lives than the actual
fire itself. The nation has suffered
several disastrous fires during
recent years, the worst of
which was the Coconut Grove
night club in Boston, where 492
lives were lost. Many were
burned, but the majority were
killed in the panic that followed
the outbreak of the blaze.

Paper decorations ignited in a
dance hall in Natchez, Miss., and
207 of the dancers were killed in
the fire and panic before the
flames were extinguished. Many
of the 168 persons who lost their
lives in the Ringling Circus fire
at Hartford, Conn., would prob-
ably have been unharmed if they
had dropped to the ground
crawled out under the sides of
the tent.

The LaSalle Hotel fire in Chi-
cago, took 81 lives before the
flames were brought under con-
trol. Firemen found many bodies
in the hallways—not burned, but
dead from smoke and heat suffoca-
tion. The hotel was of fire-resis-
tive construction and hundreds
of hotel guests escaped injury by
remaining in their rooms while
the fire was being extinguished.
At the same time, many of the
panic stricken guests were killed
by jumping from windows, even
though the firemen were raising
ladders to effect their rescue.

Fire strikes so suddenly and
unexpectedly that many persons
are "trapped" because they have
never given any thought as to
what to do in a fire emergency.
The following suggestions are
offered with the hope that they
may sometime be helpful to a
person trapped in a burning
building.

1—Always be prepared for
fire. When entering a night
club, hotel, theater or any
place where there is a crowd,
look around and locate at least
two exits and plan what to do in
case of fire.

2—It is dangerous to remain
in a burning building if safe escape
is possible. Fires travel rapidly
and may cut off your escape if
you delay in leaving the building.

3—If forced to remain in a
burning building awaiting rescue,
stay in the room and keep the
doors closed to keep the fire out
of the room as long as possible.
If you must escape thru smoke
or flame—hold your breath.

4—Take no chances on enter-
ing a burning building to save
valuable belongings. Only the
saving of life justifies taking per-
sonal risk. Leave the job of fire
fighting to the experienced fire-
men.

5—If a fire breaks out and
there is a rush for the main exit,
stay out of the crowd and leave
by one of the exits you located
when you entered the building.

6—Don't jump from windows,
except as a last resort. Many per-
sons have jumped to their death
while firemen were raising lad-
ders for their rescue. People have
escaped from burning buildings
by sliding down ropes made by
tying bed clothes together.

7—When a fire is discovered
in a room, close the door of that
room. Even a wooden door will

hold back the fire for a few min-
utes. Then make sure that some-
one calls the fire department.
The fire department telephone
number is MA. 3133.

8—If burned in a fire, or if
hot smoke has been inhaled, see
your doctor at once. Many burns
and smoke inhalations which at
first seemed minor, later proved
fatal.

9—If your clothing catches
fire—don't run. Roll on the floor
or ground to extinguish the
flames.

10—If a child's clothing catch-

es fire—wrap the child in a rug
or a blanket to extinguish the
fire. Do not cover the child's
head.

Close observation to the above
suggestions may avert a future
tragedy.

Art Gallery Has Appeal To Youth

It's "DESIGNED FOR CHILDREN" but you don't have to be a child to enjoy this current exhibition at the Columbus Gallery of Fine Arts. Here you will find an interesting collection of books, toys, and even some Pennsylvania Dutch furniture for kiddies. Among other things, there are small models of the railway express and covered wagon, a cute Simple Simon doll and a collection of dolls representing a dozen different countries, as well as some original drawings in black and white, and color, which have been used to illustrate children's books.

Whether you come to browse or buy, you'll want to see the "CHRISTMAS SALE SHOW" of small oil paintings by contemporary artists. These are on a scale small enough for home decoration, and include works by many well known painters. Before you finish your tour of the gallery, be sure to take a look at the display case in the north corridor on "CHINESE EVERYDAY ART". It centers around a figure of Kuan Yin, the Chinese madonna, to whom Chinese of many faiths pray for guidance and help. Of particular interest is an exquisite hand-carved Buddhist prayer chain, similar to the Christian rosary, which is

Brothers Meet In Los Angeles

Homer and Marcus Bowen

Marcus and Homer Bowen had a reunion recently in Los Angeles, Calif. Marcus, who is in the navy, was sent to Los Angeles for his discharge, after 56 months service. He was stationed in the Philippines for the greater part of that time.

Homer is in the army and is now stationed in Tokyo. He entered the army in August. Marcus is a graduate of West High School and Homer attended West before entering the service. Their home address is 2855 W. Broad-st.

Carl Hosler Is Head Of HAA

The Hilltop Athletic Association, a newly formed sports club for boys interested in various types of organized sports, held its first meeting Oct. 29 at the home of George Woodland. At that time the constitution was approved and ratified by the charter members.

At the time there were 37 charter members who were formerly the Hilltop A. C. These members of the A. C. decided to form an organization with membership open to boys interested in athletics.

Officers elected to serve until 1947 are: Carl Hosler, president; Bide Barnhart, vice-president; Jim McClintock, secretary; George Woodland, treasurer. Since then the organization has grown to its present membership of 85 members. Scheduled meetings in the future will be held at Glenwood recreational center.

The Hilltop A. A. plans to be active in all sports in the future. At the present time an effort is being made to organize a basketball league for members of the club and it is planned to have basketball teams in the Columbus Industrial League.

Other activities will be baseball, track, wrestling, boxing, weight-lifting, tennis, golf and swimming. Next year's football team will have a football field of its own.

The boys hope that through the organization a better understanding of sports will exist on the Hilltop. Anyone interested in the organization can contact Carl Hosler at JO. 18522 for particulars on membership.

Hosler was named on the first team of the All-City selection of both the Citizen and Dispatch sports writers and received honorable mention on the United Press All-Ohio team. He played regularly at tackle throughout the 1946 season with West High School.

of white hide. All of these exhibitions will be on display till the end of December. The Gallery is open daily (except Christmas Day) and is free to the public.

Boosters Show Football Pictures

Pictures of three of the 1946 West High School football teams were shown to fifth and sixth grade pupils at John Burroughs School last week. Pupils in the lower grades will have an opportunity to see the pictures this week.

Pupils at West Broad Street and Highland Avenue Schools will also see the pictures this week or in the near future. The pictures were taken by the West High Boosters Club and are made available without cost by that organization. The pictures on the Aquinas-West game were shown at the Aquinas football banquet this fall.

The Boosters are making preparations for another waste paper drive on the Hilltop at some date to be announced later. Collection and sale of paper has been one of the principal sources of income for the group.

Rabbit Season Closes On Jan. 1

Even though the most popular portion of Ohio's hunting season is over, according to the opinion of the state's pheasant hunters, there are still many days of good rabbit shooting yet. The season remains open until Jan. 1. The season includes the first day of January.

Rabbit hunting season annually brings requests to the Division of Conservation offices for the time-tested recipe of "hasen-pepper." For those who wish to renew their hand at this tasty delicacy or others who are looking for new ways of preparing rabbit, try this: One dressed rabbit; 1/2 cup cider vinegar; 1 1/2 cups water; 1 teaspoon pepper; 1 teaspoon whole cloves; 2 teaspoons sugar; 4 bay leaves; 1 cup sliced onions; 3 tablespoons flour.

Wash and cut rabbit into pieces for serving. Put into enamel, china or glass bowl. Pour over the mixture of vinegar, water, salt, pepper, cloves, sugar, bay leaves and sliced onions. Cover and let stand in refrigerator over night, or for 12 hours. Take rabbit from liquid and drain. Roll in flour and brown in 1/4 inch of hot fat. Add liquid in which rabbit was soaked, cover tightly and simmer one hour, or until rabbit is tender. Serve with gravy remaining in pan. Serves 3 to 4.

Children's Bedding
Check the children's bedding regularly during the year to make sure it's in good condition. Restful sleep is a basic necessity in building healthy young bodies and alert minds.

By Kel Fuller
Aboard A Troopship

The accompanying article is the first in a series to be published in The Hilltop Record. Author of these actual experience stories is a Hilltopper, Kel Fuller, 137 S. Terrace-av.

Fuller, an aspiring journalist, is completing his sophomore year at Ohio State University where he will major in journalism. He was editor of the West High School Occident during his senior year of '42. He had one quarter at OSU before entering the armed service in January '43. He served overseas for more than two years, getting his discharge in October '45.

Fuller is the holder of four battle stars for service in the Rome-Arno, Southern France, Rhineland and Central Germany campaigns. He was with the 5th and 7th Armies in Africa, Italy, France and Germany. An uncle, Adrian Fuller, is church editor of the Detroit Free Press and was formerly connected with a local daily paper and a radio station here.

In this weekly feature I hope to pass on to you readers information about some of the interesting places where I have been and sidelights on things that happened to me during my two years in Africa, Italy, France and Germany during World War II.

There is nothing startling about a troopship ride across the Atlantic Ocean. Several million service men and women had that experience during the war. However, that is how our adventures began and that is where we must necessarily start this series.

Our troopship sailed in August, 1943, across the South Atlantic bound for Oran, Africa. We were part of a large contingent which occupied several ships and made up a large convoy. We had a blimp, a battleship, a couple of cruisers and several destroyers along for protection. In addition, the troopships were heavily armed. No one worried much about the submarine menace.

The voyage as a whole wasn't unpleasant. The South Atlantic in early fall is as smooth as a pane of glass. Our particular ship was a small Liberty ship which Henry Kaiser could have built during his noon hour. This was its third trip across and the crew badgered us innocents with hair-raising tales of previous adventures with submarines, planes and storms, all of which were false.

Men Were At Ease
After three days most of us "land lubbers" were as sea worthy as any of the sailors on board. Many pleasant hours were spent idling on the fore deck. Shirtless GI's could be seen lying sprawled at all angles reading, singing, playing cards, or just talking as they soaked up the warm sun. Thoughts and talk were mostly of home and the past rather than what was ahead. Frankly, the men were pretty much relaxed and at ease. Morale was good at this point.

Officers and enlisted men for the first time seemed to meet on reasonably equal terms. Probably the sea, the intimacy of the little ship and the uncertainty of what lay ahead for all of us served as the common denominator. Any way, when all the personal gathered at in the evenings to watch the sun go down behind us, in the religious services that were held on deck, and the nightly songfests, everyone took part equally. Voices of officers and enlisted men blended together as certainly as did their thoughts.

The group gave the impression of a communal gathering of good fellows rather than a force of men bound for war. It was well, because though none of us realized it at the time, the opportunity for such a camaraderie would never again be present.

Even romance blossomed during this voyage. I remember one incident particularly because of its simplicity. It occurred between a friend of mine and a nurse who was a member of a hospital unit aboard. The nurses were kept segregated from the enlisted men. They were placed on the upper deck, which was off limits to enlisted men. Each day as my friend and I sat on deck, he would point out this particular nurse to me. He said she was watching him too. This seemed pretty preposterous, considering all the GI's on the hatch.

Romance Flowered
On the ninth day out she came down from the top deck and walked over to the rail next to him. The romance flowered from this simple beginning into something beautiful and lasting.

We saw land on the twelfth day. The coast of Morocco two carriers of the Royal Navy loomed in the distance. That afternoon we passed through Gibraltar. As our convoy lined up single file to pass through the narrow straits, we were joined by These were to furnish added protection through the dangerous Mediterranean.

We also saw Tangiers, the African city opposite Gibraltar. The city appeared jeweled and gleaming in the distance. Its distinctive moles architecture aroused instant curiosity.

The next afternoon we were able to make out the outline of Oran, the great teeming Algerian seaport, where we were to disembark. The troopship nosed into the crowded harbor without incident, its rails crowded with interested men. No one knew quite what to expect, but everyone was astounded at what we did find.

Local Scouts Have Hocking Camp

By a Scouter

The members of Troop 161 who attended the last week-end hike are still talking about the camp site found by them on their last hike to the Hocking Hills. Bert Plymale, whose niece owns a place near Sugar Grove, invited the troop down and they were taken to the camp by Jim Ward, committee chairman, and R. S. Roller, committeeman. Upon arrival at the farm it was found that we could not take the cars back to the camp site and so all the equipment was carried about a quarter mile down into the valley where camp was set up and supper started. By this time it was good and dark and several of the members suggested a trip to explore the sandstone cliffs and to try and find the cave Mr. Plymale had told them about. They returned to camp without finding it, but as the hour was late they turned in so as to get an early start the next day.

Immediately after breakfast Mr. Plymale took the boys on a hike around the farm. He pointed out several animal dens, and tracks along with many different types of plants, ferns, and moss. Several of the boys took specimens back to town with them to use in school. They also saw where a gas well had been located and were told how it had been sealed when no longer in use.

The campers spent all of the morning exploring the camp and were still not able to see it all. On return to camp the boys had a little rifle practice and then cooked dinner.

After dinner the troop broke camp and moved up to the cars where a few pictures were taken and then we started for home. C. B. Snook, committeeman, came up to the camp Sunday to meet the boys and on the way home he took them over to an old stone quarry where he pointed out many interesting things to them.

New Oak Floor Can Be Put On Right Over Old

Home owners planning to remodel when materials again are

available can include floors of real oak among the important improvements. Laying a new oak floor over an old floor is neither difficult nor expensive, according to modern experts.

The old floor will serve as a sub-floor. It must be made even by driving down all loose nails, replacing boards that cannot be made level and driving all nails securely. The new floor should be laid at right angles to the old. VENTILATE foundation

Good wood floors, such as those made of oak and other hardwoods, will last the life of the structure if properly applied and cared for. In homes without basements correct installation should include provision for the free movement of cross currents of air under the building. The necessary circulation can be obtained by providing vents and other openings in the foundation walls.

Millions Are Without The Bible

Around the world there are still millions who do not have access to the Bible while here at home millions neglect the regular reading of the Scriptures.

The Hilltop Ministerial Association in conjunction with the American Bible Society recommends the following list of daily readings between Thanksgiving and Christmas. This is part of a world-wide movement to encourage regular Bible reading.

This little boy and girl are telling Santa Claus what they wish for Christmas. The mythical night ride of this jolly old saint, and his ludicrous scramble down chimneys, is one of the greatest joys and most cherished memories of childhood.

The spirit of giving and receiving at this festive season helps to develop the finer impulses of those who celebrate Christmas in the traditional manner. We should impress upon children, however, that it is a time to think less of ourselves and more of the pleasure and benefit we can bring to others.

But giving and receiving should not be permitted to overshadow the deep spiritual significance of the great Christmas festival. It should be hailed and welcomed as the birthday of the world's Savior.

We celebrate the birthdays of many famous people; but the birthday of Jesus is the most important day in history. His life, his character, his faith, is the foundation of all that is good in human life. Children soon learn that Santa Claus is a jolly myth. They must be taught that Jesus is the Savior—the Prince of Peace.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

Hilltop's Newest Appliance Store Is Opened To Public; New Ideas Used

The Hilltop's most modern store opened its door for business last Saturday after months of planning and preparation in the art of displaying electrical appliances and sporting goods. The store is Kirk's Electrical Appliances and Sporting Goods, 2245 W. Broad-st.

Ken Dickerson, president of his own building firm, Ken Dickerson, Inc., designed and carried out the construction of the new establishment. He is also president and treasurer of the new firm, incorporated as Hilltop Appliances, Inc.

The name, Kirk's, originates from the name of John H. Kirkpatrick, vice president and general manager of the firm. Kirkpatrick is a veteran in the appliance field with more than 20 years of service in several leading stores in the city. He has had experience in both wholesale and retail establishments.

Many Unique Features
After months of study of other establishments throughout the midwest, and further careful planning, the firm has completed one of the outstanding display rooms in the state. Use of a new material recently produced has created the effect of long sweeping curves and alcoves for individual departmental displays, and an all-over effect of distinct streamlining.

Kitchen Built In
As a feature to display kitchen materials, a complete modern kitchen is installed in a corner of the building, and will include such features as working laundry machine, garbage disposal unit, dishwasher, machine, ironers, mixers, etc. This department is so arranged that it can be seen off and used as a small lecture hall where groups can gather for demonstrations of various products.

At one angle of the room a huge stone fireplace, with the fire burning up off the floor at eye level, is the crowning attraction of the store. Built adjacent to the sporting goods department, this spot has already become the scene of sportmen who have had a preview of the store. It is complete with many outdoor subjects carved from wood by hand, and is furnished with a davenport and lounging chairs where the men may rest while their ladies do their shopping. This sporting goods department is replete with many items dear to the outdoor man, and will be expanded as standard products are available.

Basting Apples

Hearing Set For Jan. 9

The request for a special permit for the new Hilltop theater, originally announced in The Hilltop Record to have been heard by the zoning committee of City Council on last Thursday, will not come up for consideration until Jan. 9, it was learned this week. City Councilman Henry Koonitz, 465 Hilltop-av., chairman of the committee, said that there had been a mixup on the date that he did not learn about until the last week.

Lawrence Romy, 50 E. Broad-st., attorney for a group of property owners in the vicinity of Burgess and Broad, said that notices had been sent out by mail to 27 residents advising them of the correct date for the hearing. J. Neal Neth, prominent theater operator in Columbus, has asked permission to extend the back building over into a residential area so that the front of the new theater would be back even with the front of the Ohio Bell Telephone building, directly west of his property. Mr. Neth has purchased a tract of land fronting on Broad-st. and continuing around back of the new Mobil Service Station to Burgess-av.

Councilman Koonitz pointed out that the request would not necessitate a change in the zoning ordinance.

Dr. L. R. Leaman, dentist at 2557 1/2 W. Broad-st., underwent an operation at Mt. Carmel Hospital Monday morning. The operation was performed by Dr. Wells Teichner. Dr. Leaman expects to be confined to the hospital for a week or 10 days. Dr. J. W. Miles, 2386 W. Broad-st., is the attending physician.

Friends and classmates of Mrs. Mack are invited to write or send Christmas cards to her while she is in the South. The infantile paralysis, Warm Springs, Ga., should provide sufficient address for correspondence.

Parties are planned. A series of parties will highlight the holiday season at the Teen-Canteen beginning with the Christmas dance, Saturday evening, Dec. 21. A children's party for those under teen-age will be held Friday, Dec. 27, from 2 until 5 p. m. for students of the three schools in the district, the Highland Avenue, Burroughs and West Broad. A selected group from each school will combine in furnishing entertainment for the afternoon's program and a treat will be served for those present. Plans are tentative for a New Year's Eve party, for members only, and will be announced later.

For Hilltop students, both in elementary and high school, vacation officially begins Friday, Dec. 28, at the close of school, and ends when classes commence, Monday morning, Jan. 6. This includes the school socials, St. Aloysius, St. Mary Magdalene and the Concordia Lutheran School. Members of the Kiwanis Club

will be featured on the evening.

Former Beauty Queen At West High To Get Treatment At Warm Springs

A former beauty queen at West High School, Mrs. Mary Jane Mack, 27, is in Warm Springs, Ga., where she hopes to regain the use of her limbs after being completely incapacitated by infantile paralysis. The former Mrs. Mack first entered Children's Hospital in October, 1945, when her case was diagnosed as infantile paralysis. She has been a patient there ever since, spending several months in an iron lung. During that time she has regained the use of the upper part of her body and hopes to be able to walk after undergoing treatment at Warm Springs.

She flew by plane from Columbus Sunday, accompanied by her husband, Lawrence Mack, manager of the Big Bear Store at Newark. They have a son, David, 5, now living with relatives in Bellefontaine.

Friends and classmates of Mrs. Mack are invited to write or send Christmas cards to her while she is in the South. The infantile paralysis, Warm Springs, Ga., should provide sufficient address for correspondence.

David is a sixth grade student at the Boychoir School. He is also a member of the Junior Choir of St. John Lutheran Church.

The Boychoir program will be one in a series of seven special ABC Yuletide broadcasts, entitled "Children's Christmas Time," to be heard from Dec. 18 through Dec. 24.

Russell, a graduate of West High School in the class of '44, has been at Great Lakes for eight weeks. Prior to that he was in the Aetna Hospital at Pearl Harbor since the time of the plane crash.

The plan, in no way, will disrupt the present track or baseball set-up.

It's still not too late to share the giving of gifts to patients at the Columbus State Hospital. Provision is being made for providing gifts for more than 1000 patients who will not otherwise be remembered by friends or relatives.

Any small practical gift for men or women may be left at The Hilltop Record office, 2465 W. Broad-st. or taken to the hospital.

Mrs. J. F. Bateman, wife of the superintendent, has asked that the name and address of the donor of each gift be included so that the presents can be acknowledged.

Further information can be had by calling the hospital, RA. 1171.

CHRISTMAS

(Continued from Page 1A)

new carol, "Softly the Stars Were Shining," by Torovsky.

Special assemblies will be held for both the junior and senior high students Friday at West High School, it has been announced. Friday morning, through the joint efforts of the Y-teens and members of the vocal and instrumental departments, a program will be held in the auditorium. The school orchestra and several soloists will be featured at that time.

Among the elementary schools, most Christmas programs will be held Friday, near dismissal time for the two-weeks' vacation period.

At West Broad Street School, parents and friends of the pupils are invited to attend the Nativity pageant to be presented at 9 a. m. Friday. An exchange of gifts and a Christmas party will be held at the Mount Street School Friday afternoon, while the Highland Avenue School will celebrate the holiday with a program of carol singing by the glee club and a Christmas message by Rev. W. H. Schoof at 7:30 this evening. The program is sponsored by the school P-T-A.

At John Burroughs School, the various grades plan to gather around a Christmas tree Friday to sing carols as part of the annual "White Christmas" observance. The schedule is as follows: 9:20-10:05, sixth and seventh grades; 10:10-11:10, second and third grades; 11:15-12:00, fourth grade; 1:30-1:55, fifth grade; 2:00-2:30, first grade. The kindergarten program will be held in that room. Parents and friends are invited to attend any portion of this program.

John Burroughs School is said to have the largest variation of window decoration on the Hilltop. All four sides of the building on both the first and second floors are displaying colored decorations in the windows, pasted or painted there by the pupils.

On Friday, Dec. 20, at Sunshine Park recreation center, at 8 p. m., there will be a large Christmas party to which everyone in the community is invited. Proceeds from the general party will be a Christmas program for the two Sunshine clubs—the Sunshine boys' club and the Sunshine girls' club. At 7 o'clock the two clubs will exchange gifts which will be followed by their version of "Scrooge"; following this will be Christmas games until the big Christmas party starts at 8. This party will consist of carol singing, the music for which will be furnished by the Trade School band. Following the carol singing, Santa Claus will make his appearance to help distribute the "exchange gifts." All interested in the exchange are asked to bring a 25c gift. The party will close with a Christmas dance.

The City Recreation Department will furnish the Christmas tree (to be decorated by the children of the center) and plenty of fruit. At Glenwood Shelter House on Dec. 20, the City Recreation Department will hold its annual Christmas party for the Glenwood boys and girls and their parents. The party will be divided in two parts, the first part from 6:30 until 8 for children 8 to 12 years old, and the second part from 8 to 10 for young men and women 12 years and up. The party for the first group will include games and contests with Santa distributing fruit to all. The party for the second group will include games, Christmas carols and a Christmas dance to finish the evening. All youngsters and elders of the neighborhood are invited to come and join the fun around the big Christmas tree.

Moving up to within two days before Christmas and starting at 7:30 p. m. until 11:00 on the night of Dec. 23, Santa will visit Sulivant Garden center and there help the boys and girls exchange their gifts. The parents of the community are invited to come and sing Christmas carols with the caroling group. There will be a large tree furnished by the City Recreation Department and decorated by the children of the center. After games and contests and Christmas stories there will be fruit given out to all.
